To the Members of  
Fischer I, LLC

### Report on the Audit of the Financial Statements

#### *Opinions*

We have audited the accompanying financial statements of the business-type activities of Fischer I, LLC (the "Company"), as of December 31, 2021 and 2020, and the related notes to the financial statements, which collectively comprise the Company's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of the Company, as of December 31, 2021 and 2020, and the respective changes in financial position and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinions*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements that collectively comprise the Company's basic financial statements. The supplementary information, as listed in the table of contents, is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated March 1, 2022 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

## Fischer I, LLC

### NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1. Nature of operations

Fischer I, LLC (the "Company"), a Louisiana limited liability company, was formed in March 2004 to construct, develop and operate a 20-unit apartment project, known as Fischer I Apartments (the "Apartment") in New Orleans, Louisiana. The Apartment is rented to low-income tenants and is operated in a manner necessary to qualify for federal low-income housing tax credits as provided under Section 42 of the Internal Revenue Code ("Section 42").

The managing member is Lune d'Or Enterprises, LLC (the "Managing Member"). The limited members (the "Limited Members") are MMA Special Limited Partner, Inc. (the "Special Member") and MMA Fischer I, LLC (the "Investor Member").

Profits, losses and tax credits are allocated in accordance with the Amended and Restated Operating Agreement, dated January 1, 2005 (the "Operating Agreement"). Profits and losses from operations and low-income housing tax credits in any one year are allocated 99.99% to the Investor Member and 0.01% to the Managing Member.

Each building of the Apartment has qualified for and been allocated low-income housing tax credits pursuant to Section 42 which regulates the use of the Apartment to occupant eligibility and unit gross rent, among other requirements. The total low-income housing credits generated from the State of Louisiana was \$2,551,600 and is available for use by the members pro rata over a ten-year period. Each building of the Apartment must meet the provisions of these regulations during each of 15 consecutive years in order to remain qualified to receive the credits. The Compliance period ends December 2021.

The Company will operate until December 31, 2021 or until its earlier dissolution or termination.

The Company is a component unit of the Housing Authority of New Orleans (the "Authority" or "HANO") under the requirements of Governmental Accounting Standards Board Codification of *Governmental Accounting and Financial Reporting Standards*, Section 2100, *Defining the Financial Reporting Entity*. The Company is presented as a discretely presented component unit of HANO as there is a financial benefit/burden relationship with HANO.

2. Accounting method

The financial statements have been prepared on the accrual basis of accounting. Accordingly, income is recognized as earned and expenses as incurred, regardless of the timing of payments.

Fischer I, LLC

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

3. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

4. Cash and cash equivalents

The Company considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

5. Tenant accounts receivables

Management individually reviews all accounts receivable periodically and assesses the portions, if any, of the balance that will not be collected. Tenant accounts receivable are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management based on prior experience with similar accounts. The allowance for uncollectible accounts as of December 31, 2021 and 2020, was \$1,942 and \$2,590, respectively.

6. Tax credit monitoring fees and amortization

Tax credit monitoring fees of \$2,000 are being amortized using the straight-line method over the fifteen-year tax credit compliance period. Accumulated amortization at December 31, 2021 and 2020 is \$2,000 and \$1,940, respectively.

7. Investment in rental property

Property and equipment is recorded at cost. Expenditures for maintenance and repairs are charged to expenses as incurred while major renewals and betterments are capitalized. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of operations.

Fischer I, LLC

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

7. Investment in rental property (continued)

Depreciation is provided using the straight-line method over the estimated useful lives of the assets. Investment in rental property, net, is comprised of the following as of December 31:

	2021	2020	Useful Lives
Buildings and improvements	\$ 3,654,063	\$ 3,654,063	40 years
Land improvements	261,845	261,845	20 years
Furniture and equipment	76,128	76,128	10 years
	<u>3,992,036</u>	<u>3,992,036</u>	
Less accumulated depreciation	<u>(1,788,288)</u>	<u>(1,693,935)</u>	
	<u>\$ 2,203,748</u>	<u>\$ 2,298,101</u>	

8. Impairment of long-lived assets

The Company reviews its investment in rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. Management has determined that there were no impairments as of December 31, 2021 or 2020.

9. Rental income

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Company and the tenants of the property are considered operating leases.

10. Income taxes

The Company is not a taxpaying entity for federal or state income tax purposes since taxable income or loss passes through to, and is reportable by, the members individually. Therefore, no provision or liability for income taxes has been included in the financial statements.

Fischer I, LLC

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2021 and 2020

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

10. Income taxes (continued)

The Company accounts for income taxes in accordance with Financial Accounting Standards Board Accounting Standards Codification Topic 740, *Income Taxes*, which clarifies the accounting and disclosure requirements for uncertainty in tax positions. It requires a two-step approach to evaluate tax positions and determine if they should be recognized in the financial statements. The two-step approach involves recognizing any tax positions that are “more likely than not” to occur and then measuring those positions to determine if they are recognizable in the financial statements. Management regularly reviews and analyzes all tax positions and has determined no aggressive tax positions have been taken. In evaluating the Company’s tax provisions and accruals, future taxable income, the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

The Company’s income tax filings are subject to audit by various taxing authorities. The Company is no longer subject to income tax examinations by tax authorities for years before 2018.

11. Economic concentrations

The Company operates one property located in New Orleans, Louisiana. Future operations could be affected by changes in economic or other conditions in that geographical area or by changes in federal low-income housing subsidies or the demand for such housing.

NOTE B - CASH AND CASH EQUIVALENTS

As of December 31, 2021, the Company’s cash and cash equivalents totaled \$239,238.

The Company maintains its cash and cash equivalents balances in financial institutions that are insured by the Federal Depository Insurance Corporation (“FDIC”) for up to \$250,000 per depositor. From time to time, the Company’s cash balances in these institutions may be in excess of the FDIC insured limit. However, management does not believe the credit risk related to these balances is significant.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of  
Fischer I, LLC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activities of Fischer I, LLC (the "Company"), as of and for the year ended December 31, 2021, and the related notes to the financial statements, which collectively comprise the Company's basic financial statements, and have issued our report thereon dated March 1, 2022.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Company's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, we do not express an opinion on the effectiveness of the Company's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Company's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over compliance. Accordingly, this communication is not suitable for any other purpose.
