To the Board of Commissioners
Capital Heights Crime Prevention and Improvement District
Baton Rouge, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of Capital Heights Crime Prevention and Improvement District as of and for the year ended December 31, 2023, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position and activities. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has elected to omit certain required supplementary information, such as management's discussion and analysis and budgetary comparison information, that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board, which considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

Supplementary Information

The schedule of compensation, benefits, and other payments to agency head on page 10 is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement; however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.
