## **Independent Auditor's Report**

To the Board of Directors of  
Louisiana Coalition Against Domestic Violence, Inc.

### **Report on the Audit of the Financial Statements**

#### ***Opinion***

We have audited the accompanying financial statements of Louisiana Coalition Against Domestic Violence, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of Louisiana Coalition Against Domestic Violence, Inc. as of December 31, 2024, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### ***Basis for Opinion***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Louisiana Coalition Against Domestic Violence, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### ***Responsibilities of Management for the Financial Statements***

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Coalition Against Domestic Violence, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

### ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Coalition Against Domestic Violence, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Louisiana Coalition Against Domestic Violence, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of compensation, benefits and other payments to agency head or chief executive officer and the schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of compensation, benefits and other payments to agency head or chief executive officer and the schedule of expenditures of federal awards are fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by *Government Auditing Standards***

In accordance with *Government Auditing Standards*, we have also issued our report dated June 12, 2025, on our consideration of Louisiana Coalition Against Domestic Violence, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Louisiana Coalition Against Domestic Violence, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Louisiana Coalition Against Domestic Violence, Inc.'s internal control over financial reporting and compliance.

**Notes to the Financial Statements**  
**December 31, 2024**

**Note 1-Nature of Organization**

The Louisiana Coalition Against Domestic Violence, Inc. (LCADV) is a non-profit organization created on April 26, 1982, to lead a statewide collaborative effort to end domestic violence, provide technical assistance and training, advocate for and administer financial support, provide statewide leadership on public policy, collect and maintain domestic violence reference materials, and advocate change in existing legislation and adoption of new legislation which will contribute to the eradication of domestic violence in Louisiana.

LCADV operates the following programs:

*Training and Technical Assistance* - LCADV provides education, support, training and technical assistance to family violence programs and direct service providers to encourage appropriate and comprehensive responses to family violence within the state of Louisiana. Recipients of training and technical assistance include member programs, judicial and law enforcement agencies, child serving agencies, housing agencies, health care and mental health agencies, other social welfare agencies, and the business community.

*Social Change/Public Awareness* - LCADV leads social change throughout the state by facilitating efforts such as task forces and engaging in community education and awareness through media, distribution of educational materials, awareness campaigns, and social media.

*Statewide Toll-Free Domestic Violence Hotline* - LCADV maintains and markets the statewide toll-free domestic violence hotline, which routes callers immediately to a source of help in a crisis. LCADV markets the hotline number through media, billboards, and printed materials.

*Housing and Other Assistance* - LCADV provides direct assistance to programs and survivors through formal partnerships with its member programs. This expands the capacity of local programs to provide low-barrier, survivor-centered assistance with needs including but not limited to emergency shelter, financial empowerment, and housing stability.

*Public Policy* - LCADV serves as a resource center, primary point of contact, and clearinghouse on domestic violence information to support the development and implementation of policies, protocols, and procedures to enhance domestic violence intervention and prevention throughout the state of Louisiana. Expenditures related to public policy are included with general and administrative expenses.

**Note 2-Summary of Significant Accounting Policies**

**A. Basis of Accounting and Presentation**

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). LCADV is required to report information regarding its financial position and activities according to the following net asset classifications:

*Net assets without donor restrictions:* Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of LCADV. These net assets may be used at the discretion of LCADV's management and board of directors.

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 2-Summary of Significant Accounting Policies (Continued)**

A. Basis of Accounting and Presentation (Continued)

*Net assets with donor restrictions:* Net assets subject to stipulations imposed by donors and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of LCADV or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

B. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue, support, and expenses during the reporting period. Actual results could differ from the estimates that were used.

C. Cash and Cash Equivalents

For purposes of the statement of cash flows, LCADV considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. LCADV had no cash equivalents at December 31, 2024.

D. Grants and Contracts Receivable

Grants and contracts receivable are recorded at net realizable value consisting of the carrying amount less an allowance for credit losses. LCADV evaluates the collectability of its grants and contracts receivable on an individual basis and does not require collateral. Management believes all grants and contracts receivable are fully collectable; therefore, there was no allowance recorded at December 31, 2024. The beginning balance of grants and contracts receivable as of January 1, 2024 was \$2,597,181.

E. Property and Equipment

Property and equipment are recorded at cost or, if donated, at fair market value at the date of donation. Depreciation is provided for using the straight-line method, calculated to extinguish the book value of the assets over their respective useful lives (3 - 7 years for equipment, software, and furnishings). Expenditures for major additions of property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred.

F. Leases

In accordance with ASC 842, *Leases*, LCADV determines if an arrangement is a lease at inception primarily based on the determination of the party responsible for directing the use of an underlying asset within a contract. Operating lease right-of-use assets represent LCADV's right to use an underlying asset for the lease term, and lease liabilities represent LCADV's obligation to make lease payments arising from the lease. Operating lease right-of-use assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. In determining the present value of committed lease payments, LCADV uses its incremental borrowing rate based on the information available at the lease commencement date which includes significant assumptions made including the organization's estimated credit rating and annual percentage yields from debt financings of organizations of similar size and credit rating over a loan term approximating the remaining term of each lease. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the entity will exercise any such options.

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 2-Summary of Significant Accounting Policies (Continued)**

**F. Leases (Continued)**

Lease expense is recognized on a straight-line basis over the expected lease term. LCADV elected to not apply the recognition requirements of ASC 842 to short-term leases with terms of 12 months or less which do not include an option to purchase the underlying asset. For short-term leases, lease payments are recognized as operating expenses on a straight-line basis over the lease term. LCADV elected to account for lease and non-lease components as a single lease component. Additional information and disclosures required by ASC 842 are presented in Note 7.

**G. Revenue Recognition**

LCADV has multiple revenue streams that are accounted for as reciprocal exchange transactions including member dues, sales of supplies, and state contracts.

Member dues - Member dues are recognized ratably over the period of membership. Unearned member dues revenue is reflected as deferred revenue on the statement of financial position. Management has adopted the practical expedient whereby costs to obtain member contracts are not capitalized as the length of a membership contract does not exceed one year.

Sales of supplies - Sales of supplies, which is included in training and other revenue on the statement of activities and change in net assets, include one-time sales of various items. Revenue is recognized at the point in time of the sale as no subsequent performance obligations exist.

State contracts - Because LCADV's performance obligations relate to contracts with a duration that does not exceed one year, LCADV has elected to apply the optional exemption provided in FASB-ASC 606-10-50-14(a), *Revenue from Contracts with Customers*, and, therefore, is not required to disclose the aggregate amount of the transaction price allocated to performance obligations that are unsatisfied or partially unsatisfied at the end of the reporting period. There are no incremental costs of obtaining a contract and no significant financing components. Transaction prices are specific to a distinct performance obligation and do not consist of multiple transactions.

**H. Contributions**

LCADV reports contributions restricted by donors as increases in net assets without donor restrictions if the restrictions expire (that is, when stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in net assets with donor restrictions, depending on the nature of the restrictions. When a restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities and change in net assets as net assets released from restrictions.

**I. Grants**

LCADV receives grant funding from various governmental entities to provide a variety of program services to the public based on specific requirements included in the agreement. Such grants are nonreciprocal transactions and include conditions stipulated by the entity and are, therefore, accounted for as conditional contributions. Public support is recognized as conditions are satisfied, primarily as expenses are incurred. Cash received on grants prior to incurring allowable expenses are recorded as deferred revenue.

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 2-Summary of Significant Accounting Policies (Continued)**

**J. Accrued Vacation**

Accrued vacation is earned at varying rates from two to four weeks per year depending on length of service. A maximum of two weeks paid time off may be carried over at each employee's anniversary date. At December 31, 2024, the balance of accrued vacation was \$44,749, which is included in accrued vacation and payroll liabilities on the statement of financial position.

**K. Income Taxes**

LCADV has been recognized by the Internal Revenue Service as a not-for-profit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal income taxes. LCADV has been classified as an organization other than a private foundation. Accordingly, no provision has been made for income taxes.

Management has determined that there are no uncertain tax positions that would require recognition in the financial statements. If LCADV were to incur an income tax liability in the future, interest on any income tax liability would be reported as interest expense and penalties on any income tax would be reported as income taxes. Management's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based on ongoing analysis of tax laws, regulations, and interpretations thereof as well as other factors.

**L. Functional Expenses**

The financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include occupancy, which is allocated on a square-footage basis; supplies and depreciation, which are allocated based on a study of supply and asset usage; as well as salaries and benefits, which are allocated on the basis of estimates of time and effort.

**M. Liquidity Management**

As of December 31, 2024, the following financial assets could be made readily available to meet general expenditures within one year of the statement of financial position date:

Cash	\$ 508,394
Grants and contracts receivable	<u>4,045,471</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 4,553,865</u>

As part of its liquidity management, LCADV has a policy to structure its financial assets to be available as general expenditures, liabilities, and other obligations become due. In addition to the above amounts, LCADV has an unused line of credit with a financial institution of \$30,000. Additional information on the line of credit is presented in Note 4.

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 3-Property and Equipment**

Property and equipment are comprised of the following as of December 31, 2024:

Equipment, software, and furnishings	\$ 101,494
Less: accumulated depreciation	<u>(69,391)</u>
Property and equipment, net	<u>\$ 32,103</u>

**Note 4-Line of Credit**

LCADV has an unused \$30,000 line of credit with a bank at December 31, 2024. The line of credit will continue until termination of the credit line account by the lender or LCADV. Interest on the line of credit is variable and was 12.75% at December 31, 2024. The line of credit is collateralized by the personal guarantee of an officer of LCADV.

**Note 5-Net Assets with Donor Restrictions**

Net assets with purpose or time donor restrictions were comprised of the Financial Empowerment Program of \$30,158 at December 31, 2024.

**Note 6-Board Designated Net Assets**

Included in net assets without donor restrictions as of December 31, 2024 are board designated net assets of \$12,722 for the Survivor Stability Program.

**Note 7-Operating Lease**

LCADV leases office space under an operating lease, which expires May 31, 2025. The lease agreement does not contain any material residual value guarantees or restrictive covenants.

Supplemental statement of financial position information related to LCADV's operating lease as of December 31, 2024 is as follows:

Assets:	
Operating lease right-of-use asset	<u>\$ 15,223</u>
Liabilities:	
Current portion of operating lease liability	<u>\$ 15,223</u>

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 7-Operating Lease (Continued)**

Future minimum lease payments under the non-cancelable operating lease as of December 31, 2024 are as follows:

2025	<u>\$ 15,375</u>
Total lease payments	15,375
Less: imputed interest	<u>(152)</u>
Total operating lease liability	<u><u>\$ 15,223</u></u>

Operating lease expense amounted to \$36,900 for the year ended December 31, 2024 and is included in occupancy expense on the statement of functional expenses. Cash paid for amounts included in the measurement of the operating lease liability for the year ended December 31, 2024 was \$36,900. As of December 31, 2024, the weighted-average lease term was 0.42 and the weighted-average discount rate was 6.00%.

**Note 8-Retirement Plan**

Employees of LCADV have the option to enroll in a 403(b)-retirement plan after their 90-day probation period has ended. LCADV will match, dollar for dollar, the employee's annual contribution, up to the maximum of 3% of the employee's annual gross salary. Contributions for the year ended December 31, 2024 were \$18,399.

**Note 9-Contingencies**

LCADV participates in federal and state grant programs, which are governed by various rules and regulations. Costs charged to the grant programs are subject to audit and adjustment by the grantor agency; therefore, to the extent that LCADV has not complied with the rules and regulations governing the grants, refunds of any money received and the collectability of any related receivable at year end may be impaired.

In management's opinion, there are no significant contingent liabilities relating to compliance with the rules and regulations governing the grants; therefore, no provision has been recorded in the accompanying financial statements for such contingencies. Any costs disallowed would be recognized in the period agreed upon by the grantor agency and LCADV.

**Note 10-Board of Directors Compensation**

The Board of Directors is a voluntary board; therefore, no compensation or per diem has been paid to any Director.

**Note 11-Economic Dependency**

LCADV derives revenue through grants and contracts administered by the federal government and the State of Louisiana. The grant and contract amounts are appropriated each year by the federal and state governments. If significant budget cuts are made at the federal and/or state level, the amount of funds received by LCADV could be reduced significantly by an amount that could adversely impact its operations. Management is not aware of any actions that will adversely affect the amount of grants and contracts the organization will receive in the next fiscal year. For 2024, 99% of LCADV's revenue was from federal and state government grants and contracts.

**Louisiana Coalition Against Domestic Violence, Inc.**  
**Notes to the Financial Statements**  
**December 31, 2024**

**Note 12-Concentration of Credit Risk**

At various times during the year ended December 31, 2024, cash on deposit with one banking institution exceeded the amount insured by the Federal Deposit Insurance Corporation; however, LCADV has not experienced any losses with respect to its bank balances in excess of government provided insurance. Management believes that no significant concentration of credit risk exists with respect to these balances at December 31, 2024.

**Note 13-Subsequent Events**

Management of LCADV evaluated all subsequent events through June 12, 2025, the date the financial statements were available to be issued. No subsequent events required adjustment to, or disclosure in, these financial statements.

**Independent Auditor's Report on Internal Control over Financial Reporting  
and on Compliance and Other Matters Based on an Audit of Financial  
Statements Performed in Accordance with *Government Auditing Standards***

To the Board of Directors of  
Louisiana Coalition Against Domestic Violence, Inc.

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Louisiana Coalition Against Domestic Violence, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2024, and the related statements of activities and change in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated June 12, 2025.

**Report on Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered Louisiana Coalition Against Domestic Violence, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Coalition Against Domestic Violence, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of Louisiana Coalition Against Domestic Violence, Inc.'s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Louisiana Coalition Against Domestic Violence, Inc.'s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

## **Purpose of This Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

**Independent Auditor's Report  
on Compliance for Each Major Program and on Internal  
Control over Compliance Required by the Uniform Guidance**

To the Board of Directors of  
Louisiana Coalition Against Domestic Violence, Inc.

**Report on Compliance for Each Major Federal Program**

***Opinion on Each Major Federal Program***

We have audited Louisiana Coalition Against Domestic Violence, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* that could have a direct and material effect on each of Louisiana Coalition Against Domestic Violence, Inc.'s major federal programs for the year ended December 31, 2024. Louisiana Coalition Against Domestic Violence, Inc.'s major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, Louisiana Coalition Against Domestic Violence, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2024.

***Basis for Opinion on Each Major Federal Program***

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Louisiana Coalition Against Domestic Violence, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Louisiana Coalition Against Domestic Violence, Inc.'s compliance with the compliance requirements referred to above.

***Responsibilities of Management for Compliance***

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to Louisiana Coalition Against Domestic Violence, Inc.'s federal programs.

## ***Auditor's Responsibilities for the Audit of Compliance***

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Louisiana Coalition Against Domestic Violence, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about Louisiana Coalition Against Domestic Violence, Inc.'s compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, and the Uniform Guidance, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Louisiana Coalition Against Domestic Violence, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Louisiana Coalition Against Domestic Violence, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Coalition Against Domestic Violence, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

## **Report on Internal Control over Compliance**

*A deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

on Applying Agreed-Upon Procedures  
for the Year Ended December 31, 2024**

To the Board of Directors of Louisiana Coalition Against Domestic Violence, Inc. and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below on the control and compliance (C/C) areas identified in the Louisiana Legislative Auditor's (LLA's) Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period January 1, 2024 through December 31, 2024. Louisiana Coalition Against Domestic Violence, Inc.'s management is responsible for those C/C areas identified in the SAUPs.

Louisiana Coalition Against Domestic Violence, Inc. has agreed to and acknowledged that the procedures performed are appropriate to meet the intended purpose of the engagement, which is to perform specified procedures on the C/C areas identified in LLA's SAUPs for the fiscal period January 1, 2024 through December 31, 2024. Additionally, LLA has agreed to and acknowledged that the procedures performed are appropriate for its purposes. This report may not be suitable for any other purpose. The procedures performed may not address all the items of interest to a user of this report and may not meet the needs of all users of this report and, as such, users are responsible for determining whether the procedures performed are appropriate for their purposes.

The procedures and associated findings are as follows:

***1) Bank Reconciliations***

---

- A. Obtained a listing of entity bank accounts for the fiscal period from management and management's representation that the listing is complete. Asked management to identify the entity's main operating account. Selected the entity's main operating account and randomly selected 4 additional accounts (or all accounts if less than 5). Randomly selected one month from the fiscal period, obtained and inspected the corresponding bank statement and reconciliation for each selected account, and observed that:
- i. Bank reconciliations included evidence that they were prepared within 2 months of the related statement closing date (e.g., initialed and dated or electronically logged);
  - ii. Bank reconciliations included written evidence that a member of management or a board member who does not handle cash, post ledgers, or issue checks has reviewed each bank reconciliation within 1 month of the date the reconciliation was prepared (e.g., initialed and dated, electronically logged); and
  - iii. Management has documentation reflecting it has researched reconciling items that have been outstanding for more than 12 months from the statement closing date, if applicable.

**Results:**

No exceptions noted.

**2) Non-Payroll Disbursements (excluding card purchases, travel reimbursements, and petty cash purchases)**

---

- A. Obtained a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly selected 5 locations (or all locations if less than 5).
- B. For each location selected under procedure #2A above, obtained a listing of those employees involved with non-payroll purchasing and payment functions. Obtained written policies and procedures relating to employee job duties, and observed that job duties are properly segregated such that
  - i. At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order or making the purchase;
  - ii. At least two employees are involved in processing and approving payments to vendors;
  - iii. The employee responsible for processing payments is prohibited from adding/modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files;
  - iv. Either the employee/official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments; and
  - v. Only employees/officials authorized to sign checks approve the electronic disbursement (release) of funds, whether through automated clearinghouse (ACH), electronic funds transfer (EFT), wire transfer, or some other electronic means.

**Results:**

No exceptions noted.

- C. For each location selected under procedure #2A above, obtained the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtained management's representation that the population is complete. Randomly selected 5 disbursements for each location, obtained supporting documentation for each transaction, and
  - i. Observed whether the disbursement, whether by paper or electronic means, matched the related original itemized invoice and supporting documentation indicates that deliverables included on the invoice were received by the entity, and
  - ii. Observed whether the disbursement documentation included evidence (e.g., initial/date, electronic logging) of segregation of duties tested under procedure #2B above, as applicable.

**Results:**

No exceptions noted.

- D. Using the entity's main operating account and the month selected in Bank Reconciliations procedure #1A, randomly selected 5 non-payroll-related electronic disbursements (or all electronic disbursements if less than 5) and observed that each electronic disbursement was (a) approved by only those persons authorized to disburse funds (e.g., sign checks) per the entity's policy, and (b) approved by the required number of authorized signers per the entity's policy.

**Results:**

No exceptions noted.

- B. Randomly selected one pay period during the fiscal period. For the 5 employees or officials selected under procedure #3A above, obtained attendance records and leave documentation for the pay period, and
- i. Observed that all selected employees or officials documented their daily attendance and leave (e.g., vacation, sick, compensatory);
  - ii. Observed whether supervisors approved the attendance and leave of the selected employees or officials;
  - iii. Observed that any leave accrued or taken during the pay period is reflected in the entity's cumulative leave records; and
