We have reviewed the accompanying financial statements of **Just One Word Incorporated** (a nonprofit organization) as of June 30, 2020, and the related statements of activities, cash flows, and functional expenses for the year then ended. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

JUST ONE WORD, INCORPORATED

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – Nature of Organization and Significant Accounting Policies

A. Organization and Operations

Just One Word, Incorporated is a community-based organization and one of its many purposes is to strengthen the family unit. The organization was birthed during calendar year 2007 due to the realization that all an individual may need to turn his or her life around or get back on track is one word of encouragement, correction or love from someone. The organization makes attempts to combat family division due to finances and to eliminate the inability to manage family finances.

Just One Word, Incorporated is exempt from corporate income taxes under Section 501(c)(3) of the Internal Revenue Code.

B. Basis of Accounting

The organization maintains its accounting records on the accrual method of accounting. Under this method of accounting, revenue is recognized when earned or billed, and expenses are recognized when goods or services are received and the obligation for payment is incurred.

Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board (FASB) Accounting Standards Codification (ASC). **Just One Word Incorporated** reports information regarding its financial position and activities according to the two classes of net assets as follows:

Net Assets Without Donor Restrictions – Net assets and revenue available and used for current operations and expenditures for current programs. These net assets are not subject to donor or grantor restrictions.

Net Assets With Donor Restrictions – Net assets subject to donor or grantor imposed restrictions. Some restrictions are temporary in nature, such as those that will be met with the passage of time or occurrence of other events. Other donor-imposed restrictions are perpetual in nature, where the donor stipulates the resources be maintained perpetuity. Donor-imposed restrictions are released when a restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled or both.

Functional Allocation of Expenses

The costs of providing the various programs and activities have been summarized on a functional basis in the statement of functional expenses. Accordingly,

JUST ONE WORD, INCORPORATED

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – Nature of Organization and Significant Accounting Policies Continued:

certain costs have been allocated among the programs, management, and fundraising based on estimates of time devoted to these functions. The amount of fundraising costs were not material.

Permanently restricted net assets are contributions which are required by the donor-imposed restriction to be invested in perpetuity and only the income be made available for program operations in accordance with the donor restrictions. Such income is reflected in temporarily restricted net assets until utilized for donor-imposed restrictions.

Revenue recognition

Revenue from grants and contracts are recognized according to the specific agreement. Generally, revenues from restricted grants are recognized in the period of the grant award while revenues from cost reimbursement contracts are recognized to the extent of services provided.

Cash and cash equivalents

Cash consist solely of demand deposits and a money market account that is secured by federal deposit insurance. All highly liquid debt instruments purchased with an original maturity of three (3) months or less are considered to be cash equivalents for purposes of the statement of cash flows. All deposits are secured by federal deposit insurance.

Accounts receivable and allowance for doubtful accounts

Accounts receivable are recorded at cost, net of an allowance for doubtful accounts. Management evaluates collectability of its accounts receivable on a per customer basis and does not require collateral for its receivables. An amount allowance for doubtful accounts was not recorded at June 30, 2020 since the entire receivable is deemed to be collectible.

Property and Equipment

Property and equipment are recorded at cost if the initial value exceeds \$1,000. Additions, renewals, and betterments that extend the life of assets are capitalized, maintenance and repair expenditures are expensed as incurred. The cost of property and equipment sold or otherwise disposed and the accumulated depreciation thereon are eliminated from the property and related accumulated depreciation accounts, and any gain or loss is credited or charged to income. Depreciation is provided using the straight-line method over the estimated useful lives of the property.

JUST ONE WORD, INCORPORATED

NOTES TO FINANCIAL STATEMENTS

NOTE 1 – Nature of Organization and Significant Accounting Policies Continued:

Contributed Services

The organization recognizes contribution revenue for certain goods and services received at the fair value of those goods and services provided those goods and services create or enhance non financial assets or require specialized skills which are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. During the year ended June 30, 2020, the value of contributed goods and services meeting the requirements for recognition in the financial statements was not material and has not been recorded.

Income Taxes

Just One Word Incorporated is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code and began its operations during calendar year 2010. Accordingly, no provisions for federal or state income taxes have been recorded in the accompanying financial statements and tax years 2017, 2018, and 2019 are open for tax purposes.

Just One Word Incorporated accounts for income taxes in accordance with the income tax accounting guidance included in the FASB ASC. Under this guidance, **Just One Word Incorporated** may recognize the tax effects from an uncertain tax position only if it is more likely than not that the tax position will be sustained upon examination by tax authorities. **Just One Word Incorporated** has evaluated its position regarding the accounting for uncertain tax positions and does not believe that it has any material uncertain tax positions.

Estimates

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America require management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of support and expenses during the reporting period. Actual results could differ from those estimates.

Fair Values of Financial Instruments

Generally accepted accounting principles require disclosure of fair value information about financial instruments for which it is practicable to estimate fair value, whether or not recognized in the statement of financial position. Cash and

cash equivalents carrying amounts reported in the statement of financial position approximate fair values because of the short maturities of those instruments.

C. Property and equipment

Purchased property and equipment are recorded at cost at the date of acquisition. Property and equipment purchased with grants funds are recorded as temporarily restricted contributions. In the absence of donor stipulations regarding how long the assets must be used, **Just One Word, Incorporated** has adopted a policy of implying a time restriction that expires over the useful life of the assets. **Just One Word, Incorporated** maintains a threshold level of \$500 or more for capitalizing capital assets. Depreciation is computed by the straight-line Method based on the following estimated lives:

	<u>Years</u>
Furniture and equipment	5-7
Vehicles	5

D. Cash and cash equivalents

For the purposes of the statement of cash flows, **Just One Word, Incorporated** cash considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents.

E. Income Taxes

Just One Word, Incorporated is a tax-exempt corporation under Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes except to the extent it has unrelated business income. Because the organization is a church, it has elected not to complete Form 990. Accordingly no provisions for federal or state income taxes have been recorded in the accompanying financial statements. Tax years 2017, 2018, and 2019 are open for tax purposes.

disallowed under the terms and condition of the grants. In the opinion of management, such disallowances, if any, would be immaterial.

NOTE 5 - Subsequent Events
