Report Highlights

South Central Louisiana Human Services Authority

Louisiana Department of Health

Audit Control # 80250026
Financial Audit Services • June 2026

Why We Conducted This Work

We performed certain procedures at the South Central Louisiana Human Services Authority (SCLHSA) to evaluate certain controls that SCLHSA uses to ensure accurate financial reporting, compliance with applicable laws and regulations, and accountability over public funds for the period July 1, 2023, through June 30, 2025.

What We Found

- We reviewed the status of the prior-report finding reported in the SCLHSA's report dated December 11, 2023. We determined that management has resolved the prior-report finding related to Bank Account Use Resulting in Possible State Law Violations.
- We evaluated the controls and transactions relating to Interagency Transfers and Patient Billings Revenue, Payroll, and Contract Expenditures. We found these controls provided reasonable assurance of accountability over public funds for the period examined.
- Based on the results of these procedures, we did not report any findings.
