FINANCIAL SECTION

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors,
Strive Incorporated,
New Orleans, Louisiana.

Report on the Financial Statements

We have audited the accompanying financial statements of Strive Incorporated ("Strive") (a nonprofit organization), which comprise the statement of financial position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Strive Incorporated as of June 30, 2018, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matter

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying supplemental information (on Schedules 1 and 2) is presented for the purposes of additional analysis and the information on Schedule 2 is required by Louisiana Revised Statute 24:513(A)(3); the information on the schedules is not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the financial statements as a whole.

Other Reporting Requirements by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated November 12, 2018 on our consideration of Strive's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance with the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Strive's internal control over financial reporting and compliance.

Bougeois Bennett, L.L.C.

Certified Public Accountants.

New Orleans, Louisiana,
November 12, 2018.

End of year	<u>\$ 1,026,204</u>

See notes to financial statements.

NOTES TO FINANCIAL STATEMENTS

Strive Incorporated
New Orleans, Louisiana

June 30, 2018

Note 1 - NATURE OF ACTIVITIES

Strive Incorporated ("Strive"), formerly Sophie L. Gumbel Guild, is a voluntary health and welfare organization providing housing, training, and recreational services to adults with developmental disabilities. Strive provides housing for adults in Miller Manor and Supervised Independent Living, day care and training for adults through Project Strive. The majority of Strive's revenue is derived from contracts for services with the State of Louisiana and private contracts with businesses in the New Orleans metropolitan area.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**a. Organization and Income Taxes**

Strive is a nonprofit corporation organized under the laws of the State of Louisiana in 1964. It is exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code (the "Code"), and qualifies as an organization that is not a private foundation as defined in Section 509(a) of the Code. It is also exempt from Louisiana income tax under the authority of R.S.47:121(5).

b. Basis of Accounting

The financial statements of Strive are prepared on the accrual basis of accounting.

c. Financial Statement Presentation

Net assets, revenues, and expenses are based on the existence or absence of donor-imposed restrictions. Accordingly, the net assets of Strive and changes therein are classified and reported as follows:

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

c. Financial Statement Presentation (Continued)

Unrestricted Net Assets - Contracts for services, contributions, and other revenues and expenditures of funds for the general operation of its programs.

Temporarily Restricted Net Assets - Contributions and other revenues specifically authorized by the donor or grantor to be used for specific purposes or to benefit specific accounting periods.

Permanently Restricted Net Assets - Contributions and other revenues specifically authorized by the donor or grantor to be maintained in perpetuity. Generally donors of these assets permit use of all or part of the income earned on related cash and investments for general or specific purposes. As of June 30, 2018, Strive does not have any permanently restricted net assets.

d. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Actual results could differ from those estimates.

e. Cash and Cash Equivalents

For purposes of reporting cash flows, Strive considers all highly liquid investments in money market funds and investments available for current use with initial maturities of three months or less to be cash equivalents.

f. Contributions and Revenue Recognition

Contributions are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence or nature of any donor restrictions. Support that is restricted by a donor is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restrictions. When a restriction expires (that is, when a stipulated time restriction ends or a purpose restriction is accomplished), temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same reporting periods are reported as unrestricted support.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

g. Allowance For Uncollectible Accounts

Services rendered to clients are paid through third parties. A receivable is recorded for third-party reimbursements which have not been collected. An allowance for doubtful accounts is recorded based on management's estimate and includes all receivables over one year old. As of June 30, 2018, all accounts over one year old have been written off and there is no allowance as management deems all accounts to be collectible.

h. Inventory

Inventory is stated at lower of cost (first-in, first-out method) or net realizable value.

i. Investments

Strive records investments in certificates of deposit, collateralized mortgage obligations, and mutual funds at fair market value in the Statement of Financial Position. Unrealized gains and losses on investments are included in the change in net assets in the accompanying Statement of Activities. Unrealized gains and losses on investments are recorded as increases or decreases in unrestricted net assets unless their use is temporarily or permanently restricted by explicit donor stipulations or law. Interest earned on investments is reported based on the existence or absence of donor-imposed restrictions. Realized gains and losses on the sales of securities are determined using the specific-identification method. A decline in the fair value of investments below cost that is deemed to be other than temporary results in a charge to the change in net assets, and the establishment of a new cost basis for the investment.

Pooled accounts managed by the Greater New Orleans Foundation are reported at fair market value, including any pro rata gains and losses.

i. Property and Equipment

Property and equipment are recorded at cost. Donated property is recorded at its fair market value at the date of donation. Only items greater than \$1,500 are considered for capitalization. Repairs and maintenance are charged to expense as incurred; major renewals and replacements and betterments are capitalized. Depreciation is provided over the estimated useful life of each class of depreciable asset and is computed on the straight-line method.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

j. Functional Expenses

The costs of providing the various programs and other activities are summarized in the Statement of Functional Expenses. Certain expenses have been allocated among the programs and supporting services based on management's estimate of the costs involved.

k. Tax Matters

Accounting standards provide detailed guidance for financial statement recognition, measurement, and disclosure of uncertain tax positions recognized in an entity's financial statements. These standards require an entity to recognize the financial statement impact of a tax position when it is more likely than not that the position will not be sustained upon examination. As of June 30, 2018, management of Strive believes that it has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. Tax years ended June 30, 2015 and later remain subject to examination by the taxing authorities.

l. Subsequent Events

Management evaluates events occurring subsequent to the date of the financial statements in determining the accounting for and disclosure of transactions and events that effect the financial statements. Subsequent events have been evaluated through November 12, 2018, which is the date the financial statements were available to be issued.

Note 3 - RESTRICTIONS ON NET ASSETS

Temporarily restricted net assets are restricted by donors for specific purposes or designated for subsequent periods. Restrictions are considered to expire when payment for the designated purpose is made. Temporarily restricted net assets totaled \$160,990 as of June 30, 2018. This amount is restricted for the medical assistance of clients.

Note 4 - INVESTMENTS

Investments are stated at fair market value as of June 30, 2018 and consist of the following:

Description	Cost	Market Value	Excess of Cost Over Market
Certificates of deposit	\$ 50,713	\$ 50,713	\$ -
Fixed income securities:			
GNMA collateralized mortgage obligation	1,474	1,451	(23)
Mutual funds	302,333	285,285	(17,048)
Totals	\$ 354,520	\$ 337,449	\$ (17,071)
	Cost	Market Value	Excess of Cost Over Market
Balances as of June 30, 2018	\$ 354,520	\$ 337,449	\$ (17,071)
Balances as of June 30, 2017	\$ 355,075	\$ 344,154	(10,921)
Increase in unrealized depreciation			(6,150)
Dividend income			7,008
Interest			270
Investment income, net			\$ 1,128

Note 5 - FAIR VALUE MEASUREMENTS

The framework for measuring fair value provides a fair value hierarchy which prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in the active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). The three levels of the fair value hierarchy under the Financial Accounting Standards Board Accounting Standards Codification Topic 820, Fair Value Measurements are described as follows:

Level 1 - Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that Strive has the ability to access.

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

Level 2 - Inputs to the valuation methodology include:

- quoted prices for similar assets or liabilities in active markets;
- quoted prices for identical or similar assets or liabilities in inactive markets;
- inputs other than quoted prices that are observable for the asset or liability; and/or
- inputs that are derived principally from or corroborated by observable market data by correlation or other means.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3 - Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques used need to maximize the use of observable inputs and minimize the use of unobservable inputs.

- *Certificates of Deposit*: Valued at cost which approximates the market price. These are included in Level 1 of the fair value hierarchy.
- *Fixed Income Securities - GNMA Collateralized Mortgage Obligation*: Valued at the closing price reported on the active market on which the individual securities are traded. These are included in Level 1 of the fair value hierarchy.
- *Mutual Funds*: Valued at the daily closing price as reported by the fund. Mutual funds held by Strive are open-end mutual funds that are registered with the Securities and Exchange Commission. These funds are required to publish their daily net asset value (NAV) and to transact at that price. The mutual funds held by Strive are deemed to be active traded. These are included in Level 1 of the value hierarchy.
- *Pooled Accounts managed by Greater New Orleans Foundation (GNOF)*: Valued at the NAV of the units of the pooled account. The NAV, as provided by GNOF, is used as a practical expedient to estimate fair value. The NAV is based on the fair value of the underlying investments held by the pooled account less its liabilities.

Note 5 - FAIR VALUE MEASUREMENTS (Continued)

The methodologies described above may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, while Strive believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine the fair value of certain financial instruments could result in a different fair value measurement at the reporting date.

As of June 30, 2018, assets measured at fair value on a recurring basis are comprised of, and determined as follows:

Description	Fair Value as of June 30, 2018	Based on		
		Quoted Prices in Active Markets (Level 1)	Other Observable Inputs (Level 2)	Unobservable Inputs (Level 3)
Certificates of deposit	\$ 50,713	\$ 50,713	\$ -	\$ -
Fixed income securities:				
GNMA collateralized mortgage obligation	1,451	1,451	-	-
Mutual funds:				
Bond funds	285,285	285,285	-	-
Pooled accounts managed by Greater New Orleans Foundation	<u>159,740</u>	<u>-</u>	<u>159,740</u>	<u>-</u>
Totals	<u>\$ 497,189</u>	<u>\$ 337,449</u>	<u>\$ 159,740</u>	<u>\$ -</u>

As of June 30, 2018, there were no assets measured at fair values on a non-recurring basis.

Note 6 - PROPERTY AND EQUIPMENT

As of June 30, 2018, the details of property and equipment were as follows:

Land	\$ 190,630
Buildings and improvements	1,907,810
Furniture and equipment	75,798
Automotive equipment	<u>163,943</u>
	2,338,181
Less accumulated depreciation	<u>1,553,434</u>
Net property and equipment	<u>\$ 784,747</u>

Note 6 - PROPERTY AND EQUIPMENT (Continued)

Depreciation expense for the year ended June 30, 2018 was \$58,101.

Note 7 - RISKS AND UNCERTAINTIES

In general, investment securities are exposed to various risks, such as interest rate, currency, credit, and market volatility. Due to the level of risk associated with certain investment securities, it is reasonably possible that changes in values of investments will occur in the near term and would materially affect the market value of investments held by Strive.

Note 8 - CONCENTRATION OF CREDIT RISK

Strive maintains its cash and investments accounts in various financial institutions where the accounts are insured by Federal Deposit Insurance Corporation up to \$250,000 per bank. As of June 30, 2018, approximately \$369,000 was in excess of the insured limits.

Note 9 - BANK LINE OF CREDIT

Strive has a line of credit up to \$50,000 with a local financial institution with an interest rate of 4.5% per annum. The line of credit is secured by a \$50,712 certificate of deposit held by the same institution, and expired on October 3, 2018. Management expects to renew the line of credit with similar terms. As of June 30, 2018, Strive had no outstanding borrowings under the line of credit and the full amount of the line of credit was available to Strive. This line of credit was required by the funding source.

Note 10 - SIGNIFICANT CONTRACTS

For the year ended June 30, 2018, approximately \$1,564,000 of contract revenue was from the Louisiana Medical Assistance Program. The State provides annual contracts to Strive which grant the State the right to audit program accounts and activities. Management believes that Strive is in compliance with the provisions of these contracts and that the findings of an audit, if any, would not have a material impact on the financial statements.

Note 11 - RISK MANAGEMENT

Strive is exposed to various risks of loss from torts; theft of, damage to, and destruction of assets; business interruption; errors and omissions; employee injuries and illnesses; natural disasters; and employee health and accident benefits. Commercial insurance coverage is purchased for claims arising from such matters. There were no settled claims that exceeded this commercial coverage during the year ended June 30, 2018.

Note 12 - ECONOMIC DEPENDENCY

Strive receives federal and state funding on a per diem per client/unit basis. Federal and state funds from the Department of Health and Human Services, which pass through the Louisiana State Department of Health and Hospitals Office of Family Security, Medical Assistance Program - Medicaid/Title XIX, are on a per diem basis. These payments, reported as residential and habilitation services, are considered payments for services as opposed to grant awards.

In addition, Strive receives state grants from the Department of Health and Hospitals Office for Citizens with Developmental Disabilities on a per diem basis.

If significant budget cuts are made at the federal, state, and/or local levels, the amount of funds Strive receives could be reduced significantly and have an adverse impact on its operations. Management is not aware of any actions that will adversely affect the amount of funds Strive will receive in the next fiscal year.

SPECIAL REPORTS OF CERTIFIED PUBLIC ACCOUNTANTS

INDEPENDENT AUDITOR'S REPORT ON
INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER
MATTERS BASED ON AN AUDIT OF FINANCIAL
STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS

To the Board of Directors,
Strive Incorporated,
New Orleans, Louisiana.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financials statements of Strive Incorporated ("Strive") (a nonprofit organization), which comprise the Statement of Financial Position as of June 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated November 12, 2018.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we consider Strive's internal control over financial reporting ("internal control") to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Strive's internal control. Accordingly, we do not express an opinion on the effectiveness of Strive's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, material weaknesses or significant deficiencies may exist that were not identified. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We did identify certain deficiencies in internal control, described in the accompanying schedule of findings and responses that we consider to be significant deficiencies.

2018-001 - Preparation of Financial Statements and Disclosures
2018-002 - Internal Control Structure

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Strive's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Strive's Response to Findings

Strive's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. Strive's response was not subjected to the auditing procedures applied in the audit of the financial statements and, accordingly, we express no opinion on it.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Strive's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Strive's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Certified Public Accountants.

New Orleans, Louisiana,
November 12, 2018.

SCHEDULE OF FINDINGS AND RESPONSES

Strive Incorporated
New Orleans, Louisiana

For the year ended June 30, 2018

Section I - Summary of Auditor's Report

a) Financial Statements

Type of auditor's report issued: Unmodified

- Material weakness(es) identified? Yes No
- Significant deficiency(ies) identified? Yes None reported

Noncompliance material to consolidated financial statements noted? Yes No

b) Federal Awards

Strive Incorporated did not expend more than \$750,000 in Federal awards during the year ended June 30, 2018, and therefore, was exempt from the audit requirements under Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Section II - Internal Control Over Financial Reporting and Compliance and Other Matters Material to the Basic Financial Statements

Internal Control Over Financial Reporting

2018-001 Preparation of Financial Statements and Disclosures

Criteria - Adequate internal controls in relation to financial reporting require Strive to have the ability to prepare its own financial statements in accordance with accounting principles generally accepted in the United States of America (GAAP), including all required footnote disclosures, or detect misstatements or errors in statements prepared by others.

Section II - Internal Control Over Financial Reporting and Compliance and Other Matters Material to the Basic Financial Statements (Continued)

Internal Control Over Financial Reporting (Continued)

2018-001 Preparation of Financial Statements and Disclosures (Continued)

Condition - Financial statements and required disclosures were not prepared by Strive.

Context - The financial statements were prepared by the auditors.

Effect - The independent auditor cannot be part of Strive's internal control over financial reporting.

Cause - The management of Strive has not determined a need for a financial person possessing the required expertise for cost benefit reasons.

Recommendation - Management and those charged with governance can mitigate the lack of expertise in preparing financial statements by carefully reviewing the financial statements, including disclosures.

Views of Responsible Officials of the Auditee - When There is a Disagreement With the Finding, to the Extent Practical - None.

2018-002 Internal Control Structure

Criteria - The internal control structure should be designed to contain the following:

1. Check signing authority designated to specified individuals in charge of governance to ensure the propriety of all disbursements.
2. Preparation of annual Board approved budgets to provide a mechanism for those in charge of governance to determine the financial strength of Strive and to provide information for decision making.

Condition - Strive's internal control structure can be improved under its current design as check signing authority has not been delegated to certain individuals in charge of governance and annual Board approved budgets are not being prepared by those in charge of governance.

Section II - Internal Control Over Financial Reporting and Compliance and Other Matters Material to the Basic Financial Statements (Continued)

Internal Control Over Financial Reporting (Continued)

2018-002 Internal Control Structure (Continued)

Context - Systematic.

Effect - A weak system of internal controls currently exists. The current internal control structure could lead to errors or irregularities which may not be detected by those in charge of governance.

Cause - The management of Strive and those charged with governance had not determined that there was a need for these procedures.

Recommendation - Strive should design a system of controls to address the following: 1) granting of check signing authority to certain individuals in charge of governance and discontinue the use of a rubber check stamp for check signing and 2) obtaining Board approval for an annual budget.

Views Of Responsible Officials Of The Auditee - When There is a Disagreement With the Finding, to the External Protocol - None.

Compliance and Other Matters

There were no findings reported during the audit for the year ended June 30, 2018 related to compliance and other matters.

Section III - Internal Control and Compliance Material to Federal Awards

Strive Incorporated did not expend more than \$750,000 in Federal awards during the year ended June 30, 2018, and therefore, was exempt from the audit requirements under Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

REPORTS BY MANAGEMENT

SCHEDULE OF PRIOR YEAR FINDINGS AND RESPONSES

Strive Incorporated
New Orleans, Louisiana

For the year ended June 30, 2018

Section I - Internal Control Over Financial Reporting and Compliance and Other Matters Material to the Financial Statements

Internal Control Over Financial Reporting

2017-01 Preparation of Financial Statements and Disclosures

Recommendation - Management and those charged with governance can mitigate the lack of expertise in preparing financial statements by carefully reviewing the financial statements including disclosures.

Current Status - Unresolved. Management and those in charge with governance will carefully review audited financial statements and related disclosures. For cost benefit reasons, management will rely on the independent auditor to identify related disclosures and prepare the financial statements in accordance with accounting principles generally accepted in the United States of America. See 2018-001.

2017-02 Internal Control Structure

Recommendation - Strive should design a system of controls to address the following: 1) granting of check signing authority to certain individuals in charge of governance and discontinue the use of a rubber check stamp for check signing and 2) obtaining Board approval for an annual budget.

Current Status - Unresolved. See 2018-002.

Compliance and Other Matters

There were no findings reported during the audit for the year ended June 30, 2017 related to compliance and other matters.

Section II - Internal Control and Compliance Material to Federal Awards

Strive Incorporated did not expend more than \$750,000 in Federal awards during the year ended June 30, 2017, and therefore, was exempt from the audit requirements under Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Section III - Management Letter

A management letter was not issued in connection with the audit for the year ended June 30, 2017.

MANAGEMENT'S CORRECTIVE ACTION PLAN

Strive Incorporated
New Orleans, Louisiana

For the year ended June 30, 2018

Section I - Internal Control Over Financial Reporting and Compliance and Other Matters Material to the Basic Financial Statements

Internal Control Over Financial Reporting

2018-001 Preparation of Financial Statements and Disclosures

Recommendation - Management and those charged with governance can mitigate the lack of expertise in preparing financial statements by carefully reviewing the financial statements, including disclosures.

Management's Corrective Action - Management and those charged with governance will carefully review audited financial statements and related disclosures. For cost benefit reasons, management will rely on the independent auditor to identify related disclosures and prepare the financial statements in accordance with accounting principles generally accepted in the United States of America.

2018-002 Internal Control Structure

Recommendation - Strive should design a system of controls to address the following: 1) granting of check signing authority to certain individuals in charge of governance and discontinue the use of a rubber check stamp for check signing and 2) obtaining Board approval for an annual budget.

Management's Corrective Action - Management and those charged with governance will implement a system of internal controls to address the proper check signing authority and approved annual budgets.

Section II - Internal Control and Compliance Material to the Federal Awards

Strive Incorporated did not expend more than \$750,000 in Federal awards during the year ended June 30, 2018, and therefore, was exempt from the audit requirements under Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

Section III - Management Letter

A management letter was not issued in connection with the audit of the financial statements for the year ended June 30, 2018.
