INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of Capital Post-Conviction Project of Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Capital Post-Conviction Project of Louisiana (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Capital Post-Conviction Project of Louisiana as of December 31, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Capital Post-Conviction Project of Louisiana and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Post-Conviction Project of Louisiana's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
 fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
 include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
 statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of Capital Post-Conviction Project of Louisiana's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Capital Post-Conviction Project of Louisiana's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Compensation, Benefits and Other Payments to Agency Head, or Chief Executive Officer on page 19, is presented for purposes of additional analysis as required by Louisiana Revised Statute (R.S.) 24:513(A)(3) and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 30, 2022, on our consideration of Capital Post-Conviction Project of Louisiana's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Capital Post-Conviction Project of Louisiana's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Capital Post-Conviction Project of Louisiana's internal control over financial reporting and compliance.

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Capital Post-Conviction Project of Louisiana (the organization) is a non-profit corporation organized exclusively for charitable, scientific and educational purposes, including, but not limited to, providing legal representation to indigent persons in Louisiana under the sentence of death, and to providing consultation services, educational materials, and seminars to lawyers who represent indigent persons facing or under a sentence of death.

The organization is supported primarily through government contracts and private grants and does not engage in fundraising activities.

Promises to Give

Contributions are recognized when the donor makes a promise to give to the organization that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions.

The organization has adopted FASB ASC No. 958-605-25-2, *Accounting for Contributions Received*. All unconditional contributions are to be measured at fair market value on the date received and be recognized currently as revenue or gains.

Cash Restricted to Trial Counsel Expert Witness Fund (TCEW)

The organization is the fiscal agent for the TCEW fund on behalf of the Louisiana Public Defender Board (LPDB). These are restricted funds to be used exclusively for ancillary service for indigents accused of capital crimes. None of the funds received from the LPDB under this contract can be used by the organization for it's operations or for defense of it's capital post-conviction cases. Under the terms of the contract, the funds are to be maintained in a separate bank account.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Financial Statement Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) in its Accounting Standards Codification (ASC) 958-205, *Presentation of Financial Statements for Not-for-profit Entities*.

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

The statement of activities presents expenses of the organization's operations functionally between program services and supporting services. On the statement of functional expenses the organization presents the natural classification of expenses for program services and supporting services. Those expenses which cannot be functionally categorized are allocated between functions based upon management's estimate of usage applicable to conducting those functions.

Property and Equipment

It is the organization's policy to capitalize property and equipment with an expected life of three or more years and a cost of \$1,500 or more. Capital assets purchased are recorded at cost. Donated assets are recorded at the estimated fair market value as of the date of donation. Such donations are reported as contributions without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Absent donor stipulations regarding how long those donated assets must be maintained, the organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. Property and equipment are depreciated using the straight-line method over a five to ten year depreciable life.

Contributed Services

No amounts have been reflected in the financial statements for donated services. The organization generally pays for services requiring specific expertise.

Contributions

Contributions received are recorded as net assets with donor restrictions or net assets without donor restrictions depending on the existence or nature of any donor restrictions.

Income Taxes

The organization is a not-for-profit organization that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and classified by the Internal Revenue Service as other than a private foundation.

Cash and Cash Equivalents

For purposes of the statement of cash flows, the organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

NOTE A - NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

Grants received from the LPDB are considered available for the organization's general programs unless specifically restricted by the state contract. Amounts received that are designated for future periods or restricted by the contract are reported as increases to net assets with donor restrictions and net assets without donor restrictions. Grants received with temporary restrictions that are met in the same reporting period are reported as net assets without donor restrictions. As of December 31, 2021, there were no funds received that temporarily or permanently restricted support.

Grants receivable and deferred revenue in the accompanying statement of financial position consist of balances remaining on State of Louisiana contracts applicable to future periods.

NOTE B - FINANCIAL ASSISTANCE & CONTRACTS

STATE OF LOUISIANA CONTRACTS

The organization has been awarded grants from the LPDB to be used exclusively to defray the expenses of establishing and maintaining a capital post-conviction office, including contract amounts for attorneys, staff, office expenses, overhead and out-of-pocket expenses. The Funds from these grants cannot be used to defray, in whole or in part, the expenses associated with any trial or appeal as of right filed by or on behalf of a defendant who has not been sentenced to death. The scope of the contracts does not include litigation or proceedings arising out of or involving tort or worker's compensation. For the year ended December 31, 2021, the following LPDB agreements are reflected in the financial statements:

<u>Contract for Criminal Defense Services on Behalf of Indigents Seeking Capital Post Conviction</u> Relief (Operating Contract):

Contract period July 1, 2020 through June 30, 2021:

The organization received a grant from the LPDB in the amount of \$1,260,036, which was subsequently amended to \$1,250,036, for post-conviction services on behalf of indigents in Louisiana. The grant was paid through monthly installments of \$104,711 from January through June 2021, with an extra payment received in July (in the prior year only 5 payments were received under the contract) for a total received in the amount of \$732,977 during 2021.

Contract period July 1, 2021 through June 30, 2022:

The organization received a grant from the LPDB in the amount of \$1,265,036 for post-conviction services on behalf of indigents in Louisiana. During the year ended December 31, 2021, the contract amount was recorded as income and received monthly installments of \$105,420 from August through December 2021, for a total of \$527,098 received during 2021. The remaining balance of the award in the amount of \$737,938, applicable to 2022, is shown on the Statement of Financial Position as a grant receivable in assets, and as deferred revenue in the liabilities.

NOTE B - FINANCIAL ASSISTANCE & CONTRACTS (continued)

Pro Bono Expert Witness Grant:

The ancillary criminal defense services grants shall be used exclusively by the organization to:

- a) Review and take action upon applications to the LPDB by indigents not represented by the organization for funding of reasonably necessary ancillary services associated with legal representation of indigents seeking post-conviction relief of a capital conviction in Louisiana. The organization, using the Louisiana Performance Standards for Criminal Defense Representation in Indigent Capital Cases and the ABA Guidelines for the Appointment and Performance of Defense Counsel in Death Penalty Cases (2003) for evaluation, shall take action upon an application for funding within 30 days of receipt of the application either by approval of the application, denial of the application, or by the request of additional information regarding the application. Should the organization request additional information from the applicant, the organization shall take action by approval or denial of the application within 30 days of the receipt of the additional information requested; and
- b) Provide funding of reasonably necessary services of expert witnesses, costs of specialized scientific testing, and/or other ancillary services associated with legal representation of indigents not represented by the organization seeking post-conviction relief of a capital conviction in Louisiana upon approval of hereinafter mentioned applications.
- c) For fiscal year 2020 / 2021 the organization may apply for reimbursement from the expert witness funds in its own cases up to an aggregate of \$136,875 during the contract period. The organization was reimbursed \$0 in the current year for its own cases under this contract.
- d) The new contract for fiscal year 2021 / 2022 does not specify an amount that the organization can apply for reimbursement for their experts, instead the organization will submit their requests for reimbursement to the LPDB for approval, along with other organizations requesting reimbursement for expenses related to services of expert witnesses, costs of specialized scientific testing, and/or other ancillary services. As of December 31, 2021, there was \$53,770 in outstanding receivables from the LPDB for vouchers submitted for reimbursement, which is shown as 'Due from LPDB' on the Statement of Financial Position.

The scope of these expert fund grants does not include litigation or proceedings arising out of or involving tort or worker's compensation. The following ancillary services contracts were in effect during the current period:

<u>Contract period July 1, 2020 through June 30, 2021 - contract for ancillary criminal defense services:</u>

The organization received a grant from LPDB in the amount of \$365,000 for the funding of ancillary services such as expert witnesses and specialized scientific testing to represent indigents in Louisiana. During the period January through June of 2021, incremental payments in the amount of \$31,288, and a final payment in the amount of \$21,705 were made through the end of the contract period, for revenue recognized in the amount of \$209,432 during 2021.

NOTE B - FINANCIAL ASSISTANCE & CONTRACTS (continued)

Contract period July 1, 2021 through June 30, 2022 - contract for ancillary criminal defense services:

The organization received a grant from LPDB in the amount of \$365,000 for the funding of ancillary services such as expert witnesses and specialized scientific testing to represent indigents in Louisiana. During 2021, incremental payments of \$30,417 were made from August through December 2021, for revenue recognized in the amount of \$152,083. The remaining balance of the award in the amount of \$212,917, applicable to 2022, is shown on the Statement of Financial Position as a grant receivable in assets, and as deferred revenue in the liabilities.

Angola 5-DB Contract

The organization has entered into a contract with the LPDB to be used exclusively for the representation of one of the "Angola 5" defendants on direct appeal and in related matters following his conviction and death sentence. This is a reimbursable contract for payment to be made upon services rendered. The rates for services provided are determined by the LPDB and outlined in the contract.

Contract period March 1, 2021 through June 30, 2022

The organization entered into a contract with the LPDB in the amount of \$17,387. Amendment # 1 to this contact increased the total amount of payments available to \$27,387 and extended the contract period to June 30, 2022. The total amount paid to the organization under this contract in 2021 was \$15,334. Payments made in 2021 under the previous contract amounted to \$22,921 resulting in total revenue recognized in 2021 in the amount of \$38,255. The remaining balance available for use in 2022 is \$12,052.

As of December 31, 2021, there were no outstanding invoices for reimbursement, therefore no receivable has been recorded.

The scope of this Contract does not include representation of the state of any department and/or agency of state government in litigation or proceedings arising out of or involving tort or worker's compensation.

NOTE C - CASH AND EQUIVALENTS

At December 31, 2021 the organization had cash and cash equivalents (book balances) totaling \$1,780,457 in demand deposits, which includes cash with donor restrictions. These deposits are stated at cost, which approximates market. As of December 31, 2021, the organization had \$1,796,037 in deposits (collected bank balances) of which \$835,044 were funds with donor restrictions. These deposits were secured by \$250,000 in Federal Deposit Insurance and \$1,576,958 in pledged securities.

NOTE D - PROPERTY AND EQUIPMENT

As of December 31, 2021, the Organization had property, plant, and equipment and depreciation as follows:

Equipment and furniture	\$	202,094
Accumulated depreciation	4	(199,554)
Total property and equipment	<u>\$</u>	2,540
Depreciation expense	\$	<u>691</u>

NOTE E - GRANTS TO OTHERS

During the year ended December 31, 2021, various attorneys have been engaged under contract to work on specific cases. The contracts are for a stated period of time with payment due upon the submission of invoices by the attorney to the organization. Quarterly status reports are to be submitted to the organization within 15 days of the end of each quarter. As of December 31, 2021 there were no outstanding amounts due to attorneys under these contracts. During the current year amounts paid for services amounted to \$53,302.

NOTE F - LEASES

Equipment Lease

The organization is party to one lease with Gulf Coast Office Products financed through US Bank for the lease of a digital copier/scanner. The lease was entered into on November 2018, with a lease term of five years, and monthly lease installments of \$532. Upon expiration of the minimum term commitment, the organization will have the option to purchase the equipment at its then fair market value.

Minimum lease payments are as follows:

2022	6,384
2023	5,852
2024	0
2025	0
Thereafter	0_
Total	<u>\$ 12,236</u>

NOTE F - LEASES (Continued)

Commercial Property Lease

The organization has a lease for office space with Orleans Tower, LLC. The monthly base rent is \$5,536. In addition to the base rent, the organization pays \$85 per employee per month for parking and common area charges, both of which could fluctuate from month to month. The lease was amended in 2021 to increase the monthly base rent to \$5,629 beginning in January 2022 and expires in December 2023.

Minimum payments for the base rent under the lease are as follows:

2022	67,542
2023	67,542
Total	\$ 135.084

NOTE G - 401(K) PLAN

The organization became a participant in the ABA Members Retirement Program with an effective date of January 1, 2003. All employees who have attained the age of 21 are allowed to participate. Beginning in the current year, the organization matches the contributions of employees to this plan covering all eligible employees that have completed one year of eligibility service as defined in the plan documents. The Company makes matching contributions in an amount equal to 25% of the employee contributions up to 4% of the employees' compensation. During the fiscal year ended December 31, 2021, the organization contributed \$11,139 to the plan.

NOTE H - LIQUIDITY AND AVAILABILITY

The following reflects the organization's financial assets as of the balance sheet date, reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the balance sheet date. Amounts not available include cash and accounts receivable with donor restrictions for payments of TCEW funds in accordance with the contract between the organization and the LPDB. The organization has financial assets available within one year of the balance sheet date to meet cash needs for general expenditures in the amount of \$1,950,037, determined as follows:

Total assets, statement of financial position at December 31, 2021	\$ 2,787,825
Less: Cash and cash equivalents restricted for TCEW	(835,044)
Net property and equipment	(2,540)
Due from TCEW restricted fund	 (204)
Financial Assets Available to Meet Cash Needs for General	
Expenditures Within One Year, December 31, 2021	\$ 1,950,037

The organization has cash in the amount of \$945,413, grants receivable due on the current contract with the LPDB in the amount of \$950,854, and \$53,770 accounts receivable due from the LPDB, for use to meet the cash needs for general expenditures within one year of the balance sheet date.

NOTE I - CONCENTRATION OF SUPPORT

The organization receives a substantial amount of their revenue from government grants. A significant reduction in the level of this support, if this were to occur, may have an effect on the organization's ability to fulfill their programs. Approximately 96% of the organization's support for the year ended December 31, 2021 came from the LPDB, a Louisiana governmental agency.

NOTE J - COVID-19 PANDEMIC

In the early months of 2020, an outbreak of a novel strain of coronavirus (COVID-19) has emerged globally, including the United States. In response to this outbreak, there have been mandates from federal, state and local authorities requiring forced closures of certain businesses and limiting travel, which could have material adverse effects to the Agency. At this time, it is not possible to reliably estimate the length or severity of this outbreak and hence its financial impact into future periods.

NOTE K - SUBSEQUENT EVENTS

FASB Accounting Standards Codification Topic 855, "Subsequent Events" addresses events which occur after the balance sheet date but before the issuance of financial statements. An entity must record the effects of subsequent events that provide evidence about conditions that existed at the balance sheet date and must disclose but not record the effects of subsequent events which provide evidence about conditions that existed after the balance sheet date. Additionally, Topic 855 requires disclosure relative to the date through which subsequent events have been evaluated and whether that is the date on which the financial statements were issued or were available to be issued. Management evaluated the activity of the organization through September 30, 2022, the date the financial statements were issued, and concluded that the following subsequent event has occurred that would require disclosure in the Notes to the Financial Statements.

Name Change

On January 14, 2022 the Board of Directors voted unanimously to change the name of Capital Post-Conviction Project of Louisiana to Mwalimu Center for Justice. The effective date of this change was January 14, 2022.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors
Capital Post-Conviction Project of Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Capital Post-Conviction Project of Louisiana (a nonprofit organization), which comprise the statement of financial position as of December 31, 2021, and the related statements of activities, cash flows and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 30, 2022.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Capital Post-Conviction Project of Louisiana's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Capital Post-Conviction Project of Louisiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Capital Post-Conviction Project of Louisiana's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed one (1) instance of noncompliance or other matters that are required to be reported under *Government Auditing Standards* and which are described in the accompanying schedule of findings and responses. [2021-001].

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

CAPITAL POST-CONVICTION PROJECT OF LOUISIANA SCHEDULE OF FINDINGS AND QUESTIONED COSTS FOR THE YEAR ENDED DECEMBER 31, 2021

SECTION II - FINANCIAL STATEMENT FINDINGS

The following noncompliance issue was found during the audit:

2021-001. Audit reporting package not submitted by the due date of June 30, 2021

Statement of Condition: The audit reporting package was not timely filed on June 30, 2021. A non-emergency extension request was applied for and approved by the Lousiana Legislative Auditor.

Criteria: According to R.S. 24:513 an audit is to be completed within six months of the close of the entity's fiscal year.

Cause: The information needed to conduct the audit was not provided to the auditors in time for them to complete the audit by the due date. This was primarily due to key personnel and her family having Covid during the audit process.

Effect or Potential Effect: The financial reporting package was submitted to the Louisiana Legislative Auditor late.

Recommendations: Management should begin the process of gathering the applicable information needed to submit the audit package well in advance of the reporting deadline.

Management's Corrective Action Plan:

Statewide Agreed-Upon Procedures Report For the period January 1, 2021 through December 31, 2021

INDEPENDENT ACCOUNTANT'S REPORT ON APPLYING STATEWIDE AGREED-UPON PROCEDURES

For the Period of January 1, 2021 - December 31, 2021

Matilde Carbia, Executive Director Capital Post Conviction Project of LA New Orleans, Louisiana

and to the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, on the control and compliance (hereafter "C/C") areas identified in the Louisiana Legislative Auditor's (LLA's) Statewide Agreed-Upon Procedures (SAUPs) for the period January 1, 2021 through December 31, 2021. Capital Post Conviction Project of LA (hereafter "the Entity") management is responsible for those C/C areas identified in the SAUPs.

The Entity has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the period January 1, 2021 through December 31, 2021. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

WRITTEN POLICIES AND PROCEDURES

- Obtain and inspect the entity's written policies and procedures and observe whether they address each of the following categories and subcategories if applicable to public funds and the entity's operations:
 - a) Budgeting, including preparing, adopting, monitoring, and amending the budget.
 - b) Purchasing, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the Public Bid Law; and (5) documentation required to be maintained for all bids and price quotes.
 - c) Disbursements, including processing, reviewing, and approving.
 - d) Receipts/Collections, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or organization fund additions (e.g. periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, organization fund forfeiture monies confirmation).

WRITTEN POLICIES AND PROCEDURES (CONTINUED)

- e) **Payroll/Personnel**, including (1) payroll processing, (2) reviewing and approving time and attendance records, including leave and overtime worked, and (3) approval process for employee(s) rate of pay or approval and maintenance of pay rate schedules.
- f) **Contracting**, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.
- g) Credit Cards (and debit cards, fuel cards, P-Cards, if applicable), including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage (e.g., determining the reasonableness of fuel card purchases).
- *h) Travel and expense reimbursement*, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers.
- i) Ethics, including (1) the prohibitions as defined in Louisiana Revised Statute (R.S.) 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) a requirement that documentation is maintained to demonstrate that all employees and officials were notified of any changes to the entity's ethics policy.
- *j)* **Debt Service**, including (1) debt issuance approval, (2) continuing disclosure/EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.
- k) Information Technology Disaster Recovery/Business Continuity, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing/verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches/updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.
- l) **Sexual Harassment**, including R.S. 42:342-344 requirements for (1) organization responsibilities and prohibitions, (2) annual employee training, and (3) annual reporting.

Results: After applying the procedures noted above, it was found that the Entity did not have written procedures to address the following:

- Purchasing A description of how vendors are added to the vendor list is not included in the entity's purchasing policy.
- Contracting The entity does not have a policy describing processes for contracting including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process

Regarding the Information Technology Disaster Recovery / Business Continuity section, we performed the procedures and discussed the results with management.

Management's Response:

See attached letter from the Entity dated September 29, 2022

BOARD OR FINANCE COMMITTEE

- 2. Obtain and inspect the board/finance committee minutes for the fiscal period, as well as the board's enabling legislation, charter, bylaws, or equivalent document in effect during the fiscal period, and:
 - a) Observe that the board/finance committee met with a quorum at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, bylaws, or other equivalent document.
 - b) For those entities reporting on the governmental accounting model, observe whether the minutes referenced or included monthly budget-to-actual comparisons on the general fund, quarterly budget-to-actual, at a minimum, on proprietary funds, and semi-annual budget-to-actual, at a minimum, on all special revenue funds. Alternately, for those entities reporting on the non-profit accounting model, observe that the minutes referenced or included financial activity relating to public funds if those public funds comprised more than 10% of the entity's collections during the fiscal period.
 - c) For governmental entities, obtain the prior year audit report and observe the unassigned fund balance in the general fund. If the general fund had a negative ending unassigned fund balance in the prior year audit report, observe that the minutes for at least one meeting during the fiscal period referenced or included a formal plan to eliminate the negative unassigned fund balance in the general fund.

Results: No exceptions were found as a result of this procedure.

BANK RECONCILIATIONS

- 3. Obtain a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for selected each account, and observe that:
 - a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged);
 - Bank reconciliations include evidence that a member of management/board member who
 does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation
 (e.g., initialed and dated, electronically logged);
 - c) Management has documentation reflecting it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

Results: No exceptions were found as a result of this procedure.

COLLECTIONS (excluding electronic funds transfers)

4. Obtain a listing of deposit sites for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).

COLLECTIONS (CONTINUED)

- 5. For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that
 - a) Employees responsible for cash collections do not share cash drawers/registers.
 - b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.
 - c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
 - d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or organization fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.

Results: The entity has one deposit site and one collection location. As 99.8% of the entity's receipts are received by ACH from the Louisiana Public Defender Board (LPDB) and can be tied directly to the contracts with the LPDB and to LaGov, the above procedures are not applicable. Collections that come in by mail are rare and very immaterial.

Due to the small size of the accounting department, the person receiving notification of bank deposits to the operating account is the same person recording the collection in the general ledger. Although there is a lack of separation of duties, compensating controls exist; (1) CPCPL's contracts with the LPDB require monthly financial reporting to the LPDB for monitoring; the executive director, who has knowledge of revenue to be received, reviews monthly financial reporting prior to submission to the LPDB, and (2) CPCPL's deputy director who does not have access to the accounting system or records, receives the bank statements and reviews deposits before the bank statements go to the operations manager for completion of the bank reconciliations.

6. Obtain from management a copy of the bond or insurance policy for theft covering all employees who have access to cash. Observe the bond or insurance policy for theft was enforced during the fiscal period.

Results: A crime and theft policy was in effect during the fiscal period which covers all employees of the entity.

- 7. Randomly select two deposit dates for each of the 5 bank accounts selected for procedure #3 under "Bank Reconciliations" above (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). Alternately, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc. Obtain supporting documentation for each of the 10 deposits and:
 - a) Observe that receipts are sequentially pre-numbered.
 - b) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.

COLLECTIONS (CONTINUED)

- c) Trace the deposit slip total to the actual deposit per the bank statement.
- d) Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100 and the cash is stored securely in a locked safe or drawer).
- e) Trace the actual deposit per the bank statement to the general ledger.

Results: As most receipts are electronic transfers from the LPDB, and are monthly deposits to the applicable accounts in accordance with contracts, we reviewed records for other receipts coming through the mail received at the deposit site / collection location. In the current year this procedure was not applicable.

NON-PAYROLL DISBURSEMENTS (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

8. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5)

Results: No exceptions were found as a result of this procedure.

- 9. For each location selected under #8 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the organization has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
 - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
 - b) At least two employees are involved in processing and approving payments to vendors.
 - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
 - d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments. [Note: Exceptions to controls that constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality) should not be reported.]

Results: Exception was noted for 9.(c). The vendor listing is maintained by the employee who also processes payments and there is no procedure in place for another employee to periodically review the vendor listing.

- 10. For each location selected under #8 above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction and:
 - a) Observe whether the disbursement matched the related original itemized invoice and supporting documentation indicates deliverables included on the invoice were received by the entity.

NON-PAYROLL DISBURSEMENTS (excluding card purchases/payments, travel reimbursements, and petty cash purchases) (CONTINUED)

b) Observe whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #9, as applicable.

Results: No exceptions were found as a result of this procedure.

Management's Response:

See attached letter from the Entity dated September 29, 2022

CREDIT CARDS / DEBIT CARDS / FUEL CARDS / P-CARDS

11. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards) for the fiscal period, including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.

Results: No exceptions were found as a result of this procedure.

- 12. Using the listing prepared by management, randomly select 5 cards (or all cards if less than 5) that were used during the fiscal period. Randomly select one monthly statement or combined statement for each card (for a debit card, randomly select one monthly bank statement), obtain supporting documentation, and:
 - a) Observe whether there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) were reviewed and approved, in writing (or electronically approved), by someone other than the authorized card holder. [Note: Requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.]
 - b) Observe that finance charges and late fees were not assessed on the selected statements.

Results: No exceptions were noted as a result of applying the procedures above.

13. Using the monthly statements or combined statements selected under #12 above, excluding fuel cards, randomly select 10 transactions (or all transactions if less than 10) from each statement, and obtain supporting documentation for the transactions (i.e. each card should have 10 transactions subject to testing). For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

Results: No exceptions were found as a result of this procedure.

TRAVEL AND TRAVEL-RELATED EXPENSE REIMBURSEMENTS (EXCLUDING CARD TRANSACTIONS)

- 14. Obtain from management a listing of all travel and travel-related expense reimbursements during the fiscal period and management's representation that the listing or general ledger is complete. Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:
 - a) If reimbursed using a per diem, observe the approved reimbursement rate is no more than those rates established either by the State of Louisiana or the U.S. General Services Administration (www.gsa.gov).
 - b) If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.
 - c) Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1h).
 - d) Observe that each reimbursement was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Results: No exceptions were found as a result of this procedure.

CONTRACTS

- 15. Obtain from management a listing of all agreements/contracts for professional services, materials and supplies, leases, and construction activities that were initiated or renewed during the fiscal period. Alternately, the practitioner may use an equivalent selection source, such as an active vendor list. Obtain management's representation that the listing is complete. Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
 - a) Observe whether the contract was bid in accordance with the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
 - b) Observe whether the contract was approved by the governing body/board, if required by policy or law (e.g. Lawrason Act, Home Rule Charter).
 - c) If the contract was amended (e.g. change order), observe the original contract terms provided for such an amendment and that amendments were made in compliance with the contract terms (e.g., if approval is required for any amendment, was approval documented).
 - d) Randomly select one payment from the fiscal period for each of the 5 contracts, obtain the supporting invoice, agree the invoice to the contract terms, and observe the invoice and related payment agreed to the terms and conditions of the contract.

Results: No exceptions were found as a result of this procedure.

PAYROLL AND PERSONNEL

16. Obtain a listing of employees and officials employed during the fiscal period and management's representation that the listing is complete. Randomly select 5 employees or officials, obtain related paid salaries and personnel files, and agree paid salaries to authorized salaries/pay rates in the personnel files.

Results: No exceptions were noted as a result of applying the procedures above.

- 17. Randomly select one pay period during the fiscal period. For the 5 employees or officials selected under #16 above, obtain attendance records and leave documentation for the pay period, and:
 - a) Observe all selected employees or officials documented their daily attendance and leave (e.g., vacation, sick, compensatory). (Note: Generally, officials are not eligible to earn leave and do not document their attendance and leave. However, if the official is earning leave according to policy and/or contract, the official should document his/her daily attendance and leave.)
 - b) Observe whether supervisors approved the attendance and leave of the selected employees or officials.
 - c) Observe that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records.
 - d) Observe the rate paid to the employees or officials agree to the authorized salary/pay rate found within the personnel file.

Results: After applying the procedures noted above, it was found that there were no written approvals of requests regarding leave. The organization's policy is that the timesheets are sent to the Operations Manager who upon visually approving the time off request, enters it into their payroll system.

Management's Response:

See attached letter from the Entity dated September 29, 2022

18. Obtain a listing of those employees or officials that received termination payments during the fiscal period and management's representation that the list is complete. Randomly select two employees or officials, obtain related documentation of the hours and pay rates used in management's termination payment calculations and the entity's policy on termination payments. Agree the hours to the employee or officials' cumulate leave records, agree the pay rates to the employee or officials' authorized pay rates in the employee or officials' personnel files, and agree the termination payment to entity policy.

Results: No exceptions were found as a result of this procedure.

19. Obtain management's representation that employer and employee portions of third-party payroll related amounts (e.g., payroll taxes, retirement contributions, health insurance premiums, garnishments, workers' compensation premiums, etc) have been paid, and any associated forms have been filed, by required deadlines.

Results: No exceptions were found as a result of this procedure.

ETHICS

- 20. Using the 5 randomly selected employees/officials from procedure #16 under "Payroll and Personnel" above obtain ethics documentation from management, and:
 - a) Observe whether the documentation demonstrates each employee/official completed one hour of ethics training during the fiscal period.
 - b) Observe whether the entity maintains documentation which demonstrates each employee and official were notified of any changes to the entity's ethics policy during the fiscal period, as applicable.

Results: The organization is a non-profit and therefore this section is not applicable.

DEBT SERVICE

- 21. Obtain a listing of bonds/notes and other debt instruments issued during the fiscal period and management's representation that the listing is complete. Select all debt instruments on the listing, obtain supporting documentation, and observe State Bond Commission approval was obtained for each debt instrument issued.
- 22. Obtain a listing of bonds/notes outstanding at the end of the fiscal period and management's representation that the listing is complete. Randomly select one bond/note, inspect debt covenants, obtain supporting documentation for the reserve balance and payments, and agree actual reserve balances and payments to those required by debt covenants (including contingency funds, short-lived asset funds, or other funds required by the debt covenants).

Results: This section is not applicable.

FRAUD NOTICE

23. Obtain a listing of misappropriations of public funds and assets during the fiscal period and management's representation that the listing is complete. Select all misappropriations on the listing, obtain supporting documentation, and observe that the entity reported the misappropriation(s) to the legislative auditor and the district attorney of the parish in which the entity is domiciled.

Results: Management provided information regarding checks that had been stolen from mail boxes in New Orleans. Two checks of the organization were falsified and presented to the bank for payment. One of the two checks was cashed and later reimbursed by the bank and the other was presented for payment but reversed by the bank on the same day. Management has represented to us that this was the only incident in 2021. Management reported the incident to the New Orleans Police Department, to the Louisiana State Public Defender, their bank, and the Office of Inspector General. The organization failed to report the misappropriation to the Louisiana Legislative Auditor, or the District Attorney of New Orleans at the time of the incident in accordance with the law.

On September 12, 2022, upon learning of this requirement, the entity reported this incident to the Louisiana Legislative Auditor, and the District Attorney of New Orleans

FRAUD NOTICE (CONTINUED)

24. Observe the entity has posted, on its premises and website, the notice required by R.S. 24:523.1 concerning the reporting of misappropriation, fraud, waste, or abuse of public funds.

Results: No exceptions were found as a result of this procedure.

Management's Response:

See attached letter from the Entity dated September 29, 2022

INFORMATION TECHNOLOGY DISASTER RECOVERY / BUSINESS CONTINUITY

- 25. Perform the following procedures,
 - a) Obtain and inspect the entity's most recent documentation that it has backed up its critical data (if no written documentation, inquire of personnel responsible for backing up critical data) and observe that such backup occurred within the past week. If backups are stored on a physical medium (e.g., tapes, CDs), observe evidence that backups are encrypted before being transported.

We performed the procedure and discussed the results with management.

b) Obtain and inspect the entity's most recent documentation that it has tested/verified that its backups can be restored (if no written documentation, inquire of personnel responsible for testing/verifying backup restoration) and observe evidence that the test/verification was successfully performed within the past 3 months.

We performed the procedure and discussed the results with management.

c) Obtain a listing of the entity's computers currently in use and their related locations, and management's representation that the listing is complete. Randomly select 5 computers and observe while management demonstrates that the selected computers have current and active antivirus software and that the operating system and accounting system software in use are currently supported by the vendor.

We performed the procedure and discussed the results with management.

SEXUAL HARASSMENT

- 26. Using the 5 randomly selected employees/officials from procedure #16 under "Payroll and Personnel" above, obtain sexual harassment training documentation from management, and observe the documentation demonstrates each employee/official completed at least one hour of sexual harassment training during the calendar year.
- 27. Observe the entity has posted its sexual harassment policy and complaint procedure on its website (or in a conspicuous location on the entity's premises if the entity does not have a website).

SEXUAL HARASSMENT (CONTINUED)

- 28. Obtain the entity's annual sexual harassment report for the current fiscal period, observe that the report was dated on or before February 1, and observe it includes the applicable requirements of R.S. 42:344:
 - a) Number and percentage of public servants in the organization who have completed the training requirements;
 - b) Number of sexual harassment complaints received by the organization;
 - c) Number of complaints which resulted in a finding that sexual harassment occurred;
 - d) Number of complaints in which the finding of sexual harassment resulted in discipline or corrective action; and
 - e) Amount of time it took to resolve each complaint.

Results: The Entity is a non-profit and therefore this procedure is not applicable. The Entity does however maintain a sexual harassment policy in it's employee manual that complies with R.S. 42:341.

CONCLUSION

We were engaged by the Entity to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the Entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

Re: Management's Response to Statewide Agreed-Upon Procedures Report

The following are CPCPL Management's Response:

- 1. Obtain and inspect the entity's written policies and procedures and observe whether they address each of the following categories and subcategories if applicable to public funds and the entity's operations:
- b) **Purchasing**, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the Public Bid Law; and (5) documentation required to be maintained for all bids and price quotes.
- f) Contracting, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process.

Management's Response:

- b) Management will establish a written policy for how vendors are added to the vendor list and will ensure that an annual review of the vendor list is done by the Director and/or Deputy Director for review of any new / unknown vendors.
- f) Management will establish a written policy describing processes for contracting including (1) types of services requiring written contracts; attorneys, investigators, or any other professional paid regularly by our office (2) standard terms and conditions (3) legal review, (4) approval process, and (5) monitoring process. This will be administered by the Director and/or Deputy Director annually.
- 9. For each location selected under #8 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the organization has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
 - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.

Management's Response:

Going forward CPCPL will ensure that the Director and/or Deputy Director will annually review any new / unknown vendors.

- 17. Randomly select one pay period during the fiscal period. For the 5 employees or officials selected under #16 above, obtain attendance records and leave documentation for the pay period, and:
- b) Observe whether supervisors approved the attendance and leave of the selected employees or officials.

Management's Response:

CPCPL will ensure that going forward there is always a written approval of requests regarding leave.

23. Obtain a listing of misappropriations of public funds and assets during the fiscal period and management's representation that the listing is complete. Select all misappropriations on the listing, obtain supporting documentation, and observe that the entity reported the misappropriation(s) to the legislative auditor and the district attorney of the parish in which the entity is domiciled.

Management's Response:

CPCPL will continue to monitor our checking accounts regularly and now will only put checks in the mailbox inside of Post Offices if the mail person doesn't pick up mail directly from our office. If a fraud event does occur again they will make sure to inform the Louisiana Legislative Auditor and District Attorney of New Orleans at the time of the incident.

If you have further questions, please contact me directly.

Sincerely,
