## INDEPENDENT AUDITOR'S REPORT

To the Members of  
Fischer I, LLC

### Report on the Audit of the Financial Statements

#### *Opinion*

We have audited the accompanying financial statements of Fischer I, LLC (the "Company"), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of operations, members' deficit, and cash flows for the years then ended and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the respective financial position of the Company, as of December 31, 2025 and 2024, and the results of operations and cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

#### *Basis for Opinion*

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### *Responsibilities of Management for the Financial Statements*

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

## ***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

### ***Supplementary Information***

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, as listed in the table of contents, is presented for the purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

### **Other Reporting Required by Government Auditing Standards**

In accordance with *Government Auditing Standards*, we have also issued our report dated February 28, 2026 on our consideration of the Company's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control over financial reporting and compliance.

## Fischer I, LLC

### NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2025 and 2024

#### NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

##### 1. Nature of operations

Fischer I, LLC (the "Company"), a Louisiana limited liability company, was formed in March 2004 to construct, develop, and operate a 20-unit apartment project, of which eight units are Public Housing and twelve units are Section 8, known as Fischer I Apartments (the "Apartment") in New Orleans, Louisiana. The Apartment is rented to low-income tenants and is operated in a manner necessary to qualify for federal low-income housing tax credits as provided under Section 42 of the Internal Revenue Code ("Section 42").

As of June 30, 2025, there was an amendment to the partnership agreement to permit the withdrawal of the existing Investor Member and Special Member and to add a new Assigned Member, the Housing Authority of New Orleans (the "Authority" or "HANO"). Profits, losses, and ownership is allocated 0.01% to the Managing Member, Lune d'Or Enterprises, LLC, and 99.99% to the Assigned Member, HANO.

Each building of the Apartment has qualified for and been allocated low-income housing tax credits pursuant to Section 42 which regulates the use of the Apartment to occupant eligibility and unit gross rent, among other requirements. The total low-income housing credits generated from the State of Louisiana was \$2,551,600 and is available for use by the members pro rata over a ten-year period. Each building of the Apartment must meet the provisions of these regulations during each of 15 consecutive years in order to remain qualified to receive the credits. The Compliance period ended December 2021.

The Company is a component unit of HANO under the requirements of Governmental Accounting Standards Board Codification of *Governmental Accounting and Financial Reporting Standards*, Section 2100, *Defining the Financial Reporting Entity*. The Company is presented as a discretely presented component unit of HANO as there is a financial benefit/burden relationship with HANO.

##### 2. Accounting method

The accompanying financial statements have been prepared on the accrual basis of accounting and other accounting standards in accordance with Financial Accounting Standards Board ("FASB"). Accordingly, income is recognized as earned and expenses as incurred, regardless of the timing of payments.

##### 3. Use of estimates

The preparation of financial statements in conformity with accounting principles generally accepted ("GAAP") in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities during the reporting period, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates, and those differences could be material.

Fischer I, LLC

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2025 and 2024

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

4. Cash and cash equivalents

The Company considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

5. Tenant accounts receivables

The Company's accounts receivable include rent due but not collected. Tenants are not charged interest on past due rent. Tenant security deposits are used to help offset any uncollected rent. Accounts receivable are stated net of an allowance for credit losses. The Company periodically assesses its methodologies for estimating credit losses in consideration of actual experience, trends, and changes in the overall economic environment. Management writes off accounts receivable as a charge to the allowance for credit losses when it is probable that the amount will not be collected.

6. Capital assets

Capital assets are recorded at cost. The Company's policy is to capitalize assets with a value in excess of \$5,000 and a useful life in excess of two years. The Company capitalizes the costs of maintenance and repairs, major renewals, and betterments meeting the capitalization policy. Upon disposal of depreciable property, the appropriate property accounts are reduced by the related costs and accumulated depreciation. The resulting gains and losses are reflected in the statement of operations. Depreciation is provided using the straight-line method over the estimated useful lives of the assets.

Buildings and improvements	40 years
Furniture and equipment	10 years

7. Impairment of long-lived assets

The Company reviews its investment in rental property for impairment whenever events or changes in circumstances indicate that the carrying value of an asset may not be recoverable. When recovery is reviewed, if the undiscounted cash flows estimated to be generated by the property are less than its carrying amount, management compares the carrying amount of the property to its fair value in order to determine whether an impairment loss has occurred. The amount of the impairment loss is equal to the excess of the asset's carrying value over its estimated fair value. Management has determined that there were no impairments as of December 31, 2025 or 2024.

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2025 and 2024

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

8. Leases

Under FASB ASC 2016-02, *Leases* (“Topic 842”), the determination of whether an arrangement is a lease is made at the lease’s inception and a contract is, or contains, a lease if it conveys the right to control the use of an identified asset for a period of time in exchange for consideration. Control is defined under the standard as having the right to direct the use of the asset. Management only reevaluates its determination if the terms and conditions of the contract are changed. Operating leases are included in ground lease as a right-of-use (“ROU”) assets and other long-term liabilities on the Company’s balance sheets.

ROU assets represent the right to use an underlying asset for the lease term, and the lease liabilities represent the obligation to make lease payments. The lease ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. The Company uses the implicit rate when it is readily determinable. Lease ROU assets also include any lease payments made and excludes any lease incentives. Lease expense for lease payments is recognized on a straight-line basis over the lease term. The Company’s lease terms may include options to extend or terminate the lease. Leases with an initial term of 12 months or less are not recorded on the balance sheets.

9. Rental income

Rental income is recognized as rents become due. Rental payments received in advance are deferred until earned. All leases between the Company and the tenants of the property are considered operating leases.

10. Income taxes

The Company is not a taxpaying entity for federal or state income tax purposes since taxable income or loss passes through to, and is reportable by, the members individually. Therefore, no provision or liability for income taxes has been included in the financial statements.

The Company accounts for income taxes in accordance with FASB Accounting Standards Codification, *Income Taxes* (“Topic 740”), which clarifies the accounting and disclosure requirements for uncertainty in tax positions. It requires a two-step approach to evaluate tax positions and determine if they should be recognized in the financial statements. The two-step approach involves recognizing any tax positions that are “more likely than not” to occur and then measuring those positions to determine if they are recognizable in the financial statements.

Management regularly reviews and analyzes all tax positions and has determined no aggressive tax positions have been taken. In evaluating the Company’s tax provisions and accruals, future taxable income, the reversal of temporary differences, interpretations, and tax planning strategies are considered. The Company believes their estimates are appropriate based on current facts and circumstances.

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

10. Income taxes (continued)

The Company's income tax filings are subject to audit by various taxing authorities. The Company is subject to income tax examinations by tax authorities for the prior three years.

11. Economic concentrations

The Company operates one property located in New Orleans, Louisiana. Future operations could be affected by changes in economic or other conditions in that geographical area or by changes in federal low-income housing subsidies or the demand for such housing.

NOTE B - CASH AND CASH EQUIVALENTS

As of December 31, 2025, the Company's cash and cash equivalents totaled \$162,908.

The Company maintains its cash and cash equivalents balances in financial institutions that are insured by the Federal Deposit Insurance Corporation ("FDIC") for up to \$250,000 per depositor. From time to time, the Company's balances in these institutions may be in excess of the FDIC insured limit. However, management does not believe the credit risk related to these balances is significant.

As of December 31, restricted cash and cash equivalents consist of:

	2025	2024
Replacement reserve	\$ 24,864	\$ 16,933
ACC subsidy reserve	24,011	23,978

**NOTE E - OPERATING DEFICIT GUARANTY**

Pursuant to the Operating Agreement, the Managing Member has guaranteed to fund, without limitation, all operating deficits, as defined. Amounts so furnished to fund operating expenses incurred prior to the Development Obligation Date shall be deemed Special Capital Contributions and amounts furnished on or after the Development Obligation Date shall constitute Operating Expense Loans, as defined. Any such Operating Expense Loans shall not bear interest and are repayable only as provided for in the Operating Agreement. As of December 31, 2025 and 2024, there were no guaranty amounts due or payable.

**NOTE F - RELATED PARTY TRANSACTIONS**

1. Operating subsidy from HANO

The Company has entered into the Operating Agreement with HANO that provides for an operating subsidy amount for annual operations. Pursuant to the Agreement, eight units at the Apartment are to be operated as Public Housing Units and subject to all regulations therein. During 2025 and 2024, the Company received rental subsidy from HANO in the amount of \$42,478 and \$40,997, respectively.

2. Voucher subsidy from HANO

The Company is eligible to house tenants receiving Housing Choice Voucher rental assistance subsidy through vouchers issued by HANO in twelve units. During 2025 and 2024, the Company received voucher subsidy from HANO in the amount of \$145,916 and \$71,488, respectively, and is included in rental subsidy on the statements of operations.

3. Asset management fee

Pursuant to the Operating Agreement, an annual cumulative asset management fee in the amount of \$2,500 per annum to the Investor Member is incurred. To the extent that it is not paid in full in any fiscal year, it shall accrue and be payable in the future. During 2025 and 2024, fees of \$7,700 and \$6,895, respectively, were charged to operations. As of December 31, 2025 and 2024, \$46,795 and \$39,095, respectively, remains payable.

NOTES TO FINANCIAL STATEMENTS

For the years ended December 31, 2025 and 2024

NOTE G - NOTES PAYABLE TO THE AUTHORITY (continued)

1. Capital funds note

During 2005, the Company entered into a Capital Funds Note with HANO to provide financing for the development of the Project. During 2007, there was an addition to the balance of this loan when HANO reimbursed JPMorgan Chase Bank for an outstanding construction loan on behalf of the Company. The loan bore interest at the long-term applicable federal rate, which was 4.68% at the time the loan was funded, and was collateralized by the Project. All unpaid principal and interest was due on January 31, 2060, and payments on the loan were to be made from surplus cash. Effective September 30, 2025, HANO formally forgave the outstanding principal and accrued interest on the Capital Funds Note, and the note was written off by the Company. Accordingly, no balance related to the HANO Capital Funds Note is reflected in the accompanying balance sheets as of December 31, 2025. As of December 31, 2024, the balance of the HANO Capital Funds Note was included in notes and accrued interest payable in the accompanying balance sheets. Interest incurred during the years ended December 31, 2025 and 2024 was \$113,431 and \$144,479, respectively. Accrued interest payable on the note as of December 31, 2024 was \$1,807,579. During the year ended December 31, 2025, all outstanding principal and accrued interest balances were forgiven.

2. Program income note

On January 20, 2005, the Company entered into a Program Income Construction Mortgage Note with HANO in the amount of \$196,300. The loan was obtained in connection with the financing of the acquisition, development, and construction of the Project and bore interest annually at the long-term applicable federal rate, which was 4.76% at the time the loan was funded. The loan was collateralized by the Project, and the entire amount of unpaid principal and interest was due and payable on January 31, 2060. Effective September 30, 2025, HANO formally forgave the outstanding principal and accrued interest on the Program Income Construction Mortgage Note, and the note was written off by the Company. Accordingly, no balance related to this note is reflected in the accompanying balance sheets as of December 31, 2025. As of December 31, 2024, the balance of the Program Income Construction Mortgage Note was included in notes and accrued interest payable in the accompanying balance sheets. Interest incurred during the years ended December 31, 2025 and 2024 was \$17,718 and \$22,551, respectively. Accrued interest payable on the note as of December 31, 2024 was \$299,298. During the year ended December 31, 2025, all outstanding principal and accrued interest balances were forgiven.

##### 3. Supplemental loan

On November 1, 2006, the Company entered into a Supplemental Loan with HANO in the amount of \$130,000. The loan bore no interest and was collateralized by the Project. All unpaid principal was due on November 1, 2061, and payments on the loan were to be made from surplus cash. Effective September 30, 2025, HANO formally forgave the outstanding principal balance of the Supplemental Loan, and the note was written off by the Company. Accordingly, no balance related to this loan is reflected in the accompanying balance sheets as of December 31, 2025. As of December 31, 2024, the outstanding principal balance of the Supplemental Loan was included in notes payable in the accompanying balance sheets. During the year ended December 31, 2025, all outstanding principal was forgiven.

#### NOTE H - MEMBERS' CAPITAL

Capital contributions totaling \$2,079,000, including a downward adjuster of \$46, were due from the Investor Member when certain milestones are achieved as disclosed in the Operating Agreement. The Investor Member contributions have been fully funded. The Managing Member was required to make contributions of \$100, which has been paid.

#### NOTE I - MANAGEMENT AGREEMENT

Effective October 2015, the Apartment is managed by HANO, the governmental unit that controls Fischer I, LLC, as well as Lune d'Or Enterprises, LLC. As of December 31, 2025 and 2024, \$2,572 and \$2,585, respectively, was charged to operations and \$18,205 and \$15,633, respectively, remains payable.

#### NOTE J - GROUND LEASE

The Company entered into a Ground Lease Regulatory Agreement (the "Ground Lease") with HANO. The Company is bound by the responsibilities and obligations of the Ground Lease. Under the Ground Lease, annual rent of \$10 is due and payable for each lease year in advance on the first day of each lease year. The lease term ends at the latest to occur of (1) the expiration of the minimum period during which the Public Housing Units are required by law to be operated as public housing, (2) 40 years from the date the Apartment becomes available for occupancy, and (3) 89 years. The Ground Lease has provisions to extend it beyond those noted above, but in no event will the Ground Lease extend beyond 95 years.

#### NOTE K - COMMITMENTS AND CONTINGENCIES

##### 1. Legal

The Company may be party to various pending or threatened legal actions in the normal course of operations. As of the date of this report, management is not aware of any material threatened or pending legal actions against the Company.

2. Tax credits

The Apartment's low-income housing tax credits are contingent on its ability to maintain compliance with applicable sections of Section 42. Failure to maintain compliance with occupant eligibility and/or unit gross rent or to correct noncompliance within a specified time period could result in recapture of previously taken tax credits plus interest.

**NOTE L - CASH FLOW TRANSACTIONS**

Cash flow, which means the excess of cash receipts over cash expenditures as determined for each fiscal year or portion thereof, shall be distributed in the following order of priority as defined in the Operating Agreement:

1. To the payment of any Tax Credit Shortfall Payments owed to the Investor Member;
2. To replenish any amounts withdrawn in such year from the Operating Reserve or the ACC Subsidy Reserve;
3. To the repayment of any Operating Expense Loans or Working Capital Loans then outstanding;
4. To make payment on the HANO Loans until the HANO Loans has been paid in full, with payment applied first to accrued interest and then to principal; and,
5. Any remaining balance shall be distributed, 0.01% to the Managing Member and 99.99% to the Investor Member.

**NOTE M - SUBSEQUENT EVENTS**

The Company has evaluated subsequent events through the date noted on the Independent Auditor's Report, the date the financial statements were available to be issued and has determined that no material transactions have occurred that would warrant additional adjustment or disclosure in the financial statements.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Members of  
Fischer I, LLC

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Fischer I, LLC (the “Company”), as of and for the year ended December 31, 2025, and the related notes to the financial statements, which collectively comprise the Company’s basic financial statements, and have issued our report thereon dated February 28, 2026.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the Company’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Company’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Company’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Company’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

## **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the Company's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Company's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Company's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
