## INDEPENDENT AUDITORS' REPORT

Board of Directors  
University of Louisiana at Monroe Alumni Association  
Monroe, Louisiana

### **Opinion**

We have audited the accompanying financial statements of the University of Louisiana at Monroe Alumni Association (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the University of Louisiana at Monroe Alumni Association as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

### **Basis for Opinion**

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the University of Louisiana at Monroe Alumni Association and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### **Responsibilities of Management for the Financial Statements**

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles design, implementation, and maintenance of internal control relevant

generally accepted in the United States of America, and for the to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about University of Louisiana at Monroe Alumni Association's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### **Auditors' Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion of the effectiveness of the University of Louisiana at Monroe Alumni Association's internal control. Accordingly, no such opinion is expressed.

- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the University of Louisiana at Monroe Alumni Association's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### **Supplementary information**

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The Schedule of Revenues, Expenses and Capitalized Expenses Made To or On Behalf of the University Intercollegiate Athletics Program and the Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer on pages 21 and 22 are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

#### **Reporting on Other Legal and Regulatory Requirements**

In accordance with the requirements of the University of Louisiana at Monroe Alumni Association, we have issued a report, dated August 31, 2023, on the results of our agreed-upon procedures performed in accordance with attestation standards established by the American Institute of Certified Public Accountants. The purpose of that report is solely to describe the scope of testing performed on those control and compliance areas identified in the University of Louisiana at Monroe Alumni Association's affiliation agreement, and the results of that testing, and not to provide an opinion on control or compliance.

UNIVERSITY OF LOUISIANA AT MONROE ALUMNI ASSOCIATION  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2023

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Nature of Activities

The University of Louisiana at Monroe (ULM) Alumni Association (the Association) is a non-profit organization located in Monroe, Louisiana. The Association serves to foster a spirit of loyalty and fraternalism among graduates, former students, students and friends of ULM, and to achieve unity of purpose and action in promoting the best interests of the University.

The Association seeks to enlist the volunteer involvement of ULM alumni and friends in support for the University as a means of assisting ULM in reaching its full potential as a teaching, research, and service institute of higher education in Louisiana.

The Association endeavors to provide the leadership and support services, through its financial and human resources, which will enhance the University's efforts to satisfy the economic, cultural, and educational needs of the region, state, and nation.

B. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

C. Method of Accounting

The financial statements of the Association have been prepared on the accrual method of accounting and in conformity with the standards promulgated by the American Institute of Certified Public Accountants in its *Audit Guide for Not-for-Profit Organizations*.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

D. Basis of Presentation

The financial statements have been prepared in accordance with U.S generally accepted accounting principles ("US GAAP"), which require the organization to report information regarding its financial position and activities according to the following net asset classifications:

Net Assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Association. These net assets may be used at the discretion of the Association and the board of directors.

Net Assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Association or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

E. Tax Status

The Association is a nonprofit corporation exempted from federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made; however, should the Association engage in activities unrelated to its exempt purpose, taxable income could result. The Association had no material unrelated business income for the year ended June 30, 2023. The earliest income tax year that is subject to examination is June 30, 2019.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

F. Functional Allocation of Expenses

The direct costs of providing the various programs and other activities have been summarized on a functional basis in the Statements of Activities. Program services expenses are those directly related to the purposes for which the Association exists. Supporting services expenses reflect other expenses incurred in operating the programs.

G. Property and Equipment

Property and equipment is recorded at cost or fair market value at date of purchase or donation, respectively. Depreciation is recorded on a straight-line basis over the estimated useful lives of the assets. The estimated useful lives range from 5 to 7 years.

H. Faculty and Staff

The Association occupied without charge office space in the Laird Weems Center, which is owned by ULM. No amount has been reflected in the financial statements for the value of the use of the facility. The University also provides staff for the Association's activities and operations, the cost and value of which is not reflected in these financial statements.

I. Cash Flows

For purposes of the statement of cash flows, the Association considers all highly liquid debt instruments with a maturity of three months or less to be cash equivalents.

J. Pledges

Pledges receivable are recognized upon notification of a donor's unconditional promise to give to the Association. Unconditional promises to give that are expected to be

J. Pledges (Continued)

collected in less than one year are measured at net realizable value because that amount results in a reasonable estimate of fair value in accordance with the *Contributions Received* section of the FASB ASC. Contributions that are restricted by the donor are reported as increases in net assets without donor restrictions if the restrictions expire in the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as net assets with donor restrictions, depending on the nature of the restrictions. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and are reported in the Statement of Activities as assets released from restrictions.

Pledges receivables are expected as follows:

Less than 1 Year	9,632
1 to 5 Years	-0-
More than 5 Years	<u>-0-</u>
<u>Total</u>	<u>9,632</u>

The Association uses the allowance method to determine uncollectible unconditional receivables. The allowance is based on prior years' experience and management's analysis of specific promises made. Management reviews accounts receivable monthly and charges off amounts deemed uncollectible. The amount of the allowance was \$-0- at June 30, 2023.

K. Advertising Expenses

The Association expenses advertising costs as they are incurred. For the year ended June 30, 2023, advertising expense was \$6,639.

L. Investment Policies

Marketable equity securities for which a fair market value is not readily determinable are recorded at estimated amortized cost. Investments in debt securities and marketable equity securities for which fair market value is readily determinable are reported at fair value. Gains and losses on all investments are recorded as increases or decreases (as appropriate) in net assets in the accompanying Statement of Activities.

M. Revenue Recognition

*Revenue from Exchange Transactions:* The Association recognizes revenue in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers*, as amended. ASU 2014-09 applies to exchange transactions with customers that are bound by contracts or similar arrangements and establishes a performance obligation approach to revenue recognition. The Association records the following exchange transaction revenue in its statements of activities and changes in net assets for the year ending June 30, 2023:

Membership Dues

Membership dues are set by the Association and are paid on an annual basis. The performance obligation lasts throughout the fiscal year. The membership dues paid allows the member the right to attend various events during the year and the member may receive various novelty items.

Special Fundraising Event Revenue

The Association conducts special events in which a portion of the gross proceeds paid by the participant represents payment for the direct cost of the benefits received by the participant at the event—the exchange

component, and a portion represents a contribution to the Association. Unless a verifiable objective means exists to demonstrate otherwise, the fair value of meals and entertainment provided at special events is measured at the actual cost to the Association. The contribution component is the excess of the gross proceeds over the fair value of the direct donor benefit. The direct costs of the special events, which ultimately benefit the donor rather than the Association, are recorded as costs of direct donor benefits in the statement of activities and changes in net assets. The performance obligation is delivery of the event, which is usually accompanied by a presentation. The event fee is set by the Association. FASB ASU 2014-09 requires allocation of the transaction price to the performance obligation(s). Accordingly, the Association separately presents in its statements of activities and changes in net assets or notes to financial statements the exchange and contribution components of the gross proceeds from special events. Special event fees collected by the Association in advance of its delivery are initially recognized as liabilities (deferred revenue) and recognized as special event revenue after delivery of the event. For special event fees received before year-end for an event to occur after year-end, the Association follows AICPA guidance where the inherent contribution is conditioned on the event taking place and is therefore treated as a refundable advance along with the exchange component.

N. Public Support and Revenue

Grants and other contributions of cash and other assets are reported as support with donor restrictions if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires,

that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as contributions without donor restrictions.

The accounting and reporting of grants is determined by the underlying substance of the transaction. A grant may be accounted for as contribution, an exchange transaction, or a combination of the two. If it is determined to be a contribution, a grant may be considered a conditional or an unconditional grant.

NOTE 2 - ART AND COLLECTIBLES:

Art and collectibles consist of prints by Glen Gore donated to the Association by the ULM Foundation. The prints are stated at the estimated fair value at the time of donation.

NOTE 3 - NET ASSETS WITH DONOR RESTRICTIONS:

During fiscal 2006, the Association began receiving contributions and sponsorships specifically dedicated to the Wine over Water event creating the need to account for this event separate from other Alumni activities. At the end of the year June 30, 2023, there remained \$-0- net assets with donor restrictions for Wine over Water.

The Alumni Association receives contributions and dues specifically dedicated to the ULM L-Club. At the end of the year June 30, 2023, there was \$104,886 net assets with donor restrictions for the L-Club.

Such a member is exempt from future annual contributions. Transfers are made to unrestricted from net realized earnings in the endowment. At June 30, 2023, there were 660 lifetime members.

NOTE 7 - INVESTMENT INCOME:

Sources of investment income are as follows:

Realized Gain (Loss) on Investments	7,236
Unrealized Gain (Loss) on Investments	66,536
Interest, Dividends and Other	<u>14,086</u>
<u>Total</u>	<u>87,858</u>

The investment expense paid by the Association for 2023 was \$2,703.

NOTE 8 - SUMMARY OF FAIR VALUE EXPOSURE:

The FASB *Fair Value Measurement* standard clarifies the definition of fair value for financial reporting, establishes a framework for measuring fair value, and requires additional disclosure about the use of fair value measurements in an effort to make the measurement of fair value more consistent and comparable. The Association has adopted this standard for its financial assets and liabilities measured on a recurring and nonrecurring basis (ASC 820-10).

*Fair Value Measurement* defines fair value as the amount that would be received from the sale of an asset or paid for the transfer of a liability in an orderly transaction between market participants, i.e., an exit price. To estimate an exit price, a three-tier hierarchy is used to prioritize the inputs:

- Level 1: Quoted prices in active markets for identical securities.
- Level 2: Other significant observable inputs (including quoted prices for similar securities, interest rates, prepayment spreads, credit risk, etc.)
- Level 3: Significant unobservable inputs (including the Association's own assumptions in determining the fair value of investments).

UNIVERSITY OF LOUISIANA AT MONROE ALUMNI ASSOCIATION  
NOTES TO FINANCIAL STATEMENTS (CONTINUED)  
JUNE 30, 2023

NOTE 8 - SUMMARY OF FAIR VALUE EXPOSURE: (Continued)

The inputs and methodology used for valuing the Association's financial assets and liabilities are not indicators of the risks associated with those instruments.

The following table provides fair value measurement information for financial assets and liabilities measured at fair value on a recurring basis as of June 30, 2023.

<u>Description</u>	<u>Investments in Securities</u>
Level 1: Quoted Prices	753,898
Level 2: Other Significant Observable Inputs	-
Level 3: Significant Unobservable Inputs	-
<u>Total Fair Value</u>	<u>753,898</u>

The following methods and assumptions were used to estimate the fair values of the assets and liabilities in the table above:

LEVEL 1: FAIR VALUE MEASUREMENTS

Investments in Securities

The fair value of the Association's investments in marketable equity and debt securities is based on quoted market prices.

LEVEL 3: FAIR VALUE MEASUREMENTS

Investments in Securities

The fair value of the Association's alternative investments has been established utilizing the net asset value of the fund allocated to the Association's percentage ownership in the fund. These estimates are compared to the Association's counterparty values for reasonableness.

JUNE 30, 2023

NOTE 8 - SUMMARY OF FAIR VALUE EXPOSURE: (Continued)

Level 3: Fair Value Measurements (Continued)

The following table reconciles the Association's assets and liabilities classified as Level 3 measurements during the year ended June 30, 2023:

Balance, June 30, 2022	-
Purchases, Issuances, and Settlements	-
Net Realized and Unrealized Losses Included in Earnings	<u>-</u>
Balance, June 30, 2023	<u>-0-</u>
Net Unrealized Losses During Year on Level 3 Securities Held at June 30, 2023	<u>-0-</u>

At June 30, 2023, assets measured at fair value on a nonrecurring basis are comprised of noncurrent pledges receivable totaling \$-0-. Fair value of noncurrent pledges receivable is based on observable inputs, which make up a Level 1 asset. The fair value is estimated by discounting expected cash inflows to their present value. The discount is not material.

NOTE 9 - IDENTITY OF INTEREST:

The Association has a cooperative endeavor agreement with the University of Louisiana at Monroe Foundation to provide funds administration, investment management, accounting services, data management reporting, and other services. The total amount paid on this contract for the year ending June 30, 2023 was \$35,708. At June 30, 2023, the Foundation owed \$1,405 to the Association.

NOTE 10 - CONCENTRATIONS OF CREDIT RISK:

The Association has checking and other accounts at various financial institutions. Accounts at the financial institutions are insured by the Federal Deposit Insurance Corporation up to \$250,000 per institution.

NOTE 11 - CONTRIBUTED NONFINANCIAL ASSETS:

The Association received the following contributions of nonfinancial assets for the year ended June 30, 2023:

Supplies	20,544
Advertising	17,975

Contributed advertising and supplies received by the Association are recorded as in-kind contribution revenue with a corresponding increase to advertising or supplies expenses. Donated advertising and supplies are valued based upon estimates of fair market values that would be received for selling similar goods in their principal market considering their condition. All contributed advertising and supplies were utilized by the Association's programs and supporting services. There were no donor-imposed restrictions associated with the donated items.

The Association receives in-kind contributions of time and services from volunteers related to program services, special events, and fund-raising campaigns. Donated services are recognized as in-kind revenues at their estimated fair value if the services increase or enhance nonfinancial assets or require specialized skills that would need to be purchased if they were not donated. Donated services are reported using current rates for similar services.

No amounts have been recognized in the accompanying statements of activities for the year ended June 30, 2023 because the criteria for recognition have not been satisfied.

## INDEPENDENT AUDITORS' REPORT ON APPLYING AGREED-UPON PROCEDURES

Board of Directors  
University of Louisiana at Monroe Alumni Association  
Monroe, Louisiana

We have performed the procedures enumerated below on the accounting records and the Affiliate Agreement of the ULM Alumni Association for the year ended June 30, 2023. The ULM Alumni Association's management is responsible for the accounting records and affiliation agreement.

The ULM Alumni Association has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of reporting on accounting records and whether the organization complied with the affiliation agreement. Additionally, University of Louisiana at Monroe has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users or this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

Our procedures and findings are as follows:

1. Verify that the Association did not make loans to or allocate any net earnings or assets to the benefit of its directors, officers, or other private persons. Any payments made to these persons were for reasonable compensation for services rendered or reimbursement for reasonable travel expenses.

**Comment:** No exceptions noted.

2. Verify that the Association made no political contributions nor reimbursed any employee for politically-related expenses that would violate IRS guidelines for 501(c)3 organizations.

Accordingly, the Association did not provide funds to or on behalf of university employees to endorse political parties or candidates, attend political fund-raisers, participate in lobbying activities, etc.

**Comment:** No exceptions noted.

3. Verify that the Association preserved, in accordance with donor intent, the principal of any endowments, and disbursements from the expendable portion of those funds were made in compliance with donor intent and to eligible recipients or for eligible purposes.

**Comment:** No exceptions noted.

4. Verify that all donations were properly recorded in the accounting records in accordance with donor intent.

**Comment:** No exceptions noted.

5. Verify that the Association did not deposit or hold public funds at any time during July 1, 2022 to June 30, 2023, except for 1) Endowed Chair and Endowed Professorships Programs funds held in accordance with a Funds Management Agreement or 2) Project funds held in accordance with a cooperative endeavor agreement.

**Comment:** No exceptions noted.

6. Verify that all the contracts between the Association and any member of its Board of Directors, any member of the UL System of Supervisors, and UL System employee, or any university employee have been individually disclosed in the notes to the financial statements, regardless of the significance of the contract payments to total Affiliate expenses. The Related Parties note, if applicable, includes the names of the parties to the contract, the services provided, the amount paid as of the date of the financial statements.

**Comment:** No exceptions noted.

7. Verify that the funds for the supplemental compensation and/or benefits for a UL System or University employee were paid to the System Office or University for disbursement to the employee: no supplemental payments were made directly to an employee unless specifically approved by the Board Office or University.

**Comment:** No exceptions noted.

8. Verify on a quarterly basis, the Association reported to the UL System all single payments of \$1,000 or more made to or on behalf of any individual university employee.

**Comment:** No exceptions noted.

9. Verify a sample of disbursements less than \$1,000 made to or on behalf of university employees has been reviewed for compliance with the policies contained in the Affiliate Agreement, "Affiliate Funding and Administration."

**Comment:** No exceptions noted.

10. Verify that the accompanying financial statements include a supplementary schedule of all revenues, expenses and capitalized expenses made to or behalf of the university intercollegiate athletics program. Verified that this schedule is fairly stated in relation to the financial statements taken as whole.

**Comment:** The schedule is presented as supplemental information in the audited financial statements.

We were engaged by the ULM Alumni Association to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the accounting records and the affiliation agreement. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the ULM Alumni Association and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely for the information and use of the Alumni Association, University of Louisiana at Monroe, and the Board of Directors, and should not be used by anyone other than those specified parties.
