I have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. The financial statements are prepared in accordance with the tax basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

The supplementary information contained in Schedule of Compensation, Benefits, and Other Payments to Agency Head or Chief Executive Officer is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management. The supplementary information was subject to my compilation engagement. I have not audited or reviewed the supplementary information and do not express an opinion, a conclusion, nor provide any assurance on such information.

Management has elected to omit substantially all of the disclosures ordinarily included in financial statements prepared in accordance with the tax basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's assets, liabilities, net assets, revenues, and expenses. Accordingly, the financial statements are not designed for those who are not informed about such matters.

I am not independent with respect to Thibodaux Main Street Inc.
