ACCOUNTANT'S COMPILATION REPORT

Board of Commissioners Eighth Ward Fire Protection District No. 1 of Morehouse Parish, Louisiana Collinston, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and the major fund of Eighth Ward Fire Protection District No. 1 of Morehouse Parish, Louisiana (the "District") (a component unit of Morehouse Parish), as of and for the year ended December 31, 2023, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The District's management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and results of operations. Accordingly, these financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

Management of the District has omitted the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board (GASB) who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

Accounting principles generally accepted in the United States of America require that the budgetary comparison information be presented to supplement the basic financial statements. Such information is presented for purposes of additional analysis and, although not a required part of the basic financial statements, is required by GASB who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context. The information is the responsibility of management. The information was subjected to our compilation engagement; however, we have not audited or reviewed the required supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such information.

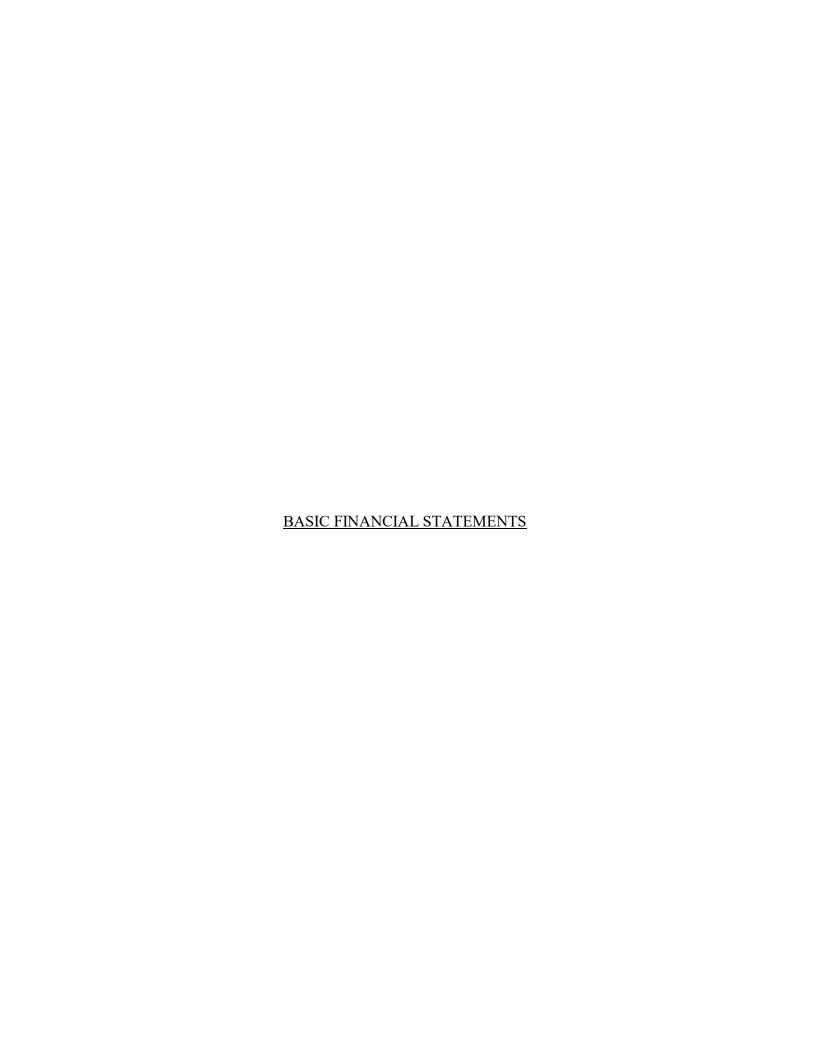

Other Supplementary Information

The accompanying schedule of compensation, benefits, and other payments to agency head is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. The information was subjected to our compilation engagement. We have not audited or reviewed the other supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such information.

We are not independent with respect to the District.

RECONCILIATION OF GOVERNMENTAL FUND BALANCE SHEET TO GOVERNMENT-WIDE STATEMENT OF NET POSITION December 31, 2023

Total fund balance - governmental fund balance sheet	\$	63,762
Amounts reported for governmental activities in statement of net position are different because:		
Capital assets used in governmental activities are not financial resources and therefore are not reported in the funds.		239,444
Long-term liabilities are not due and payable in the current period and therefore are not reported in the funds.	_(_	143,360)

RECONCILIATION OF GOVERNMENTAL FUND STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCE TO GOVERNMENT-WIDE STATEMENT OF ACTIVITIES December 31, 2023

Net change in fund balance - governmental fund	\$	1,082
Amounts reported for governmental activities in statement of activities are different because:		
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives as depreciation expense. This is the amount by which capital outlay (\$0) exceeded depreciation (\$53,005) in the current period.	(53,005)
Principal payments on long-term liabilities are reported as expenditures in the governmental funds. However, these amounts are reported as a reduction of long-term liabilities in the governmental activities.		26,220
