Algiers Economic Development Foundation Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Organization

The Algiers Economic Development Foundation (AEDF), a nonprofit organization, was organized to foster economic growth of the Algiers community. Through leadership, innovation and collaboration, the AEDF engages the Algiers business community, civic and community partners, elected officials, and regional partners in proactive business initiatives that foster Algiers' growing business environment and establish a sustainable community to create opportunities for Algiers' residents and neighborhoods to thrive and grow.

Basis of Accounting

AEDF prepares its financial statements in accordance with generally accepted accounting principles, which involves the application of accrual accounting; consequently, revenues and gains are recognized when earned, and expenses and losses are recognized when incurred.

Basis of Presentation

Net assets of AEDF and changes therein are classified and reported as follows:

- a) Unrestricted net assets are not subject to donor-imposed stipulations.
- b) Temporarily restricted net assets are subject to donor-imposed stipulations that can be fulfilled by actions of AEDF and/or the passage of time. There was \$2,948 in temporarily restricted net assets as of June 30, 2017.
- c) Permanently restricted net assets are subject to donor-imposed stipulations that they be maintained permanently by AEDF. There are no permanently restricted net assets as of June 30, 2017.

Revenues are reported as increases in unrestricted net assets unless use of the related assets is limited by donor-imposed restrictions. Expenses are reported as decreases in unrestricted net assets. Gains or losses on assets or liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Expirations of temporary restrictions on net assets (i.e., the donor-stipulated purpose has been fulfilled and/or the stipulated time period has elapsed) are reported as net assets released from restrictions.

Use of Estimates

The preparation of the AEDF's financial statements, in conformity with accounting principles generally accepted in the United States of America, requires management to make estimates and assumptions that affect reported amounts of assets, liabilities, revenues and disclosure of contingent assets and liabilities. Adjustments to the reported amounts of assets and liabilities may be necessary in the future.

Algiers Economic Development Foundation Notes to Financial Statements

NOTE 1 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

to the extent that future estimates or actual results are different from the estimates used in the financial statements.

Cash and Cash Equivalents

Cash and cash equivalents represent demand deposits and other investments with purchased maturities of three months or less.

Accounts Receivable

AEDF signed a cooperative endeavor agreement with the City of New Orleans to reimburse AEDF for expenses related to events held to promote economic growth in the Algiers community. Accounts receivable as of June 30, 2017 consisted of amounts due from the City of New Orleans for this cooperative endeavor agreement. Management believes all amounts are collectible; therefore, no allowance for doubtful accounts is recorded.

Fixed Assets

Fixed assets are stated at cost, with the exception of donated items, which are stated at fair market value at the date of donation. It is AEDF's policy to capitalize expenditures for items in excess of \$1,000 with a useful life of at least 3 years. Lesser amounts and expenses that do not extend the assets useful life are expensed as incurred. AEDF uses the straight-line depreciation method over the useful lives of its property. Office furniture is depreciated over 7 years. Depreciation expense for the year ended June 30, 2017 was \$-0- as all fixed assets were fully depreciated as of year-end June 30, 2015.

Other Assets

Other assets consisted of the rent damage deposit for the AEDF office space.

Revenue and Deferred Revenue

Sponsorships and ticket sales (program income) for special events are recognized as revenue when the event is held. Grant revenue relates to the cooperative endeavor agreement with the City of New Orleans and is recognized as expenses are incurred.

For the year ended June 30, 2017, AEDF had no unrelated business income. Management believes there are no uncertainties included in the accompanying financial statements.

Advertising

The Foundation expenses advertising costs as incurred. There was \$567 in advertising expense incurred for the year ended June 30, 2017.

NOTE 2 - TEMPORARILY RESTRICTED NET ASSETS
