Independent Auditor's Report

Board of Commissioners
Housing Authority of Abbeville
Abbeville, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of each major fund of the Housing Authority of the City of Abbeville, Louisiana as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Housing Authority of Abbeville basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in financial statements. The procedures selected depend on the auditor's judgment, including assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design and audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of each major fund of the Housing Authority of the City of Abbeville, Louisiana, as of June 30, 2017, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Emphasis of Matter

Also included in Supplementary Information is an Agreed-Upon Procedures report, which reports on an Agreed-Upon Procedures engagement now required by the Louisiana Legislative Auditor. Our opinion is not modified in respect to this matter.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Managements' Discussion and Analysis on pages 4 to 10 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards general accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority of the City of Abbeville, Louisiana's basic financial statements. The statement and certification of actual modernization costs, statement of modernization-uncompleted, financial data schedules, and other information as listed on the table of contents are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The statement and certification of actual modernization costs, statement of modernization costs-uncompleted, financial data schedules, and other information as listed on the table of contents is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements

themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the statement and certification of actual modernization costs, statement of modernization-uncompleted, financial data schedules, and other information as listed on the table of contents are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated December 15, 2017 on our consideration of the Housing Authority of the City of Abbeville, Louisiana's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Audit Standards* in considering the Housing Authority of the City of Abbeville, Louisiana's internal control over financial reporting and compliance.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA

REQUIRED SUPPLEMENTAL INFORMATION

**MANAGEMENT DISCUSSION AND ANALYSIS (MD&A)
June 30, 2017**

The management of Public Housing Authority of Abbeville, Louisiana presents the following discussion and analysis (MD&A) of the Housing Authority's financial activities for the fiscal year ending June 30, 2017. This represents an overview of financial information. Please read this discussion and analysis in conjunction with the Authority's included audited financial statements.

FINANCIAL HIGHLIGHTS

- The primary source of funding for these activities continues to be subsidies and grants from the Department of Housing and Urban Development (HUD), whereas tenant rentals provide a secondary but also significant source of funding.
- The Housing Authority's assets exceeded its liabilities by \$2,229,835 at the close of the fiscal year ended 2017.
 - ✓ Of this amount \$1,419,574 represents a restriction equal to the net amount invested in land, buildings, furnishings, leasehold improvements, equipment, and construction in progress, minus associated debts.
 - ✓ The remainder of \$810,262 of unrestricted assets could be used to meet the Housing Authority's ongoing obligations to citizens and creditors. As a measure of financial strength, this amount equals 74% of the total operating expenses of \$1,090,619 for the fiscal year 2017, which means the Authority might be able to operate about 9 months using the unrestricted assets alone, compared to 9 months in the prior fiscal year.
- The Housing Authority's total net position increased by \$36,937, a 2% increase from the prior fiscal year 2016. This increase is attributable to significant increases in Federal grants for both operations and capital improvements, described in more detail below.
- The increase in net position of these funds was accompanied by an increase in cash and cash equivalents by \$82,580 from fiscal year 2016.
- The Authority spent \$175,851 on capital asset additions during the current fiscal year.
- These changes led to an increase in total assets by \$50,596 and an increase in total liabilities by \$13,659. As related measure of financial health, there are still over \$11 of current assets covering each dollar of total current liabilities, which compares to \$11 covering the prior fiscal year's liabilities.
- The Housing Authority continues to operate without the need for debt borrowing.

OVERVIEW OF THE FINANCIAL STATEMENTS

This MD&A is intended to serve as an introduction to the Housing Authority's basic financial statements. The Housing Authority is a special-purpose government engaged in business-type activities. Accordingly, only fund financial statements are presented as the basic financial statements, comprised of two components: (1) fund financial statements and (2) a series of notes to the financial statements. These provide information about the activities of the Housing Authority as a whole and present a longer-term view of the Housing Authority's finances. This report also contains other supplemental information in addition to the basic financial statements themselves demonstrating how projects funded by HUD have been completed, and whether there are inadequacies in the Authority's internal controls.

Reporting on the Housing Authority as a Whole

One of the most important questions asked about the Authority's finances is, "Is the Housing Authority as a whole better off, or worse off, as a result of the achievements of fiscal year 2017?" The Statement of net position and the Statement of Revenues, Expenses, and Changes in Net Position report information about the Housing Authority as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

Fund Financial Statements

All of the funds of the Housing Authority are reported as proprietary funds. A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The Housing Authority, like other enterprises operated by state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

The Housing Authority's financial statements report its net position and changes in net position. One can think of the Housing Authority's net position – the difference between assets and liabilities – as one way to measure the Authority's financial health, or financial position. Over time, increases and decreases in the Authority's net position are one indicator of whether its financial health is improving or deteriorating. One will need to consider other non-financial factors, however, such as the changes in the Authority's occupancy levels or its legal obligations to HUD, to assess the overall health of the Housing Authority.

USING THIS ANNUAL REPORT

The Housing Authority's annual report consists of financial statements that show combined information about the Housing Authority's most significant programs:

Low Rent Public Housing	\$ 472,343
Public Housing Capital Fund Program	<u>215,312</u>
Total funding received this current fiscal year	<u>\$ 687,655</u>

The Housing Authority's auditors provided assurance in their independent auditors' report with which this MD&A is included, that the basic financial statements are fairly stated. The auditors provide varying degrees of assurance regarding the other information included in this report. A user of this report should read the independent auditors' report carefully to determine the level of assurance provided for each of the other parts of this report.

Reporting the Housing Authority's Most Significant Funds

The Housing Authority's financial statements provide detailed information about the most significant funds. Some funds are required to be established by the Department of Housing and Urban Development (HUD). However, the Housing Authority establishes other funds to help it control and manage money for particular purposes, or to show that it is meeting legal responsibilities for using grants and other money.

The Housing Authority's enterprise funds use the following accounting approach for Proprietary funds: All of the Housing Authority's services are reported in enterprise funds. The focus of proprietary funds is on income measurement, which, together with the maintenance of net position, is an important financial indicator.

Housing Authority of City Abbeville, LA
Management's Discussion and Analysis (MD&A)
June 30, 2017

FINANCIAL ANALYSIS

The Housing Authority's net position was \$2,229,835 as of June 30, 2017. Of this amount, \$1,419,574 was invested in capital assets, and the remaining \$810,261 was unrestricted. No other specific Assets are restricted. Also, there are no other restrictions on general net position.

Total net position - beginning	2,192,898	2,254,931
Total net position - ending	\$ 2,229,835	\$ 2,192,898

EXPLANATIONS OF FINANCIAL ANALYSIS

Compared with the prior fiscal year, total operating, non-operating revenues, and capital contributions increased \$156,101, or by 16%, from a combination of larger offsetting factors. Reasons for most of this change are listed below in order of impact from greatest to least:

- Total tenant revenue increased by \$18,437, or by 4% from that of the prior fiscal year because the amount of rent each tenant pays is based on a sliding scale of their personal income. Some tenants' personal incomes increased, so rent revenue from these tenants increased accordingly, raising the overall total. Included in this increase is an increase to Other tenant revenues (such as fees collected from tenants for late payment of rent, damages to their units, and other assessments) by \$1,011, or by 1%.
- Federal revenues from HUD for operations increased by \$29,379, or by 6% from that of the prior fiscal year. The determination of operating grants is based in part upon operations performance of prior years. This amount fluctuates from year-to-year because of the complexities of the funding formula HUD employs. Generally, this formula calculates an allowable expense level adjusted for inflation, occupancy, and other factors, and then uses this final result as a basis for determining the grant amount. The amount of rent subsidy received from HUD depends upon an eligibility scale of each tenant. There was an increase in the number of eligible tenants receiving subsidies, so Housing Assistance Grants increased accordingly, lowering the overall total.
- Federal Capital Funds from HUD increased by \$120,890 from that of the prior fiscal year. The Housing Authority was still in the process of completing projects funded from grants by HUD for fiscal year 2016, and submitted a new grant during fiscal year 2017.
- Total other non-operating revenue decreased by \$11,677, or by 9% from that of the prior fiscal year.
- Interest income increased by \$83, or by 8% from that of the prior fiscal year.

Compared with the prior fiscal year, total operating expenses increased \$57,131, or by 6%, but this also was made up of a combination of offsetting factors. Again, reasons for most of this change are listed below in order of impact from greatest to least:

- Depreciation expense decreased by \$2,320, or by 1% from that of the prior fiscal year because some assets became fully depreciated in the prior year.
- Maintenance and repairs increased by \$33,797, or by 13% from that of the prior fiscal year due to several major factors: Repair staff wages decreased by \$177 and related employee benefit contributions decreased by \$3,630. Also, materials used increased by \$4,871, or by 6%, and contract labor costs increased by \$32,734, or by 48%.
- General Expenses increased by \$8,532, or by 9% from that of the prior fiscal year. Payments in lieu of taxes (PILOT) increased by \$330, or by 2%. PILOT is calculated as a percentage of rent (which increased by 6%) minus utilities (which increased 8%), and therefore changed proportionately to the changes in each of these. Insurance premiums increased by \$6,610, Bad debts increased by \$1,252, and Compensated absences increased by \$341.
- Administrative Expenses increased by \$1,817, or by 1% from that of the prior fiscal year, due to a combination of offsetting factors: Administrative staff salaries increased by \$6,992, or by 5%, and related employee benefit contributions decreased by \$4,987, or by 10% therefore, total staff salaries and benefit costs increased by 1%. In addition, legal fees increased by \$175 and staff travel reimbursements increased by \$3,256. Alternatively, office expenses decreased by \$3,477 and sundry expenses decreased by \$142.
- Utilities Expense increased by \$15,348, or by 8% from that of the prior fiscal year because water cost decreased by \$18,960, due to a decrease in rate by 44%, electricity cost increased by \$33,515, due to an increase in rate by 25%, gas cost increased by \$119, due to an increase in rate by 32%, and other utilities expense (such as labor, benefits, garbage, sewage, and waste removal) increased by \$794.

Housing Authority of City Abbeville, LA
Management's Discussion and Analysis (MD&A)
June 30, 2017

- Protective services decreased by \$43 from that of the prior fiscal year.
- Tenant services, totaling \$400, did not change from the prior to the current year.

CAPITAL ASSET AND DEBT ADMINISTRATION

Capital Assets

At June 30, 2017, the Housing Authority had a total cost of \$7,326,966 invested in a broad range of assets and construction in progress from projects funded in 2014 through 2016, listed below. This amount, not including depreciation, represents increases of \$158,130 from the prior year. More detailed information about capital assets appears in the notes to the financial statements.

Capital Assets, Net of Accumulated Depreciation As of June 30, 2017

	<u>2017</u>	<u>2016</u>
Land	\$ 117,780	\$ 117,780
Construction in progress	28,185	36,057
Buildings	1,205,559	1,224,600
Leasehold improvements	49,319	56,445
Furniture and equipment	18,731	17,659
Total	<u>\$ 1,419,574</u>	<u>\$ 1,452,541</u>

As of the end of the 2017 fiscal year, the Authority is still in the process of completing a HUD grants of \$188,760 obtained for the 2016 fiscal year. A total remainder of \$137,401 will be received and spent for completing these projects during fiscal year 2018.

Debt

Non-current liabilities also include accrued leave due to employees. The Housing Authority has not incurred any mortgages, leases, or bond indentures for financing capital assets or operations.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The Housing Authority is primarily dependent upon HUD for the funding of operations; therefore, the Housing Authority is affected more by Federal budget than by local economic conditions. The capital budgets for the 2018 fiscal year have already been submitted to HUD for approval and no major changes are expected.

The Capital fund programs are multiple year budgets and have remained relatively stable. Capital Funds are used for the modernization of public housing properties including administrative fees involved in the modernization.

CONTACTING THE HOUSING AUTHORITY'S FINANCIAL MANAGEMENT

Our financial report is designed to provide our citizens, investors, and creditors with a general overview of the Housing Authority's finances, and to show the Housing Authority's accountability for the money it receives. If you have questions about this report, or wish to request additional financial information, contact Ellie Arceneaux, at Public Housing Authority of Abbeville, Louisiana; P.O. Box 435; Abbeville, LA 70511.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

NOTE 1 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES The accompanying financial statements of the Housing Authority of the City of Abbeville have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

A. REPORTING ENTITY Housing Authorities are chartered as public corporations under the laws (LSA – R.S. 40.391) of the State of Louisiana for the purpose of providing safe and sanitary dwellings accommodations. This creation was contingent upon the local governing body of the city or parish declaring a need for the Housing Authority to function in such city or parish. The Housing Authority is governed by a five member Board of Commissioners. The members, appointed by the Honorable Mayor of the City of Abbeville, serve staggered multi-year terms.

The Housing Authority has the following units:

PHA Owned Housing	FW 1087	156 units
-------------------	---------	-----------

GASB Statement 14 establishes criteria for determining the governmental reporting entity and component units that should be included within the reporting entity. Under provisions of this Statement, the Housing Authority is considered a primary government, since it is a special purpose government that has a separate governing body, is legally separate, and is fiscally independent of other state or local governments. As used in GASB Statement 14, fiscally independent means that the Housing Authority may, without the approval or consent of another governmental entity, determine or modify its own budget, levy its own taxes or set rates or charges, and issue bonded debt with HUD approval.

The Housing Authority is a related organization of the City of Abbeville since the City of Abbeville appoints a voting majority of the Housing Authority's governing board. The City of Abbeville is not financially accountable for the Housing Authority as it cannot impose its will on the Housing Authority and there is no potential for the Housing Authority to provide financial benefit to, or impose financial burdens on, the City of Abbeville. Accordingly, the Housing Authority is not a component unit of the financial reporting entity of the City of Abbeville.

Governmental Accounting Standards Board (GASB) Codification Section 2100 establishes criteria for determining which, if any, component units should be considered part of the Housing Authority for financial reporting purposes. The basic criteria for including a potential component unit within the reporting entity is financial accountability. The GASB has set forth criteria to be considered in determining financial accountability, which includes:

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

- 1) Appointing a voting majority of an organization's governing body, and:
 - a) The ability of the government to impose its will on that organization and/or
 - b) The potential for the organization to provide specific financial benefits to or impose specific financial burdens on the government.
- 2) Organizations for which the government does not appoint a voting majority but are fiscally dependent on the government.
- 3) Organizations for which the reporting entity financial statements would be misleading if data of the organization is not included because of the nature or significance of the relationship.

Based on the previous criteria, the Housing Authority has determined that there are no component units that should be considered as part of the Housing Authority reporting entity.

B. FUNDS The accounts of the Housing Authority are organized and operated on the basis of funds. A fund is an independent fiscal and accounting entity with a self-balancing set of accounts. Fund accounting segregates funds according to their intended purpose and is used to aid management in demonstrating compliance with finance-related legal and contractual provisions. The minimum number of funds are maintained consistent with legal and managerial requirements.

The transactions of the Housing Authority are reported in a proprietary enterprise fund. The general fund accounts for the transactions of the Public Housing Low Rent program and the Capital Fund program.

C. MEASUREMENT FOCUS AND BASIS OF ACCOUNTING

PROPRIETARY FUNDS Proprietary funds are accounted for on the flow of economic resources measurement focus and the accrual basis of accounting. Under this method, revenues are recorded when earned and expenses are recorded at the time the liabilities are incurred. With this measurement focus, all assets and all liabilities associated with the operation of these funds are included on the statement of net position sheet.

Proprietary funds distinguish operating revenues and expenses from non-operating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary funds' principal ongoing operations. According to the Authority's policy, governmental operating grants are considered operating revenues. The other principal operating revenues of the Housing Authority are rent and maintenance charges to residents and operating fees earned. Operating expenses for proprietary funds include the administrative costs of providing the service. All revenues and expenses not meeting this definition are reported as non-operating revenues and expenses.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

D. CASH AND CASH EQUIVALENTS Cash includes amounts in demand deposits and interest-bearing demand deposits. Cash equivalents include amounts in time deposits, of less than ninety days, and cash with fiscal agent. Under state law, the Housing Authority may deposit funds in demand deposits, interest-bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana.

On the Statement of Cash Flows, cash and cash equivalents, end of year, is \$789,621. This is comprised of cash and cash equivalents of \$767,211 and restricted assets – cash of \$22,410 on the statement of net position.

E. INVESTMENTS Investments are limited to L.S.-R.S. 33:2955 and the Housing Authority investment policy. If the original maturities of investments exceed 90 days, they are classified as investments; however, if the original maturities are 90 days or less, they are classified as cash equivalents.

The investments are reflected at quoted market prices except for the following which are required/permitted as per GASB Statement No. 31:

Investments in *nonparticipating* interest-earning contracts, such as nonnegotiable certificates of deposit with redemption terms that do not consider market rates, are reported using a cost-based measure.

Definitions:

Interest-earning investment contract include time deposits with financial institutions (such as certificates of deposit), repurchase agreements, and guaranteed investment contracts.

F. REVENUE RECOGNITION Revenues and other governmental fund financial resource increments are recognized in the accounting period in which they become susceptible to accrual – that is, when they become *measurable* and *available* to the finance expenditures of the fiscal period. “Available” is determined as collectible within the 12 months of the fiscal year or soon enough thereafter to be used in pay liabilities of the current period.

G. INVENTORY All purchased inventory items are valued at cost using the first-in, first-out method. Inventory is recorded using the purchase method. At year end, the amount of inventory is recorded for external financial reporting.

H. PREPAID ITEMS Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

I. CAPITAL ASSETS Capital assets are recorded at historical cost and depreciated over their estimated useful lives (excluding salvage value). The capitalization threshold is \$2,500. Donated capital assets are recorded at their estimated fair value at the date of donation. Estimated useful life is management's estimate of how long the asset is expected to meet service demands. Straight line depreciation is used based on the following estimated useful lives:

Site improvements	10 years
Buildings	27.5 years
Building improvements	10 years
Furniture and equipment	5 years

J. UNEARNED INCOME The Housing Authority reports prepaid revenues on its statement of net position. Prepaid revenues arise when resources are received by the Housing Authority before it has a legal claim to them, as when grant monies are received prior to the occurrence of qualifying expenditures. In subsequent periods, when the Housing Authority has a legal claim to the resources, the liability for prepaid revenue is removed from the statement of net position and the revenue is recognized.

K. COMPENSATED ABSENCES The Housing Authority follows Louisiana Civil Service regulations for accumulated annual and sick leave. Employees may accumulate up to three hundred hours of annual leave which may be received upon termination or retirement. Sick leave hours accumulate, but the employee is not paid for them if not used by his/her retirement or termination date.

L. POST EMPLOYMENT BENEFITS The Authority does not recognize or pay any post employment benefits. Accordingly, Governmental Accounting Standards Board (GASB) Statement Number 45 does not apply.

M. NET POSITION AND FLOW ASSUMPTIONS Net position is reported as restricted when constraints are placed on net position use as either:

Externally imposed by creditors (such as debt covenants), grantors, contributors, or laws or regulations of other governments or imposed by law through constitutional provisions or enabling legislation.

Restricted resources are used first when an expense is incurred for purposes for which both restricted and unrestricted net positions are available.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

N. USE OF ESTIMATES The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues, expenses and other financing sources and uses during the reporting period. Actual results could differ from those estimates.

NOTE 2 – DEPOSITS AND INVESTMENTS The Housing Authority has reported their investments with a maturity at time of purchase of one year or less at amortized cost. Investments with maturity at time of purchase of greater than one year are presented at fair value at June 30, 2017. Deposits are stated at cost, which approximates fair value.

Interest Rate Risk: The Housing Authority's policy does not address interest rate risk.

Credit Rate Risk: GASB 40 disclosure of credit rate risk does not apply, since the Authority's only investments are certificates of deposit.

Custodial Credit Risk: The Authority's policy requires the financial institution to cover the first \$250,000 of deposits with FDIC coverage. Any excess deposits must be collateralized with securities held by the pledging financial institution, with a fair market value that equals or exceeds the amount of excess deposits.

Restricted Cash: \$22,410 is restricted in the General Fund for security deposits.

At June 30, 2017, the Housing Authority's carrying amount of deposits was \$897,603 and the bank balance was \$918,116, which includes \$108,232 in certificates of deposits classified as investments. Petty cash consists of \$250. \$250,000 of the bank balance was covered by FDIC Insurance. Of the remaining bank balance, \$668,116 was required to be covered by pledged securities and was. This \$668,216 was exposed to custodial credit risk, as defined by GASBS No. 40, para. 8, because it was uninsured and partially collateralized with securities held by the pledging financial institution's trust department or agent but not in the Housing Authority's name.

Even though the pledged securities are considered uncollateralized (Category 3) under the provisions of GASB Statement 40, Louisiana Revised Statute 39:1229 imposes a statutory requirement on the custodial bank to advertise and sell the pledged securities within ten days of being notified by the Housing Authority that the fiscal agent has failed to pay deposited funds upon demand. Investments during the year were solely in time deposits at banks.

Total accumulated depreciation	5,716,295	208,818	17,721	5,907,392
Total capital assets, net	\$ 1,452,541	\$ (25,095)	\$ 7,872	\$ 1,419,574

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

NOTE 5 – ACCOUNTS PAYABLE The payables at June 30, 2017 are as follows:

Vendors	\$	2,552
Payroll taxes & Retirement withheld		4,044
Utilities		20,780
Total	\$	27,376

NOTE 6 – COMPENSATED ABSENCES At June 30, 2017, employees of the Housing Authority have accumulated and vested \$57,810 of employee leave computed in accordance with GASB, Codification Section C60.

NOTE 7 – LONG-TERM OBLIGATIONS The following is a summary of the long-term obligation transactions for the year ended June 30, 2017.

		Compensated Absences
Balance, beginning	\$	51,231
Additions		13,131
Deletions		6,552
Balance, ending		57,810
Amounts due in one year	\$	8,169

NOTE 8 – RETIREMENT SYSTEM The Housing Authority participates in the Housing Renewal and Local Agency Retirement Plan, which is a defined contribution plan. The plan consists of employees of various local and regional housing authorities, urban renewal agencies, and other similar organizations. Through this plan, the Housing Authority provides pension benefits for all of its full-time employees. All full-time employees are eligible to participate in the plan on the first day of completing one month of continuous and uninterrupted employment.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

Under a defined contribution plan, benefits depend solely on amounts contributed to the plan plus investment earnings. Each participant in the plan is required to make a monthly contribution equal to 6% of his effective compensation, and may make additional contributions. The employer is required to make monthly contributions equal to 8.5% of each participant's effective compensation.

The Housing Authority's contribution for each employee and income allocated to the employee's account is fully vested after five years of continuous service. The Housing Authority's contributions and interest forfeited by employees who leave employment before five years of service are first used to pay for plan expenses and if there is any residual amount, the amount is refunded to the Housing Authority.

The Housing Authority has the right to establish or amend retirement plan provisions. The Housing Authority's Joinder Agreement with the Housing Renewal and Local Agency Retirement Plan may be amended or modified by Board Resolution. Amendment of the Joinder Agreement is limited to provisions affecting plan specifications.

The Housing Authority made the required contributions of \$17,401 for the year ended June 30, 2017, of which \$9,831 was paid by the Housing Authority and \$7,570 was paid by employees. No payments were made out of the forfeiture account.

NOTE 9 – COMMITMENTS AND CONTINGENCIES

Commitments On June 19, 2014, the Authority entered into an Employment Agreement with the Executive Director. The Agreement is effective as of December 1, 2014. It replaces an Agreement with the same terms that was effective December 1, 2009. The Agreement is for five years, and is renewable for additional five year terms, upon Board approval. The Agreement may be terminated by the Executive Director upon sixty days written notice given to the Board, prior to resignation.

The Agreement may be terminated by the Authority at any time for cause, as long as due process is followed. If the Executive Director is terminated for cause, the Director is owed the salary through termination, including annual leave and other benefits, including reasonable reimbursement of benefits.

If the Director is terminated without cause, the Authority is obligated to pay at the date of termination a lump sum equal to the salary and benefits that the Director would have earned or received for the remainder of the current five year unexpired term, in addition to accrued salary and benefits.

Litigation The Housing Authority is not presently involved in litigation.

Grant Disallowances The Housing Authority participates in a number of federally assisted grant programs. The programs are subject to compliance audits under the single audit approach. Such audits could lead to requests for reimbursement by the grantor agency for expenditures disallowed under terms of the grants. Housing Authority management believes that the amount of disallowance, if any, which may arise from future audits will not be material.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
NOTES TO THE BASIC FINANCIAL STATEMENTS

JUNE 30, 2017

Construction Projects There are certain renovation or construction projects in progress at June 30, 2017. These include modernizing rental units. These projects are being funded by HUD. Funds are requested periodically as the cost is incurred.

Risk Management The Housing Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors and omissions; and natural disasters for which the Housing Authority carries commercial insurance.

The Housing Authority transfers risk of loss by participating in a public entity risk pool and contracting with a commercial insurance carrier for all major categories of exposed risk.

This includes coverage of property, general liability, public liability, auto, bond, and worker's compensation. The risk pool and insurance contracted are obligated to meet settlements up to the maximum coverage, after the PHA's premiums and deductions are met.

Louisiana State law prohibits one governmental entity assessing another entity. If the Louisiana Housing Council Group Self Insured Fund (LHC) risk pool is unable to meet its obligations, the risk to the Housing Authority is only that its own claim would be unpaid.

Coverage has not significantly changed from the previous year and settlements for each of the past three years have not exceeded insurance coverage.

NOTE 11 – ECONOMIC DEPENDENCE The Department of Housing and Urban Development provided \$687,955 to the Housing Authority, which represents approximately 61% of the Housing Authority's total revenue and capital contributions for the year.

NOTE 12 - SUBSEQUENT EVENTS Management has evaluated events and transactions subsequent to the statement of net position date through, December 15, 2017, of the independent auditor's report for potential recognition or disclosure in the financial statements. Management has not identified any items requiring recognition or disclosure.

Report on Internal Control Over Financial Reporting and on Compliance and
Other Matters Based on an Audit of Financial Statements Performed in
Accordance with *Government Auditing Standards*

Independent Auditor's Report

Housing Authority of Abbeville
Abbeville, Louisiana

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States, the financial statements of each major fund of the Housing Authority of the City of Abbeville, Louisiana, as of and for the year ended June 30, 2017, and the related notes to the financial statements, which collectively comprise the Housing Authority of the City of Abbeville, Louisiana's basic financial statements, and have issued our report thereon dated December 15, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Housing Authority of the City of Abbeville, Louisiana's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority of the City of Abbeville, Louisiana's internal control. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority of the City of Abbeville, Louisiana's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses, or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Housing Authority of the City of Abbeville, Louisiana's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

SEE MANAGEMENT LETTER ON NEXT PAGE

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
SCHEDULE OF MANAGEMENT LETTER ITEMS

YEAR ENDED JUNE 30, 2017

To Management and the Board of Commissioners:

In planning and performing our audit of the financial statements of the Housing Authority of the City of Abbeville for the year ended June 30, 2017, we considered the Authority's internal controls in order to determine our auditing procedures for the purpose of expressing an opinion on the financial statements and not to provide assurance on internal controls.

However, during our audit we became aware of matters that are opportunities for strengthening internal controls and operating efficiency. The memorandum contained in this letter summarizes our comments and suggestions regarding those matters. (We have also reported on the Authority's internal control in our report dated December 15, 2017.) This letter does not affect our report dated December 15, 2017 on the financial statements of the Housing Authority of the City of Abbeville.

The status of these comments will be reviewed during the next audit engagement. We have already discussed these comments and suggestions with various authority personnel, and we will be pleased to discuss them in further detail at your convenience, to perform additional study of these matters, or to assist you in implementing the recommendations.

Our recommendations are as follows:

M1 – Dates of Disbursements Incorrectly Entered into General Ledger

We selected an initial of sixty disbursements as part of our tests of internal controls. Of the sixty we tested, we noted fourteen disbursements that had an incorrect date entered into the general ledger.

We determined that the date entered on the check voucher for all sixty disbursements was correct. As noted above, in fourteen instances, the incorrect date was entered into the general ledger.

We are not sure how the error occurred. But it appears the "enter" button was pushed, instead of the date on the check voucher.

Recommendation

Management should obtain assurance from the CEO of the fee accounting firm that the fee accounting firm will revise their procedures/controls to make sure this error does not occur in the future.

Corrective Action – Response

I am Eleanor Arceneaux, Executive Director and Designated Person to answer this management letter comment. We will follow the auditor's recommendation.

The accompanying notes are an integral part of this schedule.

HOUSING AUTHORITY OF ABBEVILLE, LOUISIANA
 NOTES TO THE SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

YEAR ENDED JUNE 30, 2017

NOTE 1 – BASIS OF PRESENTATION The accompanying Schedule of Expenditures of Federal Awards (the “Schedule”) includes the federal award activity of the Housing Authority of the City of Abbeville, Louisiana (the “Housing Authority”) under programs of the federal government for the year ended June 30, 2017. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, *Uniform Administrative Requirements, Costs Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Housing Authority, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Housing Authority.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. The Housing Authority has elected not to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.

NOTE 3 - RELATIONSHIP TO BASIC FINANCIAL STATEMENTS Federal awards revenues are reported in the Housing Authority’s basic financial statements as follows:

	Federal Sources
Enterprise Funds	
Governmental operating grants	\$ 512,054
Capital contributions	175,851
	687,905
Total	\$ 687,905

NOTE 4 – RELATIONSHIP TO FEDERAL FINANCIAL REPORTS Amounts reported in the accompanying schedule agree with the amounts reported in the related federal financial reports except for changes made to reflect amounts in accordance with generally accepted accounting principles.

AGREED UPON PROCEDURES REPORT

Independent Accountant's Report On Applying Agreed-Upon Procedures

To the Board of Directors of the Abbeville Housing Authority and the Louisiana Legislative Auditor:

We have performed the procedures enumerated below, which were agreed to by the Abbeville Housing Authority and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period July 1, 2016 through June 30, 2017. The Abbeville Housing Authority's management is responsible for those C/C areas identified in the SAUPs.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of this report. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Written Policies and Procedures

1. Obtain the entity's written policies and procedures and report whether those written policies and procedures address each of the following financial/business functions (or report that the entity does not have any written policies and procedures), as applicable:
 - a) ***Budgeting***, including preparing, adopting, monitoring, and amending the budget
 - b) ***Purchasing***, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the public bid law; and (5) documentation required to be maintained for all bids and price quotes.
 - c) ***Disbursements***, including processing, reviewing, and approving
 - d) ***Receipts***, including receiving, recording, and preparing deposits

- e) **Payroll/Personnel**, including (1) payroll processing, and (2) reviewing and approving time and attendance records, including leave and overtime worked.
- f) **Contracting**, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process
- g) **Credit Cards** (and debit cards, fuel cards, P-Cards, if applicable), including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers, and (5) monitoring card usage
- h) **Travel and expense reimbursement**, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers
- i) **Ethics**, including (1) the prohibitions as defined in Louisiana Revised Statute 42:1111- 1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) requirement that all employees, including elected officials, annually attest through signature verification that they have read the entity's ethics policy. Note: Ethics requirements are not applicable to nonprofits.
- j) **Debt Service**, including (1) debt issuance approval, (2) EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.

Results of Testing:

The Authority has policies for Budgeting, Disbursements, Credit Cards, Travel and Expense Reimbursement, and Ethics. For the other policies, we have directed Management to the policies listed under the Best Practices on the LLA's website. In addition, we have provided examples of all the policies listed above. The policies must be drafted to the Authority's particular situation.

- a) Budgeting-We also note that since the expenditures per the audit year exceeded \$500,000, a notice should have been posted with the proper information at least 10 days prior to a public hearing. Management claims that a proper notice was posted, but they did not retain documentation. A public hearing was held. The Board of Commissioners reviewed and approved the operating budget on June 29, 2016.
- b) Ethics-As required by the State Ethics laws as noted above, the Authority obtained the required signatures from all employees that they have read the Authority's Ethics Policy. The board members did not sign, but they reviewed and approved the revised Ethics Policy.

We recommend that Management make the changes we have recommended to the existing policies and also adopt the policies they need but do not presently have. Management should retain documentation that a proper notice was posted. We recommend that Management in the future obtain documentation that all required persons attest in writing that they have read the Authority's Ethics Policy. To comply with [i] Ethics, above, Management should obtain annual attestations in writing.

Corrective Action Response:

I am Eleanor Arceneaux, Executive Director and Designated Person to respond to these AUP suggestions. We will make all the changes noted above, and adopt and/or revise the policies noted above. We will follow all of the auditor's recommendations noted above.

Board

2. Obtain and review the board/committee minutes for the fiscal period, and:

- a) Report whether the managing board met (with a quorum) at least monthly, or on a frequency in accordance with the board's enabling legislation, charter, or other equivalent document.
- b) Report whether the minutes referenced or included monthly budget-to-actual comparisons on the General Fund and any additional funds identified as major funds in the entity's prior audit (GAAP-basis).
 - If the budget-to-actual comparisons show that management was deficit spending during the fiscal period, report whether there is a formal/written plan to eliminate the deficit spending for those entities with a fund balance deficit. If there is a formal/written plan, report whether the meeting minutes for at least one board meeting during the fiscal period reflect that the board is monitoring the plan.
- c) Report whether the minutes referenced or included non-budgetary financial information (e.g. approval of contracts and disbursements) for at least one meeting during the fiscal period.

Results of Testing:

- a) Article III of the Authority's By-Laws state that "regular meetings may be held without notice at such times and places as may from time to time be determined by resolution of the Authority." A resolution passed at the organizational meeting held on October 2, 1950 stated that the board "shall hold regular meetings" on a monthly basis.

For the audit year, although the Board met frequently, board meetings were not held monthly.

If Management and the board believe they can continue to adequately monitor the Authority with less than monthly meetings, Management should request the legal counsel to advise how the by-laws may be amended to allow for periodic instead of monthly meetings.

- b) The board minutes do not note specifically that budget-to-actual comparisons were made. However the board minutes do note that financial statements were reviewed.
- c) All of the board minutes properly noted that non-budgetary information was reviewed at each meeting.

We recommend that the Board meet monthly, unless the Board's attorney, or another source, documents that less frequent meetings are in compliance, as noted above. We also recommend the minutes reflect specifically that budget-to-actual comparisons were made at each board meeting. Year-to-date financial statements should be no older than ninety days, preferably even less, to be of maximum value as a tool.

Corrective Action Response:

In the future, we will note in our minutes that we reviewed budget-to-actual comparisons. We will consult with the board and perhaps seek to amend our by-laws, to allow for less than monthly meetings.

Bank Reconciliations

3. Obtain a listing of client bank accounts from management and management's representation that the listing is complete.

Results of Testing:

We received Management's representation that the list is complete.

4. Using the listing provided by management, select all of the entity's bank accounts (if five accounts or less) or one-third of the bank accounts on a three year rotating basis (if more than 5 accounts). If there is a change in practitioners, the new practitioner is not bound to follow the rotation established by the previous practitioner. *Note: School student activity fund accounts may be excluded from selection if they are otherwise addressed in a separate audit or AUP engagement.* For each of the bank accounts selected, obtain bank statements and reconciliations for all months in the fiscal period and report whether:
 - a) Bank reconciliations have been prepared;
 - b) Bank reconciliations include evidence that a member of management or a board member (with no involvement in the transactions associated with the bank account) has reviewed each bank reconciliation; and
 - c) If applicable, management has documentation reflecting that it has researched reconciling items that have been outstanding for more than 6 months as of the end of the fiscal period.

Results of Testing:

- a) Monthly bank reconciliations for all accounts were prepared.
- b) All included documentation that they had been reviewed by a person with no involvement with the bank account transactions.
- c) The only three reconciling items older than six months were reviewed, per documentation.

Collections

5. Obtain a listing of cash/check/money order (cash) collection locations and management's representation that the listing is complete.

Results of Testing:

We obtained Management's representations that the list was complete.

6. Using the listing provided by management, select all of the entity's cash collection locations (if five locations or less) or one-third of the collection locations on a three year rotating basis (if more than 5 locations). If there is a change in practitioners, the new practitioner is not bound to follow the rotation established by the previous practitioner. *Note: School student activity funds may be excluded from selection if they are otherwise addressed in a separate audit or AUP engagement.* **For each cash collection location selected:**

- a) Obtain existing written documentation (e.g. insurance policy, policy manual, job description) and report whether each person responsible for collecting cash is (1) bonded, (2) not responsible for depositing the cash in the bank, recording the related transaction, or reconciling the related bank account (report if there are compensating controls performed by an outside party), and (3) not required to share the same cash register or drawer with another employee.
- b) Obtain existing written documentation (e.g. sequentially numbered receipts, system report, reconciliation worksheets, policy manual) and report whether the entity has a formal process to reconcile cash collections to the general ledger and/or subsidiary ledgers, by revenue source and/or agency fund additions, by a person who is not responsible for cash collections in the cash collection location selected.
- c) Select the highest (dollar) week of cash collections from the general ledger or other accounting records during the fiscal period and:
 - Using entity collection documentation, deposit slips, and bank statements, trace daily collections to the deposit date on the corresponding bank statement and report whether the deposits were made within one day of collection. If deposits were not made within one day of collection, report the number of days from receipt to deposit for each day at each collection location.
 - Using sequentially numbered receipts, system reports, or other related collection documentation, verify that daily cash collections are completely supported by documentation and report any exceptions.

Results of Testing:

- a) The employees that accept checks and money orders [no cash is accepted] are bonded. The persons that accept payments do not make the bank deposits or reconcile the cash account.
- b) Written documentation exists that there is a process to reconcile cash collections to the general ledger and rental register by a person who is not responsible for cash collections.
- c) For the highest week of collection, three were made within one day. However one deposit was not deposited until two days later-collected on Monday and deposited on Wednesday. Management represents that a deposit was made on Tuesday, but after 2 pm. Since it was after the bank's 2 pm cut-off, the deposit was not reflected on the bank statement until Wednesday.

Management should make sure that all collections are deposited within one day of collection.

Corrective Action Response

We will do as the auditor suggests. However, as noted above, we made a deposit on Tuesday, but after 2 pm. We will make deposits in the future before 2 pm, if we are not able to deposit on the same day.

7. Obtain existing written documentation (e.g. policy manual, written procedure) and report whether the entity has a process specifically defined (identified as such by the entity) to determine completeness of all collections, including electronic transfers, for each revenue source and agency fund additions (e.g. periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation) by a person who is not responsible for collections.

Results of Testing:

The Authority has a documented process to determine completeness of all collections, for each revenue source by a person who is not responsible for collections.

Disbursements – General (excluding credit card/debit card/fuel card/P-Card purchases or payments)

8. Obtain a listing of entity disbursements from management or, alternately, obtain the general ledger and sort/filter for entity disbursements. Obtain management’s representation that the listing or general ledger population is complete.

Results of Testing:

We obtained Management’s representation that the list is complete.

9. Using the disbursement population from #8 above, randomly select 25 disbursements (or randomly select disbursements constituting at least one-third of the dollar disbursement population if the entity had less than 25 transactions during the fiscal period), excluding credit card/debit card/fuel card/P-card purchases or payments. Obtain supporting documentation (e.g. purchase requisitions, system screens/logs) for each transaction and report whether the supporting documentation for each transaction demonstrated that:

- a) Purchases were initiated using a requisition/purchase order system or an equivalent electronic system that separates initiation from approval functions in the same manner as a requisition/purchase order system.
- b) Purchase orders, or an electronic equivalent, were approved by a person who did not initiate the purchase.
- c) Payments for purchases were not processed without (1) an approved requisition and/or purchase order, or electronic equivalent; a receiving report showing receipt of goods purchased, or electronic equivalent; and an approved invoice.

Results of Testing:

- a) For the 25 disbursements tested, all properly used a purchase order.
- b) Purchase orders were approved by a person who did not initiate the purchase.

- c) The check that the goods received agree to the goods purchased needs improvement. Usually the goods per the invoice had a manual check mark besides the item. . However, there should be a signature or initials and date on the purchase order or invoice, with a note to the effect “I have agreed the items per invoice to the purchase order. No exceptions.”

Corrective Action Response:

We will do as the auditor suggests.

10. Using entity documentation (e.g. electronic system control documentation, policy manual, written procedure), report whether the person responsible for processing payments is prohibited from adding vendors to the entity’s purchasing/disbursement system.

Results of Testing:

There was no documentation in writing that the person responsible for processing payments is prohibited from adding vendors to the entity’s purchasing system, although the Executive Director reviews all vendors.

Corrective Action Response:

Language requiring the Executive Director’s approval is included in the Purchasing and Disbursements Policy that we will soon adopt.

11. Using entity documentation (e.g. electronic system control documentation, policy manual, written procedure), report whether the persons with signatory authority or who make the final authorization for disbursements have no responsibility for initiating or recording purchases.

Results of Testing:

The persons with signatory authority or who makes the final authorization for disbursements have no responsibility for initiating or recording purchases.

12. Inquire of management and observe whether the supply of unused checks is maintained in a locked location, with access restricted to those persons that do not have signatory authority, and report any exceptions. Alternately, if the checks are electronically printed on blank check stock, review entity documentation (electronic system control documentation) and report whether the persons with signatory authority have system access to print checks.

Results of Testing: The supply of used checks is maintained in a locked location, with access restricted to those persons that do not have signatory authority.

13. If a signature stamp or signature machine is used, inquire of the signer whether his or her signature is maintained under his or her control or is used only with the knowledge and consent of the signer. Inquire of the signer whether signed checks are likewise maintained under the control of the signer or authorized user until mailed. Report any exceptions.

Results of Testing:

Neither a signature stamp nor a signature machine is used.

Credit Cards/Debit Cards/Fuel Cards/P-Cards

14. Obtain from management a listing of all active credit cards, bank debit cards, fuel cards, and P-cards (cards), including the card numbers and the names of the persons who maintained possession of the cards. Obtain management's representation that the listing is complete.

Results of Testing:

Management represented that the list was complete.

15. Using the listing prepared by management, randomly select 10 cards (or at least one-third of the cards if the entity has less than 10 cards) that were used during the fiscal period, rotating cards each year. If there is a change in practitioners, the new practitioner is not bound to follow the rotation established by the previous practitioner.

Obtain the monthly statements, or combined statements if multiple cards are on one statement, for the selected cards. Select the monthly statement or combined statement with the largest dollar activity for each card (for a debit card, select the monthly bank statement with the largest dollar amount of debit card purchases) and:

- a) Report whether there is evidence that the monthly statement or combined statement and supporting documentation was reviewed and approved, in writing, by someone other than the authorized card holder. [Note: Requiring such approval may constrain the legal authority of certain public officials (e.g., mayor of a Lawrason Act municipality); these instances should not be reported.]
- b) Report whether finance charges and/or late fees were assessed on the selected statements.

Results of Testing:

- a) The monthly statements tested had supporting documentation that the charges were reviewed and approved in writing by someone other than the authorized card holder.
- b) No finance charges and/or late fees were assessed on the statements tested.

16. Using the monthly statements or combined statements selected under #15 above, obtain supporting documentation for all transactions for each of the 10 cards selected (i.e. each of the 10 cards should have one month of transactions subject to testing).

- a) For each transaction, report whether the transaction is supported by:

- An original itemized receipt (i.e., identifies precisely what was purchased)
 - Documentation of the business/public purpose. For meal charges, there should also be documentation of the individuals participating.
 - Other documentation that may be required by written policy (e.g., purchase order, written authorization.)
- b) For each transaction, compare the transaction's detail (nature of purchase, dollar amount of purchase, supporting documentation) to the entity's written purchasing/disbursement policies and the Louisiana Public Bid Law (i.e. transaction is a large or recurring purchase requiring the solicitation of bids or quotes) and report any exceptions.
- c) For each transaction, compare the entity's documentation of the business/public purpose to the requirements of Article 7, Section 14 of the Louisiana Constitution, which prohibits the loan, pledge, or donation of funds, credit, property, or things of value, and report any exceptions (e.g. cash advances or non-business purchases, regardless whether they are reimbursed). If the nature of the transaction precludes or obscures a comparison to the requirements of Article 7, Section 14, the practitioner should report the transaction as an exception.

Results of Testing:

- a) For each transaction tested, there was an original itemized receipt, the business purpose was documented, and a purchase order was present when required.
- b) For each transaction tested, the transaction was in compliance with the Authority's Disbursements Policy. All amounts tested were under the Micro Purchase amount level.
- c) For each transaction tested, the transaction was in compliance with the requirements of Article 7, Section 14 of the Louisiana Constitution.

However, in the process of performing the AUP, we note the Authority has regularly paid their attorney a monthly retainer fee. The latter is not allowable according to Article 7, Section 14 of the Louisiana Constitution. We have provided Attorney General Opinion Numbers 78-124 and 04-279 issued by the Office of Attorney General to Management.

We recommend that the Authority revise its method of payment to their attorney, to be in compliance with the state Constitution.

Corrective Action Response:

We will do as the auditor suggests.

Travel and Expense Reimbursement

17. Obtain from management a listing of all travel and related expense reimbursements, by person, during the fiscal period or, alternately, obtain the general ledger and sort/filter for travel reimbursements. Obtain management's representation that the listing or general ledger is complete.

Results of Testing:

Management represented that the list was complete.

18. Obtain the entity's written policies related to travel and expense reimbursements. Compare the amounts in the policies to the per diem and mileage rates established by the U.S. General Services Administration (www.gsa.gov) and report any amounts that exceed GSA rates.

Results of Testing:

The Authority's policy states that meals will be reimbursed at a flat rate of \$75 per day or the Federal per diem for that City, whichever is higher.

The Authority should consider revising its policy to state that the per diem rate will be whatever the federal rate is for that locality and date, as listed at www.gsa.gov.

Corrective Action Response:

We will do as the auditor suggests.

19. Using the listing or general ledger from #17 above, select the three persons who incurred the most travel costs during the fiscal period. Obtain the expense reimbursement reports or prepaid expense documentation of each selected person, including the supporting documentation, and choose the largest travel expense for each person to review in detail. For each of the three travel expenses selected:

- a) Compare expense documentation to written policies and report whether each expense was reimbursed or prepaid in accordance with written policy (e.g., rates established for meals, mileage, lodging). If the entity does not have written policies, compare to the GSA rates (#18 above) and report each reimbursement that exceeded those rates.
- b) Report whether each expense is supported by:
 - An original itemized receipt that identifies precisely what was purchased. [Note: An expense that is reimbursed based on an established per diem amount (e.g., meals) does not require a receipt.] ➤ Documentation of the business/public purpose (Note: For meal charges, there should also be documentation of the individuals participating).
 - Other documentation as may be required by written policy (e.g., authorization for travel, conference brochure, certificate of attendance)
- c) Compare the entity's documentation of the business/public purpose to the requirements of Article 7, Section 14 of the Louisiana Constitution, which prohibits the loan, pledge, or donation of funds, credit, property, or things of value, and report any exceptions (e.g. hotel stays that extend beyond conference periods or payment for the travel expenses of a spouse). If the nature of the transaction precludes or obscures a comparison to the requirements of Article 7, Section 14, the practitioner should report the transaction as an exception.
- d) Report whether each expense and related documentation was reviewed and approved, in writing, by someone other than the person receiving reimbursement.

Results of Testing:

- a) All three persons tested for travel received meals and incidental per diem [M-IE] of \$75 per day, in accordance with the Authority's policy, as noted above. However, the Government Services Administration [GSA] rate for that locality [all three attended the same conference] was \$64 per diem.
- b) All reimbursements were properly supported and the business purpose was clear.
- c) No payments were noted that were not in accordance with Article 7, Section 14 of the Louisiana Constitution.
- d) Each disbursement tested was reviewed and approved in writing by someone other than the person receiving the reimbursement.

The Authority should consider revising its policy to state that the per diem rate will be whatever the rate is for that locality and date as listed as www.gsa.gov.

Corrective Action Response:

We will do as the auditor suggests.

Contracts

20. Obtain a listing of all contracts in effect during the fiscal period or, alternately, obtain the general ledger and sort/filter for contract payments. Obtain management's representation that the listing or general ledger is complete.

Results of Testing:

Management represented that the list was complete.

21. Using the listing above, select the five contract "vendors" that were paid the most money during the fiscal period (excluding purchases on state contract and excluding payments to the practitioner). Obtain the related contracts and paid invoices and:

- a) Report whether there is a formal/written contract that supports the services arrangement and the amount paid.
- b) Compare each contract's detail to the Louisiana Public Bid Law or Procurement Code. Report whether each contract is subject to the Louisiana Public Bid Law or Procurement Code and:
 - If yes, obtain/compare supporting contract documentation to legal requirements and report whether the entity complied with all legal requirements (e.g., solicited quotes or bids, advertisement, selected lowest bidder)
 - If no, obtain supporting contract documentation and report whether the entity solicited quotes as a best practice.

- c) Report whether the contract was amended. If so, report the scope and dollar amount of the amendment and whether the original contract terms contemplated or provided for such an amendment.
- d) Select the largest payment from each of the five contracts, obtain the supporting invoice, compare the invoice to the contract terms, and report whether the invoice and related payment complied with the terms and conditions of the contract.
- e) Obtain/review contract documentation and board minutes and report whether there is documentation of board approval, if required by policy or law (e.g. Lawrason Act or Home Rule Charter).

Results of Testing:

The results of our testing of the five highest vendors is as follows:

- a) Written contracts supported the amount paid.
- b) The bid process was properly complied with.
- c) The contracts were not amended.
- d) The invoices tested were in terms and conditions of the contract.
- e) Board policy does not require board approval. The board minutes did not note board review or approval. In our opinion, board approval should have been obtained at least for the two vendors with the highest dollar amounts, which were for substantial rehabilitation.

Corrective Action Response:

In the future, we will note board approval in the minutes. We also review these matters with the board, but we have not noted this in the board minutes to this date. We will do so in the future.

Payroll and Personnel

22. Obtain a listing of employees (and elected officials, if applicable) with their related salaries, and obtain management's representation that the listing is complete. Randomly select five employees/officials, obtain their personnel files, and:

- a) Review compensation paid to each employee during the fiscal period and report whether payments were made in strict accordance with the terms and conditions of the employment contract or pay rate structure.
- b) Review changes made to hourly pay rates/salaries during the fiscal period and report whether those changes were approved in writing and in accordance with written policy.

Results of Testing:

- a) Payments were made in strict accordance with the terms and conditions of the employment contract or pay rate structure
- b) Changes made to the pay rates/salaries during the fiscal period were approved in writing and in accordance with policy

23. Obtain attendance and leave records and randomly select one pay period in which leave has been taken by at least one employee. Within that pay period, randomly select 25 employees/officials (or randomly select one-third of employees/officials if the entity had less than 25 employees during the fiscal period), and:

- a) Report whether all selected employees/officials documented their daily attendance and leave (e.g., vacation, sick, compensatory). (Note: Generally, an elected official is not eligible to earn leave and does not document his/her attendance and leave. However, if the elected official is earning leave according to policy and/or contract, the official should document his/her daily attendance and leave.)
- b) Report whether there is written documentation that supervisors approved, electronically or in writing, the attendance and leave of the selected employees/officials.
- c) Report whether there is written documentation that the entity maintained written leave records (e.g., hours earned, hours used, and balance available) on those selected employees/officials that earn leave.

Results of Testing:

- a) All employees tested documented their daily attendance and leave.
- b) Written documentation was present that supervisors approved the attendance and leave of the tested employees.
- c) Written documentation was present that the entity maintains written leave records

24. Obtain from management a list of those employees/officials that terminated during the fiscal period and management's representation that the list is complete. If applicable, select the two largest termination payments (e.g., vacation, sick, compensatory time) made during the fiscal period and obtain the personnel files for the two employees/officials. Report whether the termination payments were made in strict accordance with policy and/or contract and approved by management.

Results of Testing:

No termination payments were made during the audit year.

25. Obtain supporting documentation (e.g. cancelled checks, EFT documentation) relating to payroll taxes and retirement contributions during the fiscal period. Report whether the employee and employer portions of payroll taxes and retirement contributions, as well as the required reporting forms, were submitted to the applicable agencies by the required deadlines.

Results of Testing:

No exceptions were noted in the tests.

Ethics (excluding nonprofits)

26. Using the five randomly selected employees/officials from procedure #22 under “Payroll and Personnel” above, obtain ethics compliance documentation from management and report whether the entity maintained documentation to demonstrate that required ethics training was completed.

Results of Testing:

None of the employees tested in #22 obtained ethics compliance documentation during the audit year. However, all five employees, plus three of the board members, obtained certificates, dated between August 2017 and November 2017, for one hour of Ethics training

Management should ensure that all employees and board members obtain at least one hour of ethics training each year, as required by state law.

Corrective Action Plan-Response

We will do as the auditor suggests.

27. Inquire of management whether any alleged ethics violations were reported to the entity during the fiscal period. If applicable, review documentation that demonstrates whether management investigated alleged ethics violations, the corrective actions taken, and whether management’s actions complied with the entity’s ethics policy. Report whether management received allegations, whether management investigated allegations received, and whether the allegations were addressed in accordance with policy.

Results of Testing:

Management represents that no alleged ethics violations were reported during the fiscal period.

Debt Service (excluding nonprofits)

28. If debt was issued during the fiscal period, obtain supporting documentation from the entity, and report whether State Bond Commission approval was obtained.

Results of Testing:

Not applicable.

29. If the entity had outstanding debt during the fiscal period, obtain supporting documentation from the entity and report whether the entity made scheduled debt service payments and maintained debt reserves, as required by debt covenants.

Results of Testing:

Not applicable.

30. If the entity had tax mileages relating to debt service, obtain supporting documentation and report whether millage collections exceed debt service payments by more than 10% during the fiscal period. Also, report any millages that continue to be received for debt that has been paid off.

Results of Testing:

Not applicable.

Other

31. Inquire of management whether the entity had any misappropriations of public funds or assets. If so, obtain/review supporting documentation and report whether the entity reported the misappropriation to the legislative auditor and the district attorney of the parish in which the entity is domiciled.

Results of Testing:

Management represents that they are not aware of any misappropriation of public funds or assets.

32. Observe and report whether the entity has posted on its premises and website, the notice required by R.S. 24:523.1. This notice (available for download or print at www.la.gov/hotline) concerns the reporting of misappropriation, fraud, waste, or abuse of public funds.

Results of Testing:

The notice is properly posted.

33. If the practitioner observes or otherwise identifies any exceptions regarding management's representations in the procedures above, report the nature of each exception.

Results of Testing:

No exceptions to management's representations were noted.

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
