Why We Conducted This Work

We performed certain procedures at the Acadiana Area Human Services District (AAHSD) to evaluate certain controls that AAHSD uses to ensure accurate financial reporting, compliance with applicable laws and regulations, and accountability over public funds for the period July 1, 2024, through June 30, 2026.

What We Found

- We evaluated controls and transactions relating to the patient billing cycle, payroll and personnel expenses, and professional service expenses. We found these controls provided reasonable assurance of accountability over public funds for the period examined.
- Based on the results of these procedures, we did not report any findings.
