Independent Auditor's Report

To the Board of Directors Louisiana Symphony Association, Inc. Baton Rouge, Louisiana

Opinion

We have audited the accompanying financial statements of Louisiana Symphony Association, Inc. (the "Association") (a nonprofit organization), which comprise the Statements of Financial Position as of June 30, 2023 and 2022, and the related Statements of Activities, Functional Expenses, and Cash Flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Louisiana Symphony Association, Inc. as of June 30, 2023 and 2022, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Louisiana Symphony Association, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Symphony Association, Inc.'s ability to continue as a going concern for one year after the date that the financial statements are issued.

1

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud ts higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we.

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated December 22, 2023, on our consideration of the Association's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control over financial reporting and compliance.

Respectfully submitted,

Hannies T. Bourgeois, LLP

Baton Rouge, Louisiana December 22, 2023

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 2023 AND 2022

1. <u>Nature of Activities</u>

The Louisiana Symphony Association, Inc. (the Association) was founded in 1947. The mission of the Association is to enhance the quality of life in our community through music.

2. Summary of Significant Accounting Policies

Basis of Presentation

The financial statements of the Association have been prepared on the accrual basis of accounting. The significant accounting policies followed are described to enhance the usefulness of the financial statements to the reader. Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). The Association is required to report information regarding its financial position and activities according to two classes of net assets: with and without donor restrictions.

Net Assets Without Donor Restrictions - not subject to donor-imposed restrictions. Net assets may be designated for specific purposes by action of the Board of Directors. Board designations include designation for reserves and other designations and are presented on the face of these financials statements.

Net Assets With Donor Restrictions - subject to donor-imposed restrictions. Some donor imposed restrictions are temporary in nature for future periods, such as those that will be met by the passage of time or other events specified by the donor, and some donor restrictions are restricted for purpose. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates that resource be maintained in perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Net assets restricted in perpetuity include endowment funds on these financials.

Revenue Recognition

The Association recognizes revenue from program service fees after completion of these events which generally occurs in the same fiscal year that the proceeds are collected. Each program is a distinct performance obligation. If events are not held in the current year and postponed until the following year, the revenues related to those events would be deferred. The Association recognizes the exchange portion of subscription sales over the subscription period which expires and must be subsequently renewed at the end of each calendar year. Refunds and non-collection of fees have historically been insignificant.

Contributions, Grants and Tax Credit Income are discussed below:

Contributions

Contributions received are recorded as support with or without donor restrictions depending on the existence and/or nature of any donor restrictions.

Contributions are recognized when the donor makes a promise to give to the Association that is, in substance, unconditional. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in net assets with donor restriction, depending on the nature of the restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

The Association has an endowment trust funded by contributions. Donor contributions without donor restrictions can be used at the Association's discretion. The principal for donor contributions with donor restrictions that are perpetual in nature must remain intact. Funds donated with restrictions on principal have been classified as perpetual in nature net assets with donor restrictions.

Promises to Give

Unconditional promises to give that are expected to be collected within one year are recorded at net realizable value. Unconditional promises to give cash and other assets donated to the Association are reported at fair value on the date the promise is received. Due to the relatively short term nature of the promises to give, fair value equals the amount of the promise at June 30, 2023 and 2022.

Grant Revenue Recognition

Grants which represent exchange transactions are recorded as a receivable as the grant dollars are spent. Grants which represent contributed support are recognized in the same manner as promises to give.

Tax Credit Income

Tax credit income is recognized as a receivable when the application has been accepted and approved for payment by the governing body.

Accounts Receivable and Deferred Revenue

Accounts receivable are stated at the amount management expects to collect from balances outstanding at year-end and are determined to be past due based on contractual terms. Based on management's assessment of credit history with clients having outstanding balances and current relationships with them, the Association has concluded that realization of losses on balances outstanding at year end, if any, will not be significant.

Deferred revenue represents tickets for concerts that have been sold or sponsorships received prior to the date of the concert. After the concert is performed, the revenue from the concert will be realized and recorded as revenue. In the event any of the productions are not presented, the advance ticket collections and sponsorships for that concert will be available for refund to the ticket holders.

Donated Assets, Goods and Services

During the year ended December 31, 2022, the Association adopted Accounting Standards Update (ASU) 2020-07, Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets. The new guidance requires nonprofit entities to present contributed nonfinancial assets as a separate line item in the statement of activities and also increases the

disclosure requirements for contributed nonfinancial assets, including disaggregating by category the types of contributed nonfinancial assets that were received. Adoption of this standard did not have a significant impact on the financial statements, with the exception of increased disclosure.

The Association recognizes contribution revenue for certain services received at the fair value of those services, provided those services create or enhance non-financial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased, if not provided by donation. Services donated may include advertising, rehearsal space and professional services. The value of contributed services meeting the requirements for recognition in the financial statements was \$39,056 and \$-0- for the years ended June 30, 2023 and 2022, respectively.

A substantial number of unpaid volunteers have made a significant contribution of service to develop the Association's programs, principally in fund raising activities, operations, and board participation. The value of this service is not reflected in these statements since it does not meet the criteria for recognition, as described above.

Property and Equipment

Property and equipment are stated at cost. The Association capitalizes all assets with an initial cost that is greater than \$500. Depreciation is computed using the straight-line method over the estimated useful lives of the assets.

Income Taxes

The Association has been recognized by the Internal Revenue Service as a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes. Accordingly, no provision for income taxes on related income has been included in the financial statements.

The Association files an income tax return in the U.S. federal jurisdiction. With few exceptions, the Association is no longer subject to federal tax examinations by tax authorities for years before 2019. Any interest and penalties assessed by income taxing authorities are not significant and are included in general and administrative expenses in these financial statements, if applicable.

The Association adopted the accounting guidance related to accounting for uncertain tax positions. In management's judgment, the Association does not have any tax positions that would result in a loss contingency considering the facts, circumstances, and information available at the reporting date.

Cash and Cash Equivalents

The Association considers all highly liquid investments with maturities of three months or less at the date of acquisition to be "cash equivalents." Cash and cash equivalents for purposes of the statements of cash flows excludes cash and cash equivalents and amounts held in brokerage accounts that are perpetual in nature with donor restricted net assets.

The Association maintains cash balances at several financial institutions and brokerage houses. At various times during the year, the balances on deposit may exceed the limits insured by the Federal Deposit Insurance Corporation.

Functional Allocation of Expenses

The costs of providing for the various programs and other activities of the Association have been summarized on their functional basis in the statements of activities. The statements of functional expenses present the natural classification detail of expenses by function. Expenses are recorded directly in the program service or supporting service classification in which they were incurred except for professional services which are allocated based on employee function.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Investment securities are exposed to various risks such as interest rate, market, and credit risks. Due to the level of risk associated with certain investment securities, it is at least reasonably possible that changes in the values of investment securities will occur in the near term and such changes could materially affect the amounts reported in the financial statements. Actual results could differ from those estimates.

Investments and Investment Revenues

Investments in equity securities with readily determinable fair values and all investments in debt securities are recorded at fair value. Unrealized gains and losses and other investment income are recorded in current year operations as increases or decreases in net assets with donor restrictions until the gains and losses receive appropriation for expenditure.

Donated investments are recorded at market value at the date of receipt, which is then treated as cost. Realized gains and losses on dispositions are based on the net proceeds and the adjusted cost bases of the securities sold, using the specific identification method. These realized gains and losses flow through the Association's current operations.

Beneficial Interest in Baton Rouge Symphony League

In accordance with the *Transfers of Assets to a Not-for-Profit Organization that Raises or Holds Contributions for Others topic of FASB ASC*, the net assets of the League are treated as a beneficial interest asset on the Association's financial statements. The effect of this guidance is for the Association to recognize an asset equal to the net assets of the League, similar to the equity method of accounting.

<u>Leases</u>

Effective July 1, 2022, the Association adopted Accounting Standards Update (ASU) No. 2016-02, *Leases* (Topic 842), and all related amendments retrospectively at the beginning of the period of adoption through a cumulative-effect adjustment, electing not to adjust the comparative period. This guidance requires that right-of-use (ROU) assets and lease liabilities be recorded on the statement of financial position. The Association elected the practical expedient relief package allowed by the new standard, which does not require the reassessment of (1) whether existing contracts contain a lease, (2) the lease classification or (3) unamortized initial direct costs for existing leases. Additionally, the

Association made accounting policy elections for the exclusion of short-term leases (leases with an initial term of 12 months or less and which do not include a purchase option that the Association is reasonably certain to exercise) from the statement of financial position presentation, and the use of the portfolio approach in determination of the discount rate.

The Association determines if an arrangement contains a lease at inception. Leases are then classified as either operating or finance leases depending on the characteristics of the lease. Right-of-use (ROU) assets represent the Association's right to control the use of a specified asset for the lease term, and lease liabilities represent the Association's obligation to make lease payments arising from the lease. ROU assets and lease liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. In determining the present value of the lease payments, the Association uses the risk-free discount rate when the discount rate is not implicit in the lease. Lease payments include fixed and variable payments based on an index or a rate. Variable lease payments that are not index or rate based are recorded as expenses when incurred. The lease term is the non-cancelable period of the lease, including any options to extend, purchase, or terminate the lease depending on whether the Association is reasonably certain to exercise those options.

The costs associated with operating leases are recognized on a straight-line basis, within operating expenses, over the period of the leases. The finance lease ROU assets are amortized on a straight-line basis within, operating expenses, over the shorter of their estimated useful lives or the lease terms, and interest expense incurred on the lease liabilities is included in interest expense.

The Association does not recognize ROU assets and lease liabilities on short term leases but recognizes lease expense for these leases on a straight-line basis over the lease terms and any variable lease payments in the period in which the obligation for those payments is incurred.

See Note 8 to these financial statements for additional information and disclosures related to operating leases, including qualitative and quantitative disclosures required by Topic 842.

The Association's reporting as of and for the year ended June 30, 2022, is in accordance with ASC Topic 840, *Leases*, under U.S. GAAP.

Reclassifications

Certain reclassifications have been made to the 2022 financial statements to conform with the current year financial statements. Such reclassifications had no effect on previously reported changes in net assets.

Subsequent Events

The management of the Association evaluated subsequent events and transactions for possible recognition or disclosure in the financial statements through December 22, 2023, the date which the financial statements were available to be issued.

3. <u>Receivables - With Donor Restrictions and Deferred Revenues</u>

In accordance with ASC Topic 606, Revenue from Contracts with Customers, the following amounts are included in the Statement of Financial Position at June 30, 2023 and 2022 under the following captions:

| | 2023 | | |
|----------------------|-------------|----|-------|
| Accounts Receivable: | | | |
| Receivables | \$ 9,487 | \$ | 1,074 |
| Curent Liabilities: | | | |
| Deferred Revenues | 95,004 | \$ | 3.120 |

As of June 30, 2021, the Receivables totaled \$10,500, and Deferred Revenues totaled \$435.

4. Liquidity and Availability

The following reflects the Association's financial assets as of the statement of financial position date. reduced by amounts not available for general use because of contractual or donor-imposed restrictions within one year of the statement of financial position date.

| Financial Assets at Year-end: | |
|--|---------------|
| Cash and Cash Equivalents | \$ 217.423 |
| Restricted Cash | 196,565 |
| Investments | 196,329 |
| Unconditional Promises to Give | 13,120 |
| Receivables | 9,487 |
| Endowment Assets | 551.275 |
| | 1,184.199 |
| Less amounts not available for general expenditures within one year, due to: | |
| Contractual or donor-imposed restrictions: | |
| Perpetual in Nature | (551,275) |
| Purpose Restrictions | (528,130) |
| Time-Restricted for Future Periods | (13,120) |
| Financial assets available to meet cash needs for general expenditures | |
| within one year | \$ 91,674 |

The Louisiana Symphony Association, Inc. manages liquidity through a variety of methods. One method is the organization deploys structured ask windows and sequence drops with its development committee. Another is the introduction of additional funds on an as needed basis through \$250,000 in available working capital lines of credit. A third is management of its own box office, which provides stronger cash flow than not managing internally. A fourth method of liquidity management is through dedicated reserves.

Despite all these active constructive measures, the Louisiana Symphony Association, Inc. remains structurally dependent on the fundraising efforts of the Irene W. & C. B. Pennington Great Performers (PGP) in Concert Series annual event. The net proceeds from this event for the 2022-2023 fiscal period were 10% of the organization's top line revenue. The Board is aware of the concentration risk this represents and is actively working to strengthen the core operations' financial performance to mitigate or dilute the concentration risks this event represents.

As of June 30, 2022, the Association had \$94,166 of financial assets available to meet cash needs for general expenditures within one year.

5. Property and Equipment

A summary of property and equipment, accumulated depreciation, and related service lives at June 30, is as follows:

| | Estimated | | | | |
|--------------------------------|---------------|---------------|------|----------|--|
| | Service Lives | 2023 | 2022 | | |
| Equipment | 3 - 7 Years | \$ 750 | \$ | 750 | |
| Furniture and Fixtures | 5 - 7 Years | 69,328 | | 32,925 | |
| Piano | 20 Years | 92,750 | | 92,750 | |
| | | 162,828 | | 126,425 | |
| Less. Accumulated Deprectation | | (105,621) | | (97,464) | |
| | | \$ 57,207 | \$ | 28,961 | |

6. Fair Value Measurements

The *Fair Value Measurements and Disclosure* topic of FASB ASC establishes a framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets and liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

- Level 1 inputs are based upon unadjusted quoted prices for identical instruments traded in active markets.
- Level 2 inputs are based upon quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-based valuation techniques for which all significant assumptions are observable in the market or can be corroborated by observable market data for substantially the full term of assets or liabilities.
- Level 3 inputs are generally unobservable and typically reflect management's estimates of assumptions that market participants would use in pricing the asset or liability. The fair values are therefore determined using model-based techniques that include option pricing models, discounted cash flow models, and similar techniques.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023 and 2022:

Mutual funds. Valued at the daily closing price as reported by the mutual fund. Mutual funds held by the Association are open-ended mutual funds that are registered with the SEC. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by the Association are deemed to be actively traded.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

The following table sets forth by level, within the fair value hierarchy, the Association's assets at fair value on a recurring basis as of June 30, 2023:

| | Level 1 | | Level 2 | | Level 3 | | Total | |
|----------------------------|---------|---------|---------|---|---------|---|-------|---------|
| Cash Equivalents and CDs | \$ | 156,716 | \$ | - | \$ | - | \$ | 156,716 |
| Mutual Funds | | 590,888 | | - | | - | | 590,888 |
| Total Assets at Fair Value | \$ | 747.604 | \$ | - | \$ | - | \$ | 747,604 |

The following table sets forth by level, within the fair value hierarchy, the Association's assets at fair value on a recurring basis as of June 30, 2022:

| | Level 1 | | Level 2 | | Level 3 | | Total | |
|----------------------------|---------|---------|---------|---|---------|---|-------|---------|
| Cash and Cash Equivalents | \$ | 55,398 | \$ | - | \$ | - | \$ | 55,398 |
| Mutual Funds | | 611,263 | | - | | - | | 611,263 |
| Total Assets at Fair Value | \$ | 666,661 | \$ | - | \$ | - | \$ | 666,661 |

7. Lines of Credit

The Association has available lines of credit totaling \$250,000 at June 30, 2023 and 2022, respectively, from a financial institution. The lines of credit are secured with the Association's deposit accounts. The lines of credit, related balances, maturities, and interest rates as of June 30, 2023 and 2022, respectively, are as follows:

| 2023 <u>Financial Institution</u> | Rate | Balance | Maturity |
|--------------------------------------|-------------------|------------|--------------------|
| First Horizon | 12.85% (variable) | \$ - | September 21, 2024 |
| 2022 Financial Institution | Rate | Balance | Maturity |
| First Horizon | 6.25% (variable) | S - | September 26, 2023 |

8. <u>Leases</u>

The Association entered into an operating lease agreement for office and operations space. The initial lease terms generally range from 1 to 5 years for real estate leases. Leases with initial terms of 12 months or less are not recorded on the Statements of Financial Position, and the Association recognizes lease expense for these leases on a straight-line basis over the lease terms. Operating Lease Expense is included in Rent Expense in the Statement of Functional Expenses.

Many leases include options to terminate or renew, with renewal terms that can exceed the lease term from 1 to 5 years or greater. Lease renewal options are at the Association's discretion. The Association's lease agreement does not contain any material residual value guarantees or material restrictive covenants.

The following table provides details of the lease contracts as of and for the year ended June 30, 2023:

| Lease Expense: | |
|--|---------------|
| Operating Lease Expense | \$ 29,069 |
| Total | \$ 29,069 |
| Supplemental Cash Flow Information: | |
| Cash Paid for Amounts Included in the Measurement of Lease Liabilities | |
| Operating cash flows from operating leases | \$ 21,000 |
| ROU assets obtained in exchange for new operating lease liabilities | \$ 153,436 |
| Other Information: | |
| Weighted-average remaining lease term in years for operating leases | 4.8 |
| Weighted-average discount rate for operating leases | 2.88% |
| Maturity Analysis: | |
| June 30, 2024 | \$ 30,000 |
| June 30, 2025 | 30,000 |
| June 30, 2026 | 30,300 |
| June 30, 2027 | 31,512 |
| June 30, 2028 | 24.336 |
| Total undiscounted cash flows | 146.148 |
| Less: present value discount | (9,532 |
| Total lease liabilities | \$ 136,616 |
| Lease Liabilities: | |
| Current Portion | \$ 26,485 |
| Long-Term Portion | 110,131 |
| | \$ 136,616 |

9. Net Assets With Donor Restrictions for Purpose or Time-Restricted for Future Periods

Net assets with donor restrictions were available for the following purposes at June 30, 2023 and 2022:

| | 2023 | 2022 | |
|------------------------------|------------|------------|--|
| 88 Keys | \$ 118,581 | \$ 105,168 | |
| Endowment Income - Education | 244,979 | 191,491 | |
| PGP Funds | 28,328 | 139,695 | |
| Guest Artist Fund | 64,242 | 48,729 | |
| Multi-year Promises to Give | 13,120 | 75.017 | |
| *Artistic Excellence | 72,000 | 55,000 | |
| Total | \$ 541,250 | \$ 615,100 | |

- * During the year ended June 30, 2023, funds in the amount of \$17,000 were transferred to this fund representing dollars received in the June 30, 2022 year that were originally recorded as unrestricted.
- 10. <u>Net Assets With Donor Restrictions for Purpose or Time-Restricted for Future Periods Released</u> <u>From Restrictions</u>

Net assets released from donor restrictions for incurring program related expenses satisfying the restricted purposes were as follows for the years ended June 30, 2023 and 2022:

| | 2023 | <u>}</u> | 2022 |
|-----------------------------|---------|----------|--------|
| Multi-year Promises to Give | \$ 65, | .347 \$ | 6,168 |
| PGP Funds | 337, | ,527 | 13,038 |
| Guest Artist Fund | 10, | .000 | 15,000 |
| Total | \$ 412, | ,874 \$ | 34,206 |

11. Unconditional promises to give at June 30, 2023 and 2022 are as follows:

| | 2023 | 2022 |
|---|----------------------|------------------------|
| Receivable in Less Than One Year Receivable in One to Five Years | \$ 3,995 9,125 | \$ 24,317 50,700 |
| Total Unconditional Promises to Give | \$ 13,120 | \$ 75,017 |
| The scheduled payments on promises to give are as follows: | | |
| 2024 | \$ 3,995 | |
| 2025 | 9,125 | |
| | \$ 13,120 | |

12. Endowed Net Assets

Effective July 1, 2010, the Louisiana legislature enacted Act No. 168 ("Act") to implement the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as the standard for the management and investment of institutional funds in Louisiana. The Act permits an organization to appropriate for expenditure or accumulate so much of an endowment fund as the organization determines is prudent for the uses, benefits, purposes, and duration for which the endowment fund was established, subject to the intent of the donor as expressed in the gift instrument. As of June 30, 2023 and 2022, the Association holds net assets with donor restrictions that are perpetual in nature within an endowment account at Merrill Lynch. The principal amounts of \$551,275 and \$506,502 as a result of the donations received shall not be expended for any purpose whatsoever as of June 30, 2023 and 2022, respectively. The earnings of these funds are deposited in net assets without donor restrictions. The funds are under the direction and control of the Executive Director of the Association and he only acts with Finance Committee or Board approval, as appropriate. During the life of the donor for each endowment, an annual report of the expenditure of endowment income shall be made to the Donor(s) or his/her designee(s). There was a \$44,773 increase and \$-0- increase in the principal amount of the endowed account during the years ended June 30, 2023 and 2022, respectively.

13. Commitments

The Association entered into a professional services agreement on July 1, 2021. The agreement outlines the responsibilities of the third party to include accounting, finance, payroll, and tax related services. The contract terminated in February 2023. Total payments during the year ended June 30, 2023 totaled \$46,000, there are no further commitments required for this accounting service.

14. Schedule of Compensation, Benefits, and Other Payments to Chief Executive Officer

| Purpose: | Eric Marshall 2023 |
|----------------------|-----------------------|
| Salary | \$ 95,000 |
| Benefits - Insurance | 5.000 |
| Total | \$ 100,000 |

15. Shuttered Venue Operators Grant Program

Shuttered Venue Operators Grant Program ("SVOG") was created by the Economic Aid to Hard-Hit Small Businesses, Nonprofits and Venues Act, part of HR 133 Consolidated Appropriations Act. 2021 signed into law on December 27, 2020. This Act provided the initial funding and program eligibility qualifications. On March 11, 2021, the American Rescue Plan Act of 2021 provided additional program funding and clarifications on program design and implementation. All grantees receiving awards from the SVOG program are expected to utilize funding consistent with the terms and conditions of the program and 2 CFR Part 200.

Grantees are generally encouraged to use funds to reimburse or pay for ordinary and necessary business expenses to reopen or keep open a business that was shuttered during the COVID-19 pandemic. All grantees are required to submit a finalized budget to the Small Business Association through the SVOG Portal, which will outline the intended use of funds for the award and establish the budget basis for monitoring and closeout review.

SVOG award funds may be used for any of the following: Payroll costs, covered rent obligation, covered utility payment, scheduled payments of interest or principal on any covered mortgage obligation or certain debt instruments, covered worker protection expenditures, payments made to independent contractors, not to exceed \$100,000, other specific ordinary and necessary business expenses.

On September 24, 2021, the Association was awarded \$263,487. The Association has determined that it spent all monies on qualified expenses and therefore, the full amount of the award has been recorded as revenue on the Statement of Activities for the year ended June 30, 2022. The Association considered that the measurable performance or other barrier and right of return of the award no longer existed.

Independent Auditor's Report On Internal Control Over Financial Reporting And On Compliance And Other Matters Based On An Audit Of Financial Statements Performed In Accordance With Government Auditing Standards

To the Board of Directors Louisiana Symphony Association, Inc. Baton Rouge, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the Louisiana Symphony Association, Inc. (the "Association"), a nonprofit organization, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated December 22, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Association's internal control over financial reporting (internal control) as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Association's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we have reported to management of the Association in a separate letter dated December 22, 2023.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Association's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Association's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, under the provisions of Louisiana Revised Statute 24:513, this report is distributed by the legislative auditor as a public document.

Respectfully submitted,

Hannies T. Bourgeois, LLP

Baton Rouge, Louisiana December 22, 2023

SUMMARY SCHEDULE OF FINDINGS AND RESPONSES

None.

2322 TREMONT DRIVE | BATON ROUGE, LA 70809 TEL. 225.928.4770 | WWW.HTBCPA.COM PROUDLY SERVING LOUISIANA SINCE 1924

December 22, 2023

To Management and the Board of Directors of Louisiana Symphony Association, Inc. Baton Rouge, Louisiana

In planning and performing our audit of the financial statements of Louisiana Symphony Association, Inc. ("the Association") as of and for the year ended June 30, 2023, in accordance with auditing standards generally accepted in the United States of America, we considered the Association's internal control over financial reporting (internal control) as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Association's internal control. Accordingly, we do not express an opinion on the effectiveness of the Association's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be significant deficiencies or material weaknesses and therefore, there can be no assurance that all deficiencies, significant deficiencies, or material weaknesses have been identified. We did not identify any deficiencies in internal control that we consider to be material weaknesses. However, as discussed below, we identified certain matters involving the internal control and other operational matters that are presented for your consideration. This letter does not affect our report dated December 22, 2023 on the financial statements of the Association. We will review the status of these comments during our next audit engagement. Our comments and recommendations, all of which have been discussed with appropriate members of management, are intended to improve the internal control or result in other operating efficiencies. We will be pleased to discuss these comments in further detail at your convenience, perform any additional study of these matters, or assist you in implementing the recommendations. Our comments are summarized as follows:

Approval of Journal Entries

We noted during our current audit that upper management and the Board is actively involved in the monthly review of the financial statements which includes investigating any unusual account balances or fluctuation from one period to the next. However, there is no formal review of journal entries being performed. In addition the preparer of the journal entries is also the preparer of cash reconciliation, as well as involved in signing of cash disbursements.

<u>Recommendation</u>: We recommend as a best practice, that someone involved in upper management with adequate knowledge of the financial reporting of the Association, who is not directly involved in the recording of journal entries, preparing the cash reconciliations, and signing cash disbursements to review and approve journal entries. Evidence of this review should be documented via signature or other means such as an email approval.

AB AB

Management's Response:

Management concurs with the recommendation to approve journal entries by someone in upper management who is not directly involved in the recording of journal entries, preparing the cash reconciliation and signing cash disbursements. This process will be implemented in early 2024.

Bank Statements and Bank Reconciliations

We noted during our current audit of the financial statements of the Association that the board chairman is responsible for preparing the reconciliation of the bank accounts as well as signing checks. The preparation of the reconciliation should be completed timely each month and the outstanding checks and deposits in transit should be properly listed. We noted some of the monthly QuickBooks reconciliations did not properly reconcile the correct reconciling items after adjustments were made prior to the period ended. Specifically, the outstanding check list included checks that already cleared the bank, and the deposit in transit listing included deposits that were not recorded in the general ledger. We recommend that management reviews the bank reconciliation to ensure that all outstanding checks are properly listed and that all deposits in transit are accurately recorded in the general ledger. We noted that the reconciliations are part of the monthly reporting package, along with financial statements, submitted to the finance committee. However, we noted there is no formal review of the monthly bank reconciliations. We also noted bank statements are not formally signed off on for review prior to sending to staff to enter into the accounting software.

<u>Recommendation</u>: We recommend as a best practice, that someone involved in upper management with adequate knowledge of the cash receipts and disbursements of the Association, who is not directly involved in the bank reconciliation preparation, begin independently accessing the unopened bank statements via online banking access and review the detailed statements receipts and disbursements activity each month. We further recommend that the same individual above begin reviewing and approving the monthly bank reconciliations after they are prepared. Evidence of these reviews should be documented via signature or other means such as email approval. This will help to ensure that any errors or discrepancies are identified and corrected in a timely manner. We also recommend the Finance Committee document in formal finance committee minutes their evidence of review of the monthly financial statements, including any other documents reviewed.

Management's Response:

Management concurs with the recommendation to review the bank statement receipts and disbursements activity each month by an upper management employee that is not directly involved in the bank reconciliation preparation process. This individual will also review and approve the monthly bank reconciliation. We will also document our review of the financial statements in the finance committee minutes. This process will be implemented in early 2024.

Louisiana Symphony Association, Inc. December 22, 2023 Page 3

Review of Payroll Register

We noted during our current audit that certain members of management, and the production conductor are preparing payroll inputs on a frequent basis for hourly employees and that the Executive Director and Board Chairman are approving pay rate authorization forms for new hires and pay rate changes. However, there is no formal review of the payroll register prior to disbursement of funds for salaried employees. We recommend that the Association implement a review and approval process of the payroll register to ensure that it is accurate and complete.

<u>Recommendation</u>: We recommend as a best practice, that someone involved in upper management with adequate knowledge of the payroll details of the Association, who is not directly involved in processing payroll, review and approve the semi-monthly payroll register for reasonableness and accuracy prior to payroll being released. Evidence of this review should be documented via signature or other means such as email approval.

Management's Response:

Management concurs with the review and approval of the semi-monthly payroll register by an upper management employee that is not directly involved in processing payroll. This process will be implemented in early 2024.

Segregation of Duties and Best Practices

Internal controls are designed to safeguard assets and to help to deter losses from employee dishonesty or error. A fundamental concept in a good system of internal controls is segregation of duties. To the extent possible, duties should be segregated to serve as a check and balance of employee integrity and to maintain the best control system possible. The three duties that should be segregated whenever possible are (1) record keeping (access to general ledger, reconciliations, etc.), (2) custody of assets (check signing ability, access to cash receipts, access to checks that have been signed, etc.) and (3) authorization (authority to order materials, sign contracts, etc.). The basic premise is that no employee has access to all phases of a transaction. During our audit, we noted that the accounting department was recently transitioned from an outside third party CPA to in-house accounting system and is currently evaluating the accounting duties moving forward.

<u>Recommendation</u>: As a best practice, we recommend that management evaluate the processes in place for best practices including preparing monthly cash reconciliations, recording investment activity, and accounting for net asset restrictions. In addition, we recommend that the Association continue to evaluate and monitor its existing segregation of duties on an on-going basis. We recommend that management develop a plan to address any gaps identified in the above processes and implement the plan in a timely manner. This will help ensure that the accounting department is operating in accordance with best practices and the financial reporting is accurate and reliable.

Management's Response:

Management concurs with the evaluation of processes in place for eash reconciliations, investment activity roll forward and the net asset restriction roll forward. We also will continue to evaluate and monitor segregation of duties as we transition our accounting processes. This process will be implemented in early 2024.
