Independent Auditor's Report

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

Report on the Financial Statements

I have audited the accompanying financial statements of **Weese Providers Corporation (the Organization)** (a nonprofit organization), which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with auditing standards generally accepted by the United States of America and the standards applicable to financial audits contained in *Governmental Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that I plan and perform the audit to obtain reasonable assurance whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, I express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

WEESE PROVIDERS CORPORATION

Independent Auditor's Report

(Continued)

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

Opinion

In my opinion, the financial statements referred to above present fairly, in all material respects, the financial position of **Weese Providers Corporation** as of September 30, 2018, and the changes in its net assets and its cash flows for the year ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

My audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for additional analysis as required by Title 2 U. S. Code of Federal Regulations (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*. Also, schedules on page 22 through 25 as required by the Louisiana Department of Education, and the schedule of Compensation, Benefits, and Other Payments to the Executive Director as required by LRS 24:513 on page 26, are presented for purposes of additional analysis and are not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statement themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In my opinion, the information is fairly stated, in all material respects in relation to the basic financial statements as a whole.

Other Reporting Required by Governmental Auditing Standards

In accordance with Governmental Auditing Standards, I have also issued my report dated March 3, 2019, on my consideration of the **Organization**'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of my testing of internal controls over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the **Organization's** internal control over financial reporting and compliance.

Weese Providers Corporation

Notes to the Financial Statements
For the Year Ended September 30, 2018

Note 1 – Summary of Significant Accounting Policies

A. Organization

Weese Providers Corporation, is a nonprofit organization operating under the provisions of the Louisiana Non-Profit Corporation Law, Louisiana Revised Statute 12:201-12:269 (1950 as amended) and chartered by the Secretary of State. It was organized exclusively for educational and/or charitable purposes, including but not limited to the administration of the Child Care Food Program, Section 17 of the National School Lunch Act. Under the provisions of this program, individuals who care for a small number of children in their homes are reimbursed for the cost of meals served to the children. **Weese Providers Corporation** through its personnel monitors the composition of the meals to assure nutritional values, make routine inspections of the homes to assure safety of the children who stay there, and act as intermediary between the state and federal agencies that administer funds and the providers who care for the children.

B. Bases of Accounting and Financial Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles.

The Organization follows the guidance established by the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC) as set forth in the FASB ASC 958, *Not-for Profit Entities*. Accordingly, the net assets of the organization are classified to present the following classes: (a) unrestricted net assets, (b) temporarily restricted net assets, and (c) permanently restricted net assets.

Unrestricted Net Assets - Net assets that are not subject to donor-imposed stipulations

Temporarily Restricted Net Assets – Net assets that are subject to donor-imposed stipulations that may or will not be met either by actions of the corporation and/or the passage of time.

Permanently Restricted Net Assets – Net assets subject to donor-imposed stipulations that the organization maintains them permanently. Generally, the donors of these assets permit the organization to use all or part of the income earned on related investments for general or specific purposes. There were no permanently restricted net assets as of September 30, 2018.

WEESE PROVIDERS COPORATION

Notes to the Financial Statements

For the Year Ended September 30, 2018

C. Unrestricted and Restricted Support and Revenues

The Organization also follows the guidance of the Financial Accounting Standards Board whereby contributions received are considered available for unrestricted use unless the donor specifies a restriction. Amounts received that are restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

D. Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Accordingly, actual results may differ from those estimates.

E. Reimbursements Receivable

Management deems all accounts receivable collectible; accordingly, no allowance for doubtful accounts is required. If amounts become uncollectible, they will be charged to operations when the determination is made.

F. Equipment and Furniture

The Organization's equipment and furniture is expensed when purchased. No depreciation is calculated.

G. Fund Accounting

To ensure observance of limitations and restrictions placed on the use of resources available to the Organization, the accounts are maintained in accordance with the principles of fund accounting. This is the procedure by which resources for various purposes are classified for accounting and reporting purposes into funds that are in accordance with the nature and purposes of such funds. Separate accounts are maintained for each fund. Accordingly, all financial transactions have been reported by fund group.

H. Income Taxes

Weese Providers Corporation qualifies as a tax-exempt organization under Section 501(c)(3) of the Internal Revenue Code and comparable Louisiana law. Accordingly, no provision for income taxes has been made in these financial statements.

I. Statement of Cash Flows

The Organization is required to present a statement of cash flows. For purposes of the Statement of Cash Flows, **the Organization** considers all highly liquid debt investments purchased with a maturity of three months or less to be cash equivalents.

Note 2 - Cash

At September 30, 2018, **the Organization** has cash (book balance) totaling \$11,197.70, which is in a noninterest-bearing demand account. The deposits are stated at cost, which approximate market and are fully secured by federal deposit insurance.

Note 3 – Reimbursements Receivables

Reimbursements receivable represent reimbursements due from the Louisiana Department of Education for meals served during the month of September 2018.

Provider Reimbursement Receivable	\$144,590.70
Administrative Reimbursement Receivable	<u>30,700.00</u>
Total Reimbursements Receivable	<u>\$175,290.70</u>

Note 4 – Concentration of Revenues

The Organization receives a large amount of its revenues from one major source, the Louisiana Department of Education. Revenue is based on the number of meals served by providers to children at the approved meal rates. Meal rates are determined on July 1 of each year by the Louisiana Department of Education. Meals served and approved meal rates are reported in the *Schedule of Meals Served and Program Reimbursements*. The revenue from this source represents 99.0% of the organizations total revenues during the year ended September 30, 2018.

Note 5 – Funds Held on Behalf of Others

The Organization acts as a custodian for the Fire Marshal funds. Funds held for fire inspections at September 20, 2018 amounted to \$267.00, and is reported as both an asset (restricted cash) and a liability (Funds held on behalf of others). Consequently, there is no effect on the organization's net assets.

Note 6 - Office Space

The Organization's office space is located at 8253 Louisiana Highway 418, Batchelor, Louisiana is donated by the Executive Director. **The Organization** is not required to pay a lease on the property and has elected not to record the benefit of the contribution.

Note 7 – Due to Providers

Due to providers represents amounts owed to providers for the cost of meals served during the month of September 2018.

Note 8 – Board of Director

The management of **Weese Providers Corporation** is vested in a Board of Directors which consists of four members who serve without compensation.

Note 9– Subsequent Events

Management is required to evaluate events or transactions that may occur after the statement of financial position date for potential recognition or disclosure in the financial statements. Management performed such an evaluation through March 3, 2019, the date that the financial statements were available to issue, and noted no subsequent events or transactions that occurred after the statement of financial position date requiring recognition or disclosure.

*GOVERNMENT AUDITING STANDARDS***

Independent Auditor's Report on Internal Control Over Financial Reporting and on Compliance and Other Matters Based on An Audit of Financial Statements Performed In Accordance With Government Auditing Standards

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

I have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of United States the financial statements of **Weese Providers Corporation (the Organization)** which comprise the statement of financial position as of September 30, 2018, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements, and have issued my report thereon dated March 3, 2019.

Internal Control Over Financial Reporting

In planning and performing my audit of the financial statements, I considered **the Organization's** internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing my opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of **the Organization's** internal control. Accordingly, I do not express an opinion on the effectiveness of **the Organization's** internal control.

A deficiency in internal controls exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. *A material weakness* is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. *A significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention of those charged with governance.

My consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during my audit I did not identify any deficiencies in internal control that I consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether **the Organization's** financial statements are free from material misstatement, I performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material

Independent Auditor's Report on Internal Control Over Financial Reporting
and on Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance With *Government Auditing Standards*

effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of my audit, and accordingly, I do not express such an opinion. The results of my tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose; however, under Louisiana Revised Statute 24:513, this report is distributed by the office of the Legislative Auditor as a public document.

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

Report on Compliance for Each Major Federal Program

I have audited the compliance of **Weese Providers Corporation (the Organization)** with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct material effect on each major federal program for the year ended September 30, 2018. **The Organization's** major federal program is identified in the summary of auditor's results section of the accompanying Schedule of Findings and Questioned Costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal program.

Auditor's Responsibility

My responsibility is to express an opinion on compliance for **the Organizations'** major federal program based on my audit of the types of compliance requirements referred to above. I conducted my audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States of America; and the audit requirements of Title 2 U. S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that I plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about **the Organization's** compliance with those requirements and performing such other procedures as I considered necessary in the circumstances.

I believe that my audit provides a reasonable basis for my opinion on compliance for each major federal program. However, my audit does not provide a legal determination of **the Organization's** compliance.

Opinion on Each Major Federal Program

In my opinion, **Weese Providers Corporation** complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on its major federal program for the year ended September 30, 2018.

Report on Internal Control Over Compliance

Management of **the Organization** is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing my audit of compliance, I considered **the Organization's** internal control over compliance with the types of compliance requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control for the purpose of expressing my opinion on compliance, and to test and report on internal control over compliance in accordance with the *Uniform Guidance*, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, I do not express an opinion on the effectiveness of **the Organization's** internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected on a timely basis. *A significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

My consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. Purpose of This Report

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. This information is intended for the information and use of management, the Legislative Auditor for the State of Louisiana, state and federal awarding agencies and is not intended to be and should not be used by anyone other than those specific parties. STATE REPORTING SECTION

**INDEPENDENT ACCOUNTANT'S REPORT
ON APPLYING AGREED-UPON PROCEDURES**

To the Board of Directors
Weese Providers Corporation
Batchelor, Louisiana

I have performed the procedures enumerated below, which were agreed to by the Board of Directors of **Weese Providers, Inc. (the Organization)**, and the Louisiana Legislative Auditor (LLA) on the control and compliance (C/C) areas identified in the LLA's Statewide Agreed-Upon Procedures (SAUPs) for the fiscal period October 1, 2017 through September 30, 2018. The **Weese Providers Corporation's** management is responsible for those C/C areas identified in the SAUPs.

This agreed-upon procedures engagement was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants and applicable standards of *Government Auditing Standards*. The sufficiency of these procedures is solely the responsibility of the specified users of this report. Consequently, I make no representation regarding the sufficiency of the procedures described below either for the purpose for which this report has been requested or for any other purpose.

The procedures and associated findings are as follows:

Written Policies and Procedures

I obtained from management the written policies and procedures utilized in its operations and verified whether these policies and procedures addressed each of the following financial/business functions; budgeting, purchasing, disbursements, receipts, payroll/personnel, contracting, credit cards, and travel and expense reimbursements.

Budgeting – Not Applicable tested in Year 1 with no exceptions.

Purchasing – Not Applicable tested in Year 1 with no exceptions.

Disbursements – Not Applicable tested in Year 1 with no exceptions.

Receipts – Not Applicable tested in Year 1 with no exceptions.

Payroll/Personnel – Management of the Organization revised its written policies and procedures to require approval of leave by the employee's supervisor or member of Board of Directors.

Contracting – All vendor contracts and allowable expenditures are approved and monitored in accordance with the sponsor's approved Application/Agreement for the **Family Day Care Home Program** with the State and OMB Compliance Supplement.

I was not engaged to and did not conduct an examination or review, the objective of which would be the expression of an opinion or conclusion, respectively, on those C/C areas identified in the SAUPs. Accordingly, I do not express such an opinion or conclusion. Had I performed additional procedures, other matters might have come to my attention that would have been reported to you.

The purpose of this report is solely to describe the scope of testing performed on those C/C areas identified in the SAUPs, and the result of that testing, and not to provide an opinion on control or compliance. Accordingly, this report is not suitable for any other purpose. Under Louisiana Revised Statute 24:513, this report is distributed by the LLA as a public document.
