NOTES TO THE FINANCIAL STATEMENTS

Introduction

CASA of Central Louisiana, Inc. (Court Appointed Special Advocate of Central Louisiana, Inc.) is a Louisiana non-profit corporation and a member of the National Court Appointed Special Advocate Association. This corporation is organized and it shall be operated exclusively for charitable, religious, and educational purposes, within the meaning of Section 501 (c) (3) of the Internal Revenue Code, or the corresponding section of any future federal tax code, including for purposes, to purchase, acquire, hold, use, manage, alienate or encumber property of any kind, necessary and proper to advocate for and protect the best interest of abused, neglected, and dependent children, and the making of distributions to Organizations that qualify as exempt Organizations under section 501 (c) (3) of the Internal Revenue Code or the corresponding section of any future federal tax code. The Board of Directors consists of not less than five nor more than twenty board members that are not compensated for their services.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The significant accounting policies followed are described to enhance the usefulness of the financial statements to readers. The financial statements of CASA of Central Louisiana, Inc. have been prepared on the accrual basis; therefore, certain revenues and the related assets are recognized when earned rather than when received and certain expenses are recognized when the obligation is incurred rather than when paid. These policies have been consistently applied in the preparation of the financial statements. The corporation has no capital stock.

A. Basis of Accounting

The financial statements are presented in accordance with Statement of Financial Accounting Standards (SFAS) No. 117, *Financial Statements of Not-for-Profit Organizations* and Accounting Standards Update No. 2016-14 – *Not-for-Profit Entities: Presentation of Financial Statements of Not-for-Profit Entities (ASU 2016-14)*, which requires the organization to report information regarding its financial position and activities according to two classes of net assets: net assets without donor restrictions and net assets with donor restrictions. In addition, the Organization is required to present a statement of cash flows.

B. Cash and Cash Equivalents

The Organization's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition and are reported in the statement of cash flows.

C. Capital Assets

Capital assets, which include property, plant, and equipment, are reported in the financial statements. Capital assets are capitalized at historical cost or estimated cost if historical cost is not available. Donated assets are recorded as capital assets at their estimated fair market value at the date of donation. Such donations are reported as unrestricted contributions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as restricted contributions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies net assets with donor restrictions to net assets without donor restrictions at that time. CASA of Central Louisiana, Inc. maintains a threshold level of \$1,000 or more for capitalizing capital assets.

CASA of Central Louisiana, Inc.

Notes to the Financial Statements (Continued)

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized.

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed. There was no interest expense included during the current fiscal year.

Capital assets are depreciated using the straight-line method with the following estimated lives.

<u>Description</u>	<u>Estimated Lives</u>
Furniture and fixtures	5 - 10 years
Equipment	5 - 10 years

D. Extraordinary and Special Items

Extraordinary items are transactions or events that are both unusual in nature and infrequent in occurrence. Special items are transactions or events within the control of CASA of Central Louisiana, Inc., which are either unusual in nature or infrequent in occurrence. Subsequent events have been evaluated through December 28, 2023, the date that the financial statements were available to be issued.

E. Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, and expenses during the reporting period. Actual results could differ from those estimates.

F. Income Taxes

The Organization is qualified as an exempt organization under Section 501 (c) (3) of the Internal Revenue Code and is not subject to federal income tax. In addition, the Organization qualifies for the charitable contribution deduction under section 170(b)(1)(A) of the Internal Revenue code and has been determined by the Internal Revenue Service not to be a private foundation within Section 509 (a) of the Code.

G. Donated Facilities, Materials and Services

Donated materials, equipment and use of facilities (if any) are reflected as contributions in the accompanying statements at their estimated values at the date of receipt. Donated services (if any) are recognized as contributions in accordance with SFAS No. 116, Accounting for Contributions Received and Contributions Made, if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills and would otherwise be purchased by the organization. Volunteers also provided services throughout the year that are not recognized as contributions in the financial statements since the criteria for SFAS No. 116 are not met.

H. Concentration of Risk

CASA of Central Louisiana, Inc.'s primary sources of support are from grants awarded by the state. Management is always seeking funding for the upcoming years through renewals of current grants as well as applying for new grants; however, in the event the Organization is unable to secure additional funding, the financial position of the Organization could be significantly impacted.

Notes to the Financial Statements (Continued)

I. Subsequent Events

The accounting records of the Organization were reviewed subsequent to year end and through the date the auditor's report was issued for subsequent events that could materially affect the financial statements. No subsequent events were found during this period that would materially affect the financial statements.

J. Prepaid Expenses

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid expenses in the Statement of Financial Position.

K. Recent Financial Accounting Pronouncements

During the year ended June 30, 2023, CASA of Central Louisiana, Inc. adopted the requirements of the Financial Accounting Standards Board's Accounting Standards Update No. 2016-14 – *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities (ASU 2016-14)*. This update addresses the complexity and understandability of net asset classification, deficiencies in information about liquidity and availability of resources, and the lack of consistency in the type of information provided about expenses and investment return between not-for-profit entities. A key change required by ASU 2016-14 is a change in the net asset classes used in the financial statements. Amounts previously reported as unrestricted net assets are now reported as net assets without donor restrictions and amounts previously reported as temporarily restricted net assets and permanently restricted net assets are now reported as net assets with donor restrictions.

L. Restrictions on Contributions of Long-lived Assets

CASA of Central Louisiana, Inc. has not adopted a policy for implying time restrictions on contributions of long-lived assets and contributions of cash and other assets restricted to purchasing them. As of June 30, 2023, CASA of Central Louisiana, Inc. has had no contributions of long-lived assets or assets that would be used to acquire them.

M. Investments

Investments in marketable securities and mutual funds with readily determinable fair values and all investments in debt securities are reported at fair value in the statements of financial position. Unrealized gains and losses are included in the change in net assets in the accompanying statements of activities as increases or decreases in net assets without donor restrictions unless their use is with restrictions by explicit donor stipulations or law. Dividend, interest, and other investment income are recorded as increases in net assets without donor restriction unless the use is restricted by the donor.

FASB ASC topic 820, *Fair Value Measurements and Disclosures* emphasizes market-based measurement and, in doing so, stipulates a fair value hierarchy. The hierarchy is based on the type of inputs, or data used, to measure fair value. The fair value hierarchy is summarized below:

Level 1 lies at the top of the hierarchy; inputs are quoted prices in active markets.

Level 2 inputs are in the middle of the hierarchy, where data is adjusted from similar items traded in markets that are active markets or from identical or similar items in markets that are not active. Level 2 inputs do not stem directly from quoted prices.

Level 3 inputs are unobservable and require the entity to develop its own assumptions.

CASA of Central Louisiana, Inc.

Notes to the Financial Statements (Continued)

Investments other than mutual funds are valued at the fair value of the trust investments as reported to the Organization by the trustees and include the use of Net Asset Values (NAV) as the primary input to measure fair value.

2. ECONOMIC DEPENDENCY

The Organization receives a substantial portion of its total support from TANF (Temporary Assistance for Needy Families) federal grant and CASA AP state grant. During the period ended June 30, 2023, CASA of Central Louisiana, Inc. received \$108,094 and \$113,601 in grant support respectively, which represents 75% of total support.
