**INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH LAWS  
AND REGULATIONS BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS**

Mr. John Hoychick, Jr., President  
and Members of the Fifth Judicial  
District Indigent Defender Board  
Winnabow, Louisiana 71295

I have audited the general purpose financial statements of the Fifth Judicial District Indigent Defender Board (the Board) as of and for the year ended December 31, 1996, and have issued my report thereon dated May 27, 1997.

My examination was made in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

Compliance with laws and regulations is the responsibility of the Board. As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, I performed tests of the Board's compliance with certain provisions of laws and regulations. However, my objective was not to provide an opinion on overall compliance with such provisions.

The results of my tests indicate that with respect to the items tested, the Board complied, in all material respects, with the provisions referred to in the preceding paragraph. With respect to items not tested, nothing came to my attention that caused me to believe that the Board had not complied, in all material respects, with those provisions.

**INTRODUCTION**

**REPORTING ENTITY**

The Fifth Judicial District Indigent Defender Board, established in compliance with Louisiana Revised Statutes 15:144-149, provides counsel to represent indigents (poorly individuals) in criminal and quasi-criminal cases at the district court level. **NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**A. BASIS OF PRESENTATION**

The accompanying general purpose financial statements of the Fifth Judicial District Indigent Defender Board have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. Sir:

I have completed the audit for the year ended December 31, 1996. I appreciated the opportunity to serve as your auditor. I found no situations during this audit that needs the Board's immediate attention.

If I can be of any further assistance, do not hesitate to contact me at the address or telephone number listed above.

financial statements in accordance with generally accepted accounting principles. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

For the purpose of this report, I have classified the significant internal control structure policies and procedures in the following categories: Cash, Cash receipts/Revenues, and Expenditures/Cash disbursements.

For the above named internal control structure categories, I obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and I assessed control risk.

My study and evaluation was more limited than would be necessary to express an opinion on the system of internal accounting control used in administering the financial transactions of the Board. Accordingly, I do not express an opinion on the system of internal accounting control used in administering the financial transactions of the Board. However, my study and evaluation disclosed no conditions that I believe to be a material weakness.

This report is intended for the information of the Board, and the Legislative Auditor and should not be used for any other purpose. This restriction is not intended to limit the distribution of this report, which is a matter of public record.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL  
STRUCTURE RELATED MATTERS NOTED IN A FINANCIAL  
STATEMENT AUDIT CONDUCTED IN ACCORDANCE  
WITH GOVERNMENT AUDITING STANDARDS**

Mr. John Hopchick, Jr., President  
and Members of the Fifth Judicial  
District Indigent Defender Board  
Winnboro, Louisiana 71295

I have audited the general purpose financial statements of the Fifth Judicial District Indigent Defender Board (the Board) as of and for the year ended December 31, 1996, and have issued my report thereon dated May 27, 1997.

I conducted my audit in accordance with generally accepted auditing standards and Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatements.

In planning and performing my audit of the financial statements of the Board for the year ended December 31, 1996, I considered its internal control structure in order to determine my auditing procedures for the purpose of expressing my opinion on the financial statements and not to provide assurance on the internal control structure.

The Board is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by it are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of

In my opinion, the general purpose financial statements referred to above, present fairly, in all material respects, the financial position of the Board at December 31, 1996, and the results of its operations for the year then ended in conformity with generally accepted accounting principles.
