INDEPENDENT AUDITORS' REPORT

Most Reverend Gregory M. Aymond and the Board of Directors, Catholic Charities Archdiocese of New Orleans and Subsidiaries, New Orleans, Louisiana

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Catholic Charities Archdiocese of New Orleans and Subsidiaries (the Agency), a nonprofit organization, which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements present fairly, in all material respects, the financial position of Catholic Charities Archdiocese of New Orleans and Subsidiaries as of June 30, 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Catholic Charities Archdiocese of New Orleans and Subsidiaries and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Prior Period Financial Statements and Report on Supplementary Information

The consolidated financial statements of the Agency for the year ended June 30, 2022, were audited by another auditor who expressed an unmodified opinion on those statements on December 21, 2022. In our opinion, the comparative supplementary information presented herein as of and for the year ended June 30, 2022 is consistent, in all material respects, with the audited financial statements from which it has been derived.

Emphasis of Matter

As discussed in Note 1 to the financial statements, the Agency adopted new accounting guidance in connection with its implementation of Financial Accounting Standards Board (FASB) Accounting Standards Updated (ASU) No. 2016-12, *Leases* (Topic 842). Our opinion is not modified with respect to this matter.

EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures
 that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the
 effectiveness of the Agency's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant
 accounting estimates made by management, as well as evaluate the overall presentation of the
 consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the Agency's ability to continue as a going concern for a reasonable
 period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audits were performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The supplementary information containing the consolidating information on pages 25 through 28, Schedule of Activities by Program Services on page 30, and Schedule of Compensation, Benefits, and Other Payments to or on behalf of the Agency Head on page 31 are presented for purposes of additional analysis and are not a required part of the basic consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

Other Reporting Required by Government Auditing Standards

EisnerAmper LLP

In accordance with *Government Auditing Standards*, we have also issued our report dated December 26, 2023, on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control over financial reporting and compliance.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2023

1. Organization and Significant Accounting Policies

Catholic Charities Archdiocese of New Orleans (the "Agency") or (the "Agency & Subsidiaries"), a not-for-profit charitable organization of the Roman Catholic Church of the Archdiocese of New Orleans (the "Archdiocese"), operates health and community-based programs and provides administrative support and financial management services to separately operated charitable programs which it sponsors. The accompanying financial statements include the accounts of all charitable programs which it operates or sponsors. The Agency's main programs are as follows:

- *Head Start* is a child and family development program for families with children, including children with disabilities. This program promotes the social, emotional, physical and intellectual growth and development of children from six weeks to age 5.
- Padua Pediatrics and Adult programs offer comprehensive and specialized care for children and adults with intellectual and developmental disabilities. Care is offered in residential sites that are licensed Intermediate Care Facilities.
- Community Centers and Services provides resources, assistance and development for our parishes to better care for the people in need in their communities.
- Residential Special Needs provides housing and intensive case management to people with disabilities through federal and private funding along with care focused on homeless families and homeless men and women with chronic mental and physical health needs. Services also match children with moderate to severe emotional, behavioral, or developmental problems, or medically fragile children with families who provide specialized foster care.
- Non-Residential Day Programs consists of an array of services that includes immigration and refugee services, pro-life services, case management, counseling, deaf interpreting and legal assistance services.

The Agency has the ownership of PHILMAT, Inc., and PACE Greater New Orleans as follows:

- PHILMAT, Inc. ("PHILMAT") was organized to provide health and community services to
 individuals within all 64 Louisiana parishes. PHILMAT acts as the local agent for the commodity
 supplemental food program, Food for Seniors. Under this program, food provided by the United
 States Department of Agriculture (U.S.D.A.) is distributed by PHILMAT to eligible senior citizens,
 who are classified as low income and vulnerable to malnutrition.
- PACE Greater New Orleans ("PACE GNO") is the corporate title for the Program of All-inclusive Care for the Elderly, a national model of healthcare for seniors. PACE GNO was organized to provide community services such as medical treatment, social services, meals, activities, and transportation, allowing seniors to spend their final years at home rather than in a nursing home.

The Agency supports numerous programs and initiatives which are periodically assessed. Changes in programs can occur as a result of changes in funding and the needs of the community.

The financial statements of each of these subsidiaries are included in the consolidated financial statements. All significant inter-organizational accounts and transactions have been eliminated.

Income Taxes

The Agency and Subsidiaries operate as non-profit corporations pursuant to Section 501(c)(3) of the Internal Revenue Code. As such, the Agency and Subsidiaries are subject to income tax only on unrelated business taxable income.

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. It requires an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained on examination. As of June 30, 2023 and 2022, management of the Agency and Subsidiaries believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Basis of Accounting

The consolidated financial statements of the Agency and Subsidiaries are prepared on the accrual basis of accounting in accordance with United States of America generally accepted accounting principles.

Net Assets

Generally accepted accounting principles (GAAP) require reporting of information regarding the Agency's financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Agency's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Agency or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Amounts received with donor stipulations that limit the use of the donated assets are reported as restricted support. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restriction and are reported in the statement of activities as net assets released from restrictions.

Use of Estimates

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue, income and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

Cash and cash equivalents include bank deposits and funds on deposit with the Archdiocese. The Agency and Subsidiaries' money market accounts are included in investments.

Program Accounts Receivable

Program accounts receivable represent billings which are based primarily on cost reimbursement or unit cost contracts with various governmental agencies. Program accounts receivable are stated at the amount management expects to collect from outstanding balances. Management considered subsequent collection results and wrote off all year-end balances that were deemed to be not collectible. Accordingly, a valuation allowance was determined to be unnecessary for the years ended June 30, 2023 and 2022.

Contributions and Revenue Recognition

Contributions to the Agency are recognized when cash, securities or other assets, an unconditional promise to give, or notification of beneficial interest is received. Conditional contributions are not recognized until the conditions on which they depend have been substantially met.

All contributions are considered to be available for unrestricted use unless specifically restricted by donors for purpose or time. Pledges outstanding that are designated for future periods are reported as with donor restrictions.

The value of contributed goods and services has been recorded as support and revenue and expense in the period received, provided there is an objective basis for measurement of the value of such goods and services and they are significant and form an integral part of the efforts of the program.

Amounts received prior to incurring qualifying expenditures, amounts received in advance for conditional contributions, and patient service revenues received in advance of providing services, are reported as refundable advances in the statements of financial position. Refundable advances consist of government financial assistance and contributions received in advance, but have conditions in place that have not been met or services that have not been provided as of the date of the consolidated financial statements.

Program service fees and exchange-type grants and contracts revenue are recognized when services are provided. Program fees and payments under exchange-type grants and contracts received in advance are deferred to the applicable period in which the related services are performed or expenditures are incurred, respectively.

Governmental Financial Assistance

Revenues from federal and state grants are recorded when the Agency and Subsidiaries have a right to reimbursement under the related grant, generally corresponding to the incurring of grant-related costs by the Agency and Subsidiaries, or when otherwise earned under the terms of the grants. Amounts received are recognized as revenue when the Agency has incurred expenditures in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenditures are reported as refundable advances in the statements of financial position.

Contributions and Revenue Recognition (continued)

Patient Service Revenues

PACE GNO's patient service revenue is earned through agreements with government agencies. Under these agreements, PACE GNO provides medical and other services to government program beneficiaries which are billed primarily at capitated rates. Revenues are recorded during the period the services are provided in accordance with contracts with the respective government agencies. Receivables are recorded based on stated contract rates with third party payors and are due in full when billed. Interest is not charged on past due accounts. Historically payments from the government agencies are received at the beginning of each month in which the services are to be provided. Program accounts receivable at June 30, 2023, 2022, and 2021 are \$365,570, \$742,757, and \$3,762, respectively. Contract liabilities (refundable advances) at June 30, 2023, 2022, and 2021 are \$860,085, \$0, and \$0, respectively. PACE GNO had no contract assets at June 30, 2023, 2022, and 2021.

Performance obligations are determined based on the nature of the services provided by the Organization. Revenue for performance obligations satisfied over time is recognized based on monthly capitated rates. PACE GNO believes that this method provides a faithful depiction of the transfer of services over the term of the performance obligation based on the inputs needed to satisfy the obligation. Performance obligations satisfied over time primarily relate to patients receiving full medical and preventive care. PACE GNO measures the performance obligation from the commencement of services at the beginning of each month to the point when it is no longer required to provide services to that patient at the end of each month. PACE GNO did not have performance obligations that were unsatisfied or partially unsatisfied at June 30, 2023 or 2022.

PACE GNO has elected the practical expedient allowed under FASB ASC 606-10-32-18 and does not adjust the promised amount of consideration from government agencies for the effects of a significant financing component due to PACE GNO's expectation that the period between the time the service is provided to a patient and the time that the government agency pays for that service will be one year or less. Payments are generally received before services are provided.

Because all of its performance obligations relate to contracts with a duration of less than one year, PACE GNO has elected to apply the optional exemption provided in FASB ASC 606-10-50-14(a) and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period (if any). The performance obligations for these contracts are generally completed at the end of each month.

PACE GNO reports revenues from patient services at the amount that reflects the consideration to which PACE GNO expects to be entitled in exchange for providing patient care. These amounts are due from governmental programs (Medicare and Medicaid). Revenue is recognized as the performance obligations are satisfied.

1. Organization and Significant Accounting Policies (continued)

Investments

Investments are reported at their fair values in the statements of financial position. Net investment income includes unrealized gains and losses, realized gains and losses, interest and dividends, and investment fees.

Investment income and gains restricted by a donor are reported as increases in net assets without donor restrictions in the reporting period the restrictions are met (either by passage of time or by use). See Note 4 for discussion of fair value measurements.

Property and Equipment

Property and equipment are carried at cost or, when acquired by donation or gift, at appraised values with subsequent additions at cost. The Agency and Subsidiaries' policy is to capitalize expenditures for these items in excess of \$2,000. Depreciation is provided using the straight-line basis over the estimated useful lives of the depreciable assets. Leasehold improvements are amortized over the shorter of the lease term or the estimated useful lives of the improvements.

The estimated useful lives used in determining depreciation and amortization follow:

	<u>Lives in</u>
<u>Classification</u>	Years
Buildings and improvements	20 - 60
Leasehold improvements	10 - 40
Equipment	5
Vehicles	3 - 10

Unemployment Reserve

The Agency and Subsidiaries are self-insured for losses related to unemployment claims. The unemployment reserve is based upon management's estimate of the cost for unemployment claims using historical experience. Although management believes it has the ability to reasonably estimate losses related to unemployment claims, it is possible that actual results could differ from the recorded liability.

Funds Held for Others

The Agency and Subsidiaries receive funds that are passed through to other third-parties. These amounts are held until requested by and reimbursed to the third-party.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2023

1. Organization and Significant Accounting Policies (continued)

Food Distribution

PHILMAT receives pass-through funding from the Louisiana Department of Health and Hospitals to administer and distribute commodity foods related to its Food for Seniors program. Because legal title to the food products does not pass to PHILMAT, neither the value of the food distributed to program beneficiaries nor the value of undistributed food on hand are reflected in the financial statements. The financial statements include only the costs of warehousing, distribution and administration of the program. See Note 17 for an estimate of the value of the food distributed to program beneficiaries.

Functional Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited, primarily based on time incurred or transactions processed.

Change in Accounting Principle

The Agency adopted Financial Accounting Standards Board ("FASB") Accounting Standards Codification ("ASC") 842, *Leases*. This accounting standard requires lessees to recognize right-of-use ("ROU") assets and lease liabilities related to lease arrangements longer than 12 months on the statements of financial position as well as additional disclosures. This standard was adopted using the modified retrospective approach as of the adoption date, whereby the cumulative effect of adoption was recognized on the adoption date of July 1, 2022 and prior periods were not restated. As a result of the adoption of the new lease accounting guidance, the Agency recognized, on July 1, 2022, a lease liability of \$1,509,002 and a right-of-use asset of \$1,509,002. The standard had a material impact on the statement of financial position but did not have a material impact on the statements of activities, functional expenses, and cash flows.

Leases

The Agency has entered into several lease agreements. Determination of leases is arranged at inception. Operating leases are included in operating lease right-of-use (ROU) assets and operating lease liabilities on the statements of financial position.

ROU assets represent the right to use an underlying asset for the lease term, and lease liabilities represent the Agency's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at commencement date based on the present value of the lease payments over the lease term. As most of the Agency's leases do not provide an implicit rate, the incremental borrowing rate is used based on information available at commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the entity will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The Agency's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Reclassifications

Certain prior year amounts have been reclassified for consistency with the current year presentation. These reclassifications had no effect on the reported change in net assets.

2. Liquidity

The Agency's financial assets available within one year of the statement of financial position date for general expenditures are as follows as of June 30:

	2023	 2022
Financial assets at fiscal year-end:

expenditures over the next twelve months	\$ 19,631,414	\$ 24,956,568

The Agency and Subsidiaries' goal is generally to maintain financial assets to meet 90 days of operating cash expenses (approximately \$11 million). As more fully described in Note 13, the Agency and Subsidiaries' liquidity plan is to invest excess cash in savings with the Archdiocese and to maintain a \$5.0 million line of credit to meet cash flow needs.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

3. Investments

Investments of the various agencies of the Archdiocese have been pooled to maximize the return on the investments. Investments in the common investment pool consist primarily of debt and equity securities and mutual fund investments. The amounts recorded in the consolidated statements of financial position represent the Agency and Subsidiaries' share of the pool. The following summarizes the market value at June 30 and the investment return for the years ended June 30:

	2023	2022
Balances at June 30	\$ 9,764,739	\$ 14,555,458
Unrealized gain (loss) on investments, net	\$ 1,060,177	\$ (2,205,712)
Realized (loss) gain on investments, net	(26,079)	6,489
Interest and dividends	439,296	435,044
Investment fees	(48,374)	(58,322)
For the year ended June 30, Investment income (loss), net	\$ 1,425,020	\$ (1,822,501)

4. Fair Value of Financial Instruments

FASB ASC 820, Fair Value Measurements and Disclosures, defines fair value, establishes a framework for measuring fair value, and expands disclosure about fair value. Fair value concepts are applied in recording investments.

FASB ASC 820 establishes a fair value hierarchy which prioritizes inputs to valuation techniques used to measure fair value. The term "inputs" refers broadly to the assumptions that market participants would use in pricing an asset or liability. Inputs may be based on independent market data ("observable inputs") or they may be internally developed ("unobservable inputs"). The fair value hierarchy prioritizes the inputs to valuation techniques used to measure fair value into three broad categories. These levels include Level 1, unadjusted quoted prices in active markets for identical assets or liabilities; Level 2, directly or indirectly observable inputs other than quoted prices for the asset or liability, such as the quoted market prices for similar assets or liabilities; and Level 3, unobservable inputs for use when little or no market data exists, therefore, requiring an entity to develop its own assumptions. The asset's or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of the unobservable inputs.

Investments of the Agency and Subsidiaries are held in pooled assets managed by the Archdiocese. The investments in this pool are valued at fair value based on information provided by the Archdiocese and include the use of Net Asset Values (NAV) as the primary input to measure fair value. The investments are considered Level 2 within the fair value hierarchy described above.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2023

4. Fair Value of Financial Instruments (continued)

The method described above may produce fair value calculations that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while the Agency believes its valuation methods are appropriate and consistent with those of other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

5. Endowments

The Board of the Agency and Subsidiaries is of the belief that they have a strong fiduciary duty to manage the assets of the Agency and Subsidiaries' endowments in the most prudent manner possible. The Board recognizes the intent of the endowment is to protect the donor with respect to expenditures from endowments. If this intent is clearly expressed by the donor, whether the intent is in a written gift instrument or not, the intent of the donor is followed. If not expressed, the Board ensures the assets of the endowment are spent in a prudent manner which considers the purpose of the fund, current economic conditions, and preservation of the fund. To follow these principles, the historic value of the fund is always maintained in net assets with donor restrictions.

Annual distributions of up to 5% of the year-end endowment balances are made, unless management elects otherwise.

Endowment Investment and Spending Policies. Agency and Subsidiaries have adopted investment and spending policies, approved by the Board, for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the purchasing power of these endowment assets over the long-term. The endowment's assets are invested in the Archdiocese of New Orleans' investment pool, as previously described. Agency and Subsidiaries' spending and investment policies work together to achieve this objective. Spending is approved by the Board, based on the needs of Agency and Subsidiaries.

The Agency received the use of donated facilities for its program operations and supporting services. Donated space is valued at the fair value of similar properties available in commercial real estate listings. Donated food, goods, and staff meals are valued at the wholesale prices that would be paid for purchasing similar products.

11. Employee Benefits

The Agency and Subsidiaries offer a 401(k) retirement plan to its employees. Employees electing to participate in the plan are required to contribute a minimum of 3% of their salaries and may elect to contribute up to a 75% maximum. The plan requires the Agency and Subsidiaries to contribute 3.5% of the participants' salaries. The retirement plan expense also includes an additional 2% contribution by the Agency and Subsidiaries to the employee benefit plan to cover administrative costs and employee benefit costs including life insurance, disability insurance, and other benefits. Any remaining funds from the additional 2% contribution may be used as a discretionary employer contribution to the 401(k) plan. The plan administrator is the Archdiocese. The plan trustee is Voya. The Agency and Subsidiaries contributed approximately \$922,000 and \$882,000, for the years ended June 30, 2023 and 2022, respectively.

13. Related Party Transactions

The controlling member of the Agency, the Archbishop of New Orleans, also serves as president of the Roman Catholic Church of the Archdiocese of New Orleans and the controlling member of all other corporations, board of trustees and separate activities sponsored by, or operated under the auspices of the Archdiocese of New Orleans. In the normal course of operations, the Archdiocese will make available to the Agency and its affiliated agencies specific assistance in the form of operating subsidies, loans, casualty insurance, etc. The Archdiocese, through the operations of the Administrative Offices, serves as a conduit in providing insurance coverage to the Agency. The Administrative Offices assess premiums to the Agency based on relevant factors for each type of coverage. In the normal course of operations, the Archdiocese will make available to the Agency specific assistance in the form of internet services. The Agency is assessed separately for this assistance.

The Agency paid the Archdiocese of New Orleans \$1,047,000 and \$1,210,000 for general liability, property coverage, workman's compensation, vehicle and other insurances and \$181,000 and \$180,000 for equipment and internet services secured on its behalf for the years ended June 30, 2023 and 2022, respectively. The Agency paid the Archdiocese for rent and other operating costs totaling approximately \$200,000 and \$186,000 for the years ended June 30, 2023 and 2021, respectively.

The Agency paid \$3,500 to the Archdiocese of New Orleans during the year ended June 30, 2023 for a convention exhibitor's fee.

The Agency had an annual line of credit with the Archdiocese for \$5.0 million, with an interest rate of 4.6% and a maturity date of June 30, 2025, for the years ended June 30, 2023 and 2022. No amounts were outstanding as of June 30, 2023 or 2022.

The Agency donated \$1,825 and \$1,650 to Notre Dame Seminary during the years ended June 30, 2023 and 2022, respectively, as a fundraising sponsorship.

The Agency donated \$150 to ANO Retreat Center during the year ended June 30, 2023, for sponsorship.

The Agency maintains savings accounts at the Archdiocese. The balance of these accounts is included in "Cash and cash equivalents" on the statements of financial position and totaled \$5,182,222 and \$5,488,223 at June 30, 2023 and 2022, respectively.

As described in Note 6, the Agency entered into a note receivable agreement with Notre Dame Health Systems, an affiliate of the Archdiocese, on May 26, 2023, in the amount of \$6,000,000.

14. Significant Contracts and Grants

For the years ended June 30, 2023 and 2022, \$27,628,695 and \$26,724,888, respectively, of the Agency and Subsidiaries' governmental financial assistance was from the U.S. Department of Health and Human Services and \$4,186,306 and \$4,473,596, respectively, of the Agency and Subsidiaries' governmental financial assistance was from the U.S. Department of Agriculture. Management believes that the Agency and Subsidiaries are in compliance with the provisions of these contracts and grants and that the findings of an audit, if any, would not have a material impact on the financial statements. The remaining \$5,129,892 and \$1,888,917 of the Agency and Subsidiaries' governmental financial assistance in fiscal years 2023 and 2022, respectively, is from various other government agencies.

15. Commitments and Contingencies

The Agency and Subsidiaries are party to various litigations and other claims, the outcome of which cannot be presently determined. Management intends to vigorously defend against such litigations and claims. Management's opinion is that the outcome of such matters that cannot be presently determined would not have a significant effect on the Agency and Subsidiaries' financial position.

The Agency and Subsidiaries are exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses; natural disasters; and employee health and accident benefits. The Agency is a participant in the Archdiocese self-insurance plan. In addition to this coverage, the Agency also purchases commercial insurance coverage as necessary, to the extent that coverage is not provided through the Archdiocese.

On May 1, 2020 the Archdiocese filed for reorganization under Chapter 11 of the Bankruptcy Code. The filing was precipitated by recurring historical operating losses and pressured operating cash flows for several years further compounded by financial challenges arising from COVID-19 restrictions which began in March of 2020 and efforts to bring an equitable resolution to litigation stemming from alleged decades-old incidents of abuse by clergy and lay employees or volunteers. The Agency is a separately incorporated 501(c)(3) and not a part of the debtor entity, as defined by the United States Bankruptcy Court pursuant to the Chapter 11 filing.

The Agency had outstanding alleged abuse claims at the time the bankruptcy was filed. All outstanding abuse claims and additional abuse claims that would have been filed against the Agency have been stayed as a result of the Chapter 11 proceeding. As part of the Archdiocese's bankruptcy proceedings, the Agency, along with other entities affiliated with the Archdiocese, will seek to participate in a channeling injunction. The channeling injunction will address both outstanding abuse claims and any future potential claims and lawsuits of past abuse. To participate in the channeling injunction a contribution will have to be made by the Agency to the settlement fund for the abuse claimants. While at this time, management is not able to estimate the impact that the Chapter 11 filing will have on its financial statements, the resolution could have a material impact on its financial position and results of operations.

As discussed in Notes 3, 5, and 13, the Agency participates in the Archdiocese investment pool and maintains cash on deposit in the Deposit and Loan Fund at the Archdiocese. Management does not anticipate that the Agency will experience any restrictions on its interest in the pooled investments or encumbrances of its deposits that are held with the Archdiocese.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

JUNE 30, 2023

16. Concentrations of Credit Risk

As of June 30, 2023 and 2022, program accounts receivable consisted primarily of amounts due from governmental sources.

The Agency and Subsidiaries maintain cash in bank accounts in excess of insured limits periodically. In addition, as disclosed in Note 13, the Agency and Subsidiaries have cash with the Archdiocese of New Orleans which is not insured. The Agency and Subsidiaries have not experienced any losses and do not believe that significant credit risk exists as a result of this practice.

17. PHILMAT Commodity Food Distributed (Unaudited)

PHILMAT receives pass-through funding from the Louisiana Department of Health and Hospitals to administer and distribute commodity foods related to its Food for Seniors programs. Because legal title to the food products does not pass to PHILMAT, neither the value of the food distributed to program beneficiaries nor the value of undistributed food on hand are reflected in the financial statements. The financial statements include only the costs of warehousing, distribution and administration of the program. Pass-thru funding received by PHILMAT for their administration and distribution services totaled \$3,882,860 and \$4,226,462, for the years ended June 30, 2023 and 2022, respectively. Commodity foods distributed by the Food for Seniors program during the years ended June 30, 2023 and 2022 had an estimated value of \$15.8 million and \$14.9 million, respectively, and weighed 13,168,875 pounds and 11,611,674 pounds, respectively.

18. Board of Directors Compensation

The members of the Agency's board of directors were not compensated during the years ended June 30, 2023 and 2022.

19. Subsequent Events

On November 2, 2023, the Agency submitted a proposal to the Louisiana Office of State Procurement to continue the Food for Seniors Commodity Supplemental Food Program. The current contract ends December 31, 2023, and the State of Louisiana has requested an extension through June 30, 2024. If a new grant is awarded the term is expected to be for an initial thirty-six months to begin on or about January 1, 2024.

Management has evaluated subsequent events through the date that the consolidated financial statements were available to be issued, December 26, 2023, and determined that there were no other events that occurred that require disclosure. No events after this date have been evaluated for inclusion in the consolidated financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Most Reverend Gregory M. Aymond and the Board of Directors, Catholic Charities Archdiocese of New Orleans and Subsidiaries, New Orleans, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Catholic Charities Archdiocese of New Orleans (the "Agency") (a nonprofit organization), which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated December 26, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Agency's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements, on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND REPORT ON THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Most Reverend Gregory M. Aymond and the Board of Directors, Catholic Charities Archdiocese of New Orleans and Subsidiaries, New Orleans, Louisiana

Report on Compliance for the Major Federal Programs

Opinion on the Major Federal Programs

We have audited Charities Archdiocese of New Orleans' (the "Agency") compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on the Agency's major federal programs for the year ended June 30, 2023. The Agency's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

In our opinion, the Agency complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal programs for the year ended June 30, 2023.

Basis for Opinion on the Major Federal Programs

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of the Agency and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for the major federal programs. Our audit does not provide a legal determination of the Agency's compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to the Agency's federal programs.

[&]quot;EisnerAmper" is the brand name under which EisnerAmper LLP and Eisner Advisory Group LLC and its subsidiary entities provide professional services. EisnerAmper LLP and Eisner Advisory Group LLC are independently owned firms that practice in an alternative practice structure in accordance with the AICPA Code of Professional Conduct and applicable law, regulations and professional standards. EisnerAmper LLP is a licensed CPA firm that provides attest services, and Eisner Advisory Group LLC and its subsidiary entities provide tax and business consulting services. Eisner Advisory Group LLC and its subsidiary entities are not licensed CPA firms.

Auditors' Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on the Agency's compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about the Agency's compliance with the requirements of the major federal programs.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design
 and perform audit procedures responsive to those risks. Such procedures include examining, on a
 test basis, evidence regarding the Agency's compliance with the compliance requirements referred
 to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of the Agency's internal control over compliance relevant to the audit in
 order to design audit procedures that are appropriate in the circumstances and to test and report
 on internal control over compliance in accordance with the Uniform Guidance, but not for the
 purpose of expressing an opinion on the effectiveness of the Agency's internal control over
 compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditors' Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of the Agency as of and for the year ended June 30, 2023 and have issued our report thereon dated December 26, 2023, which contained an unmodified opinion on those consolidated financial statements. Our audit was performed for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements as a whole.
