A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the financial statements that are free from material misstatement whether due to fraud or error.

Accountants' Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

We are required to be independent of Families Helping Families Region 7 and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements related to our review.

Accountants' Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The accompanying Schedule of Compensation, Benefits, and Other Payments to Agency Head on page 12 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The Schedule of Compensation, Benefits, and Other Payments to Agency Head is the responsibility of management and was derived from, and relates directly to, the underlying accounting and other records used to prepare the financial statements. The Schedule of Compensation, Benefits, and Other Payments to Agency Head has been subjected to the review procedures applied in our review of the basic financial statements. We are not aware of any material modifications that should be made to the Schedule of Compensation, Benefits, and Other Payments to Agency Head. We have not audited the Schedule of Compensation, Benefits, and Other Payments to Agency Head and do not express an opinion on it.

Notes to Financial Statements
June 30, 2025

(1) Summary of Significant Accounting Policies

A. Nature of Activities

Families Helping Families Region 7 (FHF7) is a private, nonprofit corporation governed by a board of directors and administered by a professional staff. FHF7's goal is to provide information and referral, education and training and peer to peer support to individuals with disabilities and their families. The support for FHF7 comes primarily from state funds through contracts—grants from the State of Louisiana, Department of Health and Hospitals and other organizations.

B. Basis of Accounting

The financial statements of FHF7 have been prepared on the accrual basis of accounting.

C. Use of Estimates

Management uses estimates and assumptions in preparing financial statements. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and reported revenues and expenses. Actual results could differ from those estimates.

D. Basis of Presentation

Financial statement presentation follows the recommendations of the Financial Accounting Standards Board in its Statement of Financial Accounting Standards. Under those standards, the Organization is required to report information regarding its financial position and activities according to two classes of net assets:

Net assets without donor restrictions: Net assets that are not subject to donor-imposed restrictions and may be expended for any purpose in performing the primary objective of the organization. These net assets may be used at the discretion of FHF7's management and the board of directors.

Net assets with donor restrictions: Net assets subject to stipulations imposed by donors, and grantors. Some donor restrictions are temporary in nature; those restrictions will be met by actions of FHF7 or by the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds be maintained in perpetuity.

Donor restricted contributions are reported as increases in net assets with donor restrictions. When a restriction expires, net assets are reclassified from net assets with donor restrictions to net assets without donor restrictions in the statement of activities. FHF7 has adopted a policy to classify donor restricted contributions as without donor restrictions to the extent that donor restrictions were met in the year the contribution was received.

E. Cash and Cash Equivalents

For purposes of the Statement of Cash Flows, FHF7 considers all unrestricted highly liquid investments with an initial maturity of three months or less to be cash equivalents.

F. Advertising Costs

FHF7 uses advertising to promote its services among the community it serves. The costs of advertising are expensed as incurred. For the year ended June 30, 2025, advertising cost totaled \$9,974 and is included in advertising on the Statement of Functional Expenses.

G. Property and Equipment

It is the policy of FHF7 to capitalize all fixed assets with a unit cost of \$500 or more. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. The Federal Government has a reversionary interest in property purchased with federal funds. Its disposition as well as the ownership of any proceeds therefrom is subject to federal regulations. Depreciation is provided on the straight-line method over the estimated useful lives of the assets.

H. Restricted and Unrestricted Revenue

Support that is restricted by the donor is reported as an increase in net assets without donor restriction if the restriction expires in the reporting period in which the support is recognized. All other donor-restricted support is reported as an increase in net assets with donor restriction, depending on the nature of the restriction. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net asset with donor restrictions are reclassified to net assets without donor restriction and reported in the statement of activities as net assets released from restrictions.

The majority of FHF7's contractual revenue is derived from fixed fee cost reimbursable state contracts, which are conditioned upon certain performance requirements. Revenue is recognized as performance obligations under the contracts are satisfied. Performance obligations are typically to provide support services to individuals and their families. Advances under the agreements are recorded as contract liabilities until such time as the performance obligations are met.

I. Income Tax Status

FHF7 is a non-profit corporation and is exempt from state and federal income taxes under Section 501(c)(3) of the Internal Revenue Code. However, income from certain activities not directly related to FHF7's tax-exempt purpose is subject to taxation as unrelated business income. FHF7 had no such income for this audit period. The Organization's Form 990, Return of Organization Exempt from Income Tax, for the year ended June 30, 2022, 2023, 2024, and 2025 are subject to examination by the IRS, generally three year after they were filed.

J. Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses are allocated to functions based upon management's equitable determination.

(2) Concentrations of Credit Risk

FHF7 maintains cash balances at a financial institution located in the Shreveport area. Accounts at that institution are insured by the Federal Deposit Insurance Corporation (FDIC) up to \$250,000. At June 30, 2025, total cash balances held at financial institutions were \$213,115, all of which was secured by FDIC insurance.

Concentrations of credit risk with respect to grant receivables are limited due to these amounts being due from governmental agencies under contractual terms. As of June 30, 2025, FHF7 had no significant concentrations of credit risk in relation to grant receivables.

(3) Third Party Reimbursement

During the year ended June 30, 2025, FHF7 received contractual revenue from state and other grants in the amount of \$316,033. The continued existence of these funds is based on annual contract renewals with various funding sources.

The right-of-use operating assets and operating lease liabilities at June 30, 2025, are as follows:

Total lease payments:	<u>\$ 42,614</u>	<u>\$ 2,186</u>	<u>\$ 44,800</u>

(6) Liquidity and Availability of Financial Assets

FHF7 monitors its liquidity so that it is able to meet its operating needs and other contractual commitments while maximizing the investment of its excess operating cash. FHF7 has the following financial assets that could readily be made available within one year of the balance sheet to fund expenses without limitations:

Financial assets at year-end:	<u>2025</u>

Grant receivable	<u>33,987</u>
Total financial assets	<u>247,102</u>
Financial assets available to meet cash needs for general expenditures within one year	<u>\$ 247,102</u>

In addition to financial assets available to meet general expenditures over the year, FHF7 operates with a balanced budget and anticipates covering its general expenditures using the income generated from contractual agreements with governmental agencies and contributions. The Statement of Cash Flows identifies the sources and uses of FHF7's cash and shows positive cash generated by operations of \$40,700 for the year end June 30, 2025.
