INDEPENDENT ACCOUNTANTS' REVIEW REPORT

To the Board of Directors Urban Housing of America, Inc. Louisiana Shreveport, Louisiana

We have reviewed the accompanying financial statements of Housing of America, Inc. Louisiana (a nonprofit corporation), which comprise the statement of financial position as of December 31, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA, and the standard applicable to review engagements contained in Government Auditing Standards, issued by the United States Comptroller General. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements

for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Urban Housing of America, Inc. Louisiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our review, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information included in Schedules I and II is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the information and, accordingly, do not express an opinion on such information.

Report on Other Legal and Regulatory Requirements

In accordance with the Louisiana Governmental Audit Guide and the provisions of state law, we have issued a report, dated May 28, 2024, on the results of our agreed-upon procedures performed in accordance with attestation standards established by the American Institute of Certified Public Accountants and the standard applicable attestation engagements contained in Government Auditing Standards. The purpose of that report is solely to describe the scope of testing performed on those control and compliance areas identified in the Louisiana Governmental Audit Guide's agreed-upon procedures, and the results of that testing, and not to provide an opinion on control or compliance.

NOTE 1 ORGANIZATION:

Urban Housing of America, Inc. Louisiana (Urban Housing) is a Louisiana not-for-profit organization incorporated under the laws of the State of Louisiana on May 19, 1997. It was established to undertake, promote, develop and carry on low income housing development, management, ownership, and charitable work; to engage in the business of developing, maintaining, managing, and owning low income housing and providing charitable services dedicated to the improvement of living conditions of low income families; providing them with other services, i.e. childcare, job placement, family counseling, food purchasing programs, and personal financial planning targeting better living skills in order to improve their living and working conditions.

HUD Home Funds

Urban Housing is a Community Housing Development Organization or CHDO as defined by 24 CFR Part 92. Through their respective authorized agencies, The City of Shreveport, Louisiana facilitated HUD Home Funds to Urban Housing to be used for low income property acquisition and development and operating cost.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Method of Accounting

The financial statements are presented on the accrual method of accounting and are prepared in accordance with current recommendations of the American Institute of Certified Public Accountants for Not-for-Profit Organizations. The significant accounting policies are described below:

Basis of Presentation

The financial statements have been prepared in accordance with U.S generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Basis of Presentation (Continued)

Net Assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in preforming the primary objectives of the Organization. These net assets may be used at the discretion of the Organization and the board of directors.

Net Assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of activities. Accordingly, program and support service expenses are specifically identified with or allocated to Urban Housing's various functions. Expenses requiring allocation include services provided by Urban Housing's management and administrative staff to specific program-related activities. Expense allocations are prorated based on a percentage of time or actual usage.

Income Tax Status

Urban Housing is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, Urban Housing qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities and the reported revenues and expenses. Actual results could differ from those estimates.

Cash

Cash includes amounts in petty cash, demand deposits, interest-bearing demand deposits, and time deposits. Urban Housing considers money market funds and short-term investments, with a maturity of less than ninety days from the acquisition date to be cash equivalents. As of December 31, 2023, there are no cash equivalents.

The City of Shreveport requires that funds for Alston Place Homes be held in a separate checking account.

Restricted Cash

Tenant Security Deposits

Tenant security deposits are held in a separate bank account in the name of the project and are not available for operating purposes.

Property and Equipment

Acquisitions of property and equipment with an original cost of \$5,000 or more are reported at historical cost or estimated historical cost. Major outlays for property development and improvements are capitalized as projects are constructed.

Interest incurred, net of interest earned on specific project related debt, during the construction phase of development is included as part of the capitalized value of the assets constructed.

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Property and Equipment (Continued)

Contributed assets are reported at fair market value as of the date received. Additions, improvements, and other property and equipment acquisitions that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following useful lives:

Furniture and Equipment	5	Years
Land Improvements	15	Years
Buildings	30-40	Years
Building Improvements	15	Years

Revenues

Urban Housing receives rents from operating Alston Place Homes, an eight-unit project in Shreveport, Louisiana. The Organization leases space of its office building to commercial tenants. The Organization also earns fees for services to various low-income housing developments.

Rents are recognized as income under the accrual basis as they are earned. Advance receipts of rental income are deferred and classified as liabilities until earned. All leases between the Organization and tenants of the property are considered to be operating leases.

Revenue Recognition

Revenue from Exchange Transactions: The Organization recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, Revenue from Contracts with Customers, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Organization records the following exchange transaction revenue in its statements of activities and changes in net assets for the year ending December 31, 2023:

NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

Revenue Recognition (Continued)

The Organization earns fees for services to various low-income housing organizations. Fees are set by the Organization. Each service provided is considered a separate performance obligation. Fees are earned when the service is provided and payment is due in 30 days.

The accounting and reporting of grants is determined by the underlying substance of the transaction. A grant may be accounted for as contribution, an exchange transaction, or a combination of the two. If it is determined to be a contribution, a grant may be considered a conditional or an unconditional grant.

Allowance for Credit Loss

Accounts receivable have been reviewed by management and it has been determined that there is no requirement for an allowance for credit loss as of December 31, 2023. Management reviews accounts receivable quarterly to determine bad debts.

Advertising Costs

The Organization expenses advertising costs as they are incurred. For the year ended December 31, 2023, advertising expense was \$1,459.

Investment Policies

Marketable equity securities for which a fair market value is not readily determinable are recorded at estimated amortized cost. Investments in debt securities and marketable equity securities for which fair market value is readily determinable are reported at fair value. Gains and losses on all investments are recorded as increases or decreases (as appropriate) in net assets in the accompanying Statement of Activities.

NOTE 3 CONCENTRATION OF CREDIT RISK:

Custodial credit risk is the risk that in the event of a bank failure, the Organization's deposits may not be returned to it. At December 31, 2023, cash consisted of two demand deposit accounts at two local banks which are insured up to \$250,000. At various times during the year the accounts exceeded the FDIC coverage and were at risk.

NOTE 4 PROPERTY:

Property and equipment activity for the year ended December 31, 2023 was as follows:

	Balance at 1/01/2023	Additions	Deletions	Balance at 12/31/2023

CHDO Loan with City of Shreveport. This loan accrues interest at 3% and is only payable from surplus cash. The balance of this loan at December 31, 2023 was \$122,313.

Fair Value of Debt

The fair values of the above loans and mortgages are estimated based on the current rates offered to the Organization for

NOTE 5 DEBT: (Continued)

Fair Value of Debt (Continued)

debt of the same remaining maturities. At December 31, 2023, the fair value of the loans and mortgages payable approximate the amounts recorded in the financial statements.

NOTE 6 SUBSEQUENT EVENTS:

The Organization is required to evaluate events or transactions that may occur after the balance sheet date for potential recognition or disclosure in the financial statements. The Organization performed such an evaluation through May 28, 2024, the date the financial statements were available to be issued.

NOTE 7 UNCERTAIN TAX POSITIONS:

The Organization is subject to examination by various taxing authorities. Management has reviewed the Organization's activities and believes that no additional amounts or disclosures are needed, as the effect of any uncertain tax positions is not material to the financial statements. The tax returns for the years 2023, 2022, 2021, and 2020 are open for examination by various taxing authorities.

NOTE 8 INVESTMENTS:

Investments are stated at fair values as determined by market quotes on the investments, and are summarized as follows as of December 31, 2023:

	Fair and Carrying
	<u>Values</u>
Cash and Cash Equivalents	1,771
U.S. Government Agencies Debt	_
Equities and Convertibles	107,349
Alternative Assets	
Total	<u>109,120</u>

All income is unrestricted and may be used as designated by the board and, accordingly, is recorded as income in the appropriate fund.

NOTE 9 IMPAIRMENT OF LONG-LIVED ASSETS:

In accordance with the accounting guidance for the impairment or disposal of long-lived assets, the Organization reviews its property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. If the fair value is less than the carrying amount of the asset, an impairment loss is recognized for the difference. No impairment loss has been recognized to date.

NOTE 10 DONATED SERVICES:

No amounts have been reflected in the financial statements for donated services as no objective basis is available to measure the value of such services and the donated services do not meet the criteria for recognition as contributions in accordance with professional standards.

NOTE 11 INVESTMENT INCOME:

Sources of investment income are as follows:

Realized Gain (Loss) on Investments	(1,224)
Unrealized Gain (Loss) on Investments	9,625
Interest, Dividends and Other	<u>4,411</u>
Total	12,812

The investment expense paid by the Organization for 2023 was \$987.

NOTE 12 SUMMARY OF FAIR VALUE EXPOSURE:

The FASB Fair Value Measurement standard clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value, and requires additional disclosure about the use of fair value measurements in an effort to make the measurement of fair value more consistent and comparable. The Organization has adopted this standard for its financial assets and liabilities measured on a recurring and nonrecurring basis (ASC 820-10).

NOTE 12 SUMMARY OF FAIR VALUE EXPOSURE: (Continued)

Fair Value Measurement defines fair value as the amount that would be received from the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants, i.e., an exit price. To estimate an exit price, a three-tier hierarchy is used to prioritize the inputs:

- Level 1: Quoted prices in active markets for identical securities.
- Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.)
- Level 3: Significant unobservable inputs (including the Organization's own assumptions in determining the fair value of investments).

The inputs and methodology used for valuing the Organization's financial assets and liabilities are not indicators of the risks associated with those instruments.

The following table provides fair value measurement information for financial assets and liabilities measured at fair value on a recurring basis as of December 31, 2023.

Description	Investments in Securities
Level 1: Quoted Prices Level 2: Other Significant Observable Inputs	107,349
Level 3: Significant Unobservable Inputs	
Total Fair Value	<u>107,349</u>

The following methods and assumptions were used to estimate the fair values of the assets and liabilities in the table above:

LEVEL 1: FAIR VALUE MEASUREMENTS

Investments in Securities

NOTE 12 SUMMARY OF FAIR VALUE EXPOSURE: (Continued)

The fair value of the Organization's investments in marketable equity and debt securities is based on quoted market prices.

LEVEL 3: FAIR VALUE MEASUREMENTS

Investments in Securities

The fair value of the Organization's alternative investments has been established utilizing the net asset value of the fund allocated to the Organization's percentage ownership in the fund. These estimates are compared to the Organization's counterparty values for reasonableness.

The following table reconciles the Organization's assets and liabilities classified as Level 3 measurements during the year ended December 31, 2023:

Balance, December 31, 2022	-
Purchases, Issuances, and Settlements Net Realized and Unrealized Losses Included	_
in Earnings	
Balance, December 31, 2023	<u>-0-</u>
Net Unrealized Losses During Year on Level 3 Securities Held at December 31, 2023	<u>-0-</u>

At December 31, 2023, assets measured at fair value on a nonrecurring basis are comprised of noncurrent pledges receivable totaling \$-0-. Fair value of noncurrent pledges receivable is based on observable inputs, which make up a Level 1 asset. The fair value is estimated by discounting expected cash inflows to their present value. The discount is not material.

NOTE 13 LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS:

The following reflects the Organization's financial assets as of the balance sheet date of December 31, 2023, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date.

Financial Assets at December 31, 2023

523,117

Restricted Cash - Tenant Security Deposits

6,455

Financial assets availability to meet cash needs for general expenditure, within one year

516,662

In addition to financial assets available to meet general expenditures over the year, the Organization anticipates covering its general expenditures using the income generated from fees for services to low-income housing projects and rental income.

NOTE 14 NEW ACCOUNTING PRONOUNCEMENTS:

Effective January 1, 2023, the Project adopted the provisions of ASC 326, Allowance for Credit Losses. ASC 326 provides guidance on how an entity should measure credit losses on financial instruments. The adoption of the new accounting pronouncements had no material effect on the financial statements.
