## INDEPENDENT ACCOUNTANT'S REVIEW REPORT

To the Board of Directors  
Northeast Louisiana Economic Alliance, Inc.  
Winnsboro, Louisiana

I have reviewed the accompanying financial statements of Northeast Louisiana Economic Alliance, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2022, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of entity management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, I do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

### **Accountant's Responsibility**

My responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants, and the standards applicable to review engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. Those standards require me to perform procedures to obtain limited assurance as a basis for reporting whether I am aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. I believe that the results of my procedures provide a reasonable basis for my conclusion.

I am required to be independent of Northeast Louisiana Economic Alliance, Inc. and to meet my other ethical responsibilities, in accordance with the relevant ethical requirements related to my review.

### **Accountant's Conclusion**

Based on my review, I am not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

To the Board of Directors  
Northeast Louisiana Economic Alliance, Inc.  
Winnsboro, Louisiana

### Supplementary Information

The accompanying schedule of compensation, reimbursements, benefits, and other payments to agency head is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. I have reviewed the information and, based on my review, I am not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. I have not audited the supplementary information and, accordingly, do not express an opinion on such information.

In accordance with the Louisiana Governmental Audit Guide and the provisions of state law, I have issued a report dated February 6, 2023, on the results of our agreed-upon procedures.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2022**

Note 1 - Nature of Activities and Summary of Significant Accounting Policies

A. Nature of Activities

Northeast Louisiana Economic Alliance, Inc. (the Alliance) is a non-profit organization whose membership consist of municipalities and economic development organizations located in Northeast Louisiana. The Alliance's mission is economic development, industrial recruitment and readiness, and job creation. The Alliance is recognized as a tax-exempt (non-profit) organization under section 501(c)(3) of the Internal Revenue Service Code and is exempt from federal and state income taxes.

B. Basis of Accounting

The financial statements of the Alliance have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables and payables.

C. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

D. Basis of Accounting

The financial statements of Northeast Louisiana Economic Alliance, Inc. have been prepared on the accrual basis and, accordingly, reflect all significant receivables and payables.

E. Basis of Presentation

Net assets, revenues, gains, and losses are classified based on existence or absence of donor or grantor-imposed restrictions. Accordingly, net assets and changes therein are classified and reported as follows:

*Net Assets Without Donor Restrictions* – Net assets available for use in general operations and not subject to donor or grantor restrictions.

*Net Assets with Donor Restrictions* – Net assets subject to donor or grantor-imposed restrictions. Some restrictions are temporary in nature, such as those that will be met with the passage of time or occurrence of other events. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates the resources be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. As of June 30, 2022, the Alliance does not have any restrictions that are perpetual in nature.

F. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Alliance considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

**WINNSBORO, LOUISIANA**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2022**

Note 1 - Summary of Significant Accounting Policies (continued)

G. Grants Receivable

Grants receivable represent amounts that have been expensed for grant purposes and are to be reimbursed in full by the grantor and have been promised over the next twelve months.

H. Property and Equipment

Property and equipment having estimated useful lives greater than one year are recorded as cost of, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the property and equipment.

Maintenance and repairs are charged to operations; significant improvements are capitalized. The cost and related accumulated depreciation of assets retired or otherwise disposed are eliminated from the accounts and the resulting gain or loss is included in income.

Certain property and equipment are restricted as to use and disposition by grant agreement and by contractual agreements.

I. Revenue and Revenue Recognition

A portion of the Alliance's revenue is derived from cost-reimbursable state contracts, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Alliance has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statement of financial position.

Membership dues which are nonrefundable, are comprised of an exchange element between the total dues paid and the exchange element. The Alliance recognizes the exchange portion of member dues over the membership period, and the contribution portion immediately.

J. Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities and in the Statement of Functional Expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited.

Note 2 - Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limited their use, within one year of the balance sheet date, comprise of the following:

Cash and Cash Equivalents	\$ 44,134
Accounts Receivable – Employee	1,946
Accounts Receivable – General	6,173
Grants Receivable	<u>90,318</u>
Total Liquid and Available Assets	<u>\$ 142,571</u>

**WINNSBORO, LOUISIANA**  
**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2022**

Note 3 - Cash and Cash Equivalents

The Alliance maintains its cash balance at a local financial institution. The bank balance of \$44,134 is covered by Federal Deposit Insurance Corporation.

Note 4 - Income Taxes

Northeast Economic Alliance, Inc. is a nonprofit corporation exempted from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the organization engage in activities unrelated to its exempt purpose, taxable income could result. The organization had no material unrelated business income for the year ended June 30, 2022. The earliest income tax year that is subject to examination is 2019.

Note 5 - Property and Equipment

A summary of property and equipment and accumulated depreciation at June 30, 2022, is as follows:

	June 30, 2021			June 30, 2022
	<u>Balance</u>	<u>Additions</u>	<u>Deletions</u>	<u>Balance</u>

<u>Property and Equipment, Net</u>	<u>\$ 402</u>	<u>\$ ( 402)</u>	<u>\$ ( -)</u>	<u>\$ -</u>

Depreciation expense for the year ended June 30, 2022 was \$402.

Note 7 - Line of Credit

The Alliance has a \$100,100 line of credit with a local bank. As of June 30, 2022 the outstanding balance was \$74,900 and the interest rate was 5.5%. The line of credit is secured by receivables from the State of Louisiana. The line of credit matures March 8, 2023.

Note 8 - Risk Management

The Alliance is exposed to various risks of loss related to torts, theft of, damage to, and destruction of assets, and injuries to employees. To handle such risks of loss, the Alliance carries insurance. The Alliance dropped commercial insurance and now only has director's liability. No claims were paid for the year ending June 30, 2022.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED JUNE 30, 2022**

Note 9 - Economic Dependency

The Alliance receives a substantial amount of its revenues from funds provided through grants or programs administered by the State of Louisiana. A significant reduction in the level of this support, if this were to occur, would affect the organization's programs and activities.

Note 10 - Subsequent Events

Subsequent events have been evaluated through February 6, 2023, which is the day the financial statements were available to be issued.

Note 11 - Prior Period Adjustment

A prior period adjustment was made to record grant income in the proper fiscal year. The income was reported in this fiscal year but should have been recognized in the prior fiscal year and included in grants receivable. This prior period adjustment will match the income with the expenses recorded in the prior fiscal year. The effect is to increase beginning net assets by \$54,235.

**SCHEDULE OF FINDINGS AND RESPONSES**  
**FOR THE YEAR ENDED JUNE 30, 2022**

**2022-01      Inadequate Segregation of Accounting Duties**

**Criteria**

Duties should be distributed among employees.

**Condition**

Inadequate segregation of duties.

**Cause**

The Alliance has a small work force in place for handling the duties of the office personnel.

**Effect**

Internal control is weakened by the limited staff. Risk is mitigated and internal control is strengthened by the continuing oversight of a strong management team and the board.

**Recommendation**

Establish guidelines for the Board of Directors on a rotating basis to closely monitor financial reports. Furthermore, bank statements and bank reconciliations should be reviewed by the board each month.

**Response**

The Alliance has an accounting workload that can be easily managed by a small staff. It is not economically feasible to correct this deficiency based on the size of the organization. However, the board will review and monitor reports, bank statements and bank reconciliations as suggested.

**2022-02      Compliance with Annual Filing Deadline**

**Criteria**

Louisiana Revised Statute 24:513 requires timely filing of annual reports within six months after the end of the fiscal year.

**Condition**

The Alliance did not timely file its annual reports for the year ending June 30, 2022.

**Cause**
