Independent Auditor's Report

To the Board of Directors
The Good Work Network
New Orleans, Louisiana

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of The Good Work Network and subsidiaries (the Network) which comprise the consolidated statement of financial position as of December 31, 2018 and the related consolidated statements of activities functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, (collectively, financial statements).

Management's Responsibility for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Good Work Network and subsidiaries as of December 31, 2018, and the changes in its net assets, and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of a Matter

As discussed in Note 1 to the financial statements, in 2018, the Company adopted Accounting Standards Update (ASU) No. 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*. Our opinion is not modified with respect to this matter.

Other Matter*Other Information*

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits, and other payments to agency heads, as required by Louisiana Revised Statute (LRS) 24:513(A) are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated June 19, 2019, on our consideration of the Network's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Network's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Network's internal control over financial reporting and compliance.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies

Nature of Activities

The Good Work Network (the Network) is a Louisiana 501(c)(3) organization established in 2001. The Network is the primary provider of business development services for the small community-based businesses that support families and sustain communities. The Network educates, coaches and supports these smaller businesses to help them improve their skills, realize their full potential and become active participants in the local economy. Through its programs and services, the Network works to expand the local economy by building minority and women owned businesses. It envisions a community where the economy is diverse and inclusive and where all dedicated and competent entrepreneurs have access to the resources they need to succeed.

During 2013 operations began for Shared Solutions, L3C (the Company), whose sole member is Good Work Network. The Company is incorporated as a low profit limited liability company with a perpetual term. The Company offers accounting services to small business and non-profit organizations in accordance with the Network's mission. The Company's financials are consolidated with the Network. In accordance with U.S. generally accepted accounting principles, all intercompany transactions have been eliminated.

During 2015 operations began for Roux Carre, L3C (the Food Court), whose sole member is Good Work Network. The Food Court is incorporated as a low profit limited liability company with a perpetual term. The Food Court provides a low-cost, low-overhead means of market entry for aspiring food services businesses, in accordance with the Network's mission. The Food Court's financials are consolidated with the Network. In accordance with U.S. generally accepted accounting principles, all intercompany transactions have been eliminated.

As of December 31, 2017 the Good Work Network became 100% member of the Franz Building, LLC (the Building). The purpose of the Building is to own and manage the property and building located at 2028 Oretha Castle Haley Blvd, which the Good Work Network is the sole occupant. The Building's financials are consolidated with the Network. In accordance with U.S. generally accepted accounting principles, all intercompany transactions have been eliminated.

Basis of Accounting

The Network prepares its consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, involving the application of accrual accounting; accordingly, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Basis of Presentation

The Network follows the provisions of *Financial Statements of Not-for-Profit Organizations* Topic of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC).

The Network is required to report information regarding its financial position and activities according to two classes of net assets, which are the following:

Net Assets Without Donor Restrictions - include funds not subject to donor-imposed stipulations. The revenues received and expenses incurred in conducting the mission of the Network are included in this category. The Network has determined that any donor-imposed restrictions for current or developing programs and activities are generally met within the operating cycle of the Network and therefore, the Network's policy is to record these net assets as without donor restrictions.

Net Assets With Donor Restrictions - include realized gains and losses, investment income and gifts, appropriations, and contributions for which donor imposed restrictions have not yet been met or contributions which are required by the donor-imposed restriction to be invested in perpetuity and only the income may be made available for program operations in accordance with the donor restrictions. Such income is reflected in donor restricted net assets until utilized for donor-imposed restrictions.

At December 31, 2018, the Network had no net assets with donor restrictions. No net assets were released from restrictions during the 2018 year.

Contribution Recognition

The Network records contributions as restricted if they are received with donor stipulations that limit the use of the donation. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting period, are reported as unrestricted.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the consolidated financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements are presented in the consolidated statement of financial position on the basis of cost, less allowances for depreciation. The Network capitalizes fixed assets with costs of \$500 or greater. Depreciation is computed using the straight-line method over the following estimated useful lives:

Computer Equipment	3 Years
Other Equipment	3 - 5 Years
Leasehold Improvements	3 Years

Maintenance, repairs, and renewals that neither materially add to the value of the property nor appreciably prolong its life are charged to expense as incurred. Upon retirement or disposal of an asset, the asset cost and related accumulated depreciation is removed, and any gain or loss on such transaction is recorded as other income or expense on the consolidated statement of activities.

Accounts Receivable

The Network determines its allowance for doubtful accounts based on management's analysis of possible bad debts. The Network normally does not require collateral. Accounts receivable is stated net of the allowance for doubtful accounts. The allowance for doubtful accounts at December 31, 2018 was \$-0-.

Loans Receivable

Loans receivable are carried at outstanding principal balance less an estimate made for doubtful receivables based on a review of all outstanding amounts on a monthly basis. Management determines the allowance for doubtful accounts by identifying troubled accounts using historical experience applied to an aging of late payments. Loans are deemed collectible and no allowance has been recorded. Loans receivable are written off when deemed uncollectible. Recoveries of loans receivable previously written off are recorded when received. The term of loans receivable varies based on the purpose of funds, loan amount (minimum \$1,000 / maximum \$25,000), and the borrower's ability to repay from income or cash flow and conversion of short-term assets. Interest rates are fixed and set by the loan committee. In most cases, sources of funds for the Network loans expect that rates be concessionary and below market rates for similar loans. The annual percentage rate shall not exceed 8.0%.

Revenue and Expenses

Support for the Network is provided primarily by grants funded by private foundations and by Louisiana State and federal agencies. Grant revenue is recognized as expenditures, for allowable grant purpose, are incurred. Grant funding received in advance of expenditures for allowable grant purpose is recognized as deferred revenue. Expenditures are to be made in accordance with grant budgets that have been adopted.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the consolidated statement of activities. Accordingly, certain costs have been allocated among the program and supporting services benefitted.

Concentration of Credit Risk

At certain times throughout the year, the Network maintains cash and cash equivalents in excess of FDIC insured limits. As of December 31, 2018 the Network did not have any unsecured cash. They have not incurred losses on any of these accounts and do not believe that they will incur any losses.

Cash and Cash Equivalents

Cash consists solely of demand deposits and money market accounts. All highly liquid debt instruments purchased with an original maturity of three months or less are considered to be cash equivalents for purposes of the consolidated statement of cash flows.

Advertising

Advertising costs are expensed as incurred. Advertising expenses for the year ended December 31, 2018 totaled \$10,053.

Federal Income Taxes

The Network is exempt from federal income taxes as an organization described in Section 501(c)(3) of the Internal Revenue Code.

Recent Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update (ASU) 2014-09, *Revenue from Contracts with Customers (Topic 606)*, which amends the existing accounting standards for revenue recognition. ASU 2014-09 is based on principles that govern the recognition of revenue at an amount an entity expects to be entitled to when products are transferred to customers. ASU 2014-09 will be effective for the Network beginning in the year ending December 31, 2019, though early adoption is permitted. The new revenue standard may be applied retrospectively as of the date of adoption. The Network is currently evaluating the impact of adopting the new revenue standard on its consolidated financial statements.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 1. Summary of Significant Accounting Policies (Continued)

Recent Accounting Pronouncements Adopted

In January 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. ASU 2016-02 requires that a lessee recognize the assets and liabilities that arise from leases classified as financing or operating leases. A lessee should recognize in the statement of financial position a liability to make lease payments (the lease liability) and a right-of-use asset representing its right to use the underlying asset for the lease term. For leases with a term of 12 months or less, a lessee is permitted to make an accounting policy election by class of underlying asset not to recognize lease assets and lease liabilities. In transition, lessees and lessors are required to recognize and measure leases at the beginning of the earliest period presented using a modified retrospective approach. ASU 2016-02 is effective for financial statements issued for annual periods beginning after December 15, 2019. The Network is currently evaluating the impact ASU 2016-02 will have on the consolidated financial statements.

In August 2016, the FASB issued ASU 2016-14, *Not-for-Profit Entities (Topic 958): Presentation of Financial Statements of Not-for-Profit Entities*, which simplifies and improves how a not-for-profit organization classifies its net assets, as well as the information it presents in financial statements and notes about its liquidity, financial performance, and cash flows. Among other changes, the ASU replaces the three current classes of net assets with two new classes, “net assets with donor restrictions” and “net assets without donor restrictions,” and expands disclosures about the nature and amount of any donor restrictions. ASU 2016-05 is effective for annual periods beginning after December 15, 2017 and interim periods within fiscal years beginning after December 15, 2018, with early adoption permitted. We have implemented ASU 2016-14 and have adjusted the presentation in these consolidated financial statements accordingly. There were no changes to net asset classification as a result of the implementation of this standard.

Note 2. Liquidity and Availability

Financial assets available for general expenditure, that is, without donor or other restrictions limiting their use, within one year of the balance sheet date, comprise the following:

Cash and Cash Equivalents	\$	253,400
Grants Receivable		54,553
Accounts Receivable, Net		<u>10,432</u>
Total	\$	<u>318,385</u>

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 3. Fixed Assets and Leasehold Improvements

Fixed assets and leasehold improvements consist of the following:

	Balance January 1, 2018	Additions	Reductions	Balance at December 31, 2018
Computer Equipment	\$ 135,716	\$ -	\$ -	\$ 135,716
Computer Software	55,000	-	-	55,000

Accumulated Depreciation	\$ (587,956)	\$ (119,010)	\$ -	\$ (706,966)
Total Accumulated Depreciation Expense	\$ (587,956)	\$ (119,010)	\$ -	\$ (706,966)
Total Net Fixed Assets	\$ 2,277,462	\$ (102,890)	\$ -	\$ 2,174,572

Depreciation expense for the year ended December 31, 2018 totaled \$119,010.

Note 4. Commitments and Contingencies

Leases

The Network leases an office facility under a commercial lease with an unrelated party. The lease term became effective on July 15, 2018 and expires on July 15, 2019. Rent under this lease is \$595 per month.

Future minimum rental payments under this lease follow for the year ending December 31st:

Year	Amount
2019	\$ 3,868
Total	\$ 3,868

Rent expense relating to commercial leases totaled \$7,140 in 2018.

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 4. Commitments and Contingencies (Continued)

Leases (Continued)

The Network is the lessor of office space under operating leases expiring in various years through October 2021. Minimum future rentals to be received on leases as of December 31, 2018 is as follows:

<u>Year</u>	<u>Amount</u>
2019	\$ 44,000
2020	36,000
2021	<u>30,000</u>
Total	<u>\$ 110,000</u>

Rental income recognized during the year ended December 31, 2018 was \$73,556.

Note 5. Notes Payable

The Network has a \$350,000 note payable with Whitney Bank, secured by real estate. The note bears interest of 5.0% per annum and requires monthly payments of \$2,324. The note matures on April 3, 2021. The balance of this note was \$320,569 as of December 31, 2018.

The Network has a \$200,000 note payable with Chase Bank, secured by real estate. The note has an interest rate of 5.0%. The note requires monthly payments of \$1,589 and matured on October 14, 2018. The balance of this note was \$149,217 as of December 31, 2018. The Network is currently working on renewal of this note.

The Network has a \$186,000 note payable with New Orleans Redevelopment Authority (NORA), secured by real estate. The note bears interest of 2.5% per annum and requires monthly payments of \$1,243. The note matures on March 31, 2028. The balance of this note was \$121,630 as of December 31, 2018.

Current maturities of long-term debt are as follows at December 31st:

<u>Year</u>	<u>Amount</u>
2019	\$ 173,299
2020	25,001
2021	308,239
2022	12,887
2023	13,218
Thereafter	<u>58,772</u>
Total	<u>\$ 591,416</u>

THE GOOD WORK NETWORK

Notes to Consolidated Financial Statements

Note 6. Economic Dependency

Support for the Network is provided primarily by grants from private foundations and through agencies of the State of Louisiana and the federal government. The continued operations of the Network are dependent upon the renewal of current grants and/or the procurement of additional funding sources. Approximately 17% of total grant and contract revenue are from state and federal grants.

Note 7. Uncertain Tax Positions

Accounting principles generally accepted in the United States of America provide accounting and disclosure guidance about positions taken by an entity in its tax returns that might be uncertain. The Network believes that it has appropriate support for any tax positions taken, and management has determined that there are no uncertain tax positions that are material to the consolidated financial statements.

Penalties and interest assessed by income taxing authorities, if any, would be included in income tax expense.

Note 8. Subsequent Events

Management has evaluated subsequent events through the date that the consolidated financial statements were available to be issued, June 19, 2019, and determined that no additional events occurred that require disclosure. No subsequent occurring after this date have been evaluated for inclusion in these consolidated financial statements.

SUPPLEMENTARY INFORMATION

THE GOOD WORK NETWORK
Supplementary Information
Schedule of Compensation, Benefits, and Other Payments
to Agency Head
For the Year Ended December 31, 2018

Louisiana Revised Statute 24:513(A)(3) as amended by Act 706 of the 2014 Regular Legislative Session requires that the total compensation, reimbursements, and benefits of an agency head or political subdivision head or chief executive officer related to the position, including but not limited to travel, housing, unvouchered expense, per diem, and registration fees to be reported as a supplemental report within the financial statement or local government and quasi-public auditees. In 2015, Act 462 of the 2015 Regular Session of the Louisiana Legislature further amended R.S 24:513(A)(3) to clarify that nongovernmental entities or not-for-profit entities that received public funds shall report only the use of public funds for the expenditures itemized in the supplemental report.

**REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON
AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE
WITH GOVERNMENT AUDITING STANDARDS**

Independent Auditor's Report

To the Board of Directors
The Good Work Network
New Orleans, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of The Good Work Network and subsidiaries (the Network), which comprise the consolidated statement of financial position as of December 31, 2018, and the related consolidated statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated June 19, 2019.

Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered the Network's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Network's internal control. Accordingly, we do not express an opinion on the effectiveness of the Network's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Network's consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Network's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Network's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

A handwritten signature in cursive script that reads "LaPorte".
