We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has omitted substantially all of the disclosures that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial statement reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

The accompanying schedule of compensation, benefits, and other payments to the agency head and the Justice System Funding Schedule — Receiving Entity are presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. The information was subject to our compilation engagement, but we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such information.

We are not independent with respect to the Twenty-Fifth judicial District Court - Divisions A and B.
