#### Independent Auditor's Report

Honorable Robert H. Morrison, III, Chief Judge and Honorable Scott M. Perrilloux, District Attorney 21<sup>st</sup> Judicial District Court Criminal Court Fund Amite, Louisiana 70422

#### **Report on the Financial Statements**

We have audited the accompanying financial statements of the governmental activities, the general fund, and the aggregate remaining fund information of the 21<sup>st</sup> Judicial District Court Criminal Court Fund as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the 21<sup>st</sup> Judicial District Court Criminal Court Fund's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the general fund, and the aggregate remaining fund information of the 21<sup>st</sup> Judicial District Court Criminal Court Fund as of December 31, 2019, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Management has omitted the budgetary comparison information and the management's discussion and analysis that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinion on the basic financial statements is not affected by this missing information.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the 21<sup>st</sup> Judicial District Court Criminal Court Fund's basic financial statements. The Schedule of Changes in Unsettled Deposits – Agency Funds and the Schedule of Compensation, Benefits, and Other Payments to Agency Head are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The Schedule of Changes in Unsettled Deposits – Agency Fund and the Schedule of Compensation, Benefits, and Other Payments to Agency Head are the responsibility of management and were derived from and relate directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the Schedule of Changes in Unsettled Deposits – Agency Fund and the Schedule of Compensation, Benefits, and Other Payments to Agency Head are fairly stated in all material respected in relation to the basic financial statements as a whole.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 22, 2020, on our consideration of the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control over financial reporting and compliance.

Notes to Financial Statements For the Year Ended December 31, 2019

#### Narrative Profile

The Twenty-First Judicial District Criminal Court Fund (hereinafter referred to as the "Criminal Court"), was established in compliance with Louisiana Revised (LRS) 15:571.11(C)(5) to consolidate the Criminal Court Funds previously under the jurisdiction of each of the three parishes in the Twenty-First Judicial District (the "District") – Tangipahoa, Livingston, and St. Helena. The Criminal Court collects (76%) percent of the fines collected and bonds forfeited in the District. These funds are used to pay the general expenditures of the Judicial District Court system in addition to reimbursing allowable expenditures of the District Attorney and the Judicial Expense Fund. Accordingly, the Criminal Court is considered to be a jointly governed organization by the District Attorney and the Judicial Expense Fund.

The accounting and reporting policies of the Criminal Court conform to generally accepted accounting principles (GAAP) as applicable to governments. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. Such accounting and reporting procedures also conform to LRS 24:513 and to the guidance set forth in the *Louisiana Governmental Audit Guide*, and the industry audit guide, *Audits of State and Local Governmental Units*.

## 1. Summary of Significant Accounting Policies

#### A. Financial Reporting Entity

The Criminal Court is independent from the District Court System and the three parish governments in the Twenty-First Judicial District. Therefore, the Criminal Court reports as an independent financial reporting entity.

Based on the criteria established in GASB Statement No. 14, the Criminal Court has determined that it is a primary government. The Criminal Court has also determined that there are no component units that should be considered part of it for financial reporting purposes.

#### B. Basic Financial Statements – Government-Wide Financial Statements

The Criminal Court's basic financial statements include both government-wide (reporting the Criminal Court as a whole) and fund financial statements (reporting the Criminal Court's major fund). Both the government-wide and fund financial statements categorize primary activities as either governmental or business-type. All Criminal Court activities are classified as governmental activities. The Criminal Court has no business-type activities.

The government-wide financial statements do not include the fiduciary activities of the Criminal Court.

Statement of Net Position – In the government-wide Statement of Net Position, the governmental activities (a) are presented on a consolidated basis, (b) and are reported on a full accrual, economic resource basis, which recognizes all long-term assets and receivables as well as long-term debt and obligations. The Criminal Court's net position is reported in three parts – net investment in capital assets; restricted net position; and unrestricted net position. The Criminal Court first utilizes restricted resources to finance qualifying activities.

Statement of Activities – The government-wide Statement of Activities reports both the gross and net cost of the Criminal Court's functions. The functions are also supported by general revenues (fines, forfeitures, interest income, etc.). The Statement of Activities reduces gross expenses (including

Notes to Financial Statements (Continued)
For the Year Ended December 31, 2019

depreciation) by related program revenues, operating and capital grants, and contributions. Program revenues must be directly associated with the ongoing operations of the Criminal Court. Operating grants include operating-specific and discretionary (either operating or capital) grants, while capital grants report capital-specific grants and contributions. The net costs (by function) are normally covered by general revenues.

The Criminal Court does not allocate indirect costs.

This government-wide focus is more on the sustainability of the Criminal Court as an entity and the change in the Criminal Court's net position resulting from the current year's activities.

#### C. Basic Financial Statements – Fund Financial Statements

The financial transactions of the Criminal Court are reported in individual funds in the fund financial statements. Each fund is accounted for by providing a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenues, and expenditures / expenses.

The emphasis in fund financial statements is on the major funds. Non-major funds by category are summarized into a single column. GASB Statement No. 34 sets forth minimum criteria (percentage of the assets, liabilities, revenues, or expenditures / expenses of either fund category or the governmental and business-type combined) for the determination of major funds. The non-major funds are combined in a column in the fund financial statements.

Governmental Fund – The focus of the governmental fund's measurement (in the fund statements) is the determination of financial position and changes in financial position (sources, uses, and balances of financial resources) rather than upon net income. The Criminal Court reports a single governmental fund:

<u>General Fund</u> - the primary operating fund of the Criminal Court, which accounts for all the operations of the Criminal Court, except those required to be accounted for in other funds. Revenues are derived primarily from fines and forfeitures.

The activities reported in this fund are reported as governmental activities in the government-wide financial statements.

Fiduciary Fund – The focus of the fiduciary funds is on net position and changes in net position. These funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations. Consequently, this fund has no measurement focus, but uses the modified accrual basis of accounting. The Criminal Court reports two fiduciary funds:

<u>Collections Department Agency Fund</u> – this fund is used to account for fines, fees, and other court costs collected and held by the Criminal Court on behalf of the Sheriffs of the Twenty-First Judicial District and the Judicial Expense Fund. Disbursements to the Sheriffs, District Attorney, the Judicial Expense Fund, and other agencies are made on a monthly basis from this account.

<u>Garnishment Agency Fund</u> – this fund is used to account for fines, fees, and other court costs collected by the State of Louisiana through tax intercepts and wage garnishments. These costs are then remitted to the Collections Department to be disbursed along with fees collected by that fund.

Notes to Financial Statements (Continued)
For the Year Ended December 31, 2019

#### D. Basis of Accounting

The accounting and financial reporting treatment applied to a fund is determined by its measurement focus. The governmental fund is accounted for using a current financial resources measurement focus. With this measurement focus, only current assets and current liabilities generally are included on the balance sheet in the fund statements. Capital assets and long-term liabilities are included in the government-wide statements. Operating statements of the governmental fund presents increases (i.e., revenues and other financing sources) and decreases (i.e., expenditures and other financing uses) in net fund balances.

The government-wide Statement of Net Position and Statement of Activities are accounted for on a flow of economic resources measurement focus. With this measurement focus, all assets and all liabilities associated with the operation of these activities are either included on the statement of net position.

The fund financial statements of the governmental fund are maintained and reported on the modified accrual basis of accounting. Under this method of accounting, revenues are recognized in the period in which they become measurable and available. The Criminal Court considers all revenues available if they are collected within 60 days after year-end. Interest income is recorded as earned. Expenditures are recorded when the fund liability is incurred.

The Statement of Net Position and the Statement of Activities are presented on the accrual basis of accounting. Under this method of accounting, revenues are recognized when earned and expenses are recorded when liabilities are incurred without regard to receipt or disbursement of cash.

# E. Cash, Cash Equivalents, and Investments

The Criminal Court's cash and cash equivalents are considered to be cash on hand, demand deposits, interest bearing demand deposits, and short-term investments with original maturities of three months or less from the date of acquisition. Under state law, the Criminal Court may deposit funds in demand deposits, interest bearing demand deposits, money market accounts, or time deposits with state banks organized under Louisiana law and national banks having their principal offices in Louisiana. In addition, the Criminal Court may invest in United States bonds, treasury notes, or certificates. These are classified as investments if their original maturities exceed 90 days; however, if the original maturities are 90 days or less, they are classified as cash equivalents. Investments for the Criminal Court are reported at cost.

#### F. Allowance for Uncollectible Accounts

The Criminal Court calculates its allowance for uncollectible accounts using historical collection data and, in certain cases, specific account analysis.

## G. Capital Assets

Capital outlays are recorded as expenditures of the governmental fund and as assets in the government-wide financial statements to the extent the Criminal Court's capitalization threshold of \$1,000 is met. Capital assets are valued at historical cost or estimated historical cost if actual cost was not available. Donated capital assets are valued at their acquisition value (entry price) at the date of donation.

Maintenance, repairs, and minor equipment are charged to operations when incurred. Expenditures that materially change capacities or extend useful lives are capitalized. Upon sale or retirement of land,

Notes to Financial Statements (Continued) For the Year Ended December 31, 2019

buildings, and equipment, the cost and related accumulated depreciation, if applicable, are eliminated from the respective accounts and any resulting gain or loss is included in the results of operations.

#### H. Net Position

In the government-wide statements, equity is classified as net position and displayed in three components:

- 1. Net Investment in Capital Assets consists of the historical cost of capital assets, including any restricted capital assets, net of accumulated depreciation, and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.
- 2. Restricted this component of net position consists of assets that have constraints that are externally imposed by creditors, grantors, contributors, or laws or regulations of other governments, or constraints imposed by law through constitutional provisions or enabling legislation.
- 3. Unrestricted all other net position is reported in this category.

When both restricted and unrestricted resources are available for use, it is the Criminal Court's policy to use restricted resources first, then unrestricted resources as they are needed.

#### I. Fund Balance

In the governmental fund financial statements, fund balances are classified as follows:

- 1. Nonspendable Fund Balance amounts that cannot be spent because they are either not in spendable form or legally or contractually required to be maintained intact.
- 2. Restricted Fund Balance amounts that can be spent only for the specific purposes due to enabling legislation, State or Federal laws, or externally imposed by grantors, creditors, or citizens.
- 3. Committed Fund Balance amounts that can be used only for the specific purposes determined by a formal action of the District Attorney and Chief Judge (the Criminal Court's highest level of decision-making authority).
- 4. Assigned Fund Balance amounts intended to be used by the Criminal Court for specific purposes but do not meet the criteria to be classified as restricted or committed.
- 5. Unassigned Fund Balance all amounts not included in other spendable categories.

The Criminal Court considers restricted fund balances to be spent for governmental expenditures first when both restricted and unrestricted resources are available.

As of December 31, 2019, the Criminal Court did not have any nonspendable, restricted, committed, or assigned fund balances.

Notes to Financial Statements (Continued)
For the Year Ended December 31, 2019

#### J. Estimates

The preparation of financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

#### 2. Stewardship, Compliance, and Accountability

#### A. Deposits and Investment Laws and Regulations

In accordance with state law, all uninsured deposits of funds in financial institutions must be secured with acceptable collateral valued at the lower of market or par. As reflected in Note 3 regarding cash and cash equivalents, the Criminal Court complied with the deposits and investments laws and regulations.

#### B. Deficit Fund Equity

As of December 31, 2019, the Criminal Court's General Fund had a deficit fund equity of \$3,105. Management will monitor this fund balance on an ongoing basis and will address the deficit in the near future.

#### 3. Cash and Cash Equivalents

As reflected on Exhibit A, the Criminal Court has cash and cash equivalents totaling \$403,525 at December 31, 2019. Total cash from fiduciary responsibilities not reported on the government-wide financial statements totaled \$424,920. These deposits are stated at cost, which approximates market.

The following is a summary of cash and cash equivalents (bank balances) at December 31, 2019, with the related federal deposit insurance and pledged securities:

#### Bank Balances:

Insured (FDIC Insurance)	\$ 250,000
Collateralized:	
Collateral held by the Criminal Court's agent in the Criminal Court's name	-
Collateral held by pledging bank's trust department in the Criminal	
Court's name	-
Collateral held by pledging bank's trust department not in the Criminal	
Court's name	794,289
Uninsured and Uncollateralized	 
Total Deposits	\$ 1,044,289

Custodial Credit Risk – Custodial credit risk is the risk that in the event of a bank failure, the Criminal Court's deposits may not be returned to it. The Criminal Court does not have a deposit policy for custodial credit risk. As of December 31, 2018, \$794,289 of the Criminal Court's bank balance of \$1,044,289 was exposed to custodial credit risk.

Notes to Financial Statements (Continued)
For the Year Ended December 31, 2019

Under state law, deposits must be secured by federal deposit insurance or the pledge of securities owned by the fiscal agent bank. The market value of the pledged securities, plus the federal deposit insurance, must at all times equal the amount on deposit with the fiscal agent. The custodial bank must advertise and sell the pledged securities within 10 days of being notified that the fiscal agent has failed to pay deposited funds upon demand.

#### 4. Due From Other Governments

Amounts due from other governmental units at December 31, 2019, consisted of the following:

Livingston Parish Council	\$ 133,228
Tangipahoa Parish Government	218,328
St. Helena Parish Police Jury	3,558
Criminal Court Fund - Collections Department	113,289
Due from Other Agencies	 9,289
Total Receivables	\$ 477,692

No allowance for uncollectible receivables is required at December 31, 2019.

# 5. Capital Assets

Capital asset activity for the year ended December 31, 2019, is as follows:

	Balance 12/31/18	J	ncreases	De	ecreases	Balance 12/31/19
Equipment Less: Accumulated	\$ 941,680	\$	17,841	\$	-	\$ 959,521
Depreciation	 (859,428)		(45,256)			 (904,684)
Totals	\$ 82,252	\$	(27,415)	\$	_	\$ 54,837

Capital assets are stated at cost, less an allowance for accumulated depreciation. Depreciation expense is computed using the straight-line method of the estimated useful lives as follows:

Furniture	7 Years
Equipment	5 Years

Notes to Financial Statements (Continued)
For the Year Ended December 31, 2019

#### 6. Accounts Payable

Accounts payable as of December 31, 2019, consists of the following:

21st Judicial District Court	\$ 440,119
21st JDC District Attorney	330,926
Other	 113,277
Total Payables	\$ 884,322

#### 7. Litigation and Claims

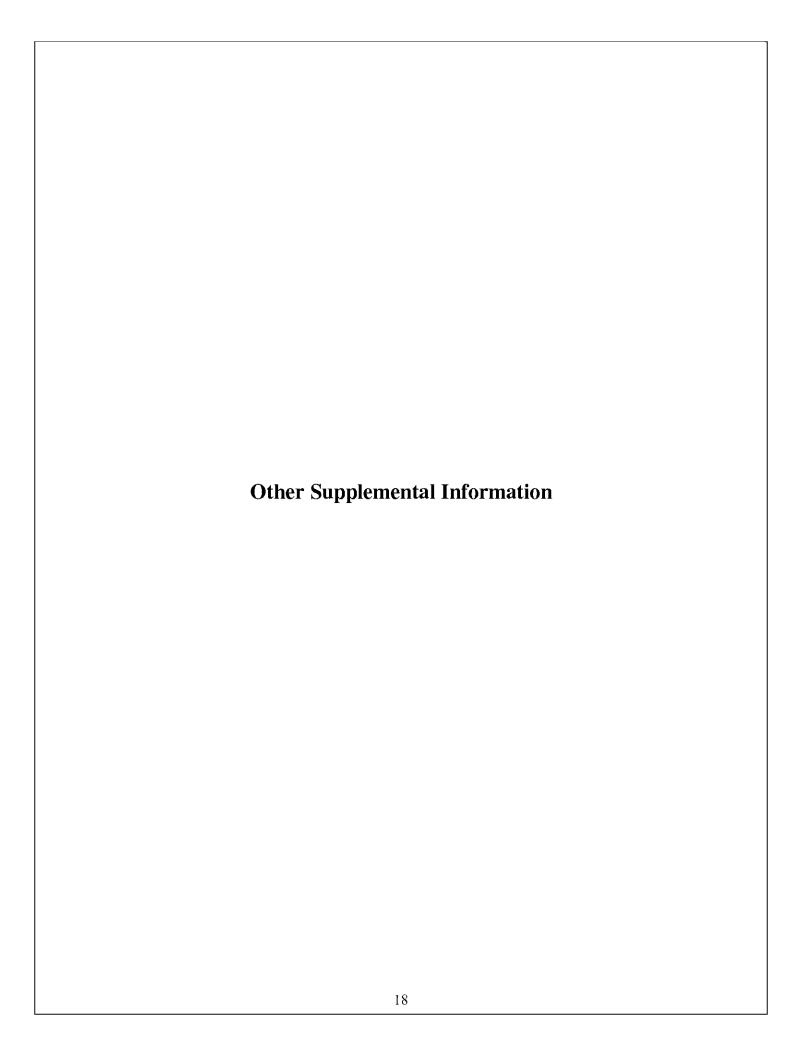

There is no litigation pending against the Criminal Court at December 31, 2019.

#### 8. Related Party Transactions

The Criminal Court is a jointly governed organization by the District Attorney and the Judicial Expense Fund of the Twenty-First Judicial District of Louisiana. Under State law, all cash disbursements of the Criminal Court must be authorized by a "Motion and Order" system. A motion drafted and signed by the District Attorney and an order signed by the Chief Judge are required before any disbursement can be made. Disbursements of the Criminal Court are made either to pay direct expenditures of the Criminal Court itself or to reimburse the District Attorney or the Judicial Expense Fund for expenditures they incur for the operation of the Criminal Court system.

#### 9. Subsequent Event

Management has evaluated subsequent events through the date that the financial statements were available to be issued, September 22, 2020. In March 2020, the COVID-19 virus began spreading throughout the United States resulting in the temporary closure of many non-essential businesses. Management has evaluated the possible impacts of this situation and does not believe that this will have a significant impact on the continued operations of the Criminal Court. No other subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of Financial Statements Performed in Accordance with Government Auditing Standards

Honorable Robert H. Morrison, III, Chief Judge and Honorable Scott M. Perrilloux, District Attorney 21<sup>st</sup> Judicial District Court Criminal Court Fund Amite, Louisiana 70422

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities, the general fund, and the aggregate remaining fund information of the 21<sup>st</sup> Judicial District Court Criminal Court Fund as of and for the year ended December 31, 2019, and the related notes to the financial statements, which collectively comprise the 21<sup>st</sup> Judicial District Court Criminal Court Fund's basic financial statements, and have issued our report thereon dated September 22, 2020

#### **Internal Control over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control. Accordingly, we do not express an opinion on the effectiveness of the 21<sup>st</sup> Judicial District Court Criminal Court Fund's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

#### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the 21<sup>st</sup> Judicial District Court Criminal Court Fund's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

# **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

## Independent Accountants' Report on Applying Agreed-Upon Procedures

Honorable Robert H. Morrison, III, Chief Judge and Honorable Scott M. Perrilloux, District Attorney 21<sup>st</sup> JDC Criminal Court Fund Amite, Louisiana

Louisiana Legislative Auditor Baton Rouge, Louisiana

We have performed the procedures enumerated below, which were agreed to by the Twenty-First Judicial District Court Criminal Court Fund (the "Criminal Court") and the Louisiana Legislative Auditor (the "LLA") on the control and compliance areas identified in the LLA's Statewide Agreed-Upon Procedures (the "SAUPs") of the Criminal Court for the period January 1, 2019 through December 31, 2019. The Criminal Court's management is responsible for those control and compliance areas identified in the SAUPs.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*, issued by the Comptroller General of the United States. The sufficiency of these procedures is solely the responsibility of the Criminal Court and the LLA. Consequently, we make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

Our procedures and findings are detailed in Schedule "A."

We were not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on those control and compliance areas identified in the SAUPs. Accordingly, we do not express such an opinion or conclusion. Had we performed additional procedures, other matters might have come to our attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on those control and compliance areas identified in the SAUPs, and the results of that testing, and not to provide an opinion on control or compliance. This report is intended solely for the information and use of the Criminal Court and the LLA and is not intended to be and should not be used by anyone other than those specified parties. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.

James, hambert Riggs

#### Written Policies and Procedures

- 1. Obtain and inspect the entity's written policies and procedures and observe that they address each of the following categories and subcategories (if applicable to public funds and the entity's operations):
  - a) Budgeting, including preparing, adopting, monitoring, and amending the budget

**Results:** We viewed the Criminal Court's written policies and procedures for budgeting with no exceptions.

b) **Purchasing**, including (1) how purchases are initiated; (2) how vendors are added to the vendor list; (3) the preparation and approval process of purchase requisitions and purchase orders; (4) controls to ensure compliance with the public bid law; and (5) documentation required to be maintained for all bids and price quotes.

**Results:** We viewed the Criminal Court's written policies and procedures for purchasing with no exceptions.

c) Disbursements, including processing, reviewing, and approving

**Results:** We viewed the Criminal Court's written policies and procedures for disbursements with no exceptions.

d) **Receipts / Collections**, including receiving, recording, and preparing deposits. Also, policies and procedures should include management's actions to determine the completeness of all collections for each type of revenue or agency fund additions (e.g. periodic confirmation with outside parties, reconciliation to utility billing after cutoff procedures, reconciliation of traffic ticket number sequences, agency fund forfeiture monies confirmation).

**Results:** We viewed the Criminal Court's written policies and procedures for receipts / collections with no exceptions.

e) *Payroll / Personnel*, including (1) payroll processing, and (2) reviewing and approving time and attendance records, including leave and overtime worked.

**Results:** We viewed the Criminal Court's written policies and procedures for payroll / personnel with no exceptions.

f) *Contracting*, including (1) types of services requiring written contracts, (2) standard terms and conditions, (3) legal review, (4) approval process, and (5) monitoring process

**Results:** We viewed the Criminal Court's written policies and procedures for contracting with no exceptions.

g) *Credit Cards (and debit cards, fuel cards, P-Cards, if applicable)*, including (1) how cards are to be controlled, (2) allowable business uses, (3) documentation requirements, (4) required approvers of statements, and (5) monitoring card usage (e.g., determining the reasonableness of fuel card purchases)

**Results:** We viewed the Criminal Court's written policies and procedures for credit cards with no exceptions.

h) *Travel and expense reimbursement*, including (1) allowable expenses, (2) dollar thresholds by category of expense, (3) documentation requirements, and (4) required approvers

**Results:** We viewed the Criminal Court's written policies and procedures for budgeting with no exceptions.

i) *Ethics*, including (1) the prohibitions as defined in Louisiana Revised Statute 42:1111-1121, (2) actions to be taken if an ethics violation takes place, (3) system to monitor possible ethics violations, and (4) requirement that all employees, including elected officials, annually attest through signature verification that they have read the entity's ethics policy.

**Results:** We viewed the Criminal Court's written policies and procedures for ethics with no exceptions.

j) **Debt Service**, including (1) debt issuance approval, (2) continuing disclosure / EMMA reporting requirements, (3) debt reserve requirements, and (4) debt service requirements.

**Results:** The Criminal Court did not have any written policies and procedures for debt service, as the Criminal Court is not authorized under State Law to issue debt.

k) *Disaster Recovery / Business Continuity*, including (1) identification of critical data and frequency of data backups, (2) storage of backups in a separate physical location isolated from the network, (3) periodic testing / verification that backups can be restored, (4) use of antivirus software on all systems, (5) timely application of all available system and software patches / updates, and (6) identification of personnel, processes, and tools needed to recover operations after a critical event.

**Results:** We viewed the Criminal Court's written policies and procedures for disaster recovery / business continuity with no exceptions.

#### Non-Payroll Disbursements (excluding card purchases/payments, travel reimbursements, and petty cash purchases)

2. Obtain a listing of locations that process payments for the fiscal period and management's representation that the listing is complete. Randomly select 5 locations (or all locations if less than 5).

**Results:** Management provided us with the required listing of payment processing locations as well as management's representation that the listing is complete.

- 3. For each location selected under #2 above, obtain a listing of those employees involved with non-payroll purchasing and payment functions. Obtain written policies and procedures relating to employee job duties (if the agency has no written policies and procedures, inquire of employees about their job duties), and observe that job duties are properly segregated such that:
  - a) At least two employees are involved in initiating a purchase request, approving a purchase, and placing an order / making the purchase.

**Results:** No exceptions in performing the above procedure.

b) At least two employees are involved in processing and approving payments to vendors.

**Results:** No exceptions in performing the above procedure.

c) The employee responsible for processing payments is prohibited from adding / modifying vendor files, unless another employee is responsible for periodically reviewing changes to vendor files.

**Results:** No exceptions in performing the above procedure.

d) Either the employee / official responsible for signing checks mails the payment or gives the signed checks to an employee to mail who is not responsible for processing payments.

**Results:** No exceptions in performing the above procedure.

- 4. For each location selected under #2 above, obtain the entity's non-payroll disbursement transaction population (excluding cards and travel reimbursements) and obtain management's representation that the population is complete. Randomly select 5 disbursements for each location, obtain supporting documentation for each transaction and:
  - a) Observe that the disbursement matched the related original invoice / billing statement.

**Results:** No exceptions in performing the above procedure.

b) Observe that the disbursement documentation included evidence (e.g., initial / date, electronic logging) of segregation of duties tested under #3, as applicable.

**Results:** No exceptions in performing the above procedure.
