INDEPENDENT AUDITOR'S REPORT

To the Board of Directors Children and Nutrition, Inc. Crowley, Louisiana

Report on the Financial Statements

We have audited the accompanying financial statements of Children and Nutrition, Inc. (a nonprofit organization) (the Organization), which comprise the statement of financial position as of September 30, 2020, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Organization as of September 30, 2020, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statement or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated February 5, 2021 on our consideration of the Organization's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Organization's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the Organization's internal control over financial reporting and compliance.

Notes to Financial Statements

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Children and Nutrition, Inc. (hereafter referred to as the Organization) operates a Family Day Care Home Program under the Child and Adult Care Food Program, Section 17 of the Richard B. Russell National School Lunch Act. Under the provisions of this program, individuals who care for a small number of children in their homes are reimbursed for the costs of meals served to the children. The Organization monitors the composition of the meals to assure nutritional values, makes routine inspections of the homes to assure safety of the children who stay there, and acts as intermediary between the state and federal agencies who administer funds and the providers who care for the children. This program is funded totally by federal funds received from the State of Louisiana Department of Education and is the primary source of the Organization's revenues.

B. Income Tax Status

The Organization qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and, therefore, has no provision for federal income taxes. In addition, the Organization has been determined, by the Internal Revenue Service, not to be a private foundation within the meaning of Section 509(a) of the code. The Organization received its latest determination letter on August 9, 1993, in which the Internal Revenue Service stated that the Organization was in compliance with the applicable requirements of the Internal Revenue Code (IRC). Accounting principles generally accepted in the United States of America require management to evaluate tax positions taken by the Organization and recognize a tax liability (or asset) if the Organization has undertaken an uncertain position that more likely than not would not be sustained upon examination by the Internal Revenue Service. Management has analyzed the tax positions taken by the Organization, and has concluded that there are no uncertain positions taken or expected to be taken that would require recognition of a liability (or asset) or disclosure in the financial statements. The Organization is subject to routine audit by taxing jurisdictions; however, there are currently no audits for any tax periods in progress.

C. Financial Statement Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. Net assets and revenues, expenses, gains and losses are classified based on the existence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net assets without donor restrictions – Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objectives of the Organization. These net assets may be used at the discretion of the Organization's management and board of directors.

Notes to Financial Statements

Net assets with donor restrictions — Net assets subject to donor-imposed stipulations that will be met, either (1) by incurring expenses satisfying the restricted purpose (purpose restricted), and/or passage of time or other events (time restricted), or (2) will never expire (perpetual in nature). When the restriction expires, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the statement of activities as net assets released from restrictions.

D. Cash and Cash Equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid interest-bearing deposits with a maturity of three months or less when purchased to be cash equivalents.

E. Receivables

Receivables are stated at unpaid balances. The Organization maintains allowances for doubtful accounts for estimated losses resulting from the inability of its customers/vendors to make required payments. Because collection is expected at 100%, an allowance for doubtful accounts has not been recorded.

F. Property and Equipment

Property and equipment are valued at historical cost for assets purchased and at fair market value at the date of donation for contributed assets. The Organization maintains a threshold level of \$500 or more for capitalizing capital assets. Depreciable assets are depreciated using the straight-line method over the estimated useful lives of the individual assets as follows:

Furniture and equipment Building and improvements 5-7 years 15-20 years

G. Revenue and Expense Recognition

The Organization recognizes revenues on the accrual basis of accounting. Expenses are recognized in the period incurred in accordance with the accrual basis of accounting.

H. Donated Services and Materials

The Organization recognizes donated services that (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. Donated materials are valued at current market value at the time of the donation. Donated services and materials were considered to be immaterial.

Notes to Financial Statements

I. Functional Allocation of Expenses

Expenses are summarized and categorized based on their function classification as either program or supporting services. Specific expenses that are readily identifiable to a single program or activity are charged directly to that function. Certain categories of expenses are attributable to more than one program or supporting function. Therefore, these expenses require allocation based on time used for those functions.

J. Advertising Costs

The Organization uses advertising to promote its programs among the audiences it serves. Advertising costs are expensed as incurred. Advertising expense was \$0.

K. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amount of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

(2) <u>Concentration of Credit Risk</u>

The Organization's cash is deposited in one financial institution. Cash accounts at banks are insured by the FDIC for up to \$250,000. The Organization's cash balance did not exceed this limit and therefore were not subject to credit risk.

(3) Risk Management

The Organization is exposed to risks of loss in the areas of general liability and property hazards. All of these risks are handled by purchasing commercial insurance coverage. There have been no significant reductions in the insurance coverage during the year. Insurance settlements did not exceed insurance coverage.

(4) <u>Commitments and Contingencies</u>

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability. The amount, if any, of expenditures which may be disallowed by the grantor cannot be determined at this time although the Organization expects such amounts, if any, to be immaterial. Also, a liability for findings and questioned costs is not established until final disposition of such matters by the funding agency.

Notes to Financial Statements

(5) Concentrations

The Organization received substantially all of its total revenue from the Department of Education, State of Louisiana through the U.S. Department of Agriculture Food and Nutrition Services, Family Day Care Home Program, under 7 CFR Part 226. The revenue received is reported on the Statement of Activities as Reimbursements: Administrative and Program. The Organization does not expect that the support from this governmental agency will be lost in the near-term; however, a change in this funding could substantially affect the operations of the Organization.

(6) Subsequent Events

The Organization has evaluated subsequent events through February 5, 2021, the date which the financial statements were available to be issued.

(7) <u>Executive Director Compensation</u>

The schedule of compensation, benefits, and other payments to Rachel Felts, Executive Director follows:

Purpose	A	mount
Salary	\$	75,712
Benefits-FICA		5,792
Travel		6,911
Tota1	\$	88,415

(8) <u>Liquidity and Availability of Resources</u>

The Organization's financial assets available within one year of the balance sheet date for general expenditures are as follows:

Purpose	Amount
Cash and cash equivalents	\$ 35,561
Due from Department of Education	171,272
Total	\$ 206,833

As part of the Organization's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Notes to Financial Statements

(9) Recent Accounting Pronouncements

In May 2014, the FASB issued Accounting Standards Update No. 2014-9, Revenue from Contracts with Customers (Topic 606). This guidance is a comprehensive new revenue recognition standard that will supersede substantially all existing revenue recognition guidance. The new standard's core principle is that a company will recognize revenue when it transfers promised goods or services to customers in an amount that reflects the consideration to which the company expects to be more entitled in exchange for those goods or services. In doing so, companies will need to use more judgment and make more estimates than under existing guidance. These may include identifying performance obligations in the contract, estimating the amount of variable consideration to include in the transaction price and allocating the transaction price to each separate performance obligation. On July 9, 2015, the FASB agreed to delay the effective date of the standard by one year. In June 2020, the FASB agreed to delay the effective date of the standard by one year. Therefore, the new standard will be implemented by Children and Nutrition, Inc. for the year ended September 30, 2021 and is not expected to have a significant impact on the Organization's financial statements.

In February 2016, the FASB issued ASU No. 2016-02, Leases (Topic 842) intended to improve financial reporting regarding leasing transactions. The new standard affects all companies and organizations that lease assets and liabilities for the rights and obligations created by those leases if the lease terms are more than 12 months. The guidance also will require qualitative quantitative disclosures providing additional information about the amounts recorded in the financial statements. The amendments in this update are effective for fiscal years beginning after December 15, 2020, including interim periods within those fiscal years. The Organization is evaluating the potential impact of the amendment on the Organization's financial statements.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors Children and Nutrition, Inc. Crowley, Louisiana

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Children and Nutrition, Inc. (a nonprofit organization) (the Organization), which comprise the statement of financial position as of September 30, 2020 and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 5, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization's internal control over financial reporting (internal control) to as a basis for designing the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

WWW.KCSRCPAS.COM

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors Children and Nutrition, Inc. Crowley, Louisiana

Report on Compliance for Each Major Federal Program

We have audited Children and Nutrition, Inc.'s (the Organization) compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended September 30, 2020. The Organization's major federal programs are identified in the summary of auditors' results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination on the Organization's compliance.

^{*} A Professional Accounting Corporation

Opinion on Compliance for Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended September 30, 2020.

Report on Internal Control over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in the internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose. However, under Louisiana Revised Statute 24:513, this report is distributed by the Legislative Auditor as a public document.

Children and Nutrition, Inc. Schedule of Expenditures of Federal Awards For the Year Ended September 30, 2020

		Pass - Through	
Federal Grantor/Pass-Through	CFDA	Identifying	
Grantor/Program Name	Number	No.	Expenditures
United States Department of Agriculture- Passed through the Louisiana Department of Education			
Child and Adult Care Food Program	10.558	N/A	\$ 1,997,737

Notes to Schedule of Expenditures of Federal Awards Year Ended September 30, 2020

(1) <u>Basis of Presentation</u>

The accompanying Schedule of Expenditures of Federal Awards (the "Schedule") includes the federal award activity of the Children and Nutrition, Inc. (the Organization) under programs of the federal government for the year ended September 30, 2020. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization, it is not intended to and does not present the financial position, changes in net assets, or cash flows of the Organization.

(2) <u>Summary of Significant Accounting Policies</u>

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

(3) <u>Indirect Cost Rate</u>

The Organization has elected to not use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Schedule of Findings and Questioned Costs Year Ended September 30, 2020

Part I. <u>Summary of Auditor's Results</u>:

Financial Statements –	
Type of auditor's report issued:	Unmodified
Internal control over financial reporting:	
Material weakness(es) identified? Significant deficiencies identified?	
Noncompliance material to financial statements noted?	YesX_No
Federal Awards –	
Type of auditor's report issued on compliance for major programs:	Unmodified
Internal control over major programs:	
Material weakness(es) identified? Significant deficiencies identified?	
Any audit findings disclosed that are required to be reported in accordance with 2 CFR section 200.516(a) of the Uniform Guidance?	YesX_No
Major Programs –
