(a nonprofit corporation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. Accordingly, we do not express such an opinion.

### **Management's Responsibility for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### **Accountant's Responsibility**

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

### **Accountant's Conclusion**

**Louisiana Children's Discovery Center, Inc.**

**Notes to the Financial Statements**  
**For the Year Ended December 31, 2022**

**Introduction**

The Louisiana Children’s Discovery Center, Inc. (the “Center”) opened on October 1, 2010 and is a non-profit entity established to provide children with hands-on educational experiences that will empower imaginations, peak curiosity, and nurture intelligence. This mission is accomplished through the operation of a children’s museum in the City of Hammond, Louisiana.

**1. Summary of Significant Accounting Policies**

**A. Basis of Accounting**

The financial statements have been prepared on an accrual basis and in conformity with standards generally accepted in the United States of America.

**B. Basis of Presentation**

The Center is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

**C. Support and Revenue**

Support consists primarily from expense reimbursements from the City of Hammond, admission fees, field trips, birthday parties, membership fees and gift shop sales. At the end of each month the Center will bill the City of Hammond for expenses incurred. The revenue is recognized once the Center bills the City of Hammond. Membership fees, birthday parties, and field trips are nonrefundable and recognized as income when received. Gift shop sales are recognized as revenue at the time of sale.

**D. Cash**

Cash includes demand deposits and money market savings accounts.

**E. Income Taxes**

The Center qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. However, should the Center engage in activities unrelated to its exempt purpose it could result in taxable income.

**F. Estimates**

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the reported

**Louisiana Children’s Discovery Center, Inc.**  
**Hammond, Louisiana**

**Notes to the Financial Statements**  
**For the Year Ended December 31, 2022**

amounts of support and revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

**G. Statement of Cash Flows**

For the purposes of the statement of cash flows, all investments with a maturity of 90 days or less from the date of purchase are considered to be cash equivalents.

**H. Contributions**

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence or nature of any donor restrictions.

All contributions are considered to be unrestricted and available for use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases these net asset classes. However, if a restriction is fulfilled in the same reporting period in which the contribution is received, the Center reports the support as unrestricted.

**I. Inventories**

Inventories are stated at the lower of cost or market determined by the first-in, first-out method. At December 31, 2022, the Center had \$1,000 in inventories for the gift shop.

**J. Property and Equipment**

Property and equipment are stated at cost or fair value at date of donation. The Center has not adopted a formal capitalization policy. Depreciation is provided using the straight-line method over the estimated useful lives of the assets as follows:

Furniture and Fixtures	7 Years
Leasehold Improvements	5 Years
Machinery and Equipment	5 - 10 Years
Software	3 Years

**K. Vacation and Sick Leave Policy**

Full-time employees earn vacation days 90 days after the beginning of their employment with the Center. Any unused vacation time is forfeited after each anniversary year of employment. The center also offers paid time off (PTO) only for full-time salaried employees for sick days, medical appointments, hospitalization, funeral leave and personal days off. Unused PTO cannot be carried over to the next year. Upon separation from employment for any reason, all unused PTO is forfeited. Days earned for vacation and PTO are based on the following years of employment:

The Center gives paid time off (PTO) to only full time employees (40 hours a week). Paid time off can be used for personal, sick, or vacation. PTO is credited at the beginning of the year and the employee

**Hammond, Louisiana**

**Notes to the Financial Statements**  
**For the Year Ended December 31, 2022**

may carry over five days of PTO if unused at the end of the calendar year. All other PTO will be forfeited at the end of the calendar year. Upon separation of employment for any reason, unused PTO is forfeited. PTO is earned from the beginning of your employment with the Center, however; you cannot utilize paid time off until you have completed your first ninety days of employment. Paid time off is earned as follows:

<u>Years of Employment</u>	<u>Vacation Days</u>
1	5
2 - 4	10
5 - 9	15
Over 10	20

<u>Years of Employment</u>	<u>PTO Days</u>
1 - 2	4
3 - 4	6
Over 5	8

**L. Change in Accounting Principles**

The Corporation adopted FASB Topic 842, *Leases*, using the modified retrospective approach with January 1, 2022 as the date of initial adoption. The Organization elected the package of practical expedients permitted under the transition guidance within the new standard, which among other things, allowed the Corporation to carry forward the historical lease classification. The change in principle had no effect on the prior period’s net assets.

## Independent Accountant's Report on Applying Agreed-Upon Procedures

To the Board of Directors  
Louisiana Children's Discovery Center, Inc.  
Hammond, Louisiana

We have performed the procedures enumerated below, which were agreed to by the Louisiana Children's Discovery Center, Inc. and the Louisiana Legislative Auditor, on the Center's compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire during the fiscal year ended December 31, 2022 as required by Louisiana Revised Statute 24:513 and the *Louisiana Governmental Audit Guide*. The Center's management is responsible for its financial records and compliance with applicable laws and regulations. The sufficiency of these procedures is solely the responsibility of the specified parties. Consequently, we make no representation regarding the sufficiency of the procedures enumerated below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

### Federal, State, and Local Awards

1. Obtain the list of federal, state, and local government grant award expenditures for the fiscal year, by grant and grant year, from the Agency's management.

*The Center received \$86,819.48 from the City of Hammond in 2022.*

2. For each federal, state, and local grant award, randomly select six disbursements from each grant administered during the fiscal year, provided that no more than 30 disbursements are selected.

*We randomly selected 6 disbursements in 2022.*

3. Obtain documentation for the disbursements selected in Procedure 2. Compare the selected disbursements to supporting documentation, and report whether the disbursements agree to the amount and payee in the supporting documentation.

*Each of the selected disbursements agreed to the amount and payee in the supporting documentation.*

4. Report whether the selected disbursements were coded to the correct fund and general ledger account.

*All of the disbursements were coded to the correct fund and general ledger account.*

5. Report whether the selected disbursements were approved in accordance with the Center's policies and procedures.

*All of the selected disbursements were approved in accordance with the Center's policies and procedures.*

6. For each selected disbursement made for federal grant awards, obtain the *Compliance Supplement* for the applicable federal program. For each disbursement made for a state or local grant award, or for a federal program not included in the *Compliance Supplement*, obtain the grant agreement. Compare the documentation for each disbursement to the program compliance requirements or the requirements of the grant agreement relating to activities allowed or unallowed, eligibility, and reporting; and report whether the disbursements comply with these requirements.

*All local award disbursements were in compliance with the grant agreement. Obtained the Shuttered Venue Grant documents and all disbursements were in accordance with that agreement also.*

7. Obtain the close-out reports, if required, for any program selected in Procedure 2 that was closed out during the fiscal year. Compare the close-out reports, if applicable, with the Agency's financial records; and report whether the amounts in the close-out reports agree with the Agency's financial records.

*Obtained the closeout reports for the SBA Shuttered Venue Grant. The close out report agrees to the Center's financial records.*

#### Open Meetings

8. Obtain evidence from management that agendas for meetings recorded in the minute book were posted as required by Louisiana Revised Statute 42:11 through 42:28 (the open meetings law), and report whether there are any exceptions. Note: Please refer to Attorney General Opinion No. 13-0043 and the guidance in the publication "Open Meeting FAQs," available on the Legislative Auditor's website at <http://app1.la.state.la.us/llala.nsf>, to determine whether a non-profit agency is subject to the open meetings law.

*I obtained an agenda from management that was posted on the door of the Center's main office building. The agenda was for the January 20, 2022 meeting.*

#### Budget

9. For each grant exceeding five thousand dollars, obtain the comprehensive grant budgets that the agency provided to the applicable federal, state or local grantor agency. Report whether the budgets for federal, state and local grants included the purpose and duration of the grants; and whether budgets for state grants also included specific goals, objectives, and measures of performance.

*We obtained the grant budget for the SBA Shuttered Venue Grant. The budget discloses the duration of the grant, but not the purpose.*

#### State Audit Law

10. Report whether the agency provided for a timely report in accordance with R.S. 24:513.

*The Center's report was submitted to the Legislative Auditor before the statutory due date of June 30, 2023.*

11. Inquire of management and report whether the agency entered into any contracts that utilized state funds as defined in R.S. 39:72.1 A. (2); and that were subject to the public bid law (R.S. 38:2211, et seq.), while the agency was not in compliance with R.S. 24:513 (the audit law).

*The Center's management represented that the Center did not enter into any contracts during the fiscal year that were subject to the public bid law.*

#### Prior-Year Comments

12. Obtain and report management's representation as to whether any prior year suggestions, exceptions, recommendations, and/or comments have been resolved.

*According to management, all prior year suggestions, recommendations, and comments have been resolved.*

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants, and the standards applicable to attestation engagements contained in *Government Auditing Standards*, issued by the United States Comptroller General. We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on the Louisiana Children's Discovery Center, Inc.'s compliance with the foregoing matters. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on the Louisiana Children's Discovery Center, Inc.'s compliance with certain laws and regulations contained in the accompanying Louisiana Attestation Questionnaire, as required by Louisiana Revised Statute 24:513 and the Louisiana Governmental Audit Guide, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Louisiana Legislative Auditor as a public document.

Sincerely,

**Schedule of Prior Year Findings  
For the Year Ended December 31, 2022**

**2021-1 Misappropriation of Funds:**

**Condition:**

On April 25, 2022 the board was notified by their outside CPA firm that there was misuse involving the LCDC Visa credit card assigned to the new executive director. The charges appear to be personal in nature. The new director opened this credit card in January 2022 and these charges stem from January 2022 to March 2022. The board terminated his employment on April 25, 2022. The board has discovered the following as of this time: Personal use on a credit card in an amount up to \$2,000. A chevron Texaco credit card was opened in the name of LCDC without board knowledge or approval, and was used for personal use. This amounts to \$589.52. An amazon business prime account (line of credit) with a limit of \$10,000 was opened without board knowledge or approval. Unpaid balance is currently over \$2,000 and it appears at least \$1,100 of this amount was used for furniture and other personal items for the executive director.

**Recommendation:**

We recommend that the Center determine the total amount of embezzlement and turn the matter over to local law enforcement and file a police report.

**Resolved:**

Fully resolved. The LCDB Board turned the matter over to the Hammond Police Department and the District Attorney to open an investigation and file a police report. The prior director has begun making restitution payments.

**RESOLUTION**

**WHEREAS**, Louisiana Children's Discovery Center, Inc., as a part of its review of financial statements as of December 31, 2022, and for the one year period then ended, is required to complete the Louisiana Attestation Questionnaire furnished by the Louisiana Legislative Auditor, and,

**WHEREAS**, upon completion, the questionnaire must be presented to and adopted by the board of directors of the Louisiana Children's Discovery Center, Inc., by means of a formal resolution in an open meeting, and,

**WHEREAS**, the completed questionnaire and a copy of its adoption must then be given to the accountant at the beginning of the review engagement. The accountant will, during the course of his review, test the accuracy of the responses in the questionnaire,

**WHEREAS**, the Louisiana Attestation Questionnaire was reviewed and all questions answered by the board of directors of the Louisiana Children's Discovery Center, Inc.,

**THEREFORE BE IT RESOLVED** that the Louisiana Children's Discovery Center, Inc. hereby adopts this resolution on January 25, 2023 by the following roll call vote:
