INDEPENDENT AUDITOR'S REPORT

To the Board of Directors,
Crescent Affordable Housing Corporation and Subsidiaries

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of the business-type activities of Crescent Affordable Housing Corporation and Subsidiaries (collectively referred to as the "Corporation"), a component unit of the Housing Authority of New Orleans ("HANO") as of and for the year ended December 31, 2022, and the related notes to the consolidated financial statements, which collectively comprise the Corporation's consolidated financial statements as listed in the table of contents.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of the business-type activities of the Corporation as of December 31, 2022, and the changes in financial position, and cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Corporation and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Emphasis of a Matter

As described in Note K to the consolidated financial statements, a prior period adjustment was made to adjust the Corporation's due from affiliate, due to affiliate, and net position balances as of the beginning of the year. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Corporation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Management has omitted the Management's Discussion and Analysis for the Corporation that accounting principles generally accepted in the United States of America requires to be presented to supplement the consolidated financial statements. Such missing information, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board*, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the consolidated financial statements is not affected by the missing information.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The consolidating schedule of net position and consolidating schedule of revenues, expenses and changes in net position are presented for purposes of additional analysis and is not a required part of the consolidated financial statements. The schedule of compensation, benefits and other payments to agency head or chief executive officer is presented for the purpose of additional analysis as required by the Louisiana Legislative Auditor and is also not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 31, 2023 on our consideration of the Corporation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over financial reporting and compliance.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2022

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of operations

Organization

Crescent Affordable Housing Corporation (“CAHC”) and Subsidiaries (collectively referred to as the “Corporation”), a Louisiana not-for-profit corporation, was formed in December 2003 by the Housing Authority of New Orleans (“HANO”). The Corporation was formed for the purpose of providing a financial entity to assist HANO in acquiring, financing, redeveloping, rehabilitating and constructing affordable housing. CAHC is the sole member of Lune d’Or Enterprises, LLC (“Lune d’Or”), a for-profit entity created by HANO that serves as the managing member of several for-profit Limited Liability Companies that own and operate affordable housing units developed on properties owned by HANO. CAHC is also the sole member of Place d’Genesis, LLC (“Place d’Genesis”), a for-profit entity with the purpose to acquire, finance, redevelop, rehabilitate and construct affordable housing, and Guste Homes III, LLC a 155-unit low-income housing apartment complex located in New Orleans, Louisiana.

CAHC is a component unit of HANO under the requirements of Governmental Accounting Standards Board (“GASB”) *Codification of Governmental Accounting and Financial Reporting Entity*, Section 2100, *Defining the Financial Reporting Entity*. CAHC is presented as a blended component unit of HANO as there is a financial benefit/burden relationship with HANO. HANO has the ability to influence the operations of CAHC as its Board of Directors is appointed by HANO and any changes to CAHC’s by-laws must be approved by HANO.

For financial reporting purposes, the financial information is presented in conformity with GASB, which is the same measurement focus and basis of accounting used for HANO.

2. Principles of consolidation

The accompanying consolidated financial statements include the accounts of CAHC, Lune d’Or, Place d’Genesis, and Guste Homes III, LLC. CAHC has a 0.01% interest in Guste Homes III, LLC. In addition, the balances of Lune d’Or include three limited liability companies, which Lune d’Or is a controlling member as the managing general partner of each respective partnership. These entities in which CAHC and Lune d’Or have managing member ownership interests in are included in the consolidation according to accounting principles generally accepted in the United States of America (GAAP) which require consolidation of the accounts of all limited liability companies that CAHC and Lune d’Or control.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

2. Principles of consolidation (continued)

The limited liability companies included in the consolidation are as follows:

Entity	Percentage Ownership	Number of Units
Fischer I, LLC	0.01%	20
Fischer III, LLC	0.01%	103
Guste I, LLC	0.01%	82
Guste Homes III, LLC	0.01%	155

There are three additional entities, CJP Rental I, LLC, St. Bernard Rental I, LLC, and Iberville Offsite Rehab I, LLC, in which CAHC has a minority interest, which are not controlled by CAHC and do not require inclusion in these consolidated financial statements.

All significant inter-company balances and transactions have been eliminated upon consolidation. These eliminations include the following:

	Amount
Developer fee payable and receivable	\$ 2,128,674
Investment in joint venture	\$ 651,342
Due to and due from between CAHC and its affiliates	\$ 752,012

3. Government-wide and fund financial statements

The government-wide financial statements report information about the reporting government as a whole excluding fiduciary activities. The statements distinguish between governmental and business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues and other non-exchange revenues. Business-type activities rely to a significant extent, on user fees and charges for support.

Governments use fund accounting, whereby funds are organized into three major categories: governmental, proprietary and fiduciary. Each fund is accounted for by providing a separate set of self-balancing accounts that constitute its assets, deferred outflows of resources, liabilities, deferred inflows of resources, fund net position, revenues and expenditures/expenses.

For financial reporting purposes, the Corporation reports all of its operations as a single business activity in a single enterprise fund. Therefore, the government-wide and the fund financial statements are the same.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2022

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Government-wide and fund financial statements (continued)

Enterprise funds are proprietary funds. Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating activity generally arises from providing services in connection with a proprietary fund's principal activity. The operating revenues of the Corporation consist primarily of tenant rent. All other revenues are reported as non-operating revenues.

Operating expenses are those expenses that are essential to the primary operations of the Corporation. All other expenses are reported as non-operating expenses.

Net position, the difference between assets plus deferred outflows of resources and liabilities plus deferred inflows of resources, as presented in the statement of net position, is subdivided into three categories: net investment in capital assets; restricted net position; and unrestricted net position. Net position is reported as restricted when constraints are imposed on the use of the amounts either externally by creditors, grantors, contributors, or laws and regulations of other governments, or by law through constitutional provisions or enabling legislation. Net investment in capital assets is the component of net position that consists of capital assets, net of accumulated depreciation and reduced by any outstanding balances of bonds, mortgages, notes or other borrowings that are attributable to the acquisition, construction and improvements of those assets. Unrestricted net position does not meet the definition of the other two components.

4. Measurement focus and basis of accounting

Measurement focus is a term used to describe which transactions are recorded within the various consolidated financial statements. The proprietary fund utilizes an economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position and cash flows. All assets, deferred outflows of resources, liabilities and deferred inflows of resources (whether current or noncurrent) associated with their activities are reported. Proprietary fund equity is classified as net position.

Basis of accounting refers to when transactions are recorded regardless of the measurement focus applied. The basis of accounting used is similar to businesses in the private sector, thus, these funds are maintained on the accrual basis of accounting. Revenues are recognized when earned and expenses are recorded when the liability is incurred or economic asset used.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2022

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

5. Use of estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

6. Cash and cash equivalents

The Corporation considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

7. Accounts receivable, net

Management individually reviews all accounts receivable periodically and assesses the portions, if any, of the balance that will not be collected. Tenant accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. The allowance for uncollectible amounts as of December 31, 2022, is \$8,486.

8. Tax credit monitoring fees, net

Tax credit monitoring fees of \$102,983 are being amortized using the straight-line method over the fifteen-year tax credit compliance period. Accumulated amortization at December 31, 2022 is \$41,196. Estimated amortization expense for each of the following years is as follows:

	Guste Homes III, LLC
2023	\$ 6,866
2024	6,866
2025	6,866
2026	6,866
2027	6,866
Thereafter	27,457
	<u>\$ 61,787</u>

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

9. Capital assets, net

Property and equipment is recorded at cost. Expenditures for maintenance and repairs are charged to expenses as incurred while major renewals and betterments are capitalized. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of revenues, expenses and changes in net position. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

	<u>Useful Lives</u>
Buildings and improvements	40 years
Land improvements	20 years
Furniture, equipment, and machinery	10 years

10. Impairment of long-lived assets

The Corporation reviews its long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. Management has determined that there were no impairments as of December 31, 2022.

11. Deferred fees and amortization

Debt issuance costs, net of accumulated amortization, are reported as a direct deduction from the face amount of the mortgage loan payable to which such costs relate. Amortization of debt issuance costs is reported as a component of interest expense and is being computed using an imputed interest rate. The individual entities that are reported and consolidated under the Corporation are for-profit partnerships that are following Financial Accounting Standards Board ("FASB") accounting guidance for debt issuance costs. Accordingly, these costs have been treated the same the financial reporting by the Corporation.

12. Rental income, net

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Corporation and the tenants of the property are considered operating leases.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

For the year ended December 31, 2022

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

13. Income taxes

CAHC has been classified as a publicly supported organization under Internal Revenue Code Section 501(c)(3) and not as a private foundation. Therefore, it is generally not subject to income tax. CAHC is subject to Unrelated Business Income Tax (UBIT) if income is earned which does not relate to its nonprofit purpose. There has been no UBIT recorded in the financials for the year ended December 31, 2022.

Lune d'Or and Place d'Genesis have elected to be treated as pass-through entities for income tax purposes and, as such, are not subject to income taxes. Rather, all items of taxable income, deductions and tax credits are passed through to CAHC and the other owners of the consolidated entities. Lune d'Or and Place d'Genesis' federal tax status as pass-through entities is based on their legal status as single-member limited liability companies. Accordingly, neither entity is required to take any tax positions in order to qualify as pass-through entities. Guste Homes III, LLC and the three limited liability companies included in Lune d'Or are required to file and do file tax returns with the Internal Revenue Service and other taxing authorities.

Accordingly, these consolidated financial statements do not reflect a provision for income taxes and there are no other tax positions which must be considered for disclosure. While no income tax returns are currently being examined by the Internal Revenue Service, the Corporation is no longer subject to income tax examinations by tax authorities for years before 2019.

14. Economic concentrations

All of the operations of CAHC and its consolidated subsidiaries are located in New Orleans, Louisiana. Future operations could be affected by changes in economic or other conditions in that geographical area or by changes in federal low-income housing subsidies or the demand for such housing.

15. Impact of recently issued accounting principles

In May 2020, the GASB issued Statement No. 96, *Subscription-Based Information Technology Arrangements*. This statement is effective for the Corporation's December 31, 2023 fiscal year end.

In June 2022, the GASB issued Statement No. 101, *Compensated Absences*. This statement is effective for the Corporation's December 31, 2025 fiscal year end.

Management is currently evaluating the impact of the adoptions of these statements on the Corporation's consolidated financial statements.

NOTE B - CASH AND CASH EQUIVALENTS

As of December 31, 2022, the Corporation's cash and cash equivalents totaled \$6,405,611.

The Corporation maintains its cash and cash equivalents in financial institutions that are insured by the Federal Depository Insurance Corporation ("FDIC") for up to \$250,000 per depositor. From time to time, the Corporation's cash balances in these institutions may be in excess of the FDIC insured limit. However, management does not believe the credit risk related to these balances is significant.

Restricted cash and cash equivalents consist of the following at December 31, 2022:

1. Replacement reserve

Pursuant to each respective Operating Agreement, each entity is required to make monthly deposits to a reserve account for capital replacements. During 2022, the funded monthly deposits of \$608 for Fischer I, LLC, \$2,963 for Fischer III, LLC, and \$2,280 for Guste I, LLC were made and will increase annually by the Consumer Price Index. For Guste Homes III, LLC annual deposits are required in the amount of \$46,500, increasing annually by 3% commencing on the date of substantial completion.

2. Annual Contributions Contract ("ACC ") subsidy reserve

Each entity shall establish a reserve account as set forth in their Regulatory and Operating Agreement between the entity and HANO. Funds in the ACC Subsidy Reserve may be used to pay operating expenses subject to approval and consent of the Investor Member, CAHC. The accounts, once established, shall remain at or above \$33,627 for Fischer I, LLC, \$227,000 for Guste I, LLC and \$165,000 for Guste Homes III, LLC.

3. Operating reserve

Pursuant to each respective Operating Agreement, each entity is required to establish an operating reserve in a separate reserve account to fund operating expenses, to the extent required, subject to any requisite approvals and to the consent of the Investor Member, CAHC.

4. Tax and insurance escrow

Pursuant to the Operating Agreement, the Managing Member of Guste Homes III, LLC, CAHC, is required to establish an initial tax and insurance escrow of \$271,463 in a separate escrow account in order to provide for insurance and tax payments for the entity. The initial escrow was funded from capital contributions and/or loan proceeds.

5. Property security reserve

Pursuant to the Operating Agreement, the Managing Member of Guste Homes III, LLC, CAHC, is required to establish an initial Property Security Reserve of \$175,000 in a separate reserve account in order to provide for physical security of the apartments. The reserve was funded from capital contributions and/or loan proceeds and shall be held throughout the Compliance Period. CAHC may draw down up to \$35,000 annually for providing security to the apartments without consent of the Special Investor Member, provided CAHC verifies that such funds are utilized for security purposes.

6. Rental achievement reserve

Pursuant to the Operating Agreement, the Managing Member of Guste Homes III, LLC, CAHC, is required to establish a rental achievement reserve of \$100,000 in a separate reserve account in order to ensure that the entity will maintain an average income to expense ratio of 1.05 to 1.0 or such greater ratio as may be required to maintain breakeven operations throughout the Compliance Period.

7. Development escrow

In connection with the construction of Guste Homes III, LLC, the Investor Member has established an escrow to pay for future development costs.

8. Utility escrow

CAHC required Fischer III, LLC to establish a utility escrow before releasing equity installments due.

NOTE C - RELATED PARTY TRANSACTIONS

1. Voucher subsidy from HANO

The apartments are eligible to house tenants receiving Housing Choice Voucher rental assistance through vouchers issued by HANO. These amounts are included in rental income on the consolidated statement of revenues, expenses and changes in net position. During 2022, \$25,625 for Fischer I, LLC, \$149,138 for Fischer III, LLC, \$175,559 for Guste I, LLC, and \$434,124 for Guste Homes III, LLC was received from HANO as a voucher subsidy.

2. Operating subsidy from HANO

HANO has entered into an Amended and Restated Regulatory and Operating Agreement (the "Agreement") with the apartments that provides for an operating subsidy amount for annual operations. Pursuant to the Agreement, the units at each apartment complex are to be operated as Public Housing Units and subject to all regulations therein. During 2022, \$40,605 for Fischer I, LLC, \$340,818 for Fischer III, LLC, \$32,260 for Guste I, LLC, and \$225,106 for Guste Homes III, LLC was received from HANO as an operating subsidy.

3. Developer agreement - related party

Fischer I, LLC, Fischer III, LLC, and Guste I, LLC entered into development agreements with CAHC. The agreements provide for development fees and overhead for services in connection with the development of each property and supervision of the construction. Development fees are earned based upon the occurrence of certain events, as defined in the respective agreements, during development and construction. The developer fees are expected to be paid out of investor equity contributions.

During the year ended December 31, 2022, no additional development fees relating to these properties were earned or paid. As of December 31, 2022, the cumulative total developer fees are as follows and the payable and receivable are eliminated in the consolidated financial statements:

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors,
Crescent Affordable Housing Corporation and Subsidiaries

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of the business-type activities of Crescent Affordable Housing Corporation and Subsidiaries, a component unit of the Housing Authority of New Orleans, (collectively referred to as the "Corporation"), as of and for the year ended December 31, 2022, and the related notes to the consolidated financial statements, and have issued our report thereon dated August 31, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Corporation's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Corporation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Corporation's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Corporation's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. We identified a certain deficiency in internal control, described in the accompanying schedule of findings as **Finding No. 2022-001** that we consider to be a significant deficiency.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Corporation's consolidated financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of consolidated financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

The Corporation's Response to Findings

The Corporation's response to the findings identified in our audit is described in the accompanying schedule of findings and recommendations. The Corporation's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Corporation's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Corporation's internal control over compliance. Accordingly, this communication is not suitable for any other purpose.

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

For the year ended December 31, 2022

SCHEDULE OF FINDINGS AND RECOMMENDATIONS

2022-001 Financial Reporting

Significant Deficiency in Internal Control

Condition: The audited consolidated financial statements were completed and submitted to the Louisiana Legislative Auditor after the State statutory deadline of June 30, 2023.

Criteria: Louisiana State Law requires the annual audited financial statements to be completed and submitted to the Louisiana Legislative Auditor within six months after the fiscal year end per Louisiana Revised Statute 24:513.

Context: The Corporation was granted a non-emergency extension and the financial statements were not submitted to the Louisiana Legislative Auditor by the six month deadline of June 30, 2023.

Cause: The Corporation was in the process of completing a software conversion and performing a reconciliation of historical accounts receivable and accounts payable balances which caused delays in the audit process.

Effect: Noncompliance with State Law and proper financial oversight was not able to be performed timely by the Louisiana Legislative Auditor.

Auditor Recommendation: The Corporation should ensure that the year-end reconciliations are completed timely to allow for the completion of the audited financial statements by the June 30th deadline of each fiscal year.

Reporting Views of Responsible Officials: Management concurs with the finding and recognizes the importance of reviews over financial reporting. Management has previously established internal controls over financial reporting and will prospectively adhere to internal policies to ensure that reconciliations are performed timely.
