INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.
Horsemen's Bookkeeper Account

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. (the Bookkeeper account), which comprise the statements of assets, liabilities, and net assets – modified cash basis as of March 31, 2025 and 2024 and the related statements of receipts and disbursements – modified cash basis for the years then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the assets, liabilities, and net assets of the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. as of March 31, 2025 and 2024, and the receipts and disbursements for the years then ended in conformity with the modified cash basis described in Note 1.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with the modified cash basis of accounting; this includes determining that the modified cash basis of accounting is an acceptable basis for the preparation of the financial statements in the circumstances. Management is also responsible for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgement made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The supplementary information, on page 11, Schedule of Compensation, Benefits, and Other Payments to the Agency Head, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 26, 2025, on our consideration of the Bookkeeper Account's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Horsemen's Bookkeeper Account of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc's internal control over financial reporting or compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Bookkeeper Accounts' internal control over financial reporting and compliance.

1. Significant Accounting Policies (continued)

Basis of Accounting

The accompanying financial statements have been prepared on the modified cash basis of accounting which is a comprehensive basis of accounting other than accounting principles generally accepted in the United States of America. The modifications to the cash basis of accounting relate primarily to accruals of interest income and in-transit purse transfers from racetracks.

Cash and Cash Equivalents

For reporting purposes, the Horsemen's Bookkeeper Account considers all highly liquid debt instruments with maturity of three months or less to be considered cash equivalents. Included in cash and cash equivalents at March 31, 2025 and 2024, are repurchase agreements of \$6,887,937 and \$1,833,604, respectively. Included in cash and cash equivalents at March 31, 2025 and 2024 are money market funds of \$1,520,888 and \$4,532,006, respectively.

For the year ended March 31, 2024, the cash overdrafts were subsequently funded with maturing repurchase agreements and investment transfers in April 2024.

Purse receivables

Purse receivables represent the Horsemen's Bookkeeper Account's unconditional right to amounts due from other tracks that were not received during the fiscal year. As of March 31, 2025 and 2024, the purse receivables of \$1,413,439 and \$5,137,000 represents purse monies that were not paid to the Horsemen's Bookkeeper Account until April and May 2025 and 2024, respectively. Management has determined no allowance is considered necessary and amounts are deemed collectible.

Allowance of Credit Losses

An allowance for credit losses is an estimate based upon historical account write-off trends, facts about the current financial condition of the debtor, forecasts of future operating results based upon current trends and macroeconomic factors. Credit quality is monitored through the timing of payments compared to payment terms and known facts regarding the financial condition of debtors. 5. Related Party Transactions

During the years ended March 31, 2025 and 2024, the Bookkeeper Account by Louisiana legislative statutes collected and disbursed amounts on behalf of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc., Workers' Compensation Insurance Trust, Pension Trust, and Horsemen's Alliance (PAC). These amounts are presented on the statements of receipts and disbursements - modified cash basis.

6. Concentration of Credit Risk

The Bookkeeper Account maintains its cash and cash equivalent balances in two financial institutions. Custodial credit risk is the risk that in the event of a bank failure, the Bookkeeper Account's deposits may not be returned to them. Accounts at the institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. The Bookkeeper Account periodically maintains balances in excess of FDIC limits. As of March 31, 2025 and 2024, the Bookkeeper Account's has individual horsemen and undistributed purse fund deposits. The bank balances amount to \$2,407,070 and \$1,932,555, respectively, of which \$250,000 per bank was covered by federal depository insurance. Included in Bookkeeper's Account for individual's horsemen and undistributed funds at March 31, 2025 and 2024, are investment sweeps of \$13,656,345 and \$11,888,574, respectively. The Bookkeeper Account has not experienced any losses and does not believe that significant credit risk exists as a result of this practice.

7. Regulatory Event

In the 2021 Regular Legislative Session, the Louisiana Legislature passed, and the Governor signed bills enabling statewide sports wagering and Historic Horse racing at industry facilities. Purses for Louisiana bred horses will receive 2.5% of all taxes collected by the state on sports wagering. For the period from July 1 to June 30, 2025 and 2024, the additional purse amounts that are authorized to be disbursed related to this legislation is \$1,800,000 for each year.

On February 23, 2025, the 19th Judicial District Court in East Baton Rouge Parish granted a summary judgement declaring that historical horse racing (HHR) gaming required local voter approval and declared Louisiana Act 437 which authorized HHR unconstitutional. On March 28, 2025, the Louisiana Supreme Court affirmed the lower court ruling and determined that Act 437 was improperly enacted and that voter approval of HHR at the parish level was required before Act 437 could take effect. These rulings could have significant implications on purse funds collected by Bookkeeper and subsequently disbursed as purse income to the horsemen. At this time, management is unable to determine the effect on cash flows, the outcome of local voter referendums or when or if any appeals will be made.

OTHER REPORT

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF
FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT
AUDITING STANDARDS***

To the Trustees

Louisiana Horsemen's Benevolent and Protective Association 1993, Inc.
Horsemen's Bookkeeper Account

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Horsemen's Bookkeeper Account, which comprise the statement of assets, liabilities, and net assets – modified cash basis as of March 31, 2025, and the related statements of receipts and disbursements – modified cash basis for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated September 26, 2025.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Horsemen's Bookkeeper Account's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing an opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Bookkeeper Account's internal control. Accordingly, we do not express an opinion on the effectiveness of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Horsemen's Bookkeeper Account's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Horsemen's Bookkeeper Account's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

Purpose of This Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Louisiana Horsemen's Benevolent and Protective Association 1993, Inc. Horsemen's Bookkeeper Account's internal control or on compliance.
