RE: Cenla Area Agency on Aging, Inc.

The Governor's Office of Elderly Affairs has requested that we revise the presentation on Page 20 of the report for the year ended June 30, 2022. The revisions were necessary for the following reasons:

- NSIP funds that were used to purchase meals were reported as expenditures by the NSIP program.
- The purchase of these meals should have been reported as a transfer from NSIP to C-1 and C-2.
- The report has been changed to present the expenditures under the C-1 and C-2 programs and report a transfer from NSIP to C-1 and C-2.

Sincerely,

Lee Willis

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Cenla Area Agency on Aging (CAAA) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of CAAA as of June 30, 2022, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of CAAA and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about CAAA's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due
 to fraud or error, and design and perform audit procedures responsive to those risks. Such
 procedures include examining, on a test basis, evidence regarding the amounts and disclosures
 in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing an
 opinion on the effectiveness of CAAA's internal control. Accordingly, no such opinion is
 expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about CAAA's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The departmentalized statement of activities, the statements of activities budget and actual for various programs, the statement of changes in property and equipment, and the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer listed as supplemental information in the table of contents are presented for purposes of additional analysis and are not a required part of the financial statements. The accompanying schedule of expenditures of federal awards, as required by *Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements.

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 17, 2022, on our consideration of CAAA's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of CAAA's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering CAAA's internal control over financial reporting and compliance.

NOTE 1 - ORGANIZATION AND BASIS OF PRESENTATION

Cenla Area Agency on Aging (the Agency) is a non-profit organization incorporated under the laws of the State of Louisiana on May 15, 1992. The Agency began operating as an Area Agency on Aging on July 1, 1993.

The primary function of the Cenla Area Agency on Aging is to improve the quality of life for the elderly and to provide services to the elderly as well as coordinate and monitor the services of other local agencies serving aging people. Services provided include providing meals, nutritional education, information and referral services, legal assistance, homemaker services, operating senior centers, and transportation. A Board of Directors, consisting of 14 voluntary members who serve three-year terms, governs the Agency.

Cenla Area Agency on Aging qualifies as a tax-exempt organization under Section 501(c)(3) of the U.S. Internal Revenue Code and comparable Louisiana law and, accordingly, is not subject to federal or state income tax. Furthermore, the Agency is not classified as a "private foundation" by the internal revenue service.

The more significant of the Agency's accounting policies are described below.

BASIS OF PRESENTATION

The financial statements have been prepared on the accrual basis in conformity with generally accepted accounting principles. Preparation of financial statements in conformity with generally accepted accounting principles requires certain estimates and assumptions that affect reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

As required by Generally Accepted Accounting Standards, net assets and activities are classified in the following manner:

<u>Net Assets without Donor Restrictions</u> – Net assets that are not subject to donor imposed restrictions. This classification includes restricted contributions whenever the restriction is fulfilled prior to the end of the period in which the contribution was awarded.

<u>Net Assets with Donor Restrictions</u> – Net assets subject to certain donor imposed restrictions and restrictions imposed by grant agreements. Donor restrictions apply when the restriction can be fulfilled by specific actions or by the passage of time.

Satisfaction of donor restrictions is presented in the accompanying financial statements as net assets released from restrictions. This process simultaneously increases net assets without donor restrictions and decreases net assets with donor restrictions. Expenses are presented as decreases in net assets without donor restrictions.

Notes to Financial Statements June 30, 2022

PROMISES TO GIVE:

As required by generally accepted accounting principles, unconditional promises to give are reported as revenue when the promise is made. Conditional promises to give are recognized as revenue when the necessary conditions are fulfilled.

CASH AND CASH EQUIVALENTS:

Cash and cash equivalents represent bank deposits and highly liquid investments with original maturities of three months or less.

LAND, BUILDINGS AND EQUIPMENT:

Land, buildings and equipment are recorded at cost on the date of acquisition. Depreciation on buildings and equipment is computed using the straight-line basis over estimated useful lives ranging from 5 to 40 years.

DONATIONS

The Agency typically does not use donated services, materials and supplies in completing program activities.

COMPENSATED ABSENCES

The Agency's employees earn from 0.923 to 1.846 hours of vacation pay for every twenty hours worked depending upon the number of years worked. Unused vacation time that an employee may carry forward to the next year is limited to the amount that the employee is eligible to earn in a single year.

ADVERTISING

Advertising programs are not considered to have any significant benefits for future periods. Accordingly, advertising costs are expensed as incurred.

NOTE 2 - CASH

Amounts reported as cash at June 30, 2022 are summarized as follows:

	Carrying <u>Amount</u>	Bank <u>Balance</u>		
Petty Cash	\$ 300	\$		
Miscellaneous	1,000			
Interest bearing demand deposits	1,795,698	1,882,560		
Total Cash	\$1,796,998	\$1,882,560		

Funds on deposit with financial institutions exceeded available Federal Deposit Insurance Coverage by approximately \$1,545,698. However, the uninsured deposits are secured by pledged securities with a market value of \$1,661,265 at June 30, 2022. Louisiana imposes a statutory requirement on the

Notes to Financial Statements June 30, 2022

custodial bank to advertise and sell the pledged securities within 10 days of being notified by the Agency that the fiscal agent has failed to pay deposited funds upon demand.

NOTE 3 - ACCOUNTS RECEIVABLE

Receivables are considered entirely collectible and there is no allowance for doubtful accounts. Furthermore, receivables are expected to be fully collected within one year. Receivables at June 30, 2022 are summarized as follows:

Receivables from sub-recipient organizations	\$ 202,029
Government Office of Elderly Affairs	105,906
Louisiana Department of Insurance	4,367
Receivables	\$ 312,302

NOTE 4 – PROPERTY AND EQUIPMENT

Property and equipment utilized by the Agency at June 30, 2022 is presented as follows:

Office furniture and equipment Office building	\$ 30,569 213,447
- Cinco contains	_10,
Total	244,016
Accumulated Depreciation	(103,251)

For the year ended June 30, 2022, depreciation expense totaled \$10,171.

NOTE 5 - COMPENSATION OF BOARD MEMBERS

There was no compensation paid to any member of the Board of Directors during the current year.

NOTE 6 – NET ASSETS WITH DONOR RESTRICTIONS

A portion of the Agency's funds are provided by the Governor's Office of Elderly Affairs. These funds are restricted for specific program activities and are presented as net assets with donor restrictions.

NOTE 7 – RETIREMENT BENEFITS

The Agency provides a defined contribution retirement plan, which is funded by employee contributions and matching contributions provided by the Agency. The expense incurred for matching contributions totaled \$11,202.

NOTE 8 – CONTINGENCIES

Existing conditions that may have financial consequences are referred to as contingencies. The Agency conducts various programs that are supported by grant funds. Management is confident that

Notes to Financial Statements June 30, 2022

all significant grant conditions have been met; however, grantor agencies routinely review grant activity and could request reimbursement if a dispute occurs regarding compliance with grant conditions.

NOTE 9 – LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

With the exception of property and equipment, essentially all of the Agency's assets are of a financial nature. Liquidity is provided by maintaining a significant cash reserve on deposit with a regulated financial institution. In addition, the Agency has contractual arrangements with the State of Louisiana that are expected to provide sufficient resources to meet cash needs for general expenditure during the subsequent period.

Contractual arrangements with the State of Louisiana are subject to potential revision that could be imposed in response to State budget concerns or other matters effecting the State's operations. These potential revisions represent the primary factor that could impact the availability of resources.

NOTE 10 – MANAGEMENT'S REVIEW

Management has evaluated subsequent events through December 17, 2022, which is the date the financial statements were available to be issued. There were no subsequent events that require recording or disclosure in the financial statements for the year ended June 30, 2022.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Cenla Area Agency on Aging Alexandria, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Cenla Area Agency on Aging (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 17, 2022.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Cenla Area Agency on Aging's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Cenla Area Agency on Aging December 17, 2022

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Cenla Area Agency on Aging's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Cenla Area Agency on Aging Alexandria, Louisiana

Report on Compliance for Each Major Federal Program

OPINION ON EACH MAJOR FEDERAL PROGRAM

We have audited Cenla Area Agency on Aging's compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Cenla Area Agency on Aging's major federal programs for the year ended June 30, 2022. Cenla Area Agency on Aging's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Cenla Area Agency on Aging complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2022.

BASIS FOR OPINION ON EACH MAJOR FEDERAL PROGRAM

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and the audit requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Cenla Area Agency on Aging and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on

1407 Peterman Drive Post Office Box 12178 Alexandria, Louisiana 71315 Voice: 318.442.1608 Fax: 318.487.2027 Online: CenlaCPAs.com

Cenla Area Agency on Aging December 17, 2022

compliance for each major federal program. Our audit does not provide a legal determination of Cenla Area Agency on Aging's compliance with the compliance requirements referred to above.

RESPONSIBILITIES OF MANAGEMENT FOR COMPLIANCE

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Cenla Area Agency on Aging's federal programs.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF COMPLIANCE

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Cenla Area Agency on Aging's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Cenla Area Agency on Aging's compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, Government Auditing Standards, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and
 design and perform audit procedures responsive to those risks. Such procedures include
 examining, on a test basis, evidence regarding Cenla Area Agency on Aging's compliance with
 the compliance requirements referred to above and performing such other procedures as we
 considered necessary in the circumstances.
- Obtain an understanding of Cenla Area Agency on Aging's internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Cenla Area Agency on Aging's internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

REPORT ON INTERNAL CONTROL OVER COMPLIANCE

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.
