WEST CARROLL SAFE AND DRUG FREE VOLUNTEERS, INC.  
D/B/A WEST CARROLL PARTNERS IN PREVENTION  
NOTES TO FINANCIAL STATEMENTS  
JUNE 30, 2025

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

A. Basis of Presentation

The financial statements have been prepared in accordance with U.S generally accepted accounting principles ("US GAAP"), which require the Organization to report information regarding its financial position and activities according to the following net asset classifications:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of the Organization or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity. Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities.

B. Organization

The Organization provides youth prevention and referral services to families and individuals who need assistance with alcohol and drug problems, as well as gambling problems, in West Carroll, Richland, and Morehouse parishes in Louisiana. Services are provided mainly in partnership with parish school boards.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

C. Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Cash and Cash Equivalents

The Organization considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents for purposes of the statement of cash flows exclude permanently restricted cash and cash equivalents.

E. Budget Policy

Budgets for various programs are prepared by the Organization and approved by grantor of the funds for each respective program. No budgets are prepared for the general fund.

F. Contributions

All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as support with donor restrictions and increases in net assets with donor restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES: (Continued)

F. Contributions (Continued)

Restrictions on contributions, in which the restrictions are met in the current accounting period, are shown as support without donor restrictions.

G. Cash in Bank

All funds are in institutions insured by an agency of the Federal Government, the Federal Deposit Insurance Corporation.

H. Fixed Assets

Fixed assets are depreciated over their estimated useful lives using the straight-line method. Fixed assets are capitalized for individual cost over \$1,000. Donated assets are valued at market value at date of contributions. Equipment lives are estimated at a five to seven year life.

I. Method of Accounting

The accompanying financial statements have been prepared on the accrual method of accounting.

NOTE 2 - FUNDING POLICIES AND SOURCES OF FUNDS:

The Organization receives its monies through various methods of funding. Most of the funds are received from the State of Louisiana, Northeast Delta Human Service Authority. The Organization also receives funds by contributions from both public and private sources. If the Organization loses these funds, it will have an adverse effect on the corporation.

NOTE 3 - ACCOUNTS RECEIVABLE - GRANTS:

At June 30, 2025, no amounts were due.

The reserve for bad debts is zero. Amounts are usually collected within 30 days of billing and management reviews accounts receivable monthly for bad debts.

NOTE 4 - BOARD OF DIRECTORS' COMPENSATION:

The Board of Directors is a voluntary board; therefore, no compensation has been paid to any member.

NOTE 5 - CONTRIBUTED NONFINANCIAL ASSETS:

The Organization received the following contributions of nonfinancial assets for the year ended June 30, 2025:

Occupancy Costs	30,300
-----------------	--------

Contributed occupancy costs received by the Organization are recorded as in-kind contribution revenue with a corresponding increase to rent expense. Donated occupancy costs are valued based upon estimates of fair market values that would be received for renting similar facilities in the same market considering the condition. All contributed occupancy costs were utilized by the Organization by the end of the fiscal year. There were no donor-imposed restrictions associated with the donated facilities.

The Organization receives in-kind contributions of time and services from volunteers related to program services, special events, and fund-raising campaigns. Donated services are recognized as in-kind revenues at their estimated fair value if the services increase or enhance nonfinancial assets or require specialized skills that would need to be purchased if they were not donated. Donated services are reported using current rates for similar services. No amounts have been recognized in the accompanying statements of activities for the year ended June 30, 2025 because the criteria for recognition have not been satisfied.

NOTE 7 - CHANGES IN FIXED ASSETS:

NOTE 8 - CONTINGENT LIABILITIES:

Amounts received or receivable from grantor/contracting agencies are subject to audit and adjustment by grantor/contracting agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount which may be disallowed by the grantor/contracting agencies cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial.

NOTE 9 - FAIR VALUES OF FINANCIAL INSTRUMENTS:

The Organization's financial instruments, none of which are
