To Constable Jonathan Liberto  
Jefferson Parish Constable's Office  
First Justice Court

Management is responsible for the accompanying financial statements of the governmental activities and the major fund, of the Jefferson Parish Constable's Office First Justice Court, as of and for the year ended December 31, 2019, in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the American Institute of Certified Public Accountants. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Office's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the Management's Discussion and Analysis, that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operation, economic, or historical context.

The supplementary information contained in the Schedule of compensation, benefits, and other payments to the agency head, is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. The information was subject to our compilation engagement, however we have not audited or reviewed the supplementary information and, accordingly, do not express an opinion, a conclusion, nor provide any assurance on such supplementary information.

We are not independent with respect to the Jefferson Parish Constable's Office First Justice Court as of and for the year ended December 31, 2019 because we perform certain accounting services that impair our independence, specifically the preparation of these financial statements.
