To the Board of Commissioners Fire Protection District No. 1 of the Parish of St. Mary Cypremort Point, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and the major fund of Fire Protection District No. 1 of the Parish of St. Mary (hereinafter "District"), a component unit of the Parish of St. Mary, as of and for the year ended December 31, 2023 which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The District has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The District has omitted the management's discussion and analysis and the budgetary comparison schedule that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historic context.

The supplementary information contained in the Schedule of Per Diem Paid to Board Members and Compensation Paid to Chief Officer is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the responsibility of management. The information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such supplementary information.

We are not independent with respect to the Fire Protection District No. 1 of the Parish of St. Mary.
