ACCOUNTANTS' COMPILATION REPORT

To the Town Council
Town of Vienna, Louisiana

Management is responsible for the accompanying financial statements of Town of Vienna, which comprise the balance sheet as of April 30, 2019, and the related statement of income for the year then ended in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all of the disclosures and the statement of cash flows required by accounting principles generally accepted in the United States of America. If the omitted disclosures and the statement of cash flows were included in the financial statements, they might influence the user's conclusions about the town's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Act 706 of the Louisiana 2014 Legislative Session requires a Schedule of Compensation, Benefits, and Other Payments to Agency Head on page 4 to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Louisiana state law which considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context. Such information was not audited or reviewed by us, and we do not express an opinion or provide any assurance on it.
