INDEPENDENT AUDITORS' REPORT

Board of Commissioners South Vernon Parish Waterworks District #1

Report on the Audited Financial Statements

Opinions

We have audited the accompanying financial statements of the business-type activities of the South Vernon Parish Waterworks District #1, a component unit of the Vernon Parish Police Jury, as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities of South Vernon Parish Waterworks District #1, as of December 31, 2024, and the respective changes in financial position and cash flows, for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that
 raise substantial doubt about the District's ability to continue as a going concern for a reasonable period
 of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that management's discussion and analysis be presented to supplement the basic financial statements. Such information is the responsibility of management, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of the financial reporting for placing the basic financial statements in appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide assurance.

Other Supplemental Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the District's basic financial statements. The supplemental information listed below is presented for purposes of additional analysis and is not a required part of the District's financial statements.

• The Schedule of Per Diem Paid to Board Members

• The Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer

Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplemental information is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated May 27, 2025, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS December 31, 2024

This section of the annual financial report presents our discussion and analysis of the District's financial performance during the fiscal year ended December 31, 2024.

OVERVIEW OF FINANCIAL STATEMENTS

The basic financial statements report information about the District as a whole using accounting methods similar to those used by private-sector companies. These financial statements report all revenues and expenses regardless of when cash is received or paid. Furthermore, the basic financial statements include all of the District's assets and all of the District's liabilities (including long-term debt).

FINANCIAL ANALYSIS OF THE DISTRICT

This portion of management's discussion and analysis provides a comparative financial analysis.

Balance Sheet

A condensed version of the District's Balance Sheet is presented as follows:

	 For the Year Ended December 31,		
	2024		2023
Assets:			
Cash	\$ 652,343	\$	649,743

Invested in Capital Assets	1,259,221		1,251,069
Total Net Position	\$ 2,036,849	\$	2003,495

As the presentation appearing above demonstrates, the largest portion of net position is invested in capital assets net of related debt. These assets are used by the District to provide water to the citizens of the District.

The unrestricted portion of net position may be used to meet the District's ongoing obligations to citizens and creditors.

Changes in Net Position

A condensed version of the Statement of Revenues, Expenses, and Changes in Net Position is presented as follows:

MANAGEMENT'S DISCUSSION AND ANALYSIS December 31, 2024

Net Position has increased by \$33,354. This increase is attributable to a increase in overall income throughout the year.

CAPITAL ASSET ADMINISTRATION

Capital asset administration is limited to well repairs.

DEBT ADMINISTRATION

The District did not issue any new debt in the current year.

FACTORS EXPECTED TO EFFECT FUTURE OPERATIONS

At the present time, no known issues are expected to have a significant impact on future operations.

Notes to Financial Statements December 31, 2024

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Organization and Basis of Presentation

The South Vernon Parish Waterworks District #1 is a political subdivision of the Vernon Parish Police Jury. The District is governed by a board of commissioners, composed of seven members who serve with compensation and are appointed for terms of various years by the Vernon Parish Police Jury.

The following is a summary of the more significant accounting policies.

Financial Reporting Entity

Governmental Accounting Standards Board (GASB) established criteria for determining which component units should be considered part of a financial reporting entity. The basic criterion for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability. This criterion includes:

- 1. Appointing a voting majority of an organization's governing body, and
 - a. The ability of the reporting entity to impose its will on that organization and/or
 - b. The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the reporting entity.
- 2. Organizations for which the reporting entity does not appoint a voting majority but are fiscally dependent on the reporting entity.
- 3. Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the previous criteria, the District is a component unit of the Vernon Parish Police Jury. The accompanying component unit financial statements present information only on the fund maintained by the District and do not present information on the Police Jury, the general government service provided by that governmental unit, or other governmental units that comprise the financial reporting entity.

Basis of Presentation

The District uses an enterprise fund for financial reporting purposes. Enterprise funds are proprietary funds used to account for business-like activities. These activities are financed primarily by user charges and the measurement of financial activity focuses on net income measurement similar to the private sector.

Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe which transactions are recorded within the various financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

The District's enterprise fund utilizes an economic resources measurement focus. The accounting objectives of this measurement focus are the determination of operating income, changes in net position, financial position, and cash flows. All assets and liabilities associated with their activities are reported. Proprietary fund equity is classified as net position.

Notes to Financial Statements December 31, 2024

In addition, the District's enterprise fund utilizes the accrual basis of accounting. Under the accrual basis of accounting and the economic resources measurement focus, revenues are recorded when earned and expenses are recorded when a liability is incurred.

The District distinguishes operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services in connection with the District's principal ongoing operations.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

Amounts reported as cash and cash equivalents (restricted and unrestricted) include all cash on hand, cash in bank accounts, certificates of deposit, and highly liquid investments. Credit risk associated with bank deposits is limited by requiring fiscal agent banks to pledge securities as required by State Law. Furthermore, interest rate risk associated with certificates of deposit is typically mitigated by purchasing instruments that mature in one year or less.

Statement Of Cash Flows

For the purpose of reporting cash flows, cash and cash equivalents includes all cash on hand, cash in banks, and certificates of deposit.

Restricted Assets

Any amounts reported as restricted assets, represent resources that must be expended in a specific manner. Restrictions of this nature can be imposed by tax propositions and various contractual obligations including grant agreements and bond covenants. Whenever restricted assets can be used to satisfy an obligation, the restricted assets are typically consumed before utilizing any unrestricted resources.

Capital Assets

Capital assets, which include property, equipment, and infrastructure, are reported as assets in the financial statements.

All capital assets are valued at historical cost or estimated historical cost if actual historical cost is not available. Donated assets are valued at their fair market value when received by the District.

Capital assets are depreciated using the straight-line method and estimated useful lives ranging from 4 to 50 years. Useful lives are selected depending on the expected durability of the particular asset.

Real estate developers periodically contribute water distribution lines and related costs to the District by mutual agreement. Distribution system assets contributed to the District by these installers are capitalized at the installers' cost, which approximate fair value at the time of the District's acquisition, and recorded as capital contributions when received.

NOTE 2-CASH AND CASH EQUIVALENTS

At December 31, 2024, the District has \$666,715 in deposits (collected bank balance). These deposits are secured from risk by \$250,000 of federal deposit insurance and \$798,638 of pledged securities held by the custodial bank in the name of the fiscal agent bank. Even though the pledged securities are considered uncollateralized, State law

Notes to Financial Statements December 31, 2024

imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within 10 days of being notified that the fiscal agent has failed to pay deposited funds upon demand.

Deposits are stated at cost, which approximates market value. Under state law, these deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities plus the federal deposit insurance must at all times equal the amount on deposit with the fiscal agent. These securities are held in the name of the pledging fiscal agent bank in a holding or custodial bank that is mutually acceptable to both parties.

NOTE 3 - AD VALOREM TAXES

Ad Valorem taxes attach as an enforceable lien on property as of January 1 of each year. Taxes are levied by the Vernon Parish Sheriff's Office and remitted to the District the month subsequent to collection.

Billed taxes become delinquent on January 1 of the following year. Revenues from ad valorem taxes are budgeted in the year billed.

For the year ended December 31, 2024, taxes of 10.1 mills totaling \$126,959 were levied and collected on property. This millage is for the general corporate purposes of the District and expires in 2030.

NOTE 4 - RECEIVABLES

The receivables at December 31, 2024, are as follows:

Utility Customers	\$ 50,190
Due From Other Governmental Units	
Ad Valorem Taxes	133,879
Revenue Sharing	12,304
Total Due From Other Governments	146,183
Total	\$ 196,373

Management considers the amounts listed above to be fully collectible. Therefore, there is no allowance for doubtful accounts.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Commissioners South Vernon Parish Waterworks District No. 1

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the business-type activity of the South Vernon Parish Waterworks District No. 1 as of and for the year ended December 31, 2024, and the related notes to the financial statements, which collectively comprise the basic financial statements and have issued our report thereon dated May 27, 2025.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the South Vernon Parish Waterworks District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the South Vernon Parish Waterworks District's internal control. Accordingly, we do not express an opinion on the effectiveness of the South Vernon Parish Waterworks District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be significant deficiencies, or material weaknesses. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other matters

As part of obtaining reasonable assurance about whether the South Vernon Parish Waterworks District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

APPENDIX A Statewide Agreed-Upon Procedures

Independent Accountant's Report On Applying Agreed-Upon Procedures

To the South Vernon Parish Waterworks District No. 1 and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by the South Vernon Parish Waterworks District (the Entity) and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period January 1, 2024 through December 31, 2024. The Entity's management is responsible for those C/C areas identified in the SAUPs.

The entity has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period described above. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

We were engaged to perform this agreed-upon procedures engagement and conducted our engagement in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. We were not engaged to and did not conduct an examination or review engagement, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

We are required to be independent of the entity and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our agreed-upon procedures engagement.

This report is intended solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

Statewide Agreed-Upon Procedures

	Written Policies and Procedures		
	Agreed-Upon Procedure	Results	Managements' Response
1	Obtain and inspect the entity's written policies and procedures and observe that they address each of the following categories and subcategories.	Policies and procedures associated with the District's operations are not in written form, with the exception of certain personnel matters addressed in the District's Personnel Manual.	Despite the absence of written details, the District has established policies and procedures that are clearly understood by personnel responsible for execution. In addition, we will consider the need to formally adopt the procedures that are in place and performing as intended.

3	Obtain a listing of client bank accounts for the fiscal period from management and management's representation that the listing is complete. Ask management to identify the entity's main operating account. Select the entity's main operating account and randomly select 4 additional accounts (or all accounts if less than 5). Randomly select one month from the fiscal period, obtain and inspect the corresponding bank statement and reconciliation for selected each account, and observe that:	A listing was obtained.	The results did not include findings or criticisms.
	 a) Bank reconciliations include evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated, electronically logged); 	Bank reconciliations include an electronic log that is evidence that they were prepared within two months of the closing date.	The results did not include findings or criticisms.
	b) Bank reconciliations include written evidence that a member of management or a board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation within 1 month of the date the reconciliation was prepared (e.g., initialed and dated or electronically logged); and	The Board Secretary periodically reviews bank reconciliations, but the process is informal, and no documentation is retained.	We will have a board member, who is not a signatory on any accounts, review each bank reconciliation monthly.
	c) Management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.	No documentation was available to indicate that research was performed for outstanding items greater than 12 months.	Due to the modest nature of the outstanding amounts, no formal research has been conducted.

4	Obtain a listing of <u>deposit sites</u> for the fiscal period where deposits for cash/checks/money orders (cash) are prepared and management's representation that the listing is complete. Randomly select 5 deposit sites (or all deposit sites if less than 5).	A list of deposit sites and collection locations has been furnished and management has represented that the list is complete.	The results did not include findings or criticisms.
5	For each deposit site selected, obtain a listing of collection locations and management's representation that the listing is complete. Randomly select one collection location for each deposit site (i.e. 5 collection locations for 5 deposit sites), obtain and inspect written policies and procedures relating to employee job duties (if no written policies or procedures, inquire of employees about their job duties) at each collection location, and observe that job duties are properly segregated at each collection location such that:		
	a) Employees that are responsible for cash collections do not share cash drawers/registers.	One cash drawer is maintained.	The size of the staff limits opportunities for segregation of duties. Risk is mitigated because substantially all collections are in the form of check or electronic.

b) Each employee responsible for collecting cash is not responsible for preparing/making bank deposits, unless another employee/official is responsible for reconciling collection documentation (e.g. pre-numbered receipts) to the deposit.	There is little segregation among responsibilities for collecting, preparing deposits, reconciling cash and recording certain transactions.	The size of the staff limits opportunities for segregation of duties. Risk is mitigated because substantially all collections are in the form of check or electronic.	
c) Each employee responsible for collecting cash is not responsible for posting collection entries to the general ledger or subsidiary ledgers, unless another employee/official is responsible for reconciling ledger postings to each other and to the deposit.	There is little segregation among responsibilities for collecting, preparing deposits, reconciling cash and recording certain transactions.	The size of the staff limits opportunities for segregation of duties. Risk is mitigated because substantially all collections are in the form of check or electronic.	
d) The employee(s) responsible for reconciling cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions are not responsible for collecting cash, unless another employee verifies the reconciliation.	There is little segregation among responsibilities for collecting, preparing deposits, reconciling cash and recording certain transactions.	The size of the staff limits opportunities for segregation of duties. Risk is mitigated because substantially all collections are in the form of check or electronic.	
6 Inquire of management that all employees who have access to cash are covered by a bond or insurance policy for theft.	Coverage for employee theft with a loss limit is maintained.	The results did not include findings or criticisms.	
7 Randomly select two deposit dates for each of the 5 bank accounts selected for procedure #3 under "Bank Reconciliations" above (select the next deposit date chronologically if no deposits were made on the dates randomly selected and randomly select a deposit if multiple deposits are made on the same day). a. Observe that receipts are sequentially pre- numbered.	This process utilizes receipts and accounts receivable records to determine that collections are complete.	The results did not include findings or criticisms.
b. Trace sequentially pre-numbered receipts, system reports, and other related collection documentation to the deposit slip.	Two of the deposits selected did not have any documentation available for inspection.	We will work to ensure that all documentation is properly recorded in the future.
c. Trace the deposit slip total to the actual deposit per the bank statement.	Two of the deposits selected did not have any documentation available for inspection.	We will work to ensure that all documentation is properly recorded in the future.
d. Observe that the deposit was made within one business day of receipt at the collection location (within one week if the depository is more than 10 miles from the collection location or the deposit is less than \$100).	Two of the deposits selected did not have any documentation available for inspection.	We will work to ensure that all documentation is properly recorded in the future.
e. Trace the actual deposit per the bank statement to the general ledger.	Deposits agreed with amounts reported on the general ledger.	The results did not include findings or criticisms.

Randomly select 5 reimbursements, obtain the related expense reimbursement forms/prepaid expense documentation of each selected reimbursement, as well as the supporting documentation. For each of the 5 reimbursements selected:	A list was compiled from general ledger detail provided from travel and related expense accounts.	The results did not include findings or criticisms.	
	a. If reimbursed using a per diem, agree the reimbursement rate to those rates established either by the State of Louisiana or the U.S. General Services Administration (www.gsa.gov).	Payments were computed using established mileage rates.	The results did not include findings or criticisms.	
	b. If reimbursed using actual costs, observe that the reimbursement is supported by an original itemized receipt that identifies precisely what was purchased.	Documentation was available for inspection upon request.	The results did not include findings or criticisms.	
	c. Observe that each reimbursement is supported by documentation of the business/public purpose (for meal charges, observe that the documentation includes the names of those individuals participating) and other documentation required by written policy (procedure #1h).	Documentation was available for inspection upon request.	The results did not include findings or criticisms.
