To the Board of Directors of
Lake Willow Improvement District
New Orleans, Louisiana

Management is responsible for the accompanying financial statements of **Lake Willow Improvement District**, which comprise the statement of Assets, and Fund Balance—Cash Basis as of December 31, 2019, and the related statement of Revenues, Expenditures, and change in Fund Balance—Cash Basis for the year then ended in accordance with the cash basis of accounting, and for determining that the cash basis of accounting is an acceptable financial reporting framework. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

The financial statements are prepared in accordance with the cash basis of accounting, which is a basis of accounting other than accounting principles generally accepted in the United States of America.

Management has elected to omit substantially all the disclosures ordinarily included in financial statements prepared in accordance with the cash basis of accounting. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the Organization's assets, fund balance, revenues, and expenditures. Accordingly, the financial statements are not designed for those who are not informed about such matters.

The supplementary information contained in the accompanying Schedule of Compensation, Benefits and Other Payments to Agency Head or Chief Executive Officer is presented for purposes of additional analysis and is not a required part of the basic financial statements. The supplementary information has been compiled from information that is the representation of management. We have not audited or reviewed the supplementary information and accordingly, do not express an opinion or provide any assurance on such supplementary information.
