## INDEPENDENT AUDITOR'S REPORT

University Facilities, Inc.  
c/o Stephen Smith  
SLU Box 10709  
Hammond, Louisiana 70402

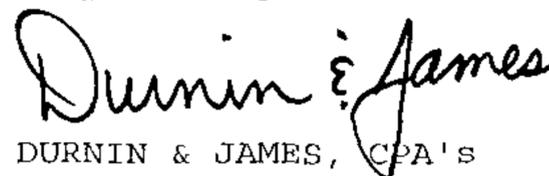

We have audited the accompanying statement of financial position of University Facilities, Inc., a nonprofit organization, as of June 30, 1998, and the related statements of activities and cash flows for the year then ended. These financial statements are the responsibility of University Facilities, Inc.'s management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statements presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of University Facilities, Inc. as of June 30, 1998, and the changes in its net assets and its cash flows for the year then ended in conformity with generally accepted accounting principles.

In accordance with Government Auditing Standards, we have also issued our report dated June 1, 1999, on our consideration of University Facilities, Inc.'s internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants.

Respectfully submitted,

  
DURNIN & JAMES, CPA'S

NOTES TO FINANCIAL STATEMENTS

June 30, 1998

A. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of University Facilities, Inc. (the Organization) have been prepared on the accrual basis. The significant accounting policies that follow are provided to enhance the usefulness of the financial statements to the reader.

1. Organization

The University Facilities, Inc. is a private nonprofit organization and is formed to promote, assist and benefit the mission of Southeastern Louisiana University through the acquisition, construction, development, management, leasing or otherwise assisting in the acquisition, construction, development, management or leasing of student housing or other facilities on the campus of Southeastern Louisiana University. The organization's revenue comes from the leasing of facilities to the University of Louisiana System, State of Louisiana.

The Organization is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes.

2. Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the organization, the accounts of the organization are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds established according to their nature and purposes. Separate accounts are maintained for each fund; however, in the accompanying financial statements, funds that have similar characteristics have been combined into fund groups. Accordingly, all financial transactions have been recorded and reported by fund group.

The assets, liabilities, and net assets of University Facilities, Inc. are reported in self-balancing fund groups as follows:

**Operating Funds** include resources available to support the operations of University Facilities, Inc. Primary support is provided from leasing facilities to the University of Louisiana System, State of Louisiana.

**Property Fund** includes resources invested in property and equipment used in University Facilities, Inc. operations.

3. Fair Values of Financial Instruments

The following methods and assumptions were used by the Organization in estimating its fair value disclosures for financial instruments:

UNIVERSITY FACILITIES, INC.  
Hammond, Louisiana

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

Cash: The carrying amounts reported in the statement of financial position approximate fair value because of the short maturities of those instruments.

4. Investment Securities

Investments in marketable securities with readily determinable fair values and all investments in debt securities are valued at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

5. Accounts Receivable

Accounts receivable are fully collectible, therefore no allowance for uncollectibles is required.

6. Statement of Cash Flows

For the purposes of the statement of cash flows, all investments with a maturity of 90 days or less from the date of purchase are considered to be cash equivalents.

7. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles require management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

8. Property and Equipment

The Organization capitalized all property and equipment acquisitions in excess of \$1,000. Purchased property and equipment is capitalized at cost. Donations of property and equipment are recorded as support at their estimated fair value at the date of donation. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time. Property and equipment are depreciated using the straight-line method over their estimated useful lives. Leasehold improvements are amortized over the shorter of their estimated useful lives or the applicable lease term.

UNIVERSITY FACILITIES, INC.  
Hammond, Louisiana

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

9. Revenue Recognition

Unrestricted contributions, pledges, and grants are recognized as revenue in the statement of financial activity upon receipt. Other unrestricted revenues are recognized as earned either upon receipt or accrual. Expenditures of unrestricted funds are recognized as expenses when expended or upon incurrence of the related liability.

10. Financial Statement Presentation

The Organization has adopted Statement of Financial Accounting Standards (SFAS) No. 117, "Financial Statements of Not-for-Profit Organizations". Under SFAS No. 117, the Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. In addition, the Organization is required to present a statement of cash flows. As permitted by the new statement, the Organization does not use fund accounting.

11. Contributions

The Organization has also adopted SFAS No. 116, "Accounting for Contributions Received and Contributions Made". Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

12. Deferred Financing Costs

The cost of issuing mortgage revenue bonds are deferred and amortized over the life of the bonds as a financing expense. In the event all remaining bonds outstanding under a particular issue are retired, the unamortized balance is recognized as a component of the loss from the early extinguishment of debt.

13. Bond Discounts

Original issue discounts realized upon issuance of bonds are deferred and presented as a reduction of the face amount of bonds payable on the balance sheet. The deferred amount is amortized over the life of the bonds as a component of interest expense. In the event all remaining bonds outstanding under a particular issue are retired, the unamortized balance is recognized as a component of the loss from the early extinguishment of debt.

B. PROPERTY AND EQUIPMENT

Fixed assets are recorded at cost or, in the case of donated property, at estimated fair market value at the date of receipt. Depreciation is calculated by the straight line method for all property acquired. Estimated useful lives of property

Hammond, Louisiana

NOTES TO FINANCIAL STATEMENTS (CONTINUED)

used in depreciation calculations will be adopted at the appropriate time. Depreciation was \$0 for fiscal year 1998. Expenditures for maintenance and repair are charged against revenues as incurred; cost of major additions and improvements are capitalized.

Property and equipment consist of the following at June 30, 1998:

|                                     |                      |

**E. OPERATING LEASE COMMITMENTS**

As of May 6, 1998, the Organization entered into a non-cancellable operating lease for approximately 10.36 acres of land owned by the University of Louisiana System, State of Louisiana, located on the campus of Southeastern Louisiana. The lease commenced May 6, 1998 and ends at midnight on July 15, 2027, or the date on which bonds issued on behalf of the organization to pay for construction of facilities have been paid in full, whichever is later. The lease

requires \$1 annually in advance, with the first such payment being due on May 6, 1998 and a like installment due on each anniversary thereafter during the term of the lease.

**F. DEDICATION OF PROCEEDS AND FLOW OF FUNDS**

The Organization, through its governing authority, entered into a loan and assignment agreement with Hammond-Tangipahoa Home Mortgage Authority (the "Authority") dated May 1, 1998 in connection with the issuance of \$8,650,000 aggregate principal amount of Hammond-Tangipahoa Home Mortgage Authority Revenue Bonds (University Facilities, Inc. Project) Series 1998 (the "Bonds"), the proceeds of the sale of such Bonds to be loaned to the Organization for the purpose of acquiring, constructing and equipping a student housing facility, including all equipment, furnishings, fixtures and facilities incidental or necessary in connection therewith for the Corporation to be located on the campus of the University in Tangipahoa Parish, Hammond, Louisiana, and to be leased to the University of Louisiana System, State of Louisiana, also known as the University of Louisiana System (the "Board") for the benefit of the University (collectively, the "Facilities"), (ii) funding a deposit to the reserve fund, and (iii) paying costs of issuance of the Bonds. The Trust Indenture relative to the bonds requires that upon delivery of and payment for the Bonds, the following special trust funds and accounts shall be established and maintained with the Trustee so long as any bonds issued under the Indenture are outstanding to be used for the following purposes:

1. The *Bond Proceeds Fund* shall be maintained with the Trustee and used to receive the proceeds of the Bonds; to transfer to the Interest Account in the Debt Service Fund that portion of the proceeds of the Bonds representing accrued interest on the Bonds in an amount specified in the request and authorization delivered pursuant to Section 3.12; to transfer to the Debt Service Reserve Fund an amount of proceeds equal to the Debt Service Reserve Fund Requirement; to retain such sum, in a special account called the Costs of Issuance Account, as shall be specified in the request and authorization delivered pursuant to Section 3.12; and to transfer to the Project Fund the balance of the proceeds of the Bonds.
2. The *Debt Service Fund* and its corresponding Accounts shall be maintained with the Trustee and used for the following purposes:
  - a. The *Interest Account* shall be used to receive the portions of the Payments applicable to interest on the Bonds; to receive the accrued interest on the Bonds paid by the purchasers of the Bonds on the Closing Date as provided in Section 4.1(a) hereof; and to pay the interest on the Bonds as it becomes due and payable; and
  - b. The *Principal Account* shall be used to receive the portion of the Payments applicable to the principal requirements of the Bonds; to pay the principal of the Bonds as it becomes due and payable whether at maturity or upon scheduled sinking fund redemption; and, if funds are available for such purpose and at the written direction of the Authority, to effect the

redemption of the Bonds prior to their maturity in accordance with the redemption provisions thereof or the purchase of Bonds prior to their maturity in the open market at a price not in excess of the principal amount thereof, premium, if any, plus accrued interest.

3. The *Project Fund* shall be maintained by the Trustee in trust and shall be used to receive the immediate transfer from the balance of the proceeds of the Bonds as provided in Section 4.1(a) hereof. Moneys in the Project Fund shall be applied to the payment of the Costs of the Facilities pursuant to the procedure established in Section 4.9 hereof and, pending such application, shall be subject to a lien and charge in favor of the Bondholders for the further security of such Bondholders until paid out or transferred as herein provided.
4. The *Debt Service Reserve Fund* shall be maintained with the Trustee and used to receive proceeds of the Bonds and to transfer to the Interest Account or the Principal Account of the Debt Service Fund such amount as shall be necessary to remedy any deficiency therein. Whenever the amount in the Debt Service Reserve Fund, together with the amount in the Debt Service Fund, is sufficient to pay in full all outstanding Bonds in accordance with their terms, the funds on deposit in the Reserve Fund shall be transferred to the Debt Service Fund and shall be available to pay all outstanding Bonds in accordance with their terms.
5. The *Replacement Fund* shall be maintained with the Trustee and used to fund the cost of replacing any worn out, obsolete, inadequate, unsuitable or undesirable property, furniture, fixtures or equipment of Lessee placed upon or used in connection with the Facilities.
6. The *Rebate Fund* shall be maintained with the Trustee and used to make all rebate payments owed to the United States under the Code.
7. The *Capitalized Interest Fund* shall be maintained with the Trustee. The Capitalized Interest Fund shall be funded on the date of delivery of the Bonds from the proceeds thereof in the amount of \$493,000.00. The amounts on deposit in the Capitalized Interest Fund shall be transferred by the Trustee as necessary for deposit to the Debt Service Fund to be used to pay the first payments of debt service on the Bonds. Earnings on amounts in the Capitalized Interest Fund shall be retained in such fund and used to pay debt service on the Bonds. Any amounts remaining in the Capitalized Interest Fund after payment of the July 15, 1999 debt service payment shall be transferred to the Project Fund.

Flow of Funds. The Authority covenants and agrees to cause the Corporation to pay the Payments in the amounts, time and manner as provided in Section 4.2 of the Agreement and the Trustee agrees to cause the Payments with respect to the Bonds to be applied in the amounts, time and manner as hereinafter provided:

1. Semiannually, on or before each January 15 and July 15, commencing January 15, 1999, an amount equal to the principal of, premium, if any, and interest

due and payable on the Bonds on such January 15 or July 15, as the case may be;

2. Monthly following any drawing on the Debt Service Reserve Fund in accordance with Section 4.12 hereof, an amount equal to one-twelfth (1/12th) of the amount necessary to cause the amount on deposit in the Debt Service Reserve Fund to equal the Debt Service Reserve Fund Requirement within twelve months.
3. Into any of the other foregoing funds an amount sufficient to make up any deficiency in any prior payment required to be made into such fund and to restore any loss resulting from investment or other causes from such fund and any other payment required to be made to such fund by this Indenture, within ten days of the Corporation's receipt of notice from the Trustee of such deficiency, loss or required payment. With respect to the Replacement Fund, the Trustee shall send to the Corporation notice of any deficiency on or before January 5 of each year.

The required payments for Section 4.2(a) above shall be reduced by any surplus amount contained in or investment income received in or transferred to the Interest and/or Principal Accounts.

Investments. Moneys contained in the funds and accounts held by the Trustee shall be continuously invested and reinvested by the Trustee at the direction of the Corporation in Permitted Investments, to the extent practicable, that shall mature (or be readily convertible to cash) not later than the respective dates, as estimated by the Trustee, when the moneys in said Funds and Accounts shall be required for the purposes intended, and:

1. No such investment shall be required to be made unless the cash at the time available therefor is at least equal to \$1,000;
2. The Trustee shall be authorized, to the extent necessary to enable the Trustee to discharge or perform its obligations hereunder, at any one or more times to sell any part or all of the investments whenever it may, for any reason or purpose whatsoever, deem any such sale to be desirable;
3. Any income derived from and any profit or loss on any such investment of moneys on deposit in any such fund or account shall be credited or debited, as the case may be, to the respective fund or account in which earned except that earnings in the Debt Service Reserve Fund shall be transferred to the Interest Account;
4. No Permitted Investments in any fund or account may mature beyond the latest maturity date of any Bonds outstanding at the time such Permitted Investments are deposited. For the purposes of this section, the maturity date of repurchase agreements for obligations is the maturity date of such repurchase agreements and not the maturity date of the underlying obligation except as otherwise permitted in writing by the Bond Insurer; and
5. No float forward or forward purchase agreement or other arrangement,

agreement or financial product may be utilized in connection with the Debt Service Fund unless the Bond Insurer so permits and the terms thereof (including, without limitation, the parties thereto) are satisfactory to the Bond Insurer and, if satisfactory to the Bond Insurer, such agreements will constitute Permitted Investments.

An Authorized Corporation Representative shall give to the Trustee directions respecting the investment of any money required to be invested hereunder, subject, however, to the provisions of this Article V of the Agreement, and the Trustee shall then invest such money under this Section as so directed. The Trustee shall in no event have any liability for any loss resulting from the investment of moneys in accordance with the directions of the Authorized Corporation Representative. The Trustee shall furnish the Authority annually with a written copy and the Corporation with a written copy, on at least a monthly basis, of the types, amounts, yield and maturities of all such investments.

As of June 30, 1998, balances in the Debt Service Fund, the Debt Service Reserve Fund, the Replacement Fund and the Capitalized Interest Fund were in accordance with the Bond Indenture Requirements. However, the annual audit was not filed by December 31, 1998 as required by the Bond Indenture Requirements and state law.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE AND ON INTERNAL CONTROL  
OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL  
STATEMENTS PERFORMED IN ACCORDANCE WITH  
GOVERNMENT AUDITING STANDARDS

University Facilities, Inc.  
c/o Stephen Smith  
SLU Box 10709  
Hammond, Louisiana 70402

We have audited the financial statements of University Facilities, Inc., a nonprofit organization, as of and for the year ended June 30, 1998, and have issued our report thereon dated June 1, 1999. We conducted our audit in accordance with generally accepted auditing standards, and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

### Compliance

As part of obtaining reasonable assurance about whether University Facilities, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed one instance of noncompliance that is required to be reported under Government Auditing Standards which is described in the accompanying schedule of findings and recommendations as item number 98-1.

### Internal control over Financial Reporting

In planning and performing our audit, we considered University Facilities, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements

UNIVERSITY FACILITIES, INC.

being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

This report is intended for the information of management, the Louisiana Legislative Auditor, and federal awarding agencies and pass-through entities. However, this report is a matter of public record, and its distribution is not limited.

Respectfully submitted,

CURRENT YEAR AUDIT FINDINGS  
For the Year Ended June 30, 1998

FINDINGS AND RECOMMENDATIONS

98-1

FINDING

The Organization did not complete and transmit a copy of the audit report for the year ended June 30, 1998, to the Legislative Auditor by December 31, 1998, as required by Louisiana Revised Statutes (LSA-R.S.) 24:513(A)(a).

RECOMMENDATION

We recommend that for future years the Organization retain the services of a certified public accountant to conduct any required audits prior to the end of the fiscal year to be examined. This would allow the auditor six months to complete the audit and deliver the report. Additionally, we recommend the Organization provide all necessary records as soon as feasible after the end of the fiscal year.

MANAGEMENT'S RESPONSE

In a letter dated May 28, 1999, the Organization stated that in the future it will retain the services of a certified public accountant and provide all necessary records in a timely manner.
