Management is responsible for the accompanying financial statements of Gateway Foundation of Acadiana (a nonprofit organization) which comprise the statement of assets, liabilities and net assets – cash basis as of March 31, 2022 and the related statement of revenues, expenses, and other changes in net assets—cash basis for the year then ended in accordance with the cash basis of accounting and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all of the disclosures required by the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's financial position and changes in net assets. Accordingly, these financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in the Schedule of Compensation, Benefits and Other Payments to Entity Head is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. This supplementary information was subject to our compilation agreement; however, we have not audited or reviewed the supplementary information and accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.
