Management is responsible for the accompanying Fire Protection Grant financial statements of the Labadieville Volunteer Fire Department (received from Assumption Parish Police Jury), as of and for the year ended December 31, 2021, which collectively comprise the Fire Protection Grant financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. We do not express an opinion, a conclusion, nor provide any assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Labadieville Volunteer Fire Department's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The accompanying supplementary Schedule of Compensation, Benefits, and Other Payments to Agency Head included on page 4 is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such information.

Management has not adopted the provisions of Governmental Accounting Standards Board Statement No. 34 for the year ended December 31, 2021. Accounting principles generally accepted in the United States of America require that Governmental Accounting Standards Board Statement No. 34 be applied. Management has not determined the amount by which this departure would affect the financial statements.

The financial statements present only the Fire Protection Grant financial statement and do not purport to, and do not present fairly the balance sheet of the Labadieville Volunteer Fire Department as of December 31, 2021 or the statement of revenues, expenditures and changes in fund balance for the year then ended in accordance with accounting principles generally accepted in the United States of America.
