INDEPENDENT AUDITORS' REPORT

The Honorable Judges of the Fourth Judicial District Court Judicial Expense Fund Monroe, Louisiana

We have audited the accompanying component unit financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Fourth Judicial District Court, Judicial Expense Fund, a component unit of the Ouachita Parish Police Jury as of and for the year ended June 30, 2004, which collectively comprise the Court's basic financial statements as listed in the table of contents. These financial statements are the responsibility of the Fourth Judicial District Court, Judicial Expense Fund's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, each major fund and the aggregate remaining fund information of the Fourth Judicial District Court, Judicial Expense Fund, as of June 30, 2004, and the respective changes in financial position thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

The Honorable Judges of the Fourth Judicial District Court Judicial Expense Fund Page 2

In accordance with Government Auditing Standards, we have also issued our report dated October 14, 2004, on our consideration of the Fourth Judicial District Court, Judicial Expense Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards and should be considered in assessing the results of our audit.

Management's discussion and analysis and budgetary comparison information on pages 3 through 7 and 31 through 38 are not a required part of the component unit financial statements but are supplementary information required by accounting principles generally accepted in the United States of America. We have applied certain limited procedures, with consisted principally of inquiries of management regarding the methods of measurement and presentation of the required supplementary information. However, we did not audit the information and express no opinion on it.

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Fourth Judicial District Court, Judicial Expense Fund's component unit financial statements. Management's discussion and analysis and budgetary comparison information are presented for purposes of additional analysis and are not a required part of the component unit financial statements. Management's discussion and analysis and budgetary comparison information have been subjected to the auditing procedures applied in the audit of the component unit financial statements and, in our opinion, are fairly stated in all material respects in relation to the basic financial statements taken as a whole. Management's discussion and analysis and budgetary comparison information have not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we express no opinion on them.

MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of the Fourth Judicial District Court provides an overview of the Court's activities for the year ended June 30, 2004. Please read it in conjunction with the Court's financial statements.

USING THIS ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Assets and the Statement of Activities provide information about the activities of the Court as a whole and present a longer-term view of the Court's finances. Fund financial statements tell how governmental activities were financed in the short term as well as what remains for future spending. Fund financial statements also report the Court's operations in more detail than the government-wide statements by also providing information about all the Court governmental funds.

These financial statements consists of three sections: Management's Discussion and Analysis (this section), the basic financial statements (including the notes to the financial statements), and supplementary information.

Reporting the Court as a Whole

The Statement of Net Assets and the Statement of Activities

These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the Court's net assets and changes in them. The Court's net assets-the difference between assets and liabilities- measure the Court's financial position. The increases or decreases in the Court's net assets are an indicator of whether its financial position is improving or deteriorating. Other non-financial factors, however, such as number of cases handled by District Court as well as the number of judgeships approved by the State Legislature and the State's economic condition should be considered in order to assess the overall condition of the Court.

Currently, the Court has only governmental activities that provide for personnel, equipment, supplies, and other costs related to the proper administration of the District Court. Primarily, court costs, fees, grants, and interest finance these activities.

Reporting the Court's Funds

Fund Financial Statements

The fund financial statements provide detailed information about the Court's funds, not the Court as a whole. In addition to accounting for the court costs and fees and other revenues that finance activities of District Court, the Court also accounts for appropriations received from the Department of Health and Human Resources, State of Louisiana, related to child support cases and from the State of Louisiana Supreme Court to administer the Drug Court. The General Fund, the Child Support Fund, and the Court Services Fund are all governmental funds that are available for spending. These funds are reported using an accounting method called modified accrual accounting, which measures only cash and other financial assets that can readily be converted to cash. The governmental fund statements provide a detailed short-term view of the Court's operations and the services it provides. Governmental fund information helps you determine the amount of financial resources available to be spent in the near future to finance the Court's programs. The relationship (or differences) between governmental activities (reported in the Statement of Net Assets and the Statement of Activities) and the governmental funds are shown in a reconciliation following the fund financial statements.

THE COURT AS A WHOLE

For the year ended June 30, 2004 and 2003, net assets changes as follows:

		2003	
Beginning net assets	\$ 2,384,931	\$ 2,261,911	
Increase (Decrease) in net assets	(26,672)	123,020	
Ending net assets	\$ 2,358,259	\$ 2,384,931	

This reflects a constant level of government activities for the year. It should be noted that there was an increase in the (TASC) Truancy Assessment and Service Center activity from the prior year. The Court obtained \$103,057 in additional grants from the prior year related to this program, however the expenditures related to Truancy increased \$108,013. The Court also had additional salaries, retirement costs, and travel costs totaling \$212,367 more than the prior year. Additional staff, a higher state retirement employer contribution rate, and travel costs unreimbursed by the Supreme Court due to budget limits contributed to the increase in the cost of government.

Governmental Activities

The Court's assets exceeded its liabilities at the close of the fiscal years 2004 and 2003 by \$2,358,259 and \$2,384,931, respectively. For the fiscal year ended June 30, 2004, the net assets decreased by \$26,672 (or 1%) and the Court's revenue increased by \$83,189 (or 5%). For the fiscal year ended June 30, 2003, the net assets increased by \$123,020 (or 5%) and the Court's revenue increased by \$85,921 (or 6%).

To aid in the understanding of the Statement of Activities some additional explanation is provided. Its format is significantly different than that of the Statement of Revenues, Expenses, and Changes in Fund Balance. The expenses are listed in the first column with revenues from that particular program reported to the right. The result is a Net Revenue/ (Expense). The reason for this kind of format is to highlight the relative financial burden of each of the governmental functions. It also identifies how much each function draws from the general revenues or if it is self-financing through fees and grants. Court costs and fees reported represent the majority of the revenues for the District Court function.

All other governmental revenues (such as interest) are reported as general.

THE COURT'S FUNDS

The following schedule presents a summary of general and special revenue funds net assets:

	Net Assets as of					
	<u>Ju</u>	ne 30, 2004	Ju	ne 30, 2003	<u>Ju</u>	ne 30, 2002

Total expenditures	\$1,512,972	100%	\$ 122,138	9%

District Court expenditures increased moderately during 2003. The increase in District Court expenditures was due to increases in salaries, related retirement expense, insurance and supplies.

GENERAL FUND BUDGETARY HIGHLIGHTS

During the year, the General Fund and Special Revenue Funds budgets were revised one time. The General Fund budget amendment was an increase in anticipated grant receipts and a reduced amount of court costs collected from the Morehouse Parish Sheriff's Office and Ouachita Parish Sheriff's Office. The Special Revenue Fund budget amendments were due to an increase in appropriations as a result of additional fees received as well as increase in salaries, travel, insurance, professional fees, and supplies expenditures.

The actual general fund revenues were less than the final budget by \$45,424. Actual general fund expenditures were less than the final budget by \$48,726. This reflects grant revenue that was anticipated in the final budget that did not materialize during the current fiscal year.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At the end of June 30, 2004 and 2003, the Court had \$76,302 and \$67,819, respectively invested in capital assets including computer equipment, and office furniture and equipment (See table below).

2004			2003		
\$	55,359	\$	38,836 28,983		
\$	76,302		67,819		
	\$ \$	\$ 55,359 20,943	\$ 55,359 \$ 20,943		

This year's major additions included ten notebook computers, two fax machines, four mini tower desk computers, and an ice maker.

Debt

At year end, the Court had a total of \$54,930 estimated for accrued compensated absences that represents the future liability for vacation earned but not used by District Court employees. That is an increase of sixty-six percent as shown in the following table.

		2003		
Accrued compensated absences	\$	54,930	\$	33,055

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

Court operations are funded extensively by the Parishes of Morehouse and Ouachita. The annual budget for the Court anticipates a flat growth with very little change except for grant participation beyond previous activity.

CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED JUNE 30, 2004

Amounts reported for governmental activities in the Statement of Net Assets are different because:

Net Change in Fund Balance - Total Governmental Funds	\$ (35,155)
Governmental funds report capital outlays as expenditures while governmental activities report deprecation expense to allocate those expenditures over the life of the assets: Capital Asset Purchases Capitalized Depreciation Expense	\$ 36,845 (27,986) \$ 8,859
In the statement of activities, only the gain on the disposition of the furniture and equipment is reported, whereas in the governmental funds, the proceeds from the sale increase financial resources. Thus, the change in net assets differs from the change in fund balance by cost of furniture and equipment that was disposed of in the current period.	(376)

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Judicial Expense Fund complies with accounting principles generally accepted in the United States of America (GAAP). GAAP includes all relevant Government Accounting Standards Board (GASB) pronouncements. In the government-wide financial statements, Financial Accounting Standards Board (FASB) pronouncements and Accounting Principles Board (APB) opinions issued on or before November 30, 1989 have been applied unless those pronouncements conflict with or contradict GASB pronouncements, in which case, GASB prevails. The accounting and reporting framework and the more significant accounting policies are discussed in subsequent sections of this note. For the fiscal year ended June 30, 2003, the Judicial Expense Fund has adopted the new financial reporting requirements of GASB Statement Nos. 33 and 34. As a result, an entirely new financial presentation format has been implemented.

<u>FINANCIAL REPORTING ENTITY</u>: The Fourth Judicial District Court, General Fund (Judicial Expense Fund), was created under the Act No. 52 of 1984, effective on the 60th day after final adjournment of the 1984 legislative session of the State of Louisiana. The effective date of funding was set on November 1, 1984.

The purpose of the fund is to provide sufficient funding to expedite efficient operation of the court. In general, the fund is established and may be used for any purpose or purposes connected with, incidental to or related to the proper administration of the court.

The Fourth Judicial District Court, Special Revenue Fund (Child Support), authority was created under the Act No. 517 of 1986, effective within one year after final adjournment of the 1986 legislative session of the State of Louisiana. In accordance with Louisiana Revised Statutes, § 46: 236.5 the Fourth Judicial District Court implemented this process beginning November 1, 1990.

The purpose of the fund is to provide an expedited process for establishment and enforcement of support obligations which are brought by the Department of Health and Human Resources. Revenues are to be expended to administer the proceedings related to the expedited process.

The Fourth Judicial District Court, Special Revenue Fund (Misdemeanor Probation), authority was created under the Louisiana Code of Criminal Procedure Article 895.1C. The Fourth Judicial District Court issued an order signed en banc February 26, 1993 implementing this process.

The purpose of the fund is to provide misdemeanor probation services by collecting monthly fines for establishment and enforcement of the probationary period. Revenues are to be expended to administer the proceedings related to the probation process.

The Fourth Judicial District Court, Special Revenue Fund (Drug Court), authority was created under the Louisiana Code of Criminal Procedure Article 193 and Article 18 by Rule XI of this court. The drug treatment and probation program shall be established in accordance with the provisions of LSAR.5.13:5301-5304. The Fourth Judicial District Court issued an order signed en banc February 4, 2000 implementing the process effective January 1, 2000.

The purpose of the fund is to administer drug offense charges. Revenues are to be expended to administer the monitoring, counseling, and enforcement of drug offense probation.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

The accounting and reporting policies of the Fourth Judicial Court, Judicial Expense Fund conform to generally accepted accounting principles as applicable to governments. Such accounting and reporting procedures also conform to the requirements of <u>Louisiana Municipal Audit and Accounting Guide</u>, the industry audit guide, <u>Audits of State and Local Governmental Units</u>; <u>Standards for Audit of Governmental Organizations</u>, <u>Programs</u>, <u>Activities</u>, and <u>Functions</u>, and/or, where applicable, <u>Public Law 98-502</u>, the Single Audit Act of 1996, and OMB Circular A-133.

For financial reporting purposes, in conformity with the Governmental Accounting Standards Board (GASB), the Judicial Expense Fund and Child Support is a part of the Fourth Judicial District Court, a component of the Ouachita Parish Police Jury judicial system. The financial reporting entity consists of (a) the primary government (Ouachita Parish Policy Jury), (b) organization for which the primary government is financially accountable, and (c) other organizations for which the nature and significance of their relationship with the primary government are such that exclusion would cause the reporting entity's financial statements to be misleading or incomplete.

Governmental Accounting Standards Board Statement No. 14 established criteria for determining which component units should be considered part of the Ouachita Parish Police Jury for financial reporting purposes. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability.

This criteria includes:

- 1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the Ouachita Parish Policy Jury to impose its will on that organization and/or
 - The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the Ouachita Parish Police Jury.
- Organizations for which the Ouachita Parish Police Jury does not appoint a voting majority but are fiscally dependent on the Ouachita Parish Police Jury.
- 3. Organizations for which the reporting entity's financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Because the Ouachita Parish Police Jury provides for the operation and maintenance of the Courtroom and office space of the Judges in its parish courthouse, the Fourth Judicial District Court was determined to be a component unit of the Ouachita Parish Police Jury, the financial reporting entity. The accompanying financial statements present information only on the funds maintained by the Fourth Judicial District Court and do not present information on the Ouachita Parish Police Jury, the general government services provided by that governmental unit or the other governmental units that comprise the financial reporting entity.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

BASIS OF PRESENTATION: In June, 1999, the GASB unanimously approved Statement No. 34, Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments. Certain of the significant changes in the presentation of its funds financial information include, for the first time a Management Discussion and Analysis (MD & A) section providing an analysis of the Judicial Expense Fund's overall financial position and results of operations and financial statements prepared using full accrual accounting for all Judicial Expense Fund's activities. These and other changes are reflected in the accompanying financial statements including the notes to the financial statements. The Judicial Expense Fund has elected to implement the general provisions of the Statement in the current year and plans to retroactively report capital assets acquired prior to July 1, 2002.

BASIC FINANCIAL STATEMENTS: Government-wide financial statements - The statement of net assets and statement of activities display information about the reporting government as a whole. They include all funds of the reporting entity. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange revenues.

Fund financial statements - The financial transactions of the Judicial Expense Fund are reported in individual funds in the fund financial statements. Each fund is accounted for by a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures.

The funds of the Judicial Expense Fund are described as follows:

General Fund - The general fund is the general operating fund and accounts for all activities of the Judicial Expense Fund except those required to be accounted for in another fund.

Special Revenue Fund - Special revenue funds are used to account for specific revenue sources that are legally restricted to expenditures for specified purposes. Included in special revenue funds are the Child Support Fund and Court Services Fund which includes Misdemeanor Probation and Drug Court.

This report includes funds which are controlled by the Fourth Judicial District Court (Chief Judge and Judges) but determined to be a component unit of the Ouachita Parish Police Jury. The Ouachita Parish Police Jury has significant control over the Judicial Expense Fund in the area of necessary capital outlay. The Ouachita Parish Police Jury would present this component unit in a discreet presentation format if it were included in their financial statements. The funds are administered by the Court Administrator.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

<u>MEASUREMENT FOCUS AND BASIS OF ACCOUNTING:</u> Measurement focus is a term used to describe "which" transactions are recorded within the various financial statements. Basis of accounting refers to "when" transactions are recorded regardless of measurement focus applied.

Measurement focus - The government-wide financial statements are presented using the economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net assets, and financial position. All assets and liabilities (whether current or non-current) associated with their activities are reported. All governmental funds utilize a current financial resources measurement focus in the fund financial statements. Only current assets and liabilities are generally included on the balance sheet. Operating statements present sources and uses of available spendable financial resources during a given period. The fund balance is the measure of available spendable financial resources at the end of the period.

Basis of accounting - The government-wide financial statements are presented using the accrual basis of accounting. Revenues are recognized when earned and expenses are recognized when incurred or economic assets are used. Revenues, expenses, gains, losses, assets, and liabilities resulting from exchange and exchange-like transactions are recognized when the exchange takes place. In the fund financial statements, governmental funds are presented on the modified accrual basis of accounting. Revenues are recognized when "measurable and available". Measurable means the amount of the transaction can be determined, and available means collectible within the current period or soon enough thereafter to be used to pay liabilities of the current period. Expenditures (including capital outlay) are recorded when the related fund liability is incurred.

<u>BUDGETS AND BUDGETARY ACCOUNTING</u>: The Fourth Judicial District Court follows these procedures in establishing the budgetary data reflected in these financial statements:

- 1. The Judicial Administrator prepares a proposed budget for the General Fund and each Special Revenue Fund and submits same to the Chief Judge, prior to the beginning of each fiscal year.
- The Chief Judge, Fourth Judicial District Court, signs written approval of the budgets.
- Budgetary amendments involving the transfer of funds from one program or function to another or involving increases in expenditures resulting from revenues exceeding amounts estimated require the approval of the Chief Judge.
- 4. All budgetary appropriations lapse at the end of each fiscal year.
- 5. Budgets for the General Fund (Judicial Expense Fund), and Special Revenue Funds (Child Support Fund, Misdemeanor Probation Fund, and Drug Court Fund), are adopted on a basis consistent with generally accepted accounting principles (GAAP).
- 6. Amendments of the budget are prepared by the Judicial Administrator and the process is the same as indicated for the original budget during the fiscal year.

<u>BUDGET VARIANCE</u>: The significant variation of actual expenses in the areas of miscellaneous expenditures, payroll related expenses, supplies and professional fees were primarily due to the uncertainties of budgeting. The Chief Judge and Judges were aware of the variances and approved the additional expenses.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd).

<u>CASH AND CASH EQUIVALENTS</u>: Cash includes amounts in demand deposits, interest-bearing demand deposits, money market accounts, and time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

INVESTMENTS: In accordance with GASB Statement No. 31, the Court's general policy is to report money market investments and short-term participating interest-earning investment contracts at amortized cost and to report nonparticipating interest-earning investment contracts using a cost-based measure. However, if the fair value of an investment is significantly affected by the credit standing of the issuer or by other factors, it is reported at fair value. The term "short-term" refers to investments, which have a remaining term of one year or less at time of purchase. The term "nonparticipating" means that the investment's value does not vary with market interest rate changes.

INTERFUND RECEIVABLES/PAYABLES: Short-term interfund loans are classified as interfund receivables/payables.

<u>PREPAID ITEMS</u>: Advance payments for rent are expensed as the period lapses. The balance in prepaid expense represents advance rent payments due to expire during the subsequent month.

<u>CAPITAL ASSETS</u>: In the government-wide financial statements, capital assets purchased or acquired with an original cost of \$1,000, or more are reported at historical cost. Additions, improvements, and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

Computer equipment, including software 5-10 years
Other office equipment 5-10 years
Furniture and fixtures 10-20 years

In the fund financial statements, fixed assets are accounted for as capital outlay expenditures of the fund upon acquisition. Capital assets reported herein include only those assets purchased by the Judicial Expense Fund and do not reflect assets of the court obtained from other sources.

<u>COMPENSATED ABSENCES</u>: The Fourth Judicial District Court accrues compensated absence expense based on unused vacation available to employees as of the last day of the fiscal year. Effective January 1, 1998, unused vacation will be accumulated, therefore all of the accrued compensated absence is recognized as a current year expenditure in the governmental funds. Accumulated sick leave is non-compensable, therefore, no provision has been made for unused sick leave.

<u>NET ASSETS</u>: Net assets comprise the various net earnings from operating income, nonoperating revenues and expenses, and capital contributions. Net assets are classified in the following three components:

Invested in capital assets, net of related debt - This component of net assets consists of capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes or other borrowings that are attributable to the acquisition of those assets. There was no outstanding debt attributable to these fixed assets as of June 30, 2004 and 2003.

NOTES TO FINANCIAL STATEMENTS

NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd).

Restricted - This component of net assets consists of constraints imposed by creditors (such as through debt covenants), grantors, contributors, or laws or regulations of other governments or constraints imposed by law through constitutional provisions or enabling legislation. There were no restricted net assets as of June 30, 2004 and 2003.

Unrestricted net assets - This component of net assets consists of net assets that do not meet the definition of "restricted" or "invested in capital assets, net of related debt".

INTERFUND TRANSACTIONS: Transactions that constitute reimbursements to a fund for expenditures/expenses initially made from it that are properly applicable to another fund are recorded as expenditures/expenses in the reimbursing fund and as reductions of expenditures/expenses in the fund that is reimbursed.

<u>COMPARATIVE DATA</u>: Comparative total data for the prior year have been presented in the accompanying financial statements in order to provide an understanding of changes in the Fourth Judicial District Court's financial position and operations. However, comparative (ie., presentation of prior year totals by fund type) data have not been presented in each of the statements since their inclusion would make the statements unduly complex and difficult to read.

<u>USE OF ESTIMATES</u>: The preparation of component unit financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that effect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2 EXPENDITURES - ACTUAL AND BUDGET

The Judicial Expense Fund had total actual expenditures less than total budgeted expenses for the year ended June 30, 2004 by \$48,726.

The Unfavorable variances for the current period were due to the uncertainties involved with budgeting. The Chief Judge and Judges were aware of the variances and approved the additional expenses. Truancy Assessment and Service Center (TASC) Assistance Program revenue of \$49,587 was not available for expenditure due to a change in the administration of the program.

NOTE 3 DEPOSITS AND INVESTMENTS

A. Cash and Cash Equivalents

Included as cash and cash equivalents are bank accounts and short-term investments, especially certificates of deposit.

At June 30, 2004 and 2003, the Fourth Judicial District Court had cash and cash equivalents (book balances) totaling \$2,270,935 and \$1,536,879 as follows:

	 2004	 2003
Interest-bearing demand deposits Time deposits	\$ 200,935 2,070,000	\$ 166,879 1,370,000
Total	\$ 2,270,935	\$ 1,536,879

NOTES TO FINANCIAL STATEMENTS

NOTE 3 DEPOSITS AND INVESTMENTS (Cont'd)

These deposits are stated at cost, which approximates market. Under state law, these deposits (or the resulting bank balances) must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. At June 30, 2004, the Fourth Judicial District Court had \$2,404,421 and \$1,644,258, respectively in deposits (collected bank balances). These deposits are secured from risk by \$780,000 and \$585,000, respectively of federal deposit insurance (Category 1) and \$1,624,421 and \$1,059,258 of pledged securities held by the bank's agent in the name of the bank (Category 3) as of June 30, 2004 and 2003.

In accordance with LRS 49:321, state depositing authorities shall require as security for deposit of state funds authorized bonds or other interest bearing notes; authorized promissory notes, warrants, or certificates of indebtedness unmatured or payable on demand. Fair value, excluding interest, of such securities held by the depositing authority shall be equal to 100% of the amount on deposit to the credit of the depositing authority except that portion appropriately insured. Designated depositories may be granted a period not to exceed five days from the date of any deposit to post the necessary security.

Category 1 represents deposits insured (inclusive of FDIC, SIPC, or similar federal security) or collateralized with securities held by the Court or its agent in the Court's name. Category 2 represents deposits collateralized with securities held by the pledging financial institution's trust department or agent in the Court's name. Category 3 represents deposits uncollateralized including any securities held for the entity but not in the Court's name.

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 3, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the securities within 10 days of being notified by the Fourth Judicial District Court that the fiscal agent has failed to pay deposited funds upon demand.

B. Investments

Similar to cash deposits, investments held at a financial institution can be categorized according to three levels of risk. These three levels of risk are:

Category 1: Investments that are insured, registered or held by the entity or by its agent in the Court's name.

Category 2: Investments that are uninsured and unregistered held by the counterparty's trust department or agent in the Court's name.

Category 3: Uninsured and unregistered investments held by the counterparty, it's trust or it's agent, but not in the Court's name.

NOTES TO FINANCIAL STATEMENTS

NOTE 3 DEPOSITS AND INVESTMENTS (Cont'd)

The Court invests in the Louisiana Asset Management Pool (LAMP) which is administered by LAMP, Inc. These approved investments are carried at cost (See Note 1), which approximates market and may be liquidated as needed. This investment pool has not been assigned a risk category since the Court is not issued securities, but rather owns an undivided beneficial interest in the assets of the pool. The carrying value of investments owned at year end June 30, 2004 and 2003 was \$0 and \$766,543, respectively, (Louisiana Asset Management Pool or LAMP) which approximates market as required by GASB 31.

Louisiana Asset Management Pool (LAMP) was created as a cooperative endeavor in 1993 to assist local Louisiana governmental entities with the investment of their cash balances. LAMP is not a bank and an investment in LAMP constitutes a direct investment in the assets constituting the pool, not a deposit. Investments in LAMP are not insured by the Federal Depository Insurance Corporation or any other federal agency. Collateralization requirements are not applicable when participating in the pool.

NOTE 6 PENSION PLANS

<u>Plan Description</u>. Many employees of the Court are members of the Louisiana State Employees' Retirement System (LASERS), a cost-sharing, multiple-employer defined benefit pension plan administered by a separate board of trustees. The LASERS provides retirement benefits as well as disability and survivor benefits. Benefits are established and amended by state statute. Benefits granted by the LASERS are guaranteed by the State of Louisiana under provisions of the Louisiana Constitution of 1974. The LASERS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the Louisiana State Employees' Retirement, Post Office Box 44213, Baton Rouge, Louisiana 70804-4213, or by calling (225) 922-0600.

<u>Funding Policy</u>. Plan members of the Court are required by state statute to contribute 7.5 percent of their annual covered salary and the Court (employer) is required to contribute at an actuarially determined rate. The current employer rate is 19.1, 14.1, and 13.0 percent of annual covered payroll as of June 30, 2004, 2003, and 2002, respectively. The contribution requirements of plan members and the Court are established and may be amended by state statute. As provided by state statute, the employer contributions are determined by actuarial valuation and are subject to change each year based on the results of the valuation for the prior fiscal year. The Court's employer contributions to the LASERS for the years ending June 30, 2004, 2003, and 2002 were \$42,900, \$35,068, and \$31,511, respectively, equal to the required contributions for each year.

Other Plan Description. The employees that are not members of LASERS are members of the Parochial Employees' Retirement System of Louisiana (System), a multiple-employer (cost-sharing), Public Employee Retirement System (PERS), controlled and administered by a separate board of trustees. This System is composed of two distinct plans, Plan A and Plan B with separate assets and benefit provisions. The System issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by writing to the Parochial Employees' Retirement System of Louisiana, P.O. Box 14619, Baton Rouge, Louisiana 70898-4619 or by calling (225) 928-1361.

Other Plan Funding Policy. To this system plan members are required to contribute 9.5 percent of their annual covered salary and this court reimburses the primary government, the Ouachita Parish Police Jury and Morehouse Parish Clerk of Court for retirement contributions at actuarially determined rates made into the System. The current employer rate is 11.75 percent of annual covered payroll. The Court reimbursed \$42,813, \$26,152, and \$17,934, to the Ouachita Parish Police Jury for contributions to the System during the years ending June 30, 2004, 2003 and 2002, respectively, as its share of contributions, equal to the required contributions for each year. The Court reimbursed \$2,515, \$2,145, \$1,940 to the Morehouse Parish Clerk of Court for contributions to the System during the year ending June 30, 2004, 2003 and 2002, respectively as its share of contributions, equal to the required contributions for each year.

REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

The Honorable Judges of the Fourth Judicial District Court Judicial Expense Fund Monroe, Louisiana

We have audited the component unit financial statements of the governmental activities, each major fund and the aggregate remaining fund information of the Fourth Judicial District Court, Judicial Expense Fund, a component unit of the Ouachita Parish Police Jury, as of and for the year ended June 30, 2004, which collectively comprise the Fourth Judicial District Court, Judicial Expense Fund's component unit financial statements and have issued our report thereon dated October 14, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered the Fourth Judicial District Court, Judicial Expense Fund's internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinions on the component unit financial statements and not to provide assurance on the internal control over financial reporting. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control over financial reporting that might be material weaknesses. A material weakness is a reportable condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements caused by error or fraud in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters involving the internal control over financial reporting and its operation that we consider to be material weaknesses.

The Honorable Judges of the Fourth Judicial District Court Judicial Expense Fund Page 2

Compliance

As part of obtaining reasonable assurance about whether the Fourth Judicial District Court, Judicial Expense Fund's component unit financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

This report is intended solely for the information and use of management, others within the organization, Louisiana Legislative Auditor and is not intended to be and should not be used by anyone other than these specified parties. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.
