INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Association of Retarded Citizens of Evangeline, Inc. Ville Platte, Louisiana

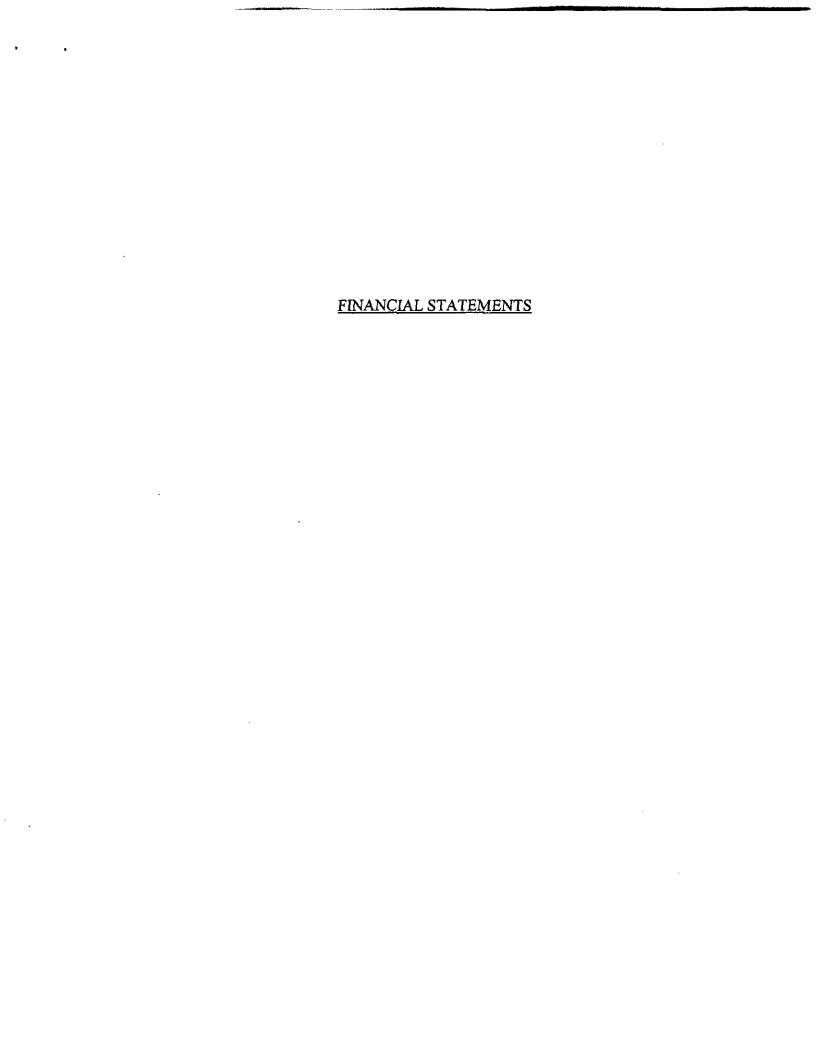

We have audited the accompanying statement of financial position of the Association of Retarded Citizens of Evangeline, Inc., (a nonprofit organization) as of June 30, 2004, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The financial statements of the Association of Retarded Citizens of Evangeline, Inc. as of June 30, 2003, were audited by other auditors whose report dated September 12, 2003, expressed an unqualified opinion on those statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in <u>Government Auditing Standards</u>, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Association of Retarded Citizens of Evangeline, Inc., as of June 30, 2004, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with <u>Government Auditing Standards</u>, we have also issued our report dated December 20, 2004, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provision of laws, regulations, contracts, and grants. That report is an integral part of an audit performed in accordance with <u>Government Auditing Standards</u> and should be read in conjunction with this report in considering the results of our audit.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES - Continued

F. Compensated Absences

H. Statement of Cash Flows

2. <u>Property and Equipment</u>

Property and equipment consisted of the following at June 30, 2004 and 2003:

	2004	2003
Equipment, furniture and fixtures	\$ 40,865	\$ 61,418

Total	84,965	177,673
Less: Accumulated depreciation	(37,043)	(63,661)
Net property and equipment	\$ 47,922	\$ 114,012

3. Social Security System

Employees of the Organization are members of the Social Security System. The Organization and its employees contribute a percentage of each employee's salary to the System (7.65 percent each). ASSOCIATION OF RETARDED CITIZENS OF EVANGELINE, INC. VILLE PLATTE, LOUISIANA NOTES TO FINANCIAL STATEMENTS JUNE 30, 2004

The Organization receives Medicaid reimbursements for patients living at two separate homes. Each home serves approximately 6-8 patients. Reimbursements are determined according to the patient's level of care.

5. Operating Leases

The Organization has entered into a number of operating leases, which contain cancellation provisions. For the years ended June 30, 2004 and 2003, rent expenses approximated \$61,657 and \$164,679, respectively, for all types of leases, which were all related to program services.

6. Concentrations

Approximately 83% of the Organization's total revenue for the year consists of Medicaid reimbursements. A significant reduction in the level of this support or suspension in funding may have an effect on the continuing operations of the Association of Retarded Citizens of Evangeline, Inc.

7. Risk Management

The Organization is exposed to risks of loss in the areas of auto liability, property liability, fidelity bond and workers' compensation. All of these risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year.

8. Loss on Disposition of Assets

Effective July 1, 2003, the Scott Center, Edwin Drive Home, Parish Road Home and Ledia Simon Home were all sold to Southern Comfort Community Homes, Inc. As a result of this, the operations of these homes and the center were transferred to Southern Comfort Community Homes, Inc. Since the Association of Retarded Citizens of Evangeline, Inc. no longer leases and operates these homes, all furniture, fixtures and leasehold improvements associated with these locations were written off. A loss of \$65,423 was generated by the book value remaining on all furniture, fixtures and leasehold improvements attached and transferred with the locations sold to Southern Comfort Community Homes, Inc. without consideration as of July 1, 2003.

REPORT ON COMPLIANCE AND ON INTERNAL CONTROL OVER FINANCIAL REPORTING BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Association of Retarded Citizens of Evangeline, Inc. Ville Platte, Louisiana

We have audited the financial statements of the Association of Retarded Citizens of Evangeline, Inc. (a nonprofit organization) as of and for the year ended June 30, 2004, and have issued our report thereon dated December 20, 2004. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States.

Compliance

As part of obtaining reasonable assurance about whether Association of Retarded Citizens of Evangeline, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under Government Auditing Standards.

Internal Control Over Financial Reporting

In planning and performing our audit, we considered Association of Retarded Citizens of Evangeline, Inc.'s internal control over financial reporting in order to determine our auditing procedures for the purpose of expressing our opinion on the financial statements and not to provide assurance on the internal control over financial reporting. However, we noted a certain matter involving the internal control over financial reporting and its operation that we consider to be a reportable condition.

To the Board of Directors Association of Retarded Citizens of Evangeline, Inc. Page 2

John S. Dowling & Company

Reportable conditions involve matters coming to our attention relating to significant deficiencies in the design or operation of the internal control over financial reporting that, in our judgment, could adversely affect the Association of Retarded Citizens of Evangeline, Inc.'s ability to record, process, summarize and report financial data consistent with the assertions of management in the financial statements. A reportable condition is described in the accompanying Schedule of Findings and Questioned Costs as Item 2004-1.

A material weakness is a condition in which the design or operation of one or more of the internal control components does not reduce to a relatively low level the risk that misstatements in amounts that would be material in relation to the financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. Our consideration of the internal control over financial reporting would not necessarily disclose all matters in the internal control that might be reportable conditions and, accordingly, would not necessarily disclose all reportable conditions that are also considered to be material weaknesses. However, we believe the reportable condition described above is a material weakness.

This report is intended solely for the information and use of management and the Board of Directors and is not intended to be and should not be used by anyone other than these specified parties.
