ACCOUNTANTS' COMPILATION REPORT

The Board of Commissioners
Fire Protection District No. 7
of Acadia Parish
Mire, Louisiana

Management is responsible for the accompanying financial statements of the governmental activities and each major fund of Fire Protection District No. 7 of Acadia Parish, a component unit of the Acadia Parish Police Jury, as of and for the year ended December 31, 2018, which collectively comprise the District's basic financial statements as listed in the table of contents, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Required Supplementary Information

The accompanying budgetary comparison schedule is presented for purposes of additional analysis and is a required part of the basic financial statements. Such information is the responsibility of management. The required supplementary information was subject to our compilation engagement. We have not audited or reviewed the required supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has omitted management's discussion and analysis that accounting principles in the United States of America require to be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in an appropriate operations, economic, or historical context.

Supplementary Information

The supplementary information contained in the schedule of compensation, benefits and other payments to agency head is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information is the responsibility of management. The supplementary information was subject to our compilation engagement. We have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

We are not independent with respect to Fire Protection District No. 7 of Acadia Parish.
