**Bank Reconciliations**

4. Obtain a listing of bank accounts for the fiscal period from management and management's representation that the listing is complete. For each of the bank accounts in the listing provided by management, obtain bank statements and reconciliations for all months in the fiscal period and observe that:

**Receipts/Collections**

5. Obtain and inspect written policies and procedures relating to employees job duties (if no written policies or procedures, inquire of employees about their job duties), and observe that job duties for collections are properly segregated such that:
  - a) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts or license applications received) to the deposit.
  - b) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.
  - c) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source are not responsible for collecting cash, unless another employee verifies the reconciliation.

***Results***

Written policies and procedures relating to receipts/collections were obtained. Most of the entity's collections are via electronic payments directly to its bank account. However, some payments are received via mail. Two employees are responsible for receiving and processing of such payments. No exceptions noted.

- 
6. Inquire of management that all employees who have access to cash are covered by a bond or insurance policy for theft.

**Results**

Not applicable – the Board does not accept cash collections.

7. Randomly select 5 deposit dates for each of the bank accounts (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). *Alternately, the practitioner may use a source document other than bank statements when selecting the deposit dates for testing, such as a cash collection log, daily revenue report, receipt book, etc.* Obtain supporting documentation for each of the 5 deposits for each bank account and:
  - a) Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.
  - b) Trace the deposit slip total to the actual deposit per the bank statement.
  - c) Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).
  - d) Trace the actual deposit per the bank statement to the general ledger.

**Results**

No exceptions noted.

8. Obtain and inspect written policies and procedures (if no written policies and procedures, inquire to management) and observe that there is a process performed to determine completeness of all collections, including electronic transfers, for each revenue source (e.g. periodic confirmation with outside parties, reconciliation of receipt number sequences, reasonableness of cash collections based on licenses issued) by a person who is not responsible for collections.

**Results**

The Board has a process defined to determine the completeness of collections.

9. For licensing boards, obtain a list of initial and renewal licenses granted during the period from management and management's representation that the listing is complete. Randomly select 10 individual applicants from the listing and obtain the supporting documentation (e.g. application, copy of check) from management and:
  - a) Observe that the fee paid for license was the appropriate fee based on the applicable fee schedule established by the Board or statute.
  - b) If a penalty was assessed (e.g. late fee), observe that the penalty was assessed and collected in accordance with the Board's policies.

**Results**

The application fees selected for testing are in agreement with the fee schedules established by the Board. No exceptions noted.

10. For licensing boards, obtain and inspect the board's written policies and procedures for granting licenses (if no written policies and procedures, inquire to management) and observe that there is a

---

process performed to ensure licensees meet the licensure requirements established by the board or statute, as applicable. For the 10 individual applicants selected in the previous step that were granted initial or renewal licenses during the period, request the supporting documentation (e.g. licensee file) from management and:

- a) Observe that the board followed the established process to issue or renew the license.
- b) Observe the documentation contains evidence that the licensee meets or continues to meet (if renewal) the licensure requirements established by the board or statute, as applicable.

***Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)***

12. Obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
  - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order/making the purchase.
  - b) At least two employees are involved in processing and approving payments to vendors.
  - c) The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.
  - d) Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.

***Results***

No exceptions noted.

13. Obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements which are addressed in separate sections below) and obtain management's representation that the population is complete. Randomly select 5 disbursements, obtain supporting documentation (e.g. purchase requisition, invoices, receipts, receiving slips) for each transaction and:
  - a) Observe that the disbursement matched the related original invoice/billing statement.
  - b) Observe that the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under #11, as applicable.

Randomly select 2 monthly statements or combined statements for each card (for a debit card, randomly select 2 monthly bank statements), obtain supporting documentation, and:
  - a) Observe that there is evidence that the monthly statement or combined statement and supporting documentation (e.g., original receipts for credit/debit card purchases, exception reports for excessive fuel card usage) was reviewed and approved, in writing, by someone other than the authorized card holder.
  - b) Observe that finance charges and late fees were not assessed on the selected statements.
15. Obtain supporting documentation for all transactions included on the monthly statements or combined statements selected in #13 above. For each transaction, observe that it is supported by (1) an original itemized receipt that identifies precisely what was purchased, (2) written documentation of the business/public purpose, and (3) documentation of the individuals participating in meals (for meal charges only). For missing receipts, the practitioner should describe the nature of the transaction and note whether management had a compensating control to address missing receipts, such as a "missing receipt statement" that is subject to increased scrutiny.

**Results**

No exceptions noted.

**Travel and Travel-Related Expense Reimbursements (excluding card transactions)**

16. Obtain from management a listing of all travel and travel-related expense reimbursements paid to employees and board members during the fiscal period and management's representation that the listing or general ledger is complete. **Results**

No exceptions were noted.

Randomly select 5 contracts (or all contracts if less than 5) from the listing, excluding the practitioner's contract, and:
- a) Observe that the contract was bid in accordance with the Louisiana Procurement Code or the Louisiana Public Bid Law (e.g., solicited quotes or bids, advertised), if required by law.
  - b) Observe that the contract was approved by the governing body/board, if required by policy.
  - c) If the contract was amended (e.g. change order), observe that the original contract terms provided for such an amendment.
  - d) Randomly select one payment from the fiscal period for each of the 5 contracts, obtain the supporting invoice, agree the invoice to the contract terms, and observe that the invoice and related payment agreed to the terms and conditions of the contract.
