### Why We Conducted This Work

We performed certain procedures at the New Orleans Center for Creative Arts (NOCCA) to evaluate certain controls NOCCA uses to ensure accurate financial reporting, compliance with applicable laws and regulations, and to provide overall accountability over public funds for the period July 1, 2017, through April 17, 2019.

### What We Found

- We evaluated controls and transactions relating to movable property, payroll and personnel, contracts and agreements, and the student activity fund. We found these controls provided reasonable assurance of accountability over public funds for the period examined.
- NOCCA’s revenues and expenditures for fiscal years 2015 through 2018 are shown in the chart below.
