## **Independent Accountant's Compilation Report**

The Board of Directors  
Project Success  
Alexandria, Louisiana

Management is responsible for the accompanying financial statements of Project Success (a not for profit organization), which comprise the statement of financial position as of June 30, 2017, and the related statements of activities and cash flows for the year then ended, and the related notes to the financial statements in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The supplementary information contained in the Supplementary Schedules section is presented for purposes of additional analysis and is not a required part of the basic financial statements. This information is the representation of management. The information was subject to our compilation engagement, however, we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any form of assurance on such supplementary information.

**Note 1 – Summary of Significant Accounting Policies**

Organization

The Project Success program of the Nazarene Missionary Baptist Church of Alexandria, Louisiana (hereafter referred to as the Organization) was established to provide a prevention program for youths between the ages of 8 and 15. It provides this through educating the youth at various places throughout central Louisiana. Groups are held at different sites in the community and school based services at schools located in the central Louisiana region. The prevention program's mission is family focused, evidence based and outcome driven while maintaining a cost effective delivery system.

The organization receives its monies on a contract basis. Under this method, funds are received on a services provided basis from the State of Louisiana Department of Health and Hospitals.

The costs of providing the program and supporting services have been summarized on a functional basis in the statement of activities. Accordingly, when joint costs are present, they are allocated between the program and other supporting services.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with the generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Project Success and changes therein are classified and reported as follows:

*Net Assets without Donor Restrictions* – Net assets not subject to donor-imposed stipulations.

*Net Assets with Donor Restrictions* – Net assets subject to donor-imposed stipulations that may or will be met, either by actions of Project Success and/or the passage of time or be permanently maintained by Project Success. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

Tax Status

Under Section 501(c)(3) of the Internal Revenue Code, the organization is exempt from federal income taxes, therefore, no provision for such taxes has been made. The organization is classified for tax purposes as an other than private foundation.

Support

All support is considered to be available and unrestricted unless grant regulations contain legal requirements and restrictions. The temporarily restricted grant support for fiscal year ended June 30, 2019, was received from the State of Louisiana on a per diem basis.

Project Success  
of the Nazarene Missionary Baptist Church  
Notes to Financial Statements  
June 30, 2019

**Note 1 – Summary of Significant Accounting Policies (continued)**

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results could differ from those estimates. Significant estimates have been applied in the determination of donated values and depreciation in preparation of the accompanying financial statements.

Budget Policy

Budgets are prepared by the organization's Director and approved by the grantor of the funds. Budgets are prepared on a basis consistent with generally accepted accounting principles.

Cash and Cash Equivalents

For the purpose of the financial statements, the organization considers all demand deposits and time deposits with an initial maturity of three months or less to be cash equivalents.

Property and Equipment

Property and equipment are stated at cost. Additions, renewals and betterments that extend the useful life of the assets are capitalized. Maintenance and repair expenditures are expensed as incurred. Provisions for depreciation and amortization are computed using the straight-line method over the assets' useful lives, which range from 3 to 39 years.

**Note 2 – Board of Directors' Compensation**

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any members.

**Note 3 – Concentrations of Risk**

Project Success receives the majority of its revenue from funds provided through contracts administered by the Louisiana Department of Health and Hospitals. The contract amounts are appropriated each year by the State government. If significant budget cuts are made at the State level, the amount of funds Project Success receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds Project Success will receive in the next fiscal year.

Project Success  
of the Nazarene Missionary Baptist Church  
Notes to Financial Statements  
June 30, 2019

**Note 4 – Leases**

Project Success is obligated to the following leases, which are classified as operating leases.

- a) Copier Lease- This lease was entered into on June 30, 2011, and is for \$93 per month plus a per copy charge for an undetermined number of payments.

Future minimum lease obligations for the next five years are:

Years Ended <u>June 30</u>	<u>Amounts</u>
2019	\$ 1,120
2020	\$ 1,120
2021	\$ 1,120
2022	\$ 1,120
2023	\$ 1,120

The total lease payments made during the year ended June 30, 2019 was \$1,120.

**Note 5 – Net Assets Released from Restrictions**

Net assets were released from restrictions by incurring expenses which satisfy the intended restricted purpose or occurrence of other events which satisfy the grant requirements. There were no net assets with donor restrictions at June 30, 2019.

**Note 6 – Contingencies**

Project Success evaluates contingencies based upon the best available evidence. The Organization believes that no allowance for loss contingencies is considered necessary. However, the following matters should be considered:

Amounts received from grantor are subject to audit and adjustment by the agency. Any disallowed cost, including amounts already collected may constitute a liability. The amount, if any, which may be disallowed, cannot be determined at this time although the Organization expects such amounts to be insignificant.

**Note 7 – In-Kind Donations**

During fiscal year ended June 30, 2019, the Organization was allowed to use a building and utilities at no cost. The building is owned by the City of Alexandria. No objective measurement on the fair rental value of the buildings and utilities was available; therefore, no income or expense has been recognized.

Project Success  
of the Nazarene Missionary Baptist Church  
Notes to Financial Statements  
June 30, 2019

**Note 8 – Fair Value Measurement**

FASB ACS 820-10, Fair Value Measurement, defines fair value, establishes a framework for measuring fair value, establishes a three-level valuation hierarchy for disclosure of fair value measurement and enhances disclosure requirements for fair value measurements. The valuation hierarchy is based upon the transparency of inputs to the valuation of the fair value of an asset or liability as of the measurement date. The three levels are defined as follows:

Level 1 – Represented by quoted prices that are available in an active market. Level 1 securities include highly liquid government bonds, treasury securities, mortgage products and exchange traded equities.

Level 2 – Represented by assets and liabilities similar to Level 1 where quoted prices are not available, but are observable, either directly or indirectly through corroboration with observable market data and estimated using pricing models or discounted cash flows. Level 2 securities would include U.S. agency securities, mortgage-backed agency securities, obligations of states and political subdivisions, and certain corporate, asset backed securities, and swap agreements.

Level 3 – Represented by financial instruments where there is limited activity or unobservable market prices and pricing models significant to determining the fair value measurement include the reporting entity's own assumptions about the market risk. Level 3 securities would include hedge funds, private equity securities, and private investments in public entities.

Fair value of assets measured on a recurring basis at June 30, 2019 are as follows:

Fair Value Measurement at June 30, 2019 Using

<u>Description</u>	<u>Fair Value</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>
Cash	\$73,795	\$73,795	\$ -	\$ -

**Note 9 – Subsequent Events**

There is uncertainty whether Project Success will operate after the date of this report because the executive director has resigned.

The organization has evaluated subsequent events through October 15, 2019, the date which the financial statements were available to be issued.
