INDEPENDENT AUDITOR'S REPORT

To the Board of Trustees of Office of Nutrition Assistance, Inc. 1001 NW Central Avenue Amite, LA 70422

Report on the Financial Statements

I have audited the accompanying financial statements of Office of Nutrition Assistance, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on these financial statements based on our audit. I conducted my audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Office of Nutrition Assistance, Inc., as of September 30, 2021, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

As discussed in Note 7, the Organization has a deficit of net assets in the amount of (\$12,191). The Organization's plans for the deficit reduction are described. My opinion was not modified with respect to this matter.

Other Matters

Other Information

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The information in the audited statement of claims and schedule of meals served and program reimbursements as required by the Louisiana Department of Education and the schedule of compensation, benefits, and other payments to the agency head is also presented for purposes for additional analysis and is not part of the required financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated July 27, 2022 on my consideration of Office of Nutrition Assistance, Inc.'s internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Office of Nutrition Assistance, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

•

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

The Family Day Care Home Program of Office of Nutrition Assistance, Inc., (hereafter referred to as the Organization) was established to provide supervised provisions of meals. It serves an average of 121 homes per month to primarily low-income, disabled, elderly or other disadvantaged residents of Tangipahoa, St. Tammany and surrounding parishes. It engages in the U. S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226.

It operates on a fiscal year ending on September 30th, and its significant accounting policies are as follows:

Basis of presentation

The financial statements of Office of Nutrition Assistance, Inc. have been prepared in accordance with U.S. generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the organization. These net assets may be used at the discretion of the Organization's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, where by the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statements of activities.

Measure of operations

The statements of activities report all changes in net assets, including changes in net assets from operating and nonoperating activities. Operating activities consist of those items attributable to the Organization's ongoing services and interest and dividends earned on investments. Nonoperating activities are limited to resources that generate return from investments and other activities considered to be of a more unusual or nonrecurring nature

Cash and Cash Equivalents

Cash and cash equivalents consist of demand deposits. For purposes of the statement of cash flows, the Organization considers all highly liquid investments available for current use with an initial maturity of three months or less to be cash equivalents.

Receivables

Accounts receivable are stated at net realizable value. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers/vendors to make required payments. Because collection is expected at 100%, an allowance for doubtful accounts has not been recorded.

Inventory

Inventory is stated at cost. It includes only office supplies and printed materials, the amount of which is considered immaterial. Therefore, the acquisition of these items is expensed when purchased, and the inventory on hand at year-end is not reported in the accompanying financial statements.

Property and Equipment

Property and equipment purchased by the Organization is recorded at cost. They are depreciated using the straight-line method over the estimated useful lives of the assets. Equipment with an original cost of \$5,000 or greater is generally capitalized. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated assets to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted support.

Support and Expenses

The Organization reports administrative and program reimbursements on the accrual basis of accounting. The amounts due to providers are also reported on the accrual basis of accounting. A donor restriction applies to the program reimbursement, and the amount is shown as temporarily restricted net assets. When the donor restriction expires, that is, when the stipulated restriction ends by payments to providers, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted reimbursements whose restrictions are met in the same reporting period are reported as unrestricted support.

Expenses are recorded when incurred in accordance with the accrual basis of accounting. Advertising costs are expensed as incurred. There were no such costs during the current year.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Income Taxes

The Organization is a not-for-profit corporation that is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code. The federal income tax returns of the company for fiscal years 2019, 2020, and 2021 are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

New Accounting Pronouncement

On August 18, 2016, FASB issued ASU 2016-14, Not-for-Profit Entities (Topic 958) – Presentation of Financial Statements of Not-for-Profit Entities. The update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return. The Organization has adjusted the presentation of these statements accordingly. The ASU has been applied retrospectively to all periods presented.

NOTE 2 – AVAILABILITY AND LIQUIDITY

The following represents the Organization's financial assets at September 30, 2021:

Financial assets at year end:	
Cash and cash equivalents	\$ 15,839
Accounts Receivable	37,119
Financial assets available to meet	
general expenditures over the next twelve months	52,958
Less amounts to be used within 12 months: Provider expenditures	(36,199)
Total financial assets available for use	
over the next 12 months	\$ 16,759

The Organization's goal is to maintain financial assets to meet 3 months of operating expenses. As part its liquidity plan, cash is held in checking accounts.

NOTE 3 – CASH AND CASH EQUIVALENTS

Cash and cash equivalents consist of demand deposits totaling \$1,667 in the general fund. These funds are utilized at the discretion of management. The Organization has provider and administrative fund accounts of \$14,172. The administrative and provider accounts are to be utilized for the family day care home program.

NOTE 4 - RECEIVABLES

Receivables are stated at the amount the Organization expects to collect. Management considers all receivables to be collectible at year-end.

Receivables at year-end consist of the following:

Due from Department of Education \$37,119

NOTE 5 – ACCOUNTS AND OTHER PAYABLES

Payables at year end include the following:

Accounts payable	\$ 675
Payables to providers	36,199
Withholding taxes payable	882
Accrued salaries	18,040
Total	\$ 55,796

NOTE 6 - DEBT

The Organization received a loan from Hancock Bank in the amount of \$22,000 under the Paycheck Program (PPP) established by the Coronavirus Aid, Relief, and Economic Security Act (CARES). The loan is subject to a note dated April 21, 2021 and may be forgiven to the extent proceeds are used for eligible expenses such as payroll and other expenses (rent, mortgage payments, benefits, and utilities) as described in the Act. No determination has been made as to whether the Organization will be eligible for forgiveness, in whole or part. The loan bears an interest rate of 1% and is payable on April 21, 2022, principal and accrued interest with deferral of payments for the first six months. The loan was forgiven in full. During the fiscal year September 30, 2021, the Organization applied for a second round of PPP funding in the amount of \$22,500. During the year the funding was forgiven. The amount of the funding used during the year is \$19,400.

The Organization has a line of credit with Hancock Bank. The original amount is \$10,000 dated March 18, 2016 with an interest rate of 8%. The maturity date is March 18, 2021. The organization make periodic payments.

The following chart shows the Organization's debt activity:

	Be	eginning							Е	Inding
	Balance		Additions			Reductions	_	B	alance	
PPP Loan LOC	\$	22,000 6,974		\$	22,250		\$ (41,150) (721)		\$	3,100 6,253
Total	\$	28,974	_	\$	22,250	-	\$ (41,871)	-	\$	9,353

NOTE 7 – NET ASSETS

The Organization has a net deficit at the end of the year in the amount of (\$12,191). In order to increase the net assets to a positive balance, the Organization plans to hold several fundraising events in the near future and pursue grant opportunities.

NOTE 8 - RESTRICTIONS ON NET ASSETS

Substantially all of the restrictions on net assets relate to amounts requested from the State of Louisiana, Department of Education for reimbursement to the providers of meals through the Family Day Care Home Program of the U. S. Department of Agriculture Food and Nutrition Services under 7 CFR Part 226. The amount due to providers requested but not yet received at year end has been accrued in the accompanying financial statements and is listed in the note above.

NOTE 9 - FUNCTIONAL ALLOCATION OF EXPENSES

The costs of providing the program and supporting services have been summarized on a functional basis in the schedule of functional expenses. Accordingly, certain costs have been allocated between the program and supporting services.

NOTE 10- CONCENTRATIONS

Cash and Cash Equivalents. Financial instruments that potentially subject the Organization to concentrations of credit risk consist of cash deposits. Accounts at each institution are insured by

the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At September 30, 2021, the Organization did not have bank balances in excess of FDIC insured limits. However, the collected balances exceed these limits in the provider's account for a few days each month. The Organization accepts this risk.

Receivables and Revenues. All receivables recorded are due from the Louisiana Department of Education, Division of Nutrition Assistance. Approximately 99% of the Organization's support is paid by the Department of Education, State of Louisiana through the U.S. Department of Agriculture Food and Nutrition Services, Family Day Care Home Program, under 7 CFR Part 226.

Geographical Market. The Organization is approved to operate in the parishes of Tangipahoa, St. Tammany and surrounding parishes. Volume is dependent on the willing and eligible providers in these areas.

NOTE 11 - LITIGATION

We are not aware of any pending or threatened litigation, claims or assessments that are required to be accrued or disclosed in this financial report.

NOTE 12 - SUBSEQUENT EVENTS

There were no subsequent events between the close of the fiscal year and July 27, 2022, the date on which the financial statements were available to be issued, that would materially impact the accompanying financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of Office of Nutrition Assistance, Inc. 1001 NW Central Avenue Amite, LA 70422

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Office of Nutrition Assistance, Inc. (a nonprofit organization), which comprise the statement of financial position as of September 30, 2021, and the related statements of activities, cash flows, and functional expenses for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated July 27, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, I considered Office of Nutrition Assistance, Inc.'s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Office of Nutrition Assistance, Inc.'s internal control. Accordingly, I do not express an opinion on the effectiveness of the Office of Nutrition Assistance, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any

deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Office of Nutrition Assistance, Inc.'s financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of my testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON CLAIMS FOR REIMBURSEMENT

To the Board of Trustees of Office of Nutrition Assistance, Inc. 307 NW Central Avenue Amite, Louisiana 70422

I have examined the accompanying claims for reimbursements (Audited Statements of Claims attached) submitted by the Family Day Care Home Program of Office of Nutrition Assistance, Inc. under the FDCH program. My examination was made in accordance with auditing standards established by the American Institute of Certified Public Accountants and with generally accepted government auditing standards established by the Comptroller General of the United States and included tests of programs and accounting records prescribed by the USDAOIG guide for audits of this program. In my opinion, the aforementioned claims present fairly the number of meals or supplements eligible for reimbursement for the period October 1, 2020 through September 30, 2021.
