To the Board of Directors
Morehouse Parish Tourism Commission
Bastrop, LA 71220

Management is responsible for the accompanying financial statements of Morehouse Parish Tourism Commission (a nonprofit organization), which comprise the statement of assets, liabilities, and net assets-cash basis as of December 31, 2025 and the related statements of revenues, expenses, and other changes in net assets with and without donor restrictions - cash basis and the related statement of functional expenses - cash basis for the year then ended, and for determining that the cash basis of accounting is an acceptable financial reporting framework. I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. I did not audit or review the financial statements nor was I required to perform any procedures to verify the accuracy or completeness of the information provided by management. I do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash-basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the company's assets, liabilities, equity, revenue and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Morehouse Parish Tourism Commission.
