INDEPENDENT ACCOUNTANT'S COMPILATION REPORT

Rogers-Nebo Fire District
Jena, LA.

Management is responsible for the accompanying cash basis financial statements of the governmental activities of the Rogers-Nebo Fire District (a component unit of the LaSalle Parish Police Jury, Louisiana), as of and for the year ended December 31, 2023, which collectively comprise the Rogers-Nebo Fire District's basic financial statements as listed in the table of contents, in accordance with the cash basis of accounting. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has omitted the management's discussion and analysis and budgetary comparison that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a required part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of the financial reporting and for placing the basic financial statements in an appropriate operation, economic, or historical context.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Rogers-Nebo Fire District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and accordingly, we do not express an opinion or provide any assurance on such supplementary information.
