Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

**NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Organization and operations**

Louisiana Firefighters Foundation, Inc. (the Foundation) is a not-for-profit organization providing fire protection assistance, promote fire safety, training services, and emergency medical services. The Foundation was established to support the operations of the St. George Fire Protection District No. 2 (the District) to better protect the citizens of southeast East Baton Rouge Parish. In March 2023, the Foundation changed its name from St. George Firefighters Foundation to Louisiana Firefighters Foundation, Inc.

**Basis of presentation**

The Foundation prepares its financial statements on the accrual basis of accounting. Accordingly, revenues are recognized when earned and expenses are recognized when incurred. The significant accounting policies are described below to enhance the usefulness of the financial statements.

The Foundation reports information regarding financial position and activities according to two classes of net assets: net assets with donor restrictions and net assets without donor restrictions.

- *Net Assets Without Donor Restriction* - Net assets that are not subject to or are no longer subject to donor-imposed stipulations.
- *Net Assets With Donor Restriction* - Net assets whose use is limited by donor-imposed time and/or purpose restrictions. Contributions that are restricted by the donor are reported as an increase in net assets without donor restrictions if the restriction are satisfied in the reporting period in which the contribution is recognized. The Foundation does not have any net assets with donor restrictions as of December 31, 2023 or 2022.

**Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates. Estimates are used primarily when accounting for depreciation and expense allocation based on functional expenses.

## NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### **Cash and cash equivalents**

For purposes of the statements of cash flows, the Foundation considers deposits in bank accounts as cash. The Foundation has no cash equivalents as of December 31, 2023 or 2022.

### **Vehicle**

Assets purchased with an estimated useful life greater than one year and cost exceeding \$5,000 is capitalized at cost, or fair market value if donated, and depreciated over its useful life using the straight-line method. Repairs and maintenance are expensed as incurred.

### **Revenue recognition**

The Foundation is primarily funded by grants, tuition and fees generated from courses offered, donations from the general public, and sale of products.

### **Contributions and grants**

The Foundation reports contributions and grants received as with or without donor restrictions, depending on the existence and/or nature of any donor restrictions. Contributions and grants are recognized when the donor makes a promise to give to the Foundation that is, in substance, unconditional. Contributions and grants that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions and grants are reported as increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statements of activity as net assets released from restrictions. Contributions and grants that have both (a) a barrier to be overcome and (b) a right of return or right of release element present are considered conditional, therefore they are not included as revenue until such time as the conditions have been substantially met.

### **Tuition and conference**

Conferences and seminars are held throughout the year. These are typically various training and speaking engagements and other seminars which are recognized on the date the conference or seminar takes place.

### **Functional expenses**

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among program services and general and administrative expenses based on estimated time allocated.

**NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)**

**Tax-exempt status and income taxes**

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Therefore, no provision for income taxes has been included in the financial statements. The Foundation follows the guidance of Financial Accounting Standards Board (FASB) ASC 740-10, *Accounting for Uncertainty in Income Taxes*. The Foundation's open audit periods are 2019 through 2022.

**Fair value measurements**

The carrying value of accounts payable, deferred revenue, and prepaid expenses approximates fair market value due to the short-term maturity of these instruments. These financial instruments are not held for trading purposes.

**Reclassification**

Certain amounts in the 2022 financial statements have been reclassified to conform to the 2023 financial statement presentation.

**Subsequent events**

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through February 29, 2024, which was the date the financial statements were available to be issued.

**NOTE 2 - VEHICLE**

The Foundation's capital assets as of December 31, 2023 and 2022, is as follows:

<u>Description</u>	<u>Service Life</u>	<u>2023</u>	<u>2022</u>
Vehicle	5 years	\$ 40,000	\$ 40,000
Less accumulated depreciation		<u>(12,667)</u>	<u>(4,667)</u>
Vehicle, net		<u>\$ 27,333</u>	<u>\$ 35,333</u>

Depreciation expense for the year ended December 31, 2023 and 2022 was \$8,000 and \$4,667, respectively.

**NOTE 3 - UNEARNED REVENUE**

The Foundation receives annual appropriations from the Louisiana State Treasury. The appropriations are granted in advance and contain a right to return if the objectives established under the grant agreement are not met. The Foundation satisfied certain conditions of the grant agreement resulting in \$498,806 and \$159,415, being recognized as revenue for the years ended December 31, 2023 and 2022, respectively.

Unearned revenue advanced from grantors consisted of \$933,873 and \$432,304 as of December 31, 2023 and 2022, respectively.

**NOTE 4 - RELATED PARTY**

The Foundation will occasionally make contributions in equipment and fire prevention supplies to the District to support the District's fire prevention and emergency response operations. During 2023, the Foundation made no contributions to the District. The Foundation contributed \$133,522 of equipment to the District during 2022. Additionally, one of six board members, and the executive director of the Foundation are employees of the District.

**NOTE 5 - LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS**

The Foundation's financial assets available within one year of the balance sheet date for general expenditures as of December 31, 2023 and 2022 respectively, are as follows:

	<u>2023</u>	<u>2022</u>
Cash	\$ 1,139,593	\$ 578,232
Less: unearned revenues	<u>(933,873)</u>	<u>(432,304)</u>
	<u>\$ 205,720</u>	<u>\$ 145,928</u>

As part of the Foundation's liquidity management, the Foundation maintains sufficient cash funds throughout the year utilized for operations and from revenue generated from the Foundation's instructional courses.

**NOTE 6 - REVENUE CONCENTRATIONS**

The Foundation holds an annual Louisiana Instructors and Firefighters Training (LIFT) Conference which consists of various training and speaking engagements to provide fire and life safety education to firefighters, first responders and citizen responders. Revenue derived from the LIFT conference accounted for approximately 25% and 59% of total revenues in 2023 and 2022, respectively.

Additionally, the Foundation receives funds from grants with the Louisiana State Treasurer. During the years 2023 and 2022, monies received from these grants accounted for approximately 66% and 29% of total revenues, respectively. The loss of either of these significant revenues would have a material adverse effect on the Foundation.

This questionnaire is a required part of the review/attestation engagement of Louisiana quasi-public agencies. The completed and signed questionnaire must be presented to and adopted by the governing body, if any, of your organization by means of a formal resolution in an open meeting.

The completed and signed attestation questionnaire and a copy of the adoption instrument, if appropriate, **must be given to the independent certified public accountant at the beginning of the engagement.** The CPA will, during the course of his/her engagement, perform certain agreed-upon procedures to the responses in the questionnaire.
