## **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**JUNE 30, 2026**

Management's analysis of the financial performance for the Ascension Parish Court Probation Fee Fund provides an overview of the Ascension Parish Court Probation Fee Fund's financial activities for the fiscal year ending June 30, 2026.

### **Financial Highlights**

- The Ascension Parish Court Probation Fee Fund's governmental activities net position equaled \$295,734 at the end of the year's operations.
- During the year, the Ascension Parish Court Probation Fee Fund's governmental activities expenses were \$5,642 less than the \$49,241 generated in charges for services and other revenue.
- The Ascension Parish Court Probation Fee Fund's general fund reported an increase in fund balance of \$6,067 during the fiscal year to end the year with \$294,460.

### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This annual report consists of four parts-management's discussion and analysis (this section), the basic financial statements, required supplementary information, and supplementary information. The basic financial statements include two kinds of statements that present different views of the Ascension Parish Court Probation Fee Fund:

- The first two statements are government-wide financial statements that provide both long-term and short-term information about the Ascension Parish Court Probation Fee Fund's overall financial status.
- The remaining statements are fund financial statements that focus on individual parts of the Ascension Parish Court Probation Fee Fund government, reporting the Ascension Parish Court Probation Fee Fund's operations in more detail than the government-wide statements.
- The governmental fund statements tell how general government services were financed in the short term as well as what remains for future spending.

The statements are followed by a section of required supplementary information that further explains and supports the information in the financial statements.

### **Government-wide Statements**

The government-wide statements report information about the Ascension Parish Court Probation Fee Fund as a whole using accounting methods similar to those used by private-sector companies. The statement of net position includes all of the government's assets and liabilities. All of the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or paid. The two government-wide statements report the Ascension Parish Court Probation Fee Fund's net position and how they have changed. Net position, the difference between the Ascension Parish Court Probation Fee Fund's assets and liabilities, is one way to measure the Ascension Parish Court Probation Fee Fund's financial health, or position.

- Over time, increases or decreases in the Ascension Parish Court Probation Fee Fund's net position are an indicator of whether its financial health is improving or deteriorating, respectively.

The government-wide financial statements of the Ascension Parish Court Probation Fee Fund are divided into one category:

- Governmental activities-most of the Ascension Parish Court Probation Fee Fund's basic services are included here, such as the general administration. Charges for services finance most of these activities.

### **MANAGEMENT'S DISCUSSION AND ANALYSIS**

**JUNE 30, 2026**

#### **Fund Financial Statements**

The fund financial statements provide more detailed information about the Ascension Parish Court Probation Fee Fund's most significant fund- not the Ascension Parish Court Probation Fee Fund as a whole. Funds are accounting devices that the Ascension Parish Court Probation Fee Fund uses to keep track of specific sources of funding and spending for particular purposes.

The Ascension Parish Court Probation Fee Fund has one kind of fund:

- **Governmental fund**-Most of the Ascension Parish Court Probation Fee Fund's basic services are included in the governmental fund, which focus on (1) how cash and other financial assets, that can readily be converted to cash, flow in and out and (2) the balances left at year-end that are available for spending. Consequently, the governmental fund statements provide a detailed short-term view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the Ascension Parish Court Probation Fee Fund's programs. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the governmental fund statement, or on the subsequent page, that explains the relationship (or differences) between them.

#### **Governmental Activities**

Revenues for the Ascension Parish Court Probation Fee Fund's governmental activities were \$5,642 more than total expenses for year end. The cost of all governmental activities this year was \$43,599. Decreases in revenues are primarily due to less probation fees received in current year. Increases in expenses are contributed to the more contract labor and conference/seminar costs.

#### **FINANCIAL ANALYSIS OF THE ASCENSION PARISH COURT PROBATION FEE FUND**

As the Ascension Parish Court Probation Fee Fund completed the year, its governmental fund reported a fund balance of \$294,460. General Fund's fund balance increased by \$6,067. The increase in fund balance contributed to more probation revenues received than there were costs to operation the fund during the year.

#### **GENERAL FUND BUDGETARY HIGHLIGHTS**

Over the course of the year, there were no amendments made to the general fund budget.

#### **CAPITAL ASSETS**

At the end of 2026, the Ascension Parish Court Probation Fee Fund had invested approximately \$1,274 in capital assets, including equipment, furniture and fixtures. There were no additions or disposals in current year. (See Table A-3)
